When Emily Joy Allison outed her abuser on Twitter, she launched #ChurchToo, a movement to expose the culture of sexual abuse and assault utterly rampant in Christian churches in America. Not a single denomination is unaffected. And the reasons are somewhat different than those you might find in the #MeToo stories coming out of Hollywood or Washington. While patriarchy and misogyny are problems everywhere, they take on a particularly pernicious form in Christian churches where those with power have been insisting, since many decades before #MeToo, that this sexually dysfunctional environment is, in fact, exactly how God wants it to be. #ChurchToo turns over the rocks of the church's sexual dysfunction, revealing just what makes sexualized violence in religious contexts both ubiquitous and uniquely traumatizing. It also lays the groundwork for not one but many paths of healing from a religious culture of sexual shame, secrecy, and control, and for victims of assault to live full, free, healthy lives.

*Our stories are riddled with the sting of rejection. It's feeling like a failure or being heartbroken. It's being left out or misunderstood. It's the parent who neglected us or the person who betrayed our trust. It's even in the way we think or talk about ourselves and question our relationship with God. Whether it happened in grade school or last week, rejection can leave deep scars that affect our relationships, our self-worth, and our identities for years to come. And while we can't control when rejection appears, we can control how we react when it does. In *Thank You for Rejecting Me*, popular relationship coach and podcaster Kait Warman shows you how to turn pain into purpose and fight for yourself when rejection comes your way. With chapters that focus on some of life's biggest rejections--being betrayed, abused, misunderstood, heartbroken, sexually shamed, and many more--this book offers practical tools to heal from the past, take back your power, and walk in strength, victory, and love in the future.*

Every teenage girl craves male attention. But how does she know when and where to draw the line? What if she's already stepped over that line? And how can she find her way back? In a culture where hookups and friends-with-benefits are commonplace, how far is too far when it comes to the physical? The technical virgin, a term becoming all too familiar with Christian teens, is someone who believes in abstinence but allows loopholes in their physical relationships, thereby compromising true purity. In this new book, Hayley DiMarco takes a look at what purity really is. With her straightforward, in-your-face writing, she shows girls - what they are really saying about themselves through their sexy actions - what happens when purity is reduced to a technicality - what words like abstinence and commitment really mean - what God says on the subject of purity. With candid advice, personal insight, and tough truth from God's Word, Hayley DiMarco will help teen girls understand who they are so they can make informed, godly decisions about purity and sex.

The Princess Guide uses fairy tales—specifically the stories of three princesses (Snow White, Cinderella, and Sleeping Beauty)—to inspire young women to dignity, femininity, and fervent faith. With a timeless yet relevant voice, it explores issues important to women today. Scenes from the fairy tales are the backdrop for a new way to look at beauty, vocation, sexuality and chastity, modesty in fashion, and friendship. Personal stories and passages from Scripture, the wisdom of the saints, and the Catechism of the Catholic Church help you discover the princess within.

A guide to dating for teens offers advice on how to avoid common dating mistakes and to develop characteristics that can enable positive dating experiences. Original.

In this one-of-a-kind workbook, author and youth speaker Justin Lookadoo walks with teens through the experience of radical faith. He challenges youth to actually live out what they believe through practical steps like giving up their TV, Internet, PlayStation2 and magazines for 30 days. The unique four-color design is eye-catching and appeals to any postmodern teen. The non-linear style is inviting and unassuming, so teens will feel that they can approach this study with confidence. Formerly sold as "Step Off: The Hardest 30 Days of Your Life," this book has garnered tremendous positive feedback from actual teens who have survived the life-changing experience. It will be the hardest and best book a teen or youth group has ever studied together.

Reveals the facts about teen dating, including how to determine whether a relationship is worth pursuing, and shows how to redirect one's passion toward life goals and trust the Creator to bring one's true love.

LOOK, MAYBE YOU'RE A NICE GIRL, but we're guessing you're more like us or you probably wouldn't have picked up this book. Not that we have a problem with girls who are nice people. But being nice is just not the way to get what you want. And this book is about getting what you want. Not in like a finding happiness, giving back to the world, being grateful for what you have sort of way. But in a ruling your world, being the most desired, powerful badass in the room way, so you can come out on top of any situation: guys, career, friends, enemies, whatever. How does a betch make that happen? Here are some highlights: DON'T BE EASY. DON'T BE POOR. DON'T BE UGLY. We didn't come up with these life lessons. We're just the ones who wrote it all down. This is not self-help. Self-help is for fat people and divorcées. This is how to deal with your problems when

you have no problems. You're welcome.

Provides advice and tips on dating and relationships from a Christian perspective.

From the authors of international best-selling marriage book The Love Dare comes The Love Dare for Parents, a 40-day journey of “dares” challenging one or both parents to understand, practice, and communicate Christ-like love to their children. Easy to read and work into a busy schedule, The Love Dare for Parents is designed to “turn the hearts of parents to their children and turn the hearts of children to their parents” (Malachi 4:6) so that moms and dads can more fully enjoy and delight in their children while maximizing the positive impact they have on their lives long term. Each day brings a promising key verse from Scripture, a biblical principle about love that applies to parenting, a specific challenge the parent does for the sake of their child, and space to journal thoughts and reflect on what happened that day. The Love Dare for Parents even includes access to a FREE online parenting assessment, helpfully keyed to select material in the book. Parents, take the dare! Grounded in cutting-edge science but translated for people who speak emoji, Find Your F*ckyeah disrupts the warm and fuzzy “personal growth” fads made fashionable by mock gurus and self-proclaimed #selfcare experts. This bold guide combines humor, pop culture, and psychology to show us why the one-size-fits-all success formulas and trendy morning routines keep us caught in a cycle of boredom and stress, never fully sustaining our happiness. With hard science, guided experiments, and modern wisdom—from Beyoncé to Carl Jung—Alexis Rockley takes us step-by-step through the biological, cultural, and social factors that create our self-limiting beliefs. Debunking self-sabotaging ideals like “You Are a Living Brand” and “You Have One Calling,” Rockley encourages us to discover our real, uncensored selves and find a sense of purpose, even when we don't have all the answers. For those of us tired of feeling the pressure to be better, do more, and work faster—to self-optimize and fall in line—Find Your F*ckyeah teaches us how to find joy where we are right now and to let our genuine self-expression guide us.

Since its release in fall of 2003, Dateable has taken the publishing world by storm, becoming a bestselling teen sensation and breaking the mold of interior design and content for teen nonfiction. Now Justin Lookadoo is back with the much-anticipated follow-up to Dateable: 97. Justin knows that teens are looking for books that speak to the teen life in language teens not only understand but use. Born from a turning point in Justin's life, these 97 random thoughts are like MTV on paper, never letting today's fast-thinking teens get bored. With short entries on everything from skydiving and horseback riding to hands-on scientific experiments and much more, Justin takes teens for an exciting, wisdom-filled ride to bring them closer to God and more in tune with the important things in life.

Let's face it--parents don't get it. Or at least that's what their teenaged children think. Most teens think their parents don't know anything about life--especially not teen life. That's where best-selling author and teen expert Hayley DiMarco comes in. Stupid Parents helps teens understand how to communicate with their parents to improve their relationships. It answers common questions teens have, like -how do I get my parents to be less embarrassing? -how do I get them to give me more freedom? -how do I tell my parents about things that are important to me? -what do I do if my parents are mean to me? -what are my parents thinking? -and many more. Teens, parents, and youth leaders will find Stupid Parents entertaining, educational, and, like all Hungry Planet books, utterly relevant.

Discusses such aspects of teenage pregnancy as the causes and nature of pregnancy, the proper care for mother and baby, and alternative choices such as adoption and abortion.

Breakups are a part of life, but that doesn't mean they won't hurt. That's why The Dirt on Breaking Up gives the lowdown for both the heartbroken and the heartbreaker.

Based on five years of feedback since the release of Dateable, Hungry Planet now delivers more of what their audience is asking for in B4UD8. By bridging the gap between diving head first into the dating pool or kissing dating goodbye, Hayley and Michael tackle the seven most important things every teen should know before their next date. Designed to be easily adopted for use in churches but still created in the same relevant style of all Hungry Planet books, B4UD8 will appeal not only to teens everywhere, but to their parents and youth leaders as well. In it they will learn: • the purpose of dating • how to protect the temple • why dating is not marriage • and much more Whether their first date or their fiftieth, B4UD8 will help teens make biblical and smart decisions about love and dating.

How Far is Too Far?

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men

trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Hating Girls provides an intersectional perspective that deconstructs the pervasive misogynies and gender-based violence against females and gender non-conforming people. The interdisciplinary analysis exposes the destructive, oppressive beliefs and practices inherent in our society and offers an equitable way forward.

Emerging author and speaker Stephen Winters dives into the complicated world of teenagers in his book, 'Open Mouth, Insert Foot.' First published in 2008, Donna Freitas's Sex and the Soul revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, Sex and the Soul achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

Every teenage girl wants to be sexy--she wants to be noticed, to be attractive. But what is "sexy," really? Do teen girls know what they are saying about themselves by the way they dress? Popular author Hayley DiMarco wants to help them figure it out. Sexy Girls is an honest and provocative look at everything sexy--from clothes and self-presentation to body image. With her approachable style and wit, Hayley shows teen girls - why little things called hormones affect the way guys look at girls - what girls are really saying by the way they dress - what God thinks about teens trying to be sexy With quizzes, sidebars, and questions for reflection, Sexy Girls is the perfect opportunity for girls to figure out who they are and how they are going to present that image to their peers.

From Jane Austen to Taylor Swift, a look at the surprising politics of romantic love and its dissolution. Whatever the underlying motives - be they love, financial security, or mere masochism - the fact is that getting involved in a romantic partnership is emotionally, morally, and even politically fraught. In Hard To Do, Kelli María Korducki turns a Marxist lens on the relatively short history of romantic partnership, tracing how the socio-economic dynamics between men and women have transformed the ways women conceive of domestic partnership. With perceptive, reported insights on the ways marriage and divorce are legislated, the rituals of twentieth-century courtship, and contemporary practices for calling it off, Korducki reveals that, for all women, choosing to end a relationship is a radical action with very limited cultural precedent.

Discusses the different types of recreational drugs, their physical and mental effects, and the disadvantages to taking drugs, and provides confidence-boosting alternatives to taking drugs due to peer pressure.

Take Wild at Heart by John Eldredge and The Mystique of a Woman by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand The Dateable Rules. This interactive guide takes up where Dateable left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose. They learn the secrets of staying confident and letting a guy lead. How It Works: Bible Study: a study that can be used by an individual couple or a whole youth group. Focus Group: a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. Workbook: offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for men and women. The Dateable Rules isn't about teens getting more dates; it's about learning to understand the opposite sex and making good choices based on the truth!
