This cookbook will help you plan your Christmas festivities to the very last culinary detail, acting as an invaluable Christmas organiser from reminding you to make your Christmas pudding and chutneys in November to giving you a crucial countdown for the last 36 hours.

Comprehensive, informative, and engaging, Nigella Kitchen offers feel-good food for cooks and eaters that is comforting yet always seductive, nostalgic but with a modern twist--whether super-fast exotic recipes for the weekday rush, leisurely slow-cook dishes for weekends and special occasions, or irresistible cakes and cookies in true "domestic goddess" style. Nigella Kitchen answers everyday cooking quandaries--what to feed a group of hungry teenagers, how to rustle up a spur-of-the-moment meal for friends, or how to treat yourself when you're home alone--and since real cooking is so often about leftovers, here one recipe can morph into another . . . from ham hocks in cider to cidery pea soup, from "praised" chicken to Chinatown salad. This isn't just about being thrifty; it's about being creative and seeing how recipes evolve. With 190 mouthwatering and inspiring recipes, including more than 60 express-style recipes (30 minutes

or under), Nigella Kitchen offers plenty of choice--from clams with chorizo to Guinness gingerbread, from Asian braised beef shank to flourless chocolate lime cake, from pasta alla Genovese to Venetian carrot cake. In addition, Nigella presents her no-nonsense kitchen kit must-haves (and crucially what isn't needed) in the way of equipment and magical standby ingredients. But above all, she reminds the reader how much pleasure there is to be had in real food and in reclaiming the traditional rhythms of the kitchen, as she cooks to the beat of the heart of the home, creating simple, delicious recipes to make life less complicated. Gorgeously illustrated, this expansive, lively narrative, with its rich feast of food, is destined to be a twenty-first-century classic.

This third book in Delia Smith's simple-to-follow cookery course for people of all ages and abilities, removes the fear and mystique for cooking the simplest and the more advanced dishes. It contains 120 new recipes.

Offers a selection of accessible, traditional summer dishes that includes Avocado Salsa and Pesto Rice Salad, Spiced Lamb and Cashew Kebabs, and Strawberry Cheesecake Ice Cream

*For Delia Smith, the key to producing delicious, healthy food is to use first-class, fresh ingredients, and, where fruit and vegetables are concerned, the ideal way to do that is to grow your own. So Delia had a walled kitchen garden built at her home in Suffolk. By the end of the first season, she enjoyed some fantastic produce, but some crops grew more successfully than others and Delia wanted to know why. She needed a book that offered the horticultural equivalent of showing her how to boil an egg. But the books she looked at assumed a degree of gardening knowledge she didn't have. So this book, written by Gay Search, is for Delia and anyone interested in good food who wants to try their hand at growing their own. The book opens with basics: equipment, soil preparation, compost, sowing, planting out, thinning and watering, plus pest and disease control and crop protection. Each month Gay explains what is happening in*
