I Know I've Seen That Face Before

The Thirteen Days of Christmas

Gruffs'n'Trolls

Skiing

The peasants in Workop village are persecuted by the Sheriff of Nottingham and his men. They clearly need someone to fight for their rights and set them free, but who can it be? If you thought it was Robin Hood, think again. You are about to meet the amazing Maid Marian.

The First Book of Moses, Called Genesis

Moviefogers know her as the housekeeper in White Christmas, the nurse in Now, Voyager, and the crotchety choir director in Sister Act. This book, filled with never-published behind-the-scenes stories from Broadway and Hollywood, chronicles the life of a complicated woman who brought an assortment of unforgettable nurses, nuns, and housekeepers to life on screen and stage. Wickes (1910-1995) was part of some of the most significant moments in film, television, theatre, and radio history. On that frightening night in 1938 when Orson Welles recorded his earth-shattering "War of the Worlds" radio broadcast, Wickes was waiting on another soundstage for him for a rehearsal of Danton's Death, oblivious to the havoc taking place outside. When silent film star Gloria Swanson decided to host a live talk show on this new thing called television, Wickes was one of her first guests. When Lucille Ball made one of her first TV appearances, Wickes appeared with her—and became Lucy's closest friend for more than thirty years. Wickes was the original Mary Poppins, long before an umbrella carried Julie Andrews across the rooftops of London. And when Disney began creating 101 Dalmatians, Wickes was asked to pose for animators trying to capture the evil of Cruella De Vil. The pinched-face actress who cracked wise by day became a confidante to some of the day's biggest stars by night, including Bette Davis and Doris Day. Bolstered by interviews with almost three hundred people, and by private correspondence from Ball, Davis, Day, and others, Mary Wickes' I Know I've Seen That Face Before includes scores of never-before-shared anecdotes about Hollywood and Broadway. In the process, it introduces readers to a complex woman who sustained a remarkable career for sixty years.

Happy Days

The Maid

The Century Dictionary

#1 NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BOOK CLUB PICK • “A heartwarming mystery with a lovable oddball at its center” (Real Simple), this cozy whodunit introduces a one-of-a-kind heroine who will steal your heart. “The reader comes to understand Molly’s worldview, and to sympathize with her longing to be accepted—a quest that gives The Maid real emotional heft.”—The New York Times Book Review (Editors’ Choice) “Think Clue. Think page-turner.”—Glamour In development as a major motion picture produced by and starring Florence Pugh Molly Gray is not like everyone else. She struggles with social skills and misreads the intentions of others. Her gran used to interpret the world for her, codifying it into simple rules that Molly could live by. Since Gran died a few months ago, twenty-five-year-old Molly has been navigating life’s complexities all by herself. No matter—she throws herself with gusto into her work as a hotel maid. Her unique character, along with her obsessive love of cleaning and proper etiquette, make her an ideal fit for the job. She delights in donning her crisp uniform each morning, stocking her cart with miniature soaps and bottles, and returning guest rooms at the Regency Grand Hotel to a state of perfection. But Molly’s orderly life is upended the day she enters the suite of the infamous and wealthy Charles Black, only to find it in a state of disarray and Mr. Black himself dead in his bed. Before she knows what’s happening, Molly’s unusual demeanor has the police targeting her as their lead suspect. She quickly finds herself caught in a web of deception, one she has no idea how to untangle. Fortunately for Molly, friends she never knew she had unite with her in a search for clues to what really happened to Mr. Black—but will they be able to find the real killer before it’s too late? A Clue-like, locked-room mystery and a heartwarming journey of the spirit, The Maid explores what it means to be the same as everyone else and yet entirely different—and reveals that all mysteries can be solved through connection to the human heart.

My Mother, My Father, My Sister & Me

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

“The” Century Dictionary: The Century dictionary

NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS “A GREAT ONE.” “A single mother’s personal, unflinching look at America’s class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work.” –PRESIDENT BARACK OBAMA. Obama’s Summer Reading List At 28, Stephanie Land’s dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie’s years spent in service to upper middle class America as a “nameless ghost” who quietly shared in her clients’ triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren’t being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie’s story, but it’s not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.
