Daily encouragement for parents who realize the things they want most for their kids are things only God can do . . . so they pray. As parents we want to protect our children; we want them to move forward in life; most importantly, we want them to take hold of and grow in Christ. And while the advice offered by parenting experts can be helpful, at some point we realize there are no simplistic formulas or sure-fire methods. We need wisdom from God's Word for this all-important task. In The One Year Praying through the Bible for Your Kids, trusted author Nancy Guthrie weaves together wisdom and insight from each day's reading in The One Year Bible, providing encouragement through the triumphs and turbulence of parenting. Day by day you'll find your dreams and desires for your children are becoming shaped more by Scripture than by the culture around you. Worry less, pray more, and help yourself to a daily dose of perspective, hope, and grace as you parent.

Rhyming text and colorful art help young children learn about various bible stories while also encouraging and strengthening reading skills.

And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars, mountains, oceans, and galaxies were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began. The Story of God's Love for You: Is for teenagers and adults who want to read and learn about the story of God's love for them Includes 44 short chapters that lead you through the beautiful story of the Bible—Genesis to Revelation Masterfully shows how all the individual Bible stories fit together into one cohesive narrative that points to Jesus Makes the big picture of Scripture clear to new believers, and helps seasoned believers fall in love with the Bible all over again Features text from bestselling author Sally Lloyd-Jones that brings the truths of the Bible into a new light for today's world The beauty and peace that only God's love can provide pulses through every page. God has given us an immeasurable gift--his very words, recorded in the Bible for us to read. Structured reading plans provide a great way to read through the whole Bible, but they're usually not designed with kids in mind. In Exploring the Bible: A Bible Reading Plan for Kids, David Murray presents a simplified way to read the Bible by offering younger readers a plan tailored just for them. His 365-day plan guides children through key passages from Genesis to Revelation, helping them see and appreciate the big-picture storyline of the Bible. Each passage is also followed by a question to answer or a verse to write out, as well as space to write out a prayer--encouraging interaction with the text. This book will instill in children the habit of being in direct contact with God's Word each day, equipping the next generation by laying the groundwork for a lifetime of Bible reading.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

The Bible, in and of itself, is a miracle. Think about it -- over centuries of time, God supernaturally moved upon a number of men's hearts, resulting in them writing down the exact words of God. God then led His people to recognize these divine writings and to distinguish them from everything else that has ever been written. Then God's people brought these 66 books together. The preservation and survival of the Bible is as miraculous as its writing. Then God gave men technological knowledge to copy and transmit the Bible so that all people could have it. All of this took place because God has something to say to you. With Foundations, you can read through all 66 of the miraculous books of the Bible in one year, while still having the flexibility of reading 5 days per week. As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit.
