Tucked into the southeast corner of BC, the Kootenay Rockies are one of Canada's best-kept outdoor adventure secrets. As you move west from the world-famous peaks of the Rocky Mountains, the crowds thin out and the opportunities for outdoor adventure grow. Forest-covered mountains hide sun-filled valleys, where rainbow trout swim in sparkling streams and deer graze along the shoreline. A maze of logging roads extends deep into the backcountry, offering access to countless campsites and hiking and mountain biking trails. In the winter, the region is covered by a thick layer of dry, fluffy snow, affectionately referred to by the locals as champagne powder.
