A junior novel retelling of the first season of the smash-hit, instantly iconic Disney+ series, The Mandalorian.

Death Troopers Lucas Books

THE FIRST IN AN ALL NEW, OFFICIAL TRILOGY SET IN THE ALIEN UNIVERSE! Featuring the iconic Ellen Ripley in a terrifying new adventure that bridges the gap between Alien and Aliens. Officially sanctioned and true to the Alien cannon, Alien: Out of the Shadows expands upon the well-loved mythos and is a must for all Alien fans.

The future of the dark side hangs in the balance in the stunning conclusion to the Darth Bane series. Twenty years have passed since the Sith and their endless rivalries were eradicated and replaced by the Order of the Sith Lords. Two. Darth Bane now reigns alongside his young acolyte, Zannah, who must study and train in the dark side of the Force until the time comes to strike down her master and claim the mantle for herself. But the brutal new regime has one potential fatal flaw—how will their legacy continue if an apprentice fails to raise their blade in combat? The only solution must be for the Dark Lord of the Sith to rediscover the forgotten secret of the order—the key to immortality. Bane's doubt spurs his young apprentice into action, and Zannah vows to destroy her master at any cost. After he mysteriously vanishes, she leads the galaxy to a desolate desert outpost, where the fate of the dark side will be forged by a final fight to the death.

A Novel of the Old Republic

Star Wars: Maul: Lockdown

Book Three of the Magic Kingdom of Landover Series It all began when the half-able wizard Questor Thews announced that finally he could restore the Court Scribe Abernathy to human form. It was his spell that had turned Abernathy into a Wheaten Terrier—though with hands and feet and able to talk. All went well—until the wizard breathed the magic dust of his spell and suddenly sneezed. Then, where Abernathy had stood, there was only a bottle containing a particularly evil imp. It had been in the collection of Michael Ard Rhi, former King of Landover, now exiled to Earth. Abernathy must now be a part of that collection! High Lord Ben Holiday set forth for Earth, taking his green but beautiful love, Willow, with him. Unfortunately, they were long in returning. And without the soil in which to root as a tree at times, Willow could not long survive. That left it up to Questor Thews to save them. Grimly he set out to seek help, knowing himself to be incompetent. And to make things worse, the imp had escaped and sought the help of the evil witch Nightshade, now back from exile in Faerie. Questor's only idea seemed impossible, but . . .

The era of the Old Republic is a dark and dangerous time, as Jedi Knights valiantly battle the Sith Lords and their ruthless armies. But the Sith have disturbing plans—and none more so than the fulfillment of Darth Scabrous's fanatical dream, which is about to become nightmarish reality. Unlike those other Jedi sidelined to the Agricultural Corps—young Jedi whose abilities have not proved up to snuff—Hestizo Trace possesses one extraordinary Force talent: a gift with plants. Suddenly her quiet existence among greenhouse and garden specimens is violently destroyed by the arrival of an emissary from Darth Scabrous. For the rare black orchid that she has nurtured and bonded with is the final ingredient in an ancient Sith formula that promises to grant Darth Scabrous his greatest desire. But at the heart of the formula is a never-before-seen virus that's worse than fatal—it doesn't just kill, it transforms. Now the rotting, ravenous dead are rising, driven by a bloodthirsty hunger for all things living—and commanded by a Sith Master with an insatiable lust for power and the ultimate prize: immortality . . . no matter the cost. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Star Wars: Death Troopers

*Read on if you dare! This unique in-world collection hallows the spooky tales and ghost stories that would have kept young Luke and Leia up at night. Created by George Mann and Grant Griffin--the same team behind the stunning Star Wars: Myths & Fables--these six frightful fables have been carefully woven from the expansive fabric that is the Star Wars galaxy (including the thrilling landscape from Galaxy's Edge at Disneyland and Disney World), and beautifully painted in a lush illustrative style that feels intergalactic yet innately archetypal and timeless.*

*Reviva a emoção da primeira temporada da aclamada série Star Wars: The Mandalorian! Após a queda do Império, mas antes do surgimento da Primeira Ordem, um caçador de recompensas Mandaloriano viaja pelos confins da galáxia. No entanto, ao descobrir que seu mais novo alvo é uma criança, o pistoleiro solitário decide que ela deve ser protegida a todo custo. Reviva toda a emoção*

da primeira temporada da série de imenso sucesso neste romance cheio de ação, que conta ainda com um encarte de fotos exclusivas da série! Branded as rebels and traitors, the members of the Alliance worked from the shadows, gathering information and support from across the galaxy to bring an end to the Empire's tyranny. This information has been kept hidden until now. Discovered in the ruins of an abandoned rebel base, these files have been passed among members of the Resistance, who have added notes, updates, and new insights to the documents. A repository of Alliance intelligence, The Rebel Files weaves together classified documents, intercepted transmissions, and gathered communications to trace the formation of the Rebel Alliance. Unlock the secrets of the Rebel Alliance!

When madness is your inheritance, how do you escape it? Scott Mast thought he got away—first from a family haunted by a dark fate, then from a dull career writing greeting cards in Seattle. But now he has come back to his New Hampshire hometown only to find that his family is in ruins, his nephew needs a home, and a shattering truth is clawing its way into the light. Fifteen years ago, Scott's mother died in a fire. And now the shadowy circumstances—the bodies buried beneath the ashes, the lives ripped apart that fateful day—are starting to be revealed. The answers unspool in the pages of a peculiar old manuscript—an unfinished ghost story written in his father's own hand that beckons Scott out to a strange house in the woods with a lightless corridor that cannot be seen from the outside.

Here Scott Mast will uncover all that has been hidden—and perhaps finish his father's unspeakable work.

Here is a special 20th anniversary edition of the #1 New York Times bestselling novel that reignited the entire Star Wars publishing phenomenon—featuring an Introduction, annotations from award-winning author Timothy Zahn, exclusive commentary from Lucasfilm and Del Rey Books, and a brand-new novella starring the ever-popular Grand Admiral Thrawn. The biggest event in the history of Star Wars books, Heir to the Empire follows the adventures of Luke Skywalker, Han Solo, and Princess Leia after the Rebel Alliance to victory in Star Wars: Episode VI Return of the Jedi. Five years after the Death Star was destroyed and Darth Vader and the Emperor were defeated, the Empire is struggling to heal the wounds of war, Princess Leia and Han Solo are married and expecting twins, and Luke Skywalker has become the first in a long-awaited line of Jedi Knights. But thousands of light-years away, the last of the Emperor's warlords—the brilliant and deadly Grand Admiral Thrawn—has taken command of the shattered Imperial fleet, readied it for war, and pointed it at the fragile heart of the New Republic. For this dark warrior has made two vital discoveries that could destroy everything the courage and women of the Rebel Alliance fought so hard to create. The explosive confrontation that results is a towering epic of action, invention, mystery, and spectacle on a galactic scale—in short, a story worthy of the name Star Wars. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The Star Wars novels have been expanding the universe of this popular epic for decades. Now ten thrilling, action-packed classics have been collected in one convenient bundle, a perfect introduction to the vibrant and varied eras of Star Wars history, past and future. With a rich cast of characters that includes beloved favorites—Luke Skywalker, Han Solo, and Princess Leia Organa—along with new villains and heroes, including the next generation of Jedi, these adventures will take fans for a breathtaking ride across the galaxy and space in the galaxy far, far away! The chilling tale of the undead in a galaxy far, far away. "This is the Star Wars of every horror fan's dreams—gory, funny, and brimming with a blood-spattered cast of swashbucklers and space-zombies."—Seth Grahame-Smith, author of Pride and Prejudice and Zombies When the Imperial prison barge Purge—temporary home to five hundred of the galaxy's most ruthless killers, Rebels, scoundrels, and thieves—breaks down in a distant part of space, its only hope appears to lie with a Star Destroyer found dead and seemingly abandoned. But when a boarding party from the Purge is sent to scavenge for parts, only half of them come back—bringing with them a horrific disease so lethal that within hours, nearly all aboard the Purge die in ways too hideous to imagine. And death is only the beginning. The Purge's half-dozen survivors will do whatever it takes to stay alive. But nothing can prepare them for what lies waiting aboard the Star Destroyer. For the dead are rising: soulless, unstoppable, and unspeakably hungry.

Based on all six of the Star Wars movies, tells the story of Anakin Skywalker from his birth in slavery to his death as the powerful Darth Vader. Reprint.

Chasing the Dead

As ruthless apprentice to Darth Vader, Starkiller was mercilessly schooled in the ways of the dark side, commanded to exterminate the last of the purged Jedi Order, and groomed for the ultimate Sith power play: assassination of the Emperor. He served without question, killed without remorse, and lost his heart without warning to beautiful Imperial fighter pilot Juno Eclipse, never suspecting that he was just a tool in the schemes of his masters—until it was too late to escape their lethal betrayal. Juno mourned Starkiller as dead...but now he is back, purged of all memories and programmed to kill. And as fate brings Juno and Starkiller closer to reuniting, with Darth Vader determined not to lose his assassin a second time, they will both have to make a stand. The prize is freedom. The punishment for failing will be eternal enslavement to the dark side of the Force... Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

From the mind of Joe Schreiber, New York Times bestselling author of Star Wars: Death Troopers, comes the delirious follow-up to last year's Darth Plagueis. In a tale of retribution and survival set before the events of The Phantom Menace, Darth Plagueis and Darth Sidious dispatch Sith apprentice Darth Maul on a secret mission to infiltrate a criminal empire operating from inside Cog Hive Seven--a hidden prison teeming with the galaxy's most savage criminals. There, he must contend against the scummiest and most villainous in gladiatorial death matches while carrying out his masters' clandestine commands. Failure is not an option; success will ignite the revenge of the Sith against the Jedi Order.

**“THAT’S NO MOON.” –Obi-Wan Kenobi** The Death Star’s name says it all, with bone-chilling accuracy. It is a virtual world unto itself—equipped with uncanny power for a singularly brutal purpose: to obliterate entire planets in the blink of an eye. Its annihilation of the planet Alderaan, at the merciless command of Grand Moff Tarkin, lives in infamy. And its own ultimate destruction, at the hands of Luke Skywalker, is the stuff of legend. But what is the whole story, and who are the players, behind the creation of this world-killing satellite of doom? The near extermination of the Jedi order cleared the way for Palpatine—power-hungry Senator and Sith Lord—to seize control of the Republic, declare himself Emperor, and usher in a fearsome, totalitarian regime. But even with the dreaded Darth Vader enforcing Palpatine’s sinister will, the threat of rebellion still looms. And the Emperor knows that only abject fear—and the ability to punish dissent with devastating consequences—can ensure his unchallenged control of the galaxy. Enter ambitious and ruthless government official

**Wilhuff Tarkin, architect of the Emperor's terrifying dream come true. From inception to completion, construction of the unprecedented Death Star is awash in the intrigues, hidden agendas, unexpected revelations, and daring gambits of those involved on every level. The brightest minds and boldest egos, the most ambitious and corrupt, the desperate and the devious, all have a stake in the Death Star—and its potential to control the fate of the galaxy. Soldiers and slaves, loyalists and Rebels, spies and avengers, the innocent and the evil—all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown. And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling, unforgettable adventure. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!**

**A follow-up to Star Wars: Dark Plagueis is a Darth Maul prison tale set before the events of The Phantom Menace that finds Darth Maul dispatched on a secret mission to infiltrate a criminal prison empire where he must compete in gladiatorial death matches while carrying out his masters' clandestine commands. By the author of Star Wars: Death Troopers. Follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission that kills half of the team while the other half brings back a lethal infection.**

**In the time immediately following the destruction of the Death Star and the years between the Battle of Yavin and the foundation of the Rebel Base on Hoth, the Empire's grip on the galaxy has become an unyielding fist of retribution. Pressed into action by Emperor Palpatine, Imperial forces have stepped up efforts to hunt down and imprison Rebel sympathizers, shipping them off to newly formed detainment moons via huge prison barges. By necessity these barges are floating chambers of degradation and vice, notoriously unreliable spacecraft staffed by Imperial corrections officers whose cruelty rivals that of the inmates. The Imperial Prison Barge Virtue is hauling its load of prisoners, criminals and murderers, human and non-human, across the galaxy, when it breaks down in deep space. Soon after, the ship's warden discovers a derelict Star Destroyer, seemingly abandoned, and sends a boarding party to scavenge parts to repair the Virtue. Half of them don't come back. The ones that do are infected with a virus so deadly that within hours, it has wiped out ninety-nine percent of the barge's population. But for the handful of survivors -- two brothers, the Virtue's female chief medical officer, and a sadistic captain of the guards, along with a certain rogue smuggler and his Wookiee sidekick - the true horror is just begun. Because those inmates and guards who died of the virus don't stay dead...and when they come back, they're extremely hungry. Against their better judgment, the survivors take refuge aboard the massive creaking emptiness of the Destroyer, only to discover that its original population has not disappeared at all -- and that they've been waiting for them.**

ADVANCE PRAISE FOR DETROIT MACABRE "Joseph Williams rolls out a creepy and subversive collection of tales in DETROIT MACABRE. Offbeat and disturbingly delicious." - Jonathan Maberry, Stoker Award-winner and NY Times Bestselling author of The King of Plagues, Patient Zero, and Dust and Decay. "From Cobo Hall to the Cass Corridor, Joseph Williams knows Detroit and the voices of the damned that haunt its alleyways. In prose that never flinches, DETROIT MACABRE maps the Motor City's darkest heart, and in the process, holds a fractured mirror to our own worst nightmares." - Joe Schreiber, NY Times Bestselling author of Star Wars: Death Troopers, and No Doors, No Windows. "(Joseph Williams) has an energy and comfort with language that mark him as a talented and committed writer." - Bill Thompson, editor of Stephen King's The Shining, The Stand, and Carrie. Detroit is the scariest city in America. In this collection of thirteen original horror stories, Joseph Williams shows exactly why. With tales of deranged doctors, serial killers, zombies, vengeful witches, and ghost trains, Williams exposes the terrors of Detroit and the haunted wilderness of Michigan. When a novice Jedi is killed while trying to obtain the coordinates of a secretive, yet beneficial trade route, his former Master, Jedi archivist Mander Zuma, must enter the dangerous underworld of the Hutts to find the truth. Original. 60,000 first printing.

NEW YORK TIMES BESTSELLER Set before the events of Star Wars: Episode I The Phantom Menace, this new novel is a thrilling follow-up to Star Wars: Darth Plagueis. It's kill or be killed in the space penitentiary that houses the galaxy's worst criminals, where convicts face off in gladiatorial combat while an underworld gambling empire reaps the profits of the illicit blood sport. But the newest contender in this savage arena, as demonic to behold as he is deadly to challenge, is fighting for more than just survival. His do-or-die mission, for the dark masters he serves, is to capture the ultimate weapon: an object that will enable the Sith to conquer the galaxy. Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize. And one of the power-hungry duo has his own treacherous plans for it. But first, their fearsome apprentice must take on a bloodthirsty prison warden, a cannibal gang, cutthroat crime lord Jabba the Hutt, and an unspeakable alien horror. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for Lockdown "Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us."—Jedi News "Fans of the dark side should rejoice. Lockdown delivers a can't-put-this-down tale of scum and villainy."—Club Jade "[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis."—Roqoo Depot "Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray either genre. It's really quite masterful."—Big Shiny Robot "Lockdown is

an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read.”—Coffee with Kenobi “The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it’s the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way.”—Knights’ Archive “By the fiftieth page, I was hooked. . . . Lockdown is a wonderful ‘antihero’ novel, where it’s just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I’ll have to keep an eye out for more Star Wars books from Schreiber.”—Seattle Geekly

Ferris Bueller meets La Femme Nikita in this funny, action-packed young adult novel. Its prom night and Perry just wants to stick to his own plan and finally play a much anticipated gig with his band in the Big Apple. But when his mother makes him take Gobi Zaksauskas their quiet, geeky Lithuanian exchange student to the prom, he never expects that his ordinary high school guy life will soon turn on its head. Perry finds that Gobi is on a mission, and Perry has no other choice but to go along for a reckless ride through Manhattan’s concrete grid with a trained assassin in Dad’s red Jag. Infused with capers, car chases, heists, hits, henchmen, and even a bear fight, this story mixes romance, comedy, and tragedy in a true teen coming-of-age adventure and it’s not over until its au revoir. This ebook includes a sample chapter of PERRY’S KILLER PLAYLIST.

“A harrowing, up-all-night read with delicious scares at every turn. Joe Schreiber knows just what terrifies us, and his masterly skills are on full display.”—Tess Gerritsen, author of The Bone Garden “One part noir, one part horror, one part the uniquely talented Joe Schreiber. Dark, chilling, scary—I couldn’t put it down.”—Peter Abrahams, author of Nerve Damage Escorted from prison under heavy guard, murderous psychopath Frank Snow is scheduled for an emergency brain scan at Tanglewood Memorial Hospital, an institution that is closing its doors after one final night of operation. But Snow has something far more terrifying planned. And once the lights go out, a fiendish game of hide-and-seek begins. Alone in the dark with a homicidal madman who knows their fears, their secrets, and their every move, MRI technician Mike Hughes, his wife and child, and the other unlucky souls trapped in the hospital have no choice but to duel with the devil incarnate. If they play by their stalker’s twisted rules, some of them might just survive. But there’s more to Frank Snow than the naked eye can see . . . or the sane mind can bear. Praise for Eat the Dark “Eat the Dark is a tight novel of terror. Well written, fast paced, with a grip like a claw. I loved it.”—Joe R. Lansdale, author of The Bottoms “Reminiscent of Stephen King’s early work, Eat the Dark is a terrifying, claustrophobic, bone-chilling, unputdownable masterpiece of suspense fiction. Human monster Frank Snow is a wonderful creation.”—Jason Starr, author of The Follower “I didn’t just Eat the Dark—I gorged on it. It’s a master class in fast-moving, scary-as-sh\*t storytelling.”—Duane Swierczynski, author of Severance Package

When they are forced to seek refuge in a territory controlled by pirates, Leia learns that the pirates are survivors from her home planet--which has been recently destroyed by the Death Star--who would gladly ransom her to the Empire.

Star Wars: The Mandalorian Junior Novel

**“You have a very lovely little girl,” breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue’s daughter, Veda. But he doesn’t want her money, only her suffering—and he will kill Veda if Sue doesn’t follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year, to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue’s deepest, most chilling secret—an ominous incident from her past, buried long ago... Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined, Sue will discover just how much trauma and fright the human body is capable of absorbing. Set over the course of a single night, Chasing the Dead is a fast-paced, ferociously tense supernatural thriller. With the skill of masters like Dean Koontz and David Morrell, Joe Schreiber has created a tableau of shock and horror, death and destruction, that will draw you in and never let you go.**

**Relive the excitement of the second season of Star Wars: The Mandalorian! The Mandalorian and Grogu continue their journey to find more of Grogu's kind as they make their way through a dangerous galaxy in the tumultuous era following the fall of the Empire. They will encounter strange creatures, mysterious Jedi, old friends, and the sinister Moff Gideon, who wants the Child for his own purposes.... This is the way!**

**Anyone can escape danger. No one can escape the truth. When a ship full of Sith warriors arrived in Galactic Alliance space, the fight to destroy it accidentally uncovered a hidden menace: a long-hidden group of clones, secretly created as insidious weapons capable of wielding the Force and heedless of the differences between light side and dark side. Now the clones have escaped—and evidence suggests that they are flawed by genetic disease and violent madness. Jedi Knight Jaden Korr pursues the clones, hoping to heal them but prepared to destroy them. What he doesn't know is that Sith agents are hot on his heels, determined not only to recover the clones for their Master but to capture Jaden for their own dark-side purposes. In a life-or-death battle, Jaden will confront a shocking reality that will rock him to his core and bring him face-to-face with the question of what makes a man . . . and a Jedi. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!**
