When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's

"obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

These wives are unsatisfied, vulnerable, and as much as they love their husbands, they love getting their desires fulfilled a lot more. These husbands love their wives and are trying their hardest to please them, but are too wimpy to do anything about it, even as they are made to watch their petite white wives with BIG black studs. These cuckold stories were selected for showing just how far cuckolding can go... Used in public? Unprotected with a convict? On top of her arrogant boss and begging him not to pull out? black man?" Cindy shocks Scott with her blunt answer, saying she's always longed to have sex with a black man. Jamal loudly asks her if she wants too, and Scott is just drunk enough to suggest that Cindy give it a shot. Scott never thinks she'll do it but to his shock she gets down on her knees right then and there to allow herself to be used and stretched out by Jamal in every way possible in front of the entire party. Cucked By The Convict A chance meeting with her ex-boyfriend, Sam, sets in motion a chain of events for a loving wife that she can't halt. The fact that he's just got of prison doesn't stop the passion they once shared coming to life again. Two young lovers in pre-war Prague are torn apart by the Nazi invasion only to meet up again decades later in New York City for another chance at romance in this novel from the author of the The Last Van Gogh. Original. 75,000 first printing.

A group of young people get closer and closer, experiencing some mind-blowing explorations in sexuality and relationships.

Beautifully hot and intense and also very heartfelt writing as the best-selling Gamberdotti does not fail to provide.

In this volume, I explore all sorts of wifely depravity, from wives showing an interest in the bullies that harass their husbands to wives who take the demands of political correctness more seriously than their own wedding vows. Some people actually explode with anger when they come across these tales. I see all sorts of indignant comments online. Some can't handle the idea of wives cheating on their husbands, which I find a quaint objection. I've talked about this at length, but basically, nothing is more sexually titillating than transgression. So I am no stranger to controversy. In this volume, I expect to hear new objections. I have re-approached a topic I call social justice porn in which husbands are cuckolded by wives in the name of social justice. Many on the left will object to this, but I insist that these ideas need to be explored further. I was amazed at first when the alt-right started using cuckold related insults like cuck-servative to attack their enemies. As though being tolerant of immigration was equivalent to wanting strangers to fuck your wife. What a massive, collective freudian slip on the part of these poor Trump supporters. They

are wearing their fears of betrayal, humiliation, and impotence on their sleeves. But I am happy to go down that rabbit hole and examine cuckoldry in this light. I am in search of the stories that makes a hotwife and her cuckold cum. Political correctness be damned. Cheerio, Gustav Jorgenson San Francisco, 2017

From Kiki Ryder, the freshest new author to hit the erotic and fantasy romance scene. Sexual Reparations explores the deep seated guilt of Emily and Dan, a white suburban couple who have completely bought into the ideology that white people are responsible for the sufferings of others and owe some form of restitution. Things begin with them doing their part in being vocal and physically participating in rallies, when they eventually encounter some young black men who share the same ideology. Except they're not waiting for political actions and demand their payment now. Payment being the complete sexual submission of Emily and the emasculation of Dan. Through their physical presence, shaming and playing on her guilt they separate her from Dan and take what they want.
