### *Dark Parties*

*Originally published: New York: Doubleday, 2016.*

*Mid-town Buppies, big-time mobsters, fabulous dancing queens, and unscrupulous promoters all come together in After Dark, a first-hand account of the birth and growth of the disco movement in the 1970s. Disco music has earned an unflattering reputation for being garish and flashy; however, it was the voice of a generation that spoke using the power of dance to unite people. Now, for the first time you can hear the compelling, never-been-told story of the rise of the New York disco scene. In the late 1960s, a group of college students formed a social club called "The Best of Friends" (TBOF) and*

## Access Free Dark Parties

*learned to monetize their love of dancing and music by building a multi-million-dollar network of discotheques. Their innovative DJing techniques transported dancers into a carefree state of euphoria that paved the way for "Saturday Night Fever," Studio 54, and the nationwide explosion of disco in the late '70s. TBOF discotheques attracted everyone from CEOs to mailroom clerks, from Rick James to Elizabeth Taylor, and from big-time mobsters to FBI agents. This unprecedented collection of humanity made it impossible to know what excitement would unfold each night. What the partners in TBOF did know is that After Dark, they had to be on their toes.*

**For Australia the First World War remains the most costly conflict in terms of deaths and casualties. From a population of fewer than five million, 416,809 men enlisted, of which over 60,000 were killed and 156,000 wounded, gassed, or taken prisoner. In general terms with Australian unit histories the quality of authorship is very good, most of them share the common strength of making plentiful mention of the individual officers and men who served, fought, died, was wounded, or taken prisoner, or who came safely home at the end of it all. They are a prime source for genealogists and military historians.**

Blinded by jewels, massive parties, and alcohol, The Man is gifted the opportunity to achieve whatever he wishes

## Access Free Dark Parties

for. But what he truly wants is seemingly unattainable; a happy, quiet life with a girl he once loved. Amidst all of the flashing lights, exotic cars, and mounds of cash, The Man slowly realizes what has allowed him to be so successful, yet so far away from his true desires. No matter the mountains of wealth, the thrones of diamonds held up by a bed of gold, or the melting of perception which comes momentarily, the crown is composed of corrupted gems just begging to return to the earth. The Dark Party is a collection of poetry spanning four scenes. Each scene tells a narrative of The Man's terrifying adventure through psychological, financial, and emotional trauma, all of which were self-induced. The Krampus, a folkloric devil associated with St.

Political Change in Switzerland explains the striking recent political developments in Switzerland, an important but surprisingly little known and often misunderstood country, aiming to dissipate prevailing

## Access Free Dark Parties

myths about Switzerland in its European context. Firstly, the title provides an analysis of the way the practice and processes of Swiss politics have so dramatically changed over the last 25 years, setting out the differences between outside perceptions and changing Swiss realities. Secondly, it discusses how far the country has moved, from the stability of the post-war period to a new era of uncertainty, in which the so called Sonderfall, or special case, no longer seems to apply. In doing so it analyses the populist movement, centred on the Swiss People ' s Party, examining its support and tactical operations, as well as the response of the establishment to the challenges the movement

## Access Free Dark Parties

poses, both generally and where key questions of policy on foreigners and the EU are concerned. Finally, the title explains how much of this change is related to Europe, and discusses the prospects for Switzerland, Europe and the EU member states in the light of this new Swiss uncertainty. The way in which globalization has imposed new stresses on Switzerland, both in external policy and social terms, is the key theme of the title. These stresses have, in turn, encouraged the growth of a new populist movement, drawing on social classes previously supportive of other forces, and employing aggressive new tactics, creating a challenge that the establishment has found it hard to counter, so

## Access Free Dark Parties

that stability has been compromised. As a result, Switzerland now faces two linked policy challenges, to find ways of accommodating unease about immigration and to devise a realistic and widely acceptable new relationship with the EU. The book 's underlying belief is that these changes have left the country divided and uncertain about its future. This title offers in-depth analysis of Switzerland's domestic and European politics and policies. It is also innovative in trying both to bring out the European roots of recent political changes in Switzerland and of the challenges these pose to the Swiss status quo and for the evolution of the EU and member states such as the United
