

Death Troopers Star Wars Del Rey

Ninety-nine Stormtroopers join the Empire, and then their troubles begin. One takes a lunch break in the carbon freezing chamber. Two underestimate a princess. One picks the wrong time to ask for a promotion. And one interrupts Lord Vader's private time, failing him for the last time. As the trooper count ticks down, how will the last one fare as he receives a very special assignment?

Delve into the cutthroat world of one of the High Republic’s greatest foes, the merciless Lourna Dee, in this full script for the Star Wars audio original Tempest Runner. The Nihil storm has raged through the galaxy, leaving chaos and grief in its wake. Few of its raiders are as vicious as the Tempest Runner Lourna Dee. She stays one step ahead of the Jedi Order at the helm of a vessel named after one of the deadliest monsters in the galaxy: herself. But no one can outrun the defenders of the High Republic forever. After the defeat of her crew, Lourna falls into the hands of the Jedi—but not before she hides her identity, becoming just another Nihil convict. Her captors fail to understand the beast they have cornered. Just like every fool she’s ever buried, their first mstake was keeping her alive. Lourna is determined to make underestimating her their last. Locked up on a Republic correctional ship, she’s dragged across the galaxy to repair the very damage she and her fellow Tempest Runners inflicted. But as Lourna plans her glorious escape, she makes alliances that grow dangerously close to friendships. Outside the Nihil—separated from her infamous ship, her terrifying arsenal, and her feared name—Lourna must carve her own path. But will it lead to redemption? Or will she emerge as a deadlier threat than ever before?

Exiled to Tatooine, Obi-Wan Kenobi works to hide his Jedi powers and establish an alternate identity for himself as an eccentric hermit while protecting an infant Luke Skywalker and aiding the residents of Tatooine.

“The Sith always betray one another. . . . I’m sure you’ll learn that soon enough.” The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious—the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for . . . and dealt with. These crucial tasks fall to the Emperor’s ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters’ enemies, thereby punctuating the dark side’s victory with the Jedi’s doom. Since childhood, Vader’s nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, his carrying out of his deadly orders. But his future beckons like a glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice’s journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he will be tested as never before—by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name . . . and changing his destiny. “THAT’S NO MOON.” —Obi-Wan Kenobi The Death Star’s name says it all, with bone-chilling accuracy. It is a virtual world unto itself—equipped with uncanny power for a singularly brutal purpose: to obliterate entire planets in the blink of an eye. Its annihilation of the planet Alderaan, at the merciless command of Grand Moff Tarkin, lives in infamy. And its own ultimate destruction, at the hands of Luke Skywalker, is the stuff of legend. But what is the whole story, and who are the players, behind the creation of this world-killing satellite of doom? The near extermination of the Jedi order cleared the way for Palpatine—power-hungry Senator and Sith Lord—to seize control of the Republic, declare himself Emperor, and usher in a fearsome, totalitarian regime. But even with the dreaded Darth Vader enforcing Palpatine’s sinister will, the threat of rebellion still looms. And the Emperor knows that only abject fear—and the ability to punish dissent with devastating consequences—can ensure his unchallenged control of the galaxy. Enter ambitious and ruthless government official Wilhuff Tarkin, architect of the Emperor’s terrifying dream come true. From inception to completion, construction of the unprecedented Death Star is wash in the intrigues, hidden agendas, unexpected revelations, and daring gambits of those involved on every level. The brightest minds and boldest egos, the most ambitious and corrupt, the desperate and the devious, all have a stake in the Death Star—and its potential to control the fate of the galaxy. Soldiers and slaves, loyalists and Rebels, spies and avengers, the innocent and the evil—all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown. And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling, unforgettable adventure. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

In a zombie horror tale set in the Star Wars universe, the Sith academy apprentices react fearfully to new outbreaks of unexplained violence, the Dark Lord's withdrawal, and a Jedi Master's efforts to rescue a hostage. At last—an analysis of the historical patterns that influenced the creation and storyline of the Star Wars saga Star Wars took place long ago in a galaxy far, far away, but its epic stories are based on our own history. From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, Star Wars and History explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga. Star Wars and History shows how the atomic and hydrogen bombs led to the Death Star; how Princess Leia's leadership in the Rebel Alliance resembled the daring work of intrepid women in the French Resistance during World War II and the Mexican Revolution; historical parallels between the Jedi Code and Bushido as well as those linking the Jedi culture with that of the Templar Knights and other warrior monks; and all of the history that underlies the Star Wars galaxy. Read how our own civilization's civil wars, slavery, international corporation states, and teenage queens were transformed into the epic Star Wars history and discover how Tatooine reflects the lawless frontiers of the past and Coruscant our own history of glittering and greedy capitals. The first book devoted to analyzing the actual historical events in our past that influenced the creation of the space fantasy, Star Wars Features 11 essays by a wise "council" of history scholars, written in close collaboration with George Lucas and Lucasfilm Gives new insights into central Star Wars characters and historical figures who helped inspire them (including Luke Skywalker, Princess Leia, Han Solo, Darth Vader, Obi-Wan Kenobi, Queen Amidala, Yoda, Jabba the Hutt, Lando Calrissian, Emperor Palpatine, and others) Includes both stunning photos from the Lucasfilm Tmage Archives and historical photos that demonstrate the parallels between both worlds Filled with fascinating historical comparisons and background that will take your experience of the Star Wars saga to a new level, Star Wars and History is an essential companion for every Star Wars fan. Presents a bibliographic reference to all Star Wars fiction, from film novelizations to ebook novellas, complemented by full-color artwork.

Acclaimed as a modern dramatic masterpiece, Rosencrantz & Guildenstern are Dead is the fabulously inventive tale of Hamlet as told from the worm’s-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare’s play. In Tom Stoppard’s best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of Waiting for Godot resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modem playwrights overnight when Rosencrantz and Guildenstern Are Dead opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the “Notable Books of 1967” by the American Library Association.

A killer virus called krytos makes its way across Coruscant, decimating the population and sowing seeds of rebellion

A novel based on the release of the Star Wars video game follows Darth Vader as he embarks on a quest to rid the galaxy of the Jedi and confronts life-altering decisions that could change everything.

Parenting is difficult under the best of circumstances—but extremely daunting when humanity faces cataclysmic annihilation. When the dead rise, hardship, violence and the ever-present threat of flesh-eating zombies will adversely affect parents and children alike. Depending on their age, children will have little chance of surviving a single encounter with the undead, let alone the unending peril of the Zombie Apocalypse. The key to their survival—and thus the survival of the species—will be the caregiving they receive. Drawing on psychological theory and real-world research on developmental status, grief, trauma, mental illness, and child-rearing in stressful environments, this book critically examines factors influencing parenting, and the likely outcomes of different caregiving techniques in the hypothetical landscape of the living dead.

“You have a very lovely little girl,” breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue’s daughter, Veda. But he doesn’t want her money, only her suffering—and he will kill Veda if Sue doesn’t follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year, to a place she has never traveled to since childhood. The voice on the other end of the line somehow knows Sue’s deepest, most chilling secret—an ominous incident from her past, buried long ago. . . Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined, Sue will discover just how much trauma and fright the human body is capable of absorbing. Set over the course of a single night, Chasing the Dead is a fast-paced, ferociously tense supernatural thriller. With the skill of masters like Dean Koontz and David Morrell, Joe Schreiber has created a tableau of shock and horror, death and destruction, that will draw you in and never let you go.

Kids love origami—and what could be cooler than transforming a piece of paper into Boba Fett, Princess Leia, Yoda, or R2-D2? And not just any paper, but custom-designed paper illustrated with art from the movies. Star Wars® Origami marries the fun of paper folding with the obsession of Star Wars. Like The Joy of Origami and Origami on the Go, this book puts an original spin on an ancient art. And like Star Wars® Scanning® and Star Wars® Fandex®, it ’ s a fresh take on Star Wars mania. Chris Alexander is a master folder and founder of the popular website StarWarsOrigami.com, and here are 36 models, clearly explained, that range in difficulty from Yonlinging (easy) to Padawan (medium), Jedi Knight (difficult), and Jedi Master (tricky!). A front section introduces origami definitions and basic folds. Bound in the back is the book ’ s unique folding paper, two sheets for each figure. Illustrated with original art, it makes each creation—the essential lightsabers, the Death Star, and much more—true to the movies. Star Wars Origami includes a foreword by Tom Angleberger, author of the New York Times bestsellers The Strange Case of Origami Yoda and Darth Paper Strikes Back, and is scheduled to be published at the same time as Angleberger ’ s upcoming book, The Secret of the Fortune Wookiee.

Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn ’ t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man ’ s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “ class ” : lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie ’ s lasting gift with the world.

NEW YORK TIMES BESTSELLER Set before the events of Star Wars: Episode I The Phantom Menace, this new novel is a thrilling follow-up to Star Wars: Darth Plagueis. It's kill or be killed in the space penitentiary that houses the galaxy's worst criminals, where convicts face off in gladiatorial combat while an underworld weapon empire reaps the profits of the illicit blood sport. But the newest contender in this savage arena, as demonic to behold as he is deadly to challenge, is fighting for more than just survival. His do-or-die mission, for the dark masters he serves, is to capture the ultimate weapon: an object that will enable the Sith to conquer the galaxy. Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize. And one of the power-hungry duo has his own treacherous plans for it. But first, their fearsome apprentice must take on a bloodthirsty prison warden, a cannibal gang, cutthroat crime lord Jabba the Hutt, and an unspeakable alien horror. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for Lockdown "Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us."—Jedi News "Fans of the dark side should rejoice. Lockdown delivers a can't-put-this-down tale of scum and villainy."—Club Jade "[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis."—Roqoo Depot "Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray either genre. It's really quite masterful."—Big Shiny Robot "Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read."—Coffee with Kenobi "The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way."—Knights' Archive "By the fiftieth page, I was hooked. . . . Lockdown is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more Star Wars books from Schreiber."—Seattle Geekly

The era of the Old Republic is a dark and dangerous time, as Jedi Knights valiantly battle the Sith Lords and their ruthless armies. But the Sith have disturbing plans—and none more so than the fulfillment of Darth Scabrous’s fanatical dream, which is about to become nightmarish reality. Unlike those other Jedi sidelined to the Agricultural Corps—young Jedi whose abilities have not proved up to snuff—Hestizo Trace possesses one extraordinary Force talent: a gift with plants. Suddenly her quiet existence among greenhouse and garden specimens is violently destroyed by the arrival of an emissary from Darth Scabrous. For the rare black orchid that she has nurtured and bonded with is the final ingredient in an ancient Sith formula that promises to grant Darth Scabrous his greatest desire. But at the heart of the formula is a never-before-seen virus that’s worse than fatal—it doesn’t just kill, it transforms. Now the rotting, ravenous dead are rising, driven by a bloodthirsty hunger for all things living—and commanded by a Sith Master with an insatiable lust for power and the ultimate prize: immortality. . . . no matter the cost. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

As *ruthless apprentice to Darth Vader*, *Starkiller was mercilessly schooled in the ways of the dark side, commanded to exterminate the last of the purged Jedi Order, and groomed for the ultimate Sith power play: assassination of the Emperor. He served without question, killed without remorse, and lost his heart without warning to beautiful Imperial fighter pilot Juno Eclipse, never suspecting that he was just a tool in the schemes of his masters—until it was too late to escape their lethal betrayal. Juno mourned Starkiller as dead...but now he is back, purged of all memories and programmed to kill. And as fate brings Juno and Starkiller closer to reuniting, with Darth Vader determined not to lose his assassin a second time, they will both have to make a stand. The prize is freedom. The punishment for failing will be eternal enslavement to the dark side of the Force... The chilling tale of the undead in a galaxy far, far away. "This is the Star Wars of every horror fan's dreams—gory, funny, and brimming with a blood-spattered cast of swashbucklers and space-zombies."—Seth Grahame-Smith, author of *Pride and Prejudice and Zombies* When the Purge—temporary home to five hundred of the galaxy's most ruthless killers, Rebels, scoundrels, and thieves—breaks down in a distant part of space, its only hope appears to lie with a Star Destroyer found drifting and seemingly abandoned. But when a boarding party from the parts, only half of them come back—bringing with them a horrific disease so lethal that within hours, nearly all aboard the Purge die in ways too hideous to imagine. And death is only the beginning. The Purge's half-dozen survivors will do whatever it takes to stay alive. But not for long.

Maas’s Throne of Glass series. She will reign. As princess of the island kingdom Visidia, Amora Montara has spent her entire life training to be High Animancer—the master of souls. The rest of the realm can choose their magic, but for Amora, it’s never been a choice. To secure her place as heir to the throne, she must prove her mastery of the monarchy’s dangerous soul magic. When her demonstration goes awry, Amora is forced to flee. She strikes a deal with Bastian, a mysterious pirate: he’ll help her prove she’s fit to rule, if she’ll help him reclaim his stolen magic. But sailing the kingdom holds more wonder—and more peril—than Amora anticipated. A destructive new magic is on the rise, and if Amora is to conquer it, she’ll need to face legendary monsters, cross paths with vengeful mermaids, and deal with a stowaway she never expected... or risk the fate of Visidia and lose the crown forever. I am the right choice. The only choice. And I will protect my kingdom. Solo: A Star Wars Story Junior Novel

NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of The Duel from the Star Wars Visions animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire. . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.
