

## Crossing The Unknown Sea Work As A Pilgrimage Of Identity

Using mathematical metaphor, Cohen touches deeply into issues of life and heart. In each poem she crosses the equal sign on many levels, beginning with visible points, lines, and numbers, crossing over to life's invisible-yet-tangible delights and frustrations and crossing back again with insights gleaned from these reflections.

They say love conquers all...but marriage, kids and working undercover is proving that statement false. Lori watched helplessly as her husband's undercover work drew him further and further away. When she discovers all those nights David worked away from home may have been spent with another woman, her calm collected world falls apart. David dedicated his life to taking down criminals-by any means necessary. After months of long days and nights, he finally closes the case on the most bloodthirsty drug cartel this side of the Mississippi. Now he can turn his steely determination to gaining back his wife's love and respect. Faced with David's relentless advances, Lori is helpless to resist. But their rekindled love is threatened when the cartel discovers David's identity. Now David and Lori must fight for their lives with the same passion as they fought for their love.

(Color Version) Crow, the King of Sumo tells the story of Koji, a young boy who befriends one of the cooks on a U.S. Navy ship. As the unlikely pair connects, they become great friends, and Crow goes on to challenge the sumo champion of Japan. Along the way, they learn a lot from each other. Set in Japan during the Edo period of Japanese history, the tale has a fun and heartwarming connection to the modern world.

Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it. It's easy to forget that we're only given so much. We ignore it because we're convinced we'll always have more. I am proof that we aren't promised anything. The clock owes us nothing. I know this because not only was Time my name, I wasn't given enough of it. Sure I had challenges but I vowed to make the most of it, of my young life. My limitations wouldn't hold me back. Time was on my side. Then I was told otherwise. Now the clock was working against me. I would face this disease alone. Then he walked in and changed everything. He gave me a reason to fight. He helped me prepare. Like others before me, when time slowed I wasn't ready. I begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story.

Hijack Over Weaver's Needle

Behind the Falls

***Crossing the Unknown Sea Work as a Pilgrimage of Identity Penguin***

***A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...***

***The author assesses the workplace in terms of opportunity for rediscovering, shaping, and nurturing our personal lives, as he applies the stages of a holy pilgrimage to the process of seeking one's identity through work.***

***A collection of short stories along with poems to express a college woman's encounters with the three most important men in her life thus far. In this book the reader will go on a journey living the love and heart breaking experiences the author writes of and eventually being guided to the self loving woman she is today. These poems represent love, honesty, heart break, and realization.***

***Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.***

Poems about animals we live around, nature and its affects on us, also other things to pause and think about. Contains color pictures. this is a paperback with thirty-six pages, twenty-eight poems. Explaining how to transform the practical necessity of work into an opportunity for spiritual nourishment, a poet and corporate consultant argues that true success arises from working less on organizational matters and more on one's life. Reissue.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN  
When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Poetry and the Preservation of the Soul in Corporate America

Crossing the Equal Sign

The Story of Electricity

19th Century Idaho Farm Life

Crow, the King of Sumo

*Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.*

***It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.***

***A radical, "crystalline" (Elle) approach to integrating our work, relationships, and inner selves from the bestselling author, poet, and speaker. The author of Crossing the Unknown Sea and The Heart Aroused encourages readers to reimagine how they inhabit the worlds of love, work, and self-understanding. Whyte suggests that separating these "marriages" in order to balance them is to destroy the fabric of happiness itself. Drawing from his own struggles and the lives of some of the world's great writers and artists- from Dante to Jane Austen to Robert Louis Stevenson-Whyte explores the ways these core commitments are connected. Only by understanding the journey involved in each of the three marriages and the stages of their maturation, he says, can we understand how to bring them together in one fulfilled life.***

***Parker O'Neill is a man with the world at his feet. Son of the CEO of O'Neill's International, he is ready to take over as head of the company, once his father retires in six months' time. However, Parker has earned himself the ultimate playboy reputation, and not everyone thinks he is ready to take control of the company that he was groomed for all his life. Given an ultimatum that he has to settle down if he wants to take over from his father; Parker decided the only way to solve his problem, is to pay someone to play the part of his dutiful wife. Alice Whitman is a hard working girl, with a kind heart. Raised by her grandmother after losing her parents, she knows what its like to lose everything. Sophia, Alice's grandmother, is getting older and growing weaker by the day. Alice is the only one Sophia has, so it falls to her to do whatever it takes to help her beloved Gram. When Parker makes Alice an offer he thinks she can't refuse, he is stunned to find that money doesn't always mean you get your own way. However, Alice soon realises Parker might be the one person that can help her when she needs it most. Can they make their arrangement work without anyone finding out the truth, or will this thing between them turn into something neither of them expected it to be?***

***Work and the Shaping of Identity***

***What do you do after life has handed you a wake-up call? Author Brian Seth Hurst experienced a significant professional setback, but, rather than "soldier on," he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create. The question of "Why?" began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source. What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create***

*anew. W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding. How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts. W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You. W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future. W H O L E literally answers the question, "What was I thinking?" "To know "whole" in the duality of your reality, you must know broken. To know broken is to recognize that you are, always have been, and always will be WHOLE."*

*Cordosa, a small village in Brazil's most southern state of Rio Grande do Sul, is experiencing traumatic illness and loss of life from unknown causes. The population of landless farmers is slowly deteriorating. Jake Parker, ex U.S. Army Intelligence Officer, is assigned as a photojournalist to investigate the possible causes. What he soon discovers is that he will be watched, manipulated and harassed by high ranking United States government officials who will stop at nothing to gain revenge within their own ranks. With lives hanging in the balance, Jake finds himself in the middle of an undetected world of spiritual warfare and a congressional war filled with greed and corruption. As a beautiful young Deaf woman stumbles into the scandal, the hunt begins, and Jake Parker must figure out how to save her life as well as his own.*

*The Dry Creek Chronicles offer a window onto the daily lives of Idaho families who owned and worked the land in the Dry Creek Valley and Green Meadow, southwestern Idaho, from 1863 to 1900. Two nineteenth century farming communities, one in the creek valley and one on the floodplain of the Boise River, forged an enduring social bond through marriage and shared economic fortunes in similar environments. Over the course of forty years, however, their destinies diverged: one remained rural for more than 150 years, while the other became a settled part of nearby Boise City. This is the story of the families who created those communities.*

*When Joe sees his late wife on a street corner, he believes he's either seen a ghost, or is insane. Jen and he were indescribably in love, but she was tragically killed a year earlier, and he's since remarried. Jen wasn't killed. The report of her death was an appalling mistake. Shattered and almost destroyed in finding him married to someone else, she struggles to find sanity and a new life. A story of love and strife that poses many questions.*

Leaving It All Behind is a true travel tale told in real time during one family's voyage around the world. It is distinctly not just a recitation of foreign people and places but speaks intimately about a diversity of experiences and ultimately about how much more there is to life than a fancy job title and big paycheck. From time spent as barge captains in France and organic farmers in Italy to days and nights in South African and Nepalese orphanages, and from remote beaches in Croatia and India to the Mekong River and caves of rural northern Thailand, Leaving It All Behind really chronicles a kindred journey from a conventional lifestyle to something more balanced and harmonious, maybe, something more fulfilling. Perhaps, even, to something more real.

Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic. Even more shocking is that he will be going with grandparents he has never known. Why does his mother want to send him away? Edwin explores the ship, meeting men such as Thomas Andrews, Bruce Ismay, and Captain Smith. Along the way, he also learns secrets about his own family's past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

Have you ever questioned life and wonder why you? Can you hear yourself saying, "Is there more to life than this?" I can identify this with you. Did you know? Our brain process approximately 70,000 thoughts on an average day. Often many wonder why so many give up and quit in life. In this book I will show you how to rise above mediocrity. No more settling for less than God's best and only fantasizing about your heart desires - Its time you Rise Above, Now.

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

Leaving It All Behind

Truth Is Not Always True

The Dry Creek Chronicles

Spilling the Tea

Life in the coal mines of Ohio and Pennsylvania was fraught with tragedy, illness and death in the early 20th Century. Irish immigrant J fights anti-Irish sentiment and danger, both in the mines and out. In Southeastern Ohio, the Markhams continue to build their merchant with builder Fred Hunt providing both inspiration for the Markhams and a distraction for several women whose paths cross his. Fictitious interact with real historical figures in this look at the early days of the United Mine Workers of America in the Appalachian Valley coal One day two teens, Aidan and Jessica, discover and get in possession an advanced scientific device, an anti-gravity belt, created by Jes is a electronics engineer. This device has the potential of great benefits to society as well as destructive possibilities. This attracts the

government agencies who want to get their hands on it at all costs.

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting it on fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she can't shake the feeling that something isn't right. The official story doesn't ring true. Her interviews become front-page news. So does her investigation after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through them, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Peter's desk reveals the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment. In the end, the answers Juni seeks won't be the ones she finds. Told through an inspired mix of puzzle pieces--news stories, phone transcripts, and interviews--and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--Provided by the publisher.

Our greatest opportunity for discovery and growth is in the thing we most often want to get away from: our work. It's where people spend most of their time, and it's where many spend much of it wishing they were somewhere else, doing something else. And it's where people often find their time not being present, and not being themselves. Whyte points out that as human beings we are the one part of creation that can resist. Our bodies can be present in our work, but our hearts, minds and imaginations can be placed firmly in neutral or engaged elsewhere.

Over the Deep

A Titanic Adventure

Crossing the Unknown Sea

The Solace, Nourishment and Underlying Meaning of Everyday Words

The Power of Faith; exemplified in the life and writings of the late Mrs. I. Graham of New York

**A romantic tragedy set in the tough corporate world of a major airline. Intense suspense culminates in a shocking moment, reminiscent of D.B. Cooper's infamous hijacking, as a man tumbles from a passenger jet ten thousand feet above a cool, moonlit Arizona desert night. A series of seemingly unrelated events have occurred over several months at TriCon Airlines. A routine flight turns tragic when a flight attendant is struck and paralyzed by a careening food cart. A massive bird strike rocks another flight and an engine explosion on yet another flight fatally injures a passenger. TriCon's arrogant management wrongly places the blame for much that happened on long-time and respected senior engineer, Jack Traner, shattering his comfortable life with his wife Ann. Agonized by the way his life has been torn apart, he sets in motion a deadly quest for revenge. Highly trained, armed with insider knowledge, and virtually unlimited access to TriCon's planes, he methodically and brilliantly sets the stage to exact retribution for his ruined life. An ordinary man, pushed too far, decides to push back. It's a story that no one could have predicted or thought possible in today's environment of intense airport security and passenger awareness.**

**September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized**

**nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...**

**Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, Web Games is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.**

**FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help.**

**Operation Katie Saves her Own Damn Self is officially on.**

*This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a*

higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

The Wonder Years Daylen Daniels and Chase McCoy are as different as night and day. Chase is the beautiful golden boy. Gorgeous, popular, and the quarterback of the football team. Daylen is the quiet introvert. Lovely curves, shy, and sees herself as an orchestra geek. After Day moves next door to Chase, a run-in with a bully, a domestic dispute, and one treehouse hideout, an impenetrable bond is made. As they grow up, their attraction for each other grows with them, but is it strong enough to risk their friendship? A party, a little game of spin the bottle, and a devious enemy could shake the very foundation of their friendship. Or it could start a tumultuous romance that spans decades. Take a journey with these two best friends through first love, heartbreak and tragedy from childhood to adulthood as the two find that young love isn't as strong as they'd hoped. A story of true growing pains in...Chasing Day.

Crossing the Unknown Sea is about reuniting the imagination with our day to day lives. It shows how poetry and practicality, far from being mutually exclusive, reinforce each other to give every aspect of our lives meaning and direction. For anyone who wants to deepen their connection to their life's work—or find out what their life's work is—this book can help navigate the way. Whyte encourages readers to take risks at work that will enhance their personal growth, and shows how burnout can actually be beneficial and used to renew professional interest. He asserts that too many people blindly trudge through a mediocre work life because so many "busy" tasks prevent significant reflection and

*analysis of job satisfaction. People often turn to spiritual practice or religion to nurture their souls, but overlook how work can actually be our greatest opportunity for discovery and growth. Crossing the Unknown Sea combines poetry, gifted storytelling and Whyte's personal experience to reveal work's potential to fulfill us and bring us closer to ultimate freedom and happiness. In Consolations David Whyte unpacks aspects of being human that many of us spend our lives trying vainly to avoid – loss, heartbreak, vulnerability, fear – boldly reinterpreting them, fully embracing their complexity, never shying away from paradox in his relentless search for meaning. Beginning with 'Alone' and closing with 'Withdrawal', each piece in this life-affirming book is a meditation on meaning and context, an invitation to shift and broaden our perspectives on life: pain and joy, honesty and anger, confession and vulnerability, the experience of feeling overwhelmed and the desire to run away from it all. Through this lens, procrastination may be a necessary ripening; hiding an act of freedom; and shyness something that accompanies the first stage of revelation. Consolations invites readers into a poetic and thoughtful consideration of words whose meaning and interpretation influence the paths we choose and the way we traverse them throughout our lives.*

**The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new second edition of Ancient Enemies is professionally edited and 55,700 words.**
