Abigail Miller is an eminent psychiatrist; On traveling to Wales and starting a new job at a local mental hospital, she is assigned a mystery patient that has baffled the hospital staff since his arrival six months previously. John Doe has amnesia and since

Access Free Dear Dr John Doe

arriving at the hospital has developed an unusual multiple personality disorder. The mystery deepens further as a new personality manifests and seems to know Abby all too well. The implications of this personality's claim are too extraordinary for her to comprehend or accept. For if he speaks the truth it defies everything she ever knew about life, death and beyond, making him a supernatural miracle. Events quickly escalate with the arrival of Doctor Gordon Burrige, an eminent parapsychologist who

Mosby's Textbook of Dental Nursing

Access Free Dear Dr John Doe

In a readily-accessible, easy-to-read format, this book presents useful hints, suggestions, anecdotes and lists that will help you to look within, identify, and ultimately achieve your personal and professional goals. From getting started with the actual physical space that is your office to the incorporation and financial establishment of your practice, to dealing with the most unexpected, unpredictable clients and their expectations and to planning for the unexpected, the answers are here. The straightforward "hands-on" approach makes reading simple, the inclusion of anecdotes

Access Free Dear Dr John Doe

adds realism and interest, the quick checks provide instant reminders and cues and the self-disclosure questions aid in self-understanding. All of the suggestions are grounded in practice. Some may be familiar to you already; some may be novel and unexpected. Sometimes, however, simple reminders or hints can be the most powerful and with that in mind, this book was written in an attempt to demystify some of the confusion and/or uncertainty surrounding the successful establishment and functioning of a private practice.
