This reference tool on faith presents a summary of accessible answers to over100 commonly raised apologetic questions.

You can't be friends with God if the God you believe in doesn't really exist.

You can't depend on God if your God is a figment of your imagination. In a world full of gods, how do you know Jesus is real? You have probably heard things like: All religions lead to the same God. All faiths teach the same things. It doesn't matter what you believe-just that you believe sincerely. But Jesus said that: He alone is the way to God. He alone shows us the truth of who God is. He alone gives us life close to God. In this youth edition of Jesus Among Other Gods, Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods. Zacharias contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism, providing strong descriptions of each faith and solid defenses for the cause of Christ. In addition to the religion comparisons, the book answers questions such as: "What about all the hypocrites at church?" "How scientific is science?" "How can you best share what you believe?" and "Does the Bible teach reincarnation?" You can never be too young to learn how to defend your faith . . . and this book will tell you exactly how to do just that!

How differently would we live if we believed that every dimension of our lives---from the happy to the tragic to the mundane---were part of a beautiful and purposeful design in which no thread were wrongly woven? That's what best-selling author and internationally-known apologist, Ravi Zacharias, explores in The Grand Weaver. As Christians, we believe that great events such as a death or a birth are guided by the hand of God. Yet

we drift into feeling that our daily lives are the product of our own efforts. This book brims with penetrating stories and insights that show us otherwise. From a chance encounter in a ticket line to a beloved father's final word before dying, from a random phone call to a line in a Scripture reading, every detail of life is woven into its perfect place. In *The Grand Weaver*, Dr. Zacharias examines our backgrounds, our disappointments, our triumphs, and our beliefs, and explains how they are all part of the intentional and perfect work of the Grand Weaver. Ravi Zacharias deals with five questions September 11 raised, showing how God 's imprint is not only in the answers but in the questions themselves.

WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question

about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. His literary repartee fueled an “if it feels good, do it” humanistic philosophy that is still prevalent in the world today. SO WHAT does JESUS SAY?

Apologists Ravi Zacharias and Vince Vitale make a compelling case that while Jesus' divinity is a matter of fact, just as important is determining whether it is a fact that matters.

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the Conversations with Jesus series. Have you ever wondered what Jesus would say to Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose search for the meaning of life took them in many directions--and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

A ministry resource for motivating all Christians to become thoughtful apologists of their faith Although apologetics is as crucial today as it has ever been, the classical model for defending the faith often seems irrelevant to the 21st century where people listen with their eyes and think with their emotions. *Is Your Church Ready?* Presents a team of highly qualified Christian thinkers—including Ravi Zacharias, John Guest, Jay Budziszewski, Judy Salisbury, Dean Halverson, and Peter Grant—who build a case for the place of apologetics in the local church, home, and school. Using personal examples and illustrations they address: □ How to answer objections to Christianity □ How to equip children in the home and prepare youth to remain committed to Christ after they leave for college □ How to reach international students and the foreign-born Included are discussion questions and a □Church Leaders Resource Guide□ to the best books, articles, organizations, and websites on the subject.

Why would a loving and powerful God allow so much pain and suffering? In *Why Suffering?* Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational

File Type PDF Cries Of The Heart Ravi Zacharias

explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. *Why Suffering?* provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

Encounter Jesus Like Never Before through Eastern Eyes Throughout these pages, Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural insights we often miss when we ignore the Eastern context of the Bible. They offer a refreshing picture of Jesus, one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners. In *Seeing Jesus from the East*, Ravi Zacharias and Abdu Murray show us why a broader view of Jesus is needed - one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible. Zacharias and Murray capture a revitalized gospel message, presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds. Incorporating story, vivid imagery, and the concepts of honor and shame, sacrifice, and rewards, *Seeing Jesus from the East* calls believers and skeptics, both Eastern

and Western, to a fresh encounter with the living and boundless Jesus.

Destruction and Evil Meet Life and Peace Adolf Hitler spilled the blood of millions for his own sake. Jesus Christ shed his own blood for the sake of millions. Hitler set himself up as a god and the masses succumbed. Jesus Christ was God in the form of lowly man. Hitler created a living hell for the masses. Jesus endured hell to save the masses. Hitler's name is synonymous with power, evil, and genocide. Jesus' name with love, peace, and life. Put the two in a room together and you won't believe your ears. The third compelling book in Ravi Zacharias' Great Conversations series addresses fundamental issues of life

and death, the evil of violence in light of the value of human life, and other tough issues in modern society. Adolf Hitler Evil. Hatred. Pride. Destruction. Jesus Christ Peace. Love. Humility. Life. What could they possibly have to talk about? In this compelling dialogue, two men of contrasting values meet face-to-face. They address fundamental issues of life and death, the evil of violence in light of the value of human life, and the timeless search for unity in diversity. Dietrich Bonhoeffer, the German pastor Hitler ordered hanged, joins in and the heat intensifies when the three begin to weigh the value of relationships, love, and forgiveness. You won't want to miss this imaginative discourse that will take you inside the mind of one of the most brutal tyrants of all time...and the very God who made him. "The works of Ravi Zacharias are a vital resource around our house." Frank Peretti Story Behind the Book This third book in the intriguing Great Conversations series takes Jesus out of the New Testament setting and places him in the 1900s to confront one of the

world's most influential people of all time—Adolf Hitler. The other books in the series reveal fictitious conversations Jesus might have with Buddha and with Oscar Wilde. The three books combine to attract readers who have friends practicing other religions, or who admire or question contemporary figures. These conversations are rich, begging for eavesdroppers. With a rare combination of eloquence and logic, Zacharias exposes the emptiness of life without God. In this profound message from one of the great thinkers of our generation, Zacharias explores the inner feeling of futility that can overwhelm a human heart and helps us to see a reason for our suffering, be comforted in loneliness, and experience an abiding faith in our daily lives. "Cries of the Heart" is a book that both inspires and reassures...a search that uncovers our hidden sentiments and reveals God's continual inescapable presence in every moment of our lives.

Jesus Among Other Gods: In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil: With clarity and insight, Zacharias shows how many of today's most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there, "in the depths of our innermost being, That the work of God changes what we want to do. This is not an ethical system calling us to civility. This is the transforming work of the grace of God, who calls us

His children." He shows how: Secularization has led us to a loss of shame, generating evil even against those we love Pluralization has led us to a loss of reason, generating evil toward those we choose to hate Privatization has led us to loss of meaning, generating evil against ourselves

An acclaimed apologist explores the hard questions about what it means to be a follower of Jesus Christ and addresses the struggles from both skeptics and Christians alike as to why it is so difficult to believe/continue believing.

The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a "perfect storm" to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In WHY JESUS?, Ravi Zacharias looks at the impact of this "storm" by discussing the 60s-70s "Age of Aquarius," actor Shirley MacLaine's book and TV series *Out On a Limb*, author James Redfield (*The Celestine Prophecy*), Rhonda Byrne (*The*

Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the "secular gods" of atheism, scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by

modern culture, but its believers are openly ridiculed as irrelevant. In **JESUS AMONG SECULAR GODS**, Ravi Zacharias and Vince Vitale challenge the popular "isms" of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods.

Hope is far bigger than wishful thinking. Biblical hope is something certain and firm, that keeps us going when life is tough and inexplicable, and when the bottom drops out of our world. Hope transforms everything. Hope lifts the pressure off us - turns our eyes to a bigger picture. For the Christian, the Resurrection means that we have real, genuine hope in this life, and beyond, for eternity. We are trusting in Christ, not ourselves, and he is the gateway to lasting hope, peace and joy. We have a better hope. In this short, conversational book Sam Allberry invites us to consider what the Bible says about this better hope. The gospel persuades us to base our lives on something secure, not flimsy, something lasting, not temporary. Millions have done so and have never regretted it. Discover how the Resurrection offers you a better hope. This e-book extracted from the 2010 volume *Lifted*.
