Memo: For Ministry of Strange, Unusual, and Impossible Things Operatives Only Re: The Monster's Daughter by Paul Gamble There is more trouble in Belfast: odd things are happening at the aquarium, giant crabs are staging jail breaks, and formerly harmless bath bombs are destroying bathrooms left and right. Fortunately, our brave new recruits—Jack, a curious boy skilled at logical thinking, and Trudy, the most dangerous girl in school—are on the case. Armed with the best Ministry training (as long as you don't panic everything will be fine) and full access to Ministry supplies (those that weren't ruined in the recent flood), we are confident that they can discover and foil this villainous plot. Please give them all possible assistance. Oh, and be sure not to share their location, as Jack is still on the run from the Tooth Fairy.

Contains an all-new afterword by New York Times best-selling author Larry Correia! Welcome to Monster Hunter International. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. Monster Hunter International is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves.

Lady Diana Cooper was an aristocrat, a socialite, an actress of stage and early screen. When she married rising political star Duff Cooper, they became the golden couple who knew everyone who was anyone; they sat at the very heart of British public life. Diana's letters to her only son, John Julius Norwich, cover the period 1939 to 1952. They take us from the rumblings of war, through the Blitz, which the Coopers spent holed up in the Dorchester (because it was newer, and therefore less vulnerable, than the Ritz), to rural Sussex where we see Diana blissfully setting up a smallholding as part of the war effort. After a spell with the Free French in Algiers, Duff was appointed British Ambassador to France and the couple settled into the glorious embassy in post-Liberation Paris. Over and beyond all the glitz, Diana emerges in these letters as highly intelligent, funny, fiercely loyal: a woman who disliked extravagance, who was often crippledly shy, who was happiest in the countryside with her cow and goats and whose greatest love and preoccupation were her husband and son. As a portrait of a time and some of history's most dramatic and important events, these letters are invaluable. But they also give us a vivid and touching portrait of the love between a mother and son, separated by war, oceans—and the constraints of the time they lived in.

Book 1

My Favorite Thing is Monsters

Meet Alex Finch - tomboy, techno geek, monster hunter. Reluctant monster hunter. A school project, an absentminded project partner, and a misplaced backpack all change 16-year-old Alex Finch's life forever. In a single afternoon Alex finds the missing backpack, has a run-in with Sam, the boy she's had a crush on since first grade - and discovers that monsters are real. That mind-blowing incident throws her life in a completely different direction, uncovering secrets that cost her more than she could ever imagine. And the further she digs, the darker and more dangerous the secrets become. What else is hiding behind the ordinary facade of her California beach town? Alex is about to find out.

Gretchen, and her stepbrother, Clark hate staying at their grandparents' house. Grandpa Eddie is totally deaf. And all Grandma Rose wants to do is bake. Plus, they live right in the middle of a dark, muddy swamp. Things couldn't get any worse, right? WRONG. Because there's something really weird about Grandma and Grandpa's house. Something odd about that room upstairs. The one that's locked. The one with the strange noises coming from it. Strange growling noises...

As portals to the supernatural realm that creates and animates the universe, caves have always been held sacred by the peoples of Mesoamerica. From ancient times to the present, Mesoamericans have made pilgrimages to caves for ceremonies ranging from rituals of passage to petitions for rain and a plentiful harvest. So important were caves to the pre-Hispanic peoples that they are mentioned in Maya hieroglyphic writing and portrayed in the Central Mexican and Oaxacan pictorial codices. Many ancient settlements were located in proximity to caves. This volume gathers papers from twenty prominent Mesoamerican archaeologists, linguists, and ethnographers to present a state-of-the-art survey of ritual cave use in Mesoamerica from Pre-Columbian times to the present. Organized geographically, the book examines cave use in Central Mexico, Oaxaca, and the Maya region. Some reports present detailed site studies, while others offer new theoretical understandings of cave rituals. As a whole, the collection validates cave study as the cutting edge of scientific investigation of indigenous ritual and belief. It confirms that the indigenous religious system of Mesoamerica was and still is much more terrestrially focused that has been generally appreciated.

Set against the tumultuous political backdrop of late '60s Chicago, My Favorite Thing Is Monsters is the fictional graphic diary of 10-year-old Karen Reyes, filled with B-movie horror and pulp monster magazines iconography. Karen Reyes tries to solve the murder of her enigmatic upstairs neighbor, Anka Silverberg, a holocaust survivor, while the interconnected stories of those around her unfold. When Karen's investigation takes us back to Anka's life in Nazi Germany, the reader discovers how the personal, the political, the past, and the present converge.

Did you know you share your home with monsters?! In this book explore the menagerie of tiny and unusual creatures--arthropods (insects, mites, and spiders)--found in our lawns and gardens, our food, our beds, our clothes, and even our eyelashes. You may not know it . . . but you share your home with monsters! Some of these monsters are so tiny that they were barely recognized, even by scientists, until the invention of the electron microscope. Although they may seem like aliens from another planet, these miniscule creatures live right alongside us. And just about all of them are harmless--and some are even helpful! In his signature cut- and torn-paper style, Steve Jenkins shows readers that--seen up close--these pesky critters are as fantastic looking as any creature on Earth. This Caldecott Honor-winning duo also uses informational graphics and diagrams to demonstrate just how big the critters are, where they live, and how many there might be in your home right this second!

First published in 1865, Alice's Adventures in Wonderland began as a story told to Alice Liddell and her two sisters on a boating trip in July 1862. The novel follows Alice down a rabbit-hole and into a world of strange and wonderful characters who constantly turn everything upside down with their mind-boggling logic, word play, and fantastic parodies. Like the first, this second edition includes Carroll's earlier story Alice's Adventures Under Ground, which allows readers to trace the revisions and to compare Carroll's own illustrations in the original with the famous John Tenniel illustrations for Alice's Adventures in Wonderland. This edition also includes new appendix material: George MacDonald writing on the fantastic, the eighteenth-century children's story Goody Two-Shoes, a section on film and television adaptations of Alice, and new illustrations.

The invention of mummification enabled the ancient Egyptians to preserve the bodies not only of humans but also of animals, so that they could live forever. This book draws together studies on the different types of animal mummies, the methods of mummification, and the animal cemeteries located at sites throughout Egypt.

There is a land - let's call it Elsewhere - that is in no small amount of trouble. Giant wolves are tearing villages apart, a monster king is bringing his army across the sea to capture the legendary Hall of Glass, and the High Lord has completely disappeared. Henry Whistler was eight when he got lost at a bus station in Hounslow. There his adventure began. For that was when he met the exiled invisible man, the monster swordsman, and the girl with the bright red hair. Now a grown-up, Henry's childhood adventure is a faded memory... until his fiancée vanishes. Until he is drawn into another world. Until he is pursued by a blind assassin - with only a monster and a dead man for company - across a land that is in no small amount of trouble. Monster Manual Special Edition

Monsters University Junior Novelization

First published in 1886 as a "shilling shocker," Dr Jekyll and Mr Hyde takes the basic struggle between good and evil and adds to the mix bourgeois respectability, urban violence, and class conflict. The result is a tale that has taken on the force of myth in the popular imagination. This Broadview edition provides a fascinating selection of contextual material, including contemporary reviews of the novel, Stevenson's essay "A Chapter on Dreams," and excerpts from the 1887 stage version of Dr Jekyll and Mr Hyde. Also included are historical documents on criminality and degeneracy, the "Jack the Ripper" murders, and London in the 1880s. New to this second edition are an updated critical introduction and, in the appendices, writings on Victorian psychology by Thomas Carlyle, Richard Krafft-Ebing, and Henry Maudsley, among others.
