

Dave Ramsey Chapter 7 Money In Review Answers

In Smart Money Smart Kids, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

Keeping your financial house in order is more important than ever. But how do you deal with expenses, debt, taxes, and retirement without getting overwhelmed? This book points the way. It's filled with the kind of practical guidance and sound insights that makes J.D. Roth's GetRichSlowly.org a critically acclaimed source of personal-finance advice. You won't find any get-rich-quick schemes here, just sensible advice for getting the most from your money. Even if you have perfect credit and no debt, you'll learn ways to make your rosy financial situation even better. Get the info you need to make sensible decisions on saving, spending, and investing Learn the best ways to set and achieve financial goals Set up a realistic budget framework and learn how to track expenses Discover proven methods to help you eliminate debt Understand how to use credit wisely Win big by making smart decisions on your home and other big-ticket items Learn how to get the most from your investments by avoiding rash decisions Decide how -- and how much -- to save for retirement This question and answer book is the perfect resource guide for equipping individuals with key information about everyday money matters. Questions and answers deal with 100+ of the most-asked questions from The Dave Ramsey Show—everything from budget planning to retirement planning or personal buying matters, to saving for college and charitable giving. This is Dave in his most popular format—ask a specific question, get a specific answer.

Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.

The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals, and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation (upward theology), how we understand and relate to ourselves and other Christians (inward theology), and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians (outward theology). This monumental resource written for all people includes chapter titles like The Good News of God's Word, Gospel Worship, Gospel Joy, The Gospel and Money, The Gospel-Centered Home, The Gospel and Work, and Gospel Society. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.

Increase the odds you won't run out of money in retirement - using debt! Conventional wisdom is wrong - being debt free in retirement may actually increase your risk. The Value of Debt in Retirement teaches you how incorporating debt into your retirement strategy may increase your return, lower your taxes and actually lower your risk. You read that right. If handled correctly, debt-that thing we've all been taught to avoid-can play an integral role in your life, especially in retirement. New York Times Best Selling Author and nationally acclaimed financial expert Tom Anderson shows you how to use the time tested strategies of the best companies and the ultra rich to retire comfortably, minimize taxes, buy the things you have always wanted to have and do the things you have always wanted to do. Thought provoking and against the grain, Anderson explains why your risk tolerance doesn't matter, why being debt free may actually increase your risk and why rushing to pay off your mortgage may be a financial disaster. Full of shocking revelations and tricks high- net-worth individuals have used for years, The Value of Debt in Retirement opens the world to a new approach to wealth management in retirement, one that factors in both sides of the balance sheet as an integrated ecosystem. Real-world case studies illustrate how informed debt strategies can lead to a happier, healthier retirement. See how an individual with a net worth of more than \$5 million can spend \$20,000 per month - after taxes - and pay less than \$5,000 per year in taxes, how it is possible to increase your rate of return by 50%, and how a lower risk portfolio with debt could increase the chances you do not run out of money. Specifically written to Baby Boomers, practical guides and checklists show how to use debt strategies to fund primary and secondary properties, refinance credit card debt, and finance hobbies, such as cars and boats and recreational vehicles. Additional guides show how you can help your children, help your parents and leave a bigger legacy for your heirs and favorite charities. Regardless of your net worth, The Value of Debt in Retirement provides tools to use to apply these concepts to your personal situation. There is no free lunch: the book delivers a balanced perspective focusing on the potential risks and benefits of the strategies discussed. A discussion on economic history highlights some of the shocks the economy may face and provides important warnings that you should factor into your retirement plan. Anderson not only shows that your life expectancy may be longer than you think, but also illustrates that many investors may be on track to average returns well under 4% for the next ten years - a potentially devastating combination. Irrespective of your beliefs about debt, The Value of Debt in Retirement proves risk is more important than return for retirees and provides suggestions on ways to minimize that risk. Not all debt is good and high levels of debt are bad. The Value of Debt in Retirement is about choosing the right debt, in the right amounts, at the right time. Perhaps most importantly, this book isn't for everybody. This book requires responsible actions. If you can't handle the responsibility associated with the ideas then this book then it isn't for you. If you need a rate of return under 3% from your investments then you may not need this book. But if you can handle the responsibility and if you need a return above 3%, this book may offer insights into the best (and potentially only) way to achieve your goals.

FOREWORD The core concept is not just saving money, but saving time and energy as well. These savings are multiplied together, giving you more money to invest. To summarize, I created the equation: \$ET = M2 to INVEST, in which saving Money, Energy, and Time (\$ET) are multiplied to generate (=) More Money (M2) to INVEST. This equation is fundamental to your success! You must be prepared to take action to start having enough money to accomplish your goals, to stop living paycheck to paycheck, and to retire early. If you are on course to make the same income as last year or, worse, facing declining take-home pay because of ever-increasing taxes, medical costs and declining economy, dont give up! Saving money, energy, and time will generate more money to investcreating real income and wealth. Transforming you from consumer to producer! You must expand yourself personally as well as enhance your inner and micro economics. Rather than growing a mega-companys revenue or the financial fortitude of millionaires pockets, you are going to grow your own individual savings account, retirement plan, and childrens college funds. This book is a guide to help you create a path and roadmap to a life of saving money, reducing debt, living efficiently, and creating wealth by investing within a reasonable timeframe. Together we will examine four major building blocks that inspire and accelerate behavioral changes: 1.Why and how to change your behavior and lifestyle. 2.How to save money, energy, and time. 3.How to invest your money, energy, and time savings to improve your present situation and build for the future. 4.How to create and implement a transformation plan. Progressive ideas and hilarious cheap strategies are also detailed. These are necessary to exceed your personal and financial goals. I want you to be thrilled about life, saving money for a brighter future, and early retirement, while having fun at the same time.

In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In Love Your Life, Not Theirs, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In Love Your Life, Not Theirs, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of The View "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of Where the Light Gets In "In today's world of social media, the temptation to play the comparison game is stronger than ever. Love Your Life, Not Theirs is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast

Why Everything You Have Been Told Is Wrong

Seminary is an important step toward ministry—but only when you make the most of it. Many seminarians finish their education with regrets and missed opportunities. They feel spiritually drained, they never connected with their professors or colleagues, they are plagued with a long list of “What Ifs?,” and worry they wasted this time. And many, as they enter the ministry, discover gaps in their education and are left thinking, If only my seminary had taught me that. Prepare for your calling and make the most of your theological training with Succeeding at Seminary. Seminary president Jason K. Allen provides guidance for incoming and current seminary students on how to maximize their education experience. You’ll learn how to select the right institution and weigh the pros and cons of online or in-person classes. You’ll also receive tips for developing rapport with peers and professors and get insights for how to navigate a work, study, and family-life balance to help you survive the rigors of advanced theological learning. Seminary can offer the opportunities and education you need to flourish in ministry, but only if you are ready to make the most of it. With Succeeding at Seminary,you’ll get the guidance and encouragement you need to maximize your seminary opportunity and excel in your calling.

This isn’t much of a sales pitch at this point. I’m just going to keep it real with you. I wrote a lot of books in my day. I barely put much effort into some of the books I wrote and published, but this one is different. I actually tried this one. I don’t care what anyone says. This book is better than most of the mainstream personal finance books out there. I put so much valuable advice that will help you save money and increase your net worth and income that you would look like a hater if you gave this book below a 4 out of 5 star review. That’s how confident I am with the content in this book. I literally show you how to LEGALLY pay less in taxes, how to realistically get ahead in the United States, what kind of investments you should make, how to improve your credit score, and how to use debt to increase your income/net worth. I’m saving you money and making you thousands of dollars at the same time in this book, and all you have to do is put in the work. This is not a get-rich-quick scheme. No, I’m not suggesting that you fire your boss i.e. quit your job. In fact, I advise you to keep your job in this book. I have a job, besides writing and selling books, by the way. That’s called having more than one stream of income and I talk about that in this book. I swear to God you will learn something that can change the course of your life and all you would have to do is work at it. It’s not easy, but this stuff is simple. More importantly, some of this material are things you’re going to have to do later on in life anyway, so why not just do it now? This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest, him shamelessly promoting financial firms that he has an ownership stake in, and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That’s it. I’m not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18 year old me. Anyone who leaves a review saying that this book lacks realistic actionable advice is a straight up hater. There’s no way in hell you’re going to say this book that has over 20 chapters did not teach you anything that can result in you changing your life financially. I even provide screenshots to back up my legitimacy as an expert on finance. I even did what most of these personal finance authors don’t have the guts to do. I talk about my personal life and the mistakes I made that cost me thousands of dollars. That’s why this genre is called personal finance, right? I get real personal. Some might say it's too personal. Anyway, if you’re a man that is tired of being broke, living paycheck to paycheck, not owning any assets, being clueless about taxes, and not being able to get ahead in the United States then this is the book for you. I started off as a poor black boy in a small town in Alabama. I currently have a 6-figure net worth. If I can do it, you can too. Buy this book today.

The Total Money MakeoverA Proven Plan for Financial FitnessThomas Nelson Inc

Do you want a great marriage? Most people do. Yet, few people have great marriages, in large part because it is so easy to settle for the mundane in marriage. God did not intend for marriage to be boring and ordinary. In Tools for a Great Marriage, marriage and family life educator, William Batson, uses expert wisdom and practical common sense to show how several indispensable marital tools can help any couple build a satisfying, fun, loving, and lasting marriage. Couples will learn how to: turn their bad talk into love talk; make their personality differences work for them; practice the Principle of Satisfaction; in their sex life; defeat the enemy of every marriage selfishness; turn stormy times into opportunities to love each other more; keep conflicts from turning into nasty, knockdown, drag-out fights. Tools for a Great Marriage gives you the blueprint for building your marriage on God's principles in a format that is simple, clear, practical, and easy to apply. At the end of each chapter there is a section called Tool Time for Couples containing follow-up questions which set the stage for great couple times together. A resource section in the back of the book includes additional tools for maintaining a great marriage.

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That’s when he set out to learn God’s ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn’t a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you're at all responsible for your company's success, you can't just be a hard-charging entrepreneur or a motivating, encouraging leader. You have to be both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the “Best Place to Work” award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, EntreLeadership principles!

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Tools for a Great Marriage

Practical guide to making the right decision about long-term health-care

Dave Ramsey explains those scriptural guidelines for handling money.

With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers Financial Peace and More than Enough, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right-financially, emotionally, and spiritually. In this new edition of Financial Peace, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—“Keep It Simple, Stupid” • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, Financial Peace is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

Transforming from Consumer to Producer in 90 Days

A Radical View of Biblical Wealth and Generosity

A Christian Woman's Guide for a Happy, Healthy Life After Divorce

The YOU Plan

A Book by Dave Ramsey

You never thought divorce would happen to you. But it did. You may feel traumatized, relieved, hopeful, afraid, or all of the above. What choices will help you heal? How can you minimize the trauma for your kids? When is too soon to date...and what about sex? How can you learn from your mistakes instead of repeating them? And where is God in all of this? Michelle and Connie have been where you are. They're Christian women who are a little ahead of you on the journey. Michelle was divorced seven years and now is happily remarried. Connie is ten years into the journey and at peace with being single. They've each made good choices and their fair share of mistakes. In this book they rally their collective experience to help you navigate some of the twists and turns of the post-divorce journey, avoid pitfalls, and emerge stronger and more confident. This is not one of those authoritative, "do as we say" tomes. It's a woman-to-woman, been-there-done-that, faithful, and hopeful approach to such topics as acceptance, forgiveness, loneliness, online dating (or "CON-line dating"), sex, money, respect, finding friends, and caring for your physical, financial, and spiritual health. Most of all, it's a powerful reassurance that no matter what has happened or what may happen next, God still has good plans for you. You will live and laugh and love again. This book can help you do it.

Buy now to get the insights from David Ramsey's The Total Money Makeover. Sample Insights: 1) The best thing you can do following a financial crisis, such as a recession, is to learn from it, and not make the same financial mistakes again. 2) The challenge with handling your money is that it is completely on you whether you fail or prosper. If you are able to control your behavior, then you can control your finances.

When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In Retire Inspired, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

"This is the official handbook for Financial Peace University. If you are following Dave's teaching, you already know what is in this book. But if you're new to Dave this is the book for you."--Publisher's website.

20 Years of Practical Business Wisdom from the Trenches

Financial Peace

Understanding the Four Stages of Every Healthy Relationship

The Total Money Makeover

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

The Millionaire Choice inspires and equips anyone with hopes for a better financial future. Tony Bradshaw grew up in a financially challenged home in a lower income area of Nashville, TN. In his mid 20s, he found himself following in his family's footsteps of debt and financial struggle. Then at age 25, he experienced a financial wake-up call that changed his future forever: he decided to break his family's cycle of financial mismanagement and become a millionaire by 40 years old. It's what Tony calls making the millionaire choice. Regardless of circumstance or family background, everyone has the ability to make choices that affect their future positively or negatively. In The Millionaire Choice, Tony shares the principles and actions he applied during his journey to becoming a millionaire to reveal how, with the right financial knowledge and choices, anyone can become a millionaire.

"Cagan makes the case that a budget isn't a buzz killer. Filled with expert advice on a wide range of the most common financial concerns and step-by-step instructions to managing your money both now and in the future, Budgeting 101 has you covered.

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

12 Keys to Getting the Most out of Your Theological Education

Safe Money Millionaire

Your Money: The Missing Manual

A Proven Plan for Financial Fitness by Dave Ramsey

It's Not an Age. It's a Financial Number.

PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0

Love in Every Season

The "Safe Money Millionaire" debunks the financial wisdom that has cost Americans trillions in losses in the stock market. Now more than ever baby boomers and Americans saving for retirement are looking for safety for their money rather than chasing returns on Wall Street. In this book we crush the financial myths ranging from 401(k)'s being a good place for retirement savings, to diversifying with Mutual Funds, to keeping your credit score high and getting a low interest rate. The solution is a predictable, easy to follow plan to growing wealthy without risking money on Wall Street, reducing or eliminating interest paid to banks and credit card companies, plus protecting yourself from taxes that can ravage retirement savings in qualified plans.

"As long as we can make our payments, we're okay...aren't we? To answer this and other provocative questions relating to your money, financial expert Russ Crosson teams up with gifted communicator Kelly Talamo to expose the common lies people believe about money. Through the use of everyday stories about men and women wrestling with financial decisions just like the ones we all make, Russ and Kelly refute these lies by revealing what the Bible says is the truth about money. Included are subtle lies that permeate our culture: we can't afford to give to our church or charity; what we do with our money is our own business; the more we have, the happier we'll be; my talents and abilities have produced my wealth; I can get rich quick." -- BOOK JACKET.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

An Invitation to Love Well Through the Four Seasons Every relationship goes through four life-changing seasons that play a pivotal role in taking your relationship to the next level. But depending on how you navigate each season, your relationship will either strengthen and grow, or it will slowly begin to fade. Maybe your relationship is in the first blooms of spring, when friendship takes root and attraction blossoms. Maybe you're in the season of summer, and things are starting to heat up—spiritually, emotionally, and physically. Maybe you're deep in fall, and your true colors are starting to shine through. Or maybe you're in winter, when the passion cools down and it would be all too easy to let the relationship freeze over. Whether you're single, dating, engaged or married, join author, counselor, and relationship expert Debra Fileta, creator of TrueLoveDates.com, as she takes you on an eye-opening psychological and spiritual journey through the four seasons of every healthy relationship. You'll learn to... Recognize each season as it comes and navigate it with intention, focus, and practical steps. Avoid the pitfalls of each stage by preparing for the hard moments and seeing them as opportunities to grow and connect. Celebrate not just the magical moments of each season, but the day-to-day choices that pave the way for a lasting relationship. No matter what your relationship status, you're invited on a journey to strengthen and grow your love in every season.
