The fourth novel in the #1 New York Times and #1 USA Today bestselling Crossfire series. Gideon calls me his angel, but he’s the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we’d exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn’t sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we’d worked so hard for. We faced a terrible choice: the familiar safety of the lives we’d had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

SCHOOL FOR SCANDAL: James Bell, Viscount Ormond, is a shameless rake, infamous for his skills in seduction--and Claire Russell doesn't intend for her sister to become his latest conquest. That is why she's come to the viscount's private masked ball. The flagrant sensuality and unabashed decadence on display there are shocking, but they are nothing compared to the scandalous fire Claire feels when James makes a wholly improper suggestion--improper, indecent, and very, very tempting. MISCHIEF AND THE MARQUESS: Justin, the Marquess of Fontaine and Lady Sophie Milton-Riley have no desire to marry. To satisfy their mothers' insistence that they would be quite right together, they set out to demonstrate how completely ill suited they are for one another. Justin is allergic to her perfume. Sophie dislikes his dogs. He prefers blondes; she, brunette men. But the more they seek to prove how wrong their union would be, the more right things feel. And when opposites attract, there's no denying the sparks or the heat. RUBY KISS: Susannah Fowler is in possession of many temptations--an independent nature, a quick wit, and lush curves. She is also in possession of a fortune in stolen jewels hidden within her favorite corset. If rakehell Carlyle Jameson wants it, he will have to remove it himself. From her boudoir or from her body. One kiss ought to distract her, but one kiss leads to another and another, till there's no turning back and no desire to try.

We made our own rules and surrendered completely to the exquisite power of possession...

Captivated by You: Crossfire Series, Book 4, is built using alternating chapters from the two main characters', Gideon's and Eva's, first-person perspectives. Captivated by You uses a unique and most refreshing literary device for romance genre, and one which proves emotional-ly anchoring for the reader and the couple. Also, unlike many other romance flicks, this book attempts to bring in and deal with some weightier, real-life issues. The narrative in this book is female focused, as every attention is given to what we know about female readership preferences. Our male hero, Gideon, is attentive, rich, good-looking - and (bonus, cherry-on-top) yes ladies he cooks in the kitchen - not just in bed! Eva and most fe-male readership will resonate with his continual doting. Gideon is very needy on the love he both gives to and gets from Eva. This is so much so, that the book's title Captivated By You is understated and might be better renamed, Can't Live an Hour Without You. (Yes, it's a tongue in cheek title - or at least his tongue in her cheek(s) title.) The two main characters are, Gideon, the book's central character, and Eva, the protagonist. Gideon and Eva are two professional 20-somethings and painfully needy. Largely, their needi-ness stems from their abusive sexual pasts. While, both characters come from prior dysfunction, they meet their codependent states mostly with boxers down and skirts up. In this novel, sex is the glue holds all chapters together. There is Monday-night sex, early morning sex, wet shower sex, dry sex, make-up sex, midday sex, weekend sex, and sex after sex And, yes, this sex starts to wear thin (as likely so do the sheets) about chapter 10 or 11. However, somewhere between psychosis and gratification, the two seem to truly love one another, as even the primal nature of the page garners Gideon's "Angel mine," and reflective poetry. The softness of Gideon's poetic times provide balance for the violent foreshadowing which may be occurring in Day's narrative. Download your copy today! for a limited time discount of only \$2.99! A Crossfire Novel by Sylvia Day: Summary & Analysis

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think. . . right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure- I intend to find out.

"Whether making my heart melt or my head burst into flames, Annabeth Albert draws the reader in and keeps them captivated." —Gay Book Reviews The sexy Navy chief and his best friend's adorkable little brother... It's petty, but Naval Chief Derrick Fox wishes he could exact a little revenge on his ex by showing off a rebound fling. His submarine is due to return to its Bremerton, Washington, home base soon and Derrick knows all too well there won't be anyone waiting with a big, showy welcome. Enter one ill-advised plan... Arthur Euler is the guy you go to in a pinch—he's excellent at out-of-the-box solutions. It's what the genius music-slash-computer nerd is known for. So when he finds out Derrick needs a favor, he's happy to help. He can muster the sort of welcome a Naval Chief deserves, no problem at all. Except it is a problem. A very big problem. When Arthur's homecoming welcome is a little too convincing, when a video of their gangplank smooch goes enormously viral, they're caught between a dock and a hard place. Neither of them ever expected a temporary fake relationship to look—or feel—so real. And Arthur certainly never considered he'd be fighting for a very much not-fake forever with a military man. "McMurray's love scenes are crackling!"—Entertainment Weekly Set in Brooklyn (with a small-town feel in the big city), this cat café romantic comedy has tropes readers will adore: Best friend's brother romance Forbidden romance (can't let his sister/my best friend find out!) Millennial angst (my love life is a hot mess) Adorable rescue cats in a cozy Brooklyn café When Paige Danvers isn't managing events for the Whitman Street Cat Café, she is busy navigating dating disasters as a single woman in Brooklyn. Urged by her boss and best friend Lauren to find a distraction from ineffectual dating apps, Paige volunteers with a cat rescue organization, where she actually meets a guy with some real relationship potential. Recent law school grad Josh Harlow is putting in long hours at a Manhattan law firm as he gets over a messy breakup. When his boss requires him to do some volunteer work, Josh's sister sets him up to help capture feral cats. Partnered with Paige, Josh is insistently drawn to the dynamic event planner and sparks between them fly. One problem: after a steamy night together, Paige discovers Josh is Lauren's brother and dating him would be a spectacularly awful idea. Particularly considering Paige's track record. They're both in too deep to walk away—but if they let the cat out of the bag, it's going to wreak havoc with friends, family, and jobs alike. Praise for Kate McMurray: "McMurray offers up some irresistible animal magnetism in this quirky romance. . . Colorful locals and the leads' convincing chemistry give this romance its sizzle, but it's the four-legged costars that steal the show. I'm good at hiding my feelings.Having to pretend I'm not in love with my best friend?Pfff. That's child's play.Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink.Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend.Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it.Except he veered from the plan.He crossed the line.Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?!I'd ask him about it if I could, but well...things got ugly and we're not best friends anymore.In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part.Pretending not to hate him?Well...I might need a little more practice.
