War has come. Nya's the one who brought it. And the people love her for it. With Baseer in shambles and Geveg now an impenetrable military stronghold, Nya and the Underground have fled to a safer location—without Tali. Nya is guilt-ridden over leaving her sister behind and vows to find her, but with the rebellion in full swing and refugees flooding the Three Territories, she fears she never will. The Duke, desperate to reclaim the throne as his own, has rallied his powerful army. And they are on the move, destroying anyone who gets in the way. To save her sister, her family, and her people, Nya needs to stay ahead of the Duke's army and find a way to build one of her own. Past hurts must be healed, past wrongs must be righted, and Nya must decide: Is she merely a pawn in the rebellion, a symbol of hope—or is she ready to be a hero?

A powerful hunter with a submissive heart, Kelias Cervantes is Alessio's perfect match, but Kelias comes with strings attached. The heat threatening to erupt between Alessio and Kelias is undeniable, and Alessio

can't help but lust for the forbidden. As a half-blood demon raised by a fanatic group of human hunters, Kelias is the best in his field. He has one job. Assassinate the Beta of the Darkfall Mountain Pack and cripple the pack's power structure. Failure means death, but the last thing Kelias wants is to kill Alessio. Kelias knows he shouldn't want Alessio this much. He has trouble refusing the domineering Beta but he simply can't abandon all his beliefs and the only family he's ever known. Will accepting Alessio's mating call trigger their fall? Jared's Heart Ten years ago, a drunk driver ran over Jared Hudson's family. Thanks to the intervention of the Darkfall Mountain Pack, Jared and his sister became survivors, predators, and werewolves. A decade is plenty of time for Jared to plot his vengeance. He's digging two graves, his own and his parent's murderers, but it doesn't matter. Jared plans to see this tale to the end, even if it costs him his own life. The one thing Jared didn't account for? Falling in love with the man he swore to kill. Bear shifter Matthias Jensen has spent plenty of time behind bars. He's balanced the scales. Paid plenty for his penance, but it doesn't seem enough. When a mouthy pup threatens to kill him, Matt instantly recognizes Jared as his mate. He's dreamed of begging for forgiveness. Matthias thought he was ready to die for his sins, until he realizes that there's something else worth living for—a future with his unexpected mate.

Heart of the Pack [Darkfall Mountain Pack 14]

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, werewolves, bondage, sex toys, HEA] Vampire fledgling Silas looked forward to spending eternity with his sire and master of his heart--until human hunters shattered that dream. Taken captive and tortured, Silas loses all hope. He begins to crave death when a rampaging werewolf saves his life. Dominant werewolf Harley Jameson is usually the kind of guy who stays out of trouble. Despite being a member of the vicious Darkfall Mountain pack, Harley wants to live an ordinary life. Normal flew out the window the moment his wolf scented the injured vampire. A bloodsucker isn't a werewolf's ideal mate, but Silas brings all of Harley's territorial instincts to the surface. Alone and cornered, Harley and Silas must take on the greatest fight of their lives. Can they survive long enough see if the sparks between them are real, and if they have a future together? ** A Siren Erotic Romance

The songs of this Saga, of these four tales, speak of the story of Darkfall--of dead kings and corrupt dukes, of broken heroes and ignoble legends, of spoiled ambition and wanton lust. The people of Darkfall clamor for reform, to be freed of the burdening chains the dukes have placed on them. They flock to a man who promises a different realm. Yet even so, the forces of loyalty and honor are at work against the would-be savior. This song is twined with order and turmoil, ruin and riches, and life and death--all in the pursuit of the melody that forms the chorus of this saga's song. All four tales join to one. But which tales lead to glory? And which lead to Darkfall's demise?

This is a re-release of a previously published book under the same title but in a different series. This edition of Out of the Ashes has been extensively reworked with over 100 pages of additional content and professional editing. While the storyline remains the same, the details, timeline, and characters are better developed.Alexi, a sub without a Dom. Lucas, a Dom without a sub. Two police officers, both with traumatic pasts, who may just be the perfect match they've both been searching for. Alexi has been hurting ever since his dramatic and very public break up with Chase, but he doesn't have time to deal with any of that right now. He has to put everything else aside when the very man he's trying to forget brings a horrifying story, from Chase's private BDSM club, Darkfall, to his attention. Alexi's captain is aware of his lifestyle and thinks that Alexi is the perfect detective for this particular assignment. Knowing that if he goes undercover he will need a partner to play his Dom, Alexi believes that Lucas is the only one who can pull it off. Lucas has been watching. He has seen Alexi's pain and the way he and Chase have been hurting each other. He wants to put a stop to it, but he's been waiting for the right moment. When he is told about what happened at Darkfall and Alexi's plans to go undercover, he realizes that this is his chance to make Alexi his boy. He's determined that Alexi will be his, but for a lot longer than this assignment is going to last. Now they must work together, risk their lives to go undercover and take down a dangerous group that is hiding some big secrets. The risk is extremely high, but Lucas and Alexi refuse to fail the victims. Can they find love amid a dangerous assignment, or will the fear and pain from their pasts stop them from being able to trust each other completely? ***This book is intended for Mature Audiences, 18 and older only. Sexually explicit scenes, graphic language, and forced consent (and at times worse) which may offend some readers. If any of this is a trigger, please do not read. This book has content of torture, abuse, and murder told in a flashback. These scenes are extremely explicit.***

country town in the 1980s: desolate, dusty and bleak. Indigo Perry's narrative is a journey of grief, arranged around a score of music from alternative and post-punk sources, music unavailable outside cities in an age before the internet. This music, she contends, provides an imagined soundtrack, a ballast, for her isolation. Darkfall identifies a legacy of extreme toxic masculinity and gendered violence, containing little in the way of justice. The author's deep retrospective unstitching of her reality is presented to us with profound poetic strength, uncovering the power that resilience can unleash on an adult body. It is an act of recovery and reclamation.

No one is born talented or successful. Its the hard work that makes us successful. This book is a collection of ten short stories. Each story revolves around a different face of time in life. Each character of each story faces problems but overcomes them with time. Life is just like a roller coaster. We should peacefully sit and enjoy the ride. If we panic, we may fall down. It has some ups and downs, but these ups and downs help our fear go away.

Darkfall marks the beginning of a stunning trilogy from one of Australia's leading writers of fantasy. This powerful, compelling saga, book one of The Legendsong is set in a mysterious, uncertain world that only Carmody could create. After the death of her parents and her beloved instructor, Wind, Glynn devotes herself to the care of her sick twin sister, feeling her own life to be unimportant. One night, during a midnight swim, she is swept across the Void to the troubled watery world of Keltor, through a portal created to summon the mythical

Unraveller. What is the mysterious connection between Glynn's world and Keltor? And why does the man who rescued her from the waves bear an eerie resemblance to Wind? While it stands on its own as an absorbing, seductive and powerful novel, the sequels to Darkfall will be eagerly awaited.
