An essential resource for your health?if we are what we eat, let's make every (delicious) bite count! This cookbook will no doubt transform your kitchen, bringing new plant-based, whole food ideas to the table and offering easy yet healthy recipe solutions for everything from celebratory meals to rushed weeknight dinners. Ashley Madden is a pharmacist turned plant-based chef, certified holistic nutritional consultant, and devoted health foodie. A diagnosis of multiple sclerosis changed her whole life and approach to food, eventually shaping a new food philosophy and inspiring this book. The Plant-Based Cookbook is especially helpful for those with dietary requirements or food allergies as all recipes are vegan, dairy-free, gluten-free, and oil-free without compromising on taste or relying on packaged and processed ingredients. All-natural recipes include: One-pot creamy pasta Vibrant nourish bowls Decadent no-bake cinnamon rolls A show-stopping cheese ball Life-changing carrot cake And so much more! Whether you consider yourself an amateur home cook or a Michelin Star chef, this collection of recipes will inspire you to turn whole foods into magical, mouthwatering meals and give you confidence to prepare plants in creative and health-supportive ways.

From sumptuous desserts, to food on the go, delicious dips, raw treats and rainbow bowls of awesome veggies, Ella's philosophy is all about embracing the natural foods that your body loves and creating fresh, simple dishes which are easy to

make and taste amazing. Featuring more than 100 new sugar-free, gluten-free and dairy-free recipes to excite your taste buds, this collection will inspire you to eat for better health, glowing skin and boundless energy. A reformed sugar monster herself, Ella knows just how daunting the idea of changing your diet can be. Her must-read blog, DELICIOUSLY ELLA, which gets two million visitors a month from all over the world, was inspired by her own health adventure and everything she has learned by healing herself simply through diet. It's truly amazing to see what you can do with these simple ingredients and how you can so easily create a deliciously healthy version of your favourite dishes. More than anything, Ella wants to show that this way of eating is absolutely not about deprivation and starvation, but instead is about embracing a positive, healthy way of life.

100 all-new quick and easy plant-based recipes by bestselling author Ella Mills, founder of Deliciously Ella. Ella's new collection shows us that vegan cooking doesn't have to be difficult or time-consuming. It's easy to embrace a plant-based lifestyle with her fuss-free, simple recipes that cater for our busy lives. Divided into 7 sections, the new book offers - for the first time - recipes with an approximate cooking time, showing you how to make simple meals that will satisfy your taste buds and inspire you every day. Section 1 features delicious breakfasts - from quick pancakes to fruity smoothies and easy toast-toppers. Section 2, Lunches, Dips & Dressings, offers an array of healthy plant-based options. The next two Sections comprise 10-Minute- and 20-Minute Meals, where Ella will prove that plant-based eating doesn't have to be complicated or time-consuming. inspired plates. Section 5 is Big Batch Cooking, to help you get ahead and plan your week. The Sweet section includes lots of portable bars, flapjacks and slices to satisfy your sweet tooth. The last section, Weekend, features recipes that require a bit time to make, but will impress and delight your friends and family! The ethos of Deliciously Ella is to share abundant recipes that put vegetables at the heart of our plates, that taste good and are easy to make. Alongside this, Ella is keen to embrace all aspects of wellbeing, prioritising self-care. In the book she will share the important insights learned from her chart-topping podcast, bringing a wider holistic dimension and personal angle to this gorgeous, inspiring, healthy cookbook. 'She has become the biggest thing in healthy eating' - The Times

Daughter of fashion icon C. Z. Guest and Winston Frederick Churchill Guest, polo champion and heir to the Phipps steel fortune, Cornelia Guest resisted eating animal products from childhood because of her passion for “critters.” When her mother became ill, her research compelled her to take the leap to eat cruelty-free. In Cornelia Guest's Simple Pleasures, she reveals the secrets of understated elegance she learned from her parents and the family's extraordinary friends. Her favorite simple recipes are so delicious, even the most fervent carnivores do not miss the meat, and her tips on entertaining take the stress out of any event. Her ulterior motive is to inspire readers to have fun experimenting with healthy alternatives and to change the way they think about food. She shows readers how to incorporate affordable, cruelty-free eating into their daily lives and how to serve that wholesome food to friends. Organized by season, each section begins with a luscious meal—a light spring lunch of chilled asparagus soup

and quinoa salad, an alfresco summer dinner of veggie carpaccio and stuffed squash blossoms, a fall breakfast buffet of pecan waffles, faux buttermilk pancakes, and raspberry muffins, and a cozy winter's dinner of shepherd's pie with a chocolate tart for dessert. Each season contains recipes for beverages, soups, salads, pasta, side dishes, main courses, and an abundance of desserts that everyone will love. Special sections feature recipes for grains, greens, and beans. Her favorite chefs, doctors, a veterinarian, and other health experts have contributed sidebars with tips, advice, and eye-opening information. Dismissing fussy food and pretention, she believes the key to entertaining well is simplicity. Cornelia Guest's *Simple Pleasures* is filled with advice on how to set a lively and original table, how to bring nature inside, even how to stay calm in the face of entertaining disasters. She shows how a little thought and effort makes it a snap to create a relaxed, warm atmosphere and fabulous food free of animal products that will not only please family and friends but will also allow you to enjoy your own party. Richly illustrated with photographs of personal memorabilia and of Templeton, her legendary home, the book captures the feeling of a well-lived life. Cheerful, colorful, and unpretentious, *Simple Pleasures* will give readers all they need to know to cook in the most nutritious way possible and to serve it up with great style.

**THE NEW BOOK BY BESTSELLING AUTHOR, ELLA MILLS - FOUNDER OF DELICIOUSLY ELLA**

Despite the increasing number of people moving towards a plant-based diet, there are no clear, evidence-based mainstream books to help anyone looking to adopt this way of eating - either for themselves, or for their family. It can be overwhelming to switch to a plant-based diet, and you may have no idea where to start.

Thankfully Ella Mills and her team at deliciously ella have done all the research for you. This book demystifies going plant-based, making it as easy, clear and delicious as possible, and features 100 new recipes to get you started on your plant-based journey. **How to Go Plant-Based** is not just filled with family-friendly recipes, it's also a practical guide incorporating Ella's own journey, alongside scientific research and data, plus insights and information from plant-based experts, including doctors and nutritionists. Ella debunks the common myths surrounding eating a plant-based diet, shares her experiences of cooking for her family and emphasises the importance of making a plant-based diet accessible to everyone - for health, wellbeing, and the planet. The book features 100 plant-based recipes for the whole family to enjoy,

her, Ella decided to change her diet. She gave up meat, gluten, dairy, sugar, and anything processed—and the effects were immediate: her symptoms disappeared, her energy returned, and she was able to go off all her medication. A self-confessed sweet tooth, Ella taught herself how to make delicious, plant-based meals that delight the palette and improve overall well-being. *Deliciously Ella* is an essential, how-to guide to clean, plant-based eating, taking you through the best ingredients and methods for preparing easy, exciting meals. This is not a diet—it's about creating a new mindset that embraces fantastic food. From sweet potato brownies to silky chocolate mousse and roasted butternut squash risotto and homemade fries and ketchup, Ella shares 100 brand-new recipes and twenty classics in her signature, elegant style. Packed with vivid photos and simple, foolproof instructions, *Deliciously Ella* provides a foundation for a pure, unprocessed, unrefined diet, so you can look and feel better while enjoying great food. In this groundbreaking health and lifestyle guide, Darin Olien—superfoods expert, nutritionist, creator of Shakeology, and co-host of the Netflix docuseries *Down to Earth* with Zac Efron—provides the key to understanding and utilizing five life forces, the sole factors that determine whether or not we will be healthy, fit, and free of illness. In *Superlife*, Darin Olien provides us with an entirely new way of thinking about

health and wellbeing by identifying what he calls the life forces: Quality Nutrition, Hydration, Detoxification, Oxygenation, and Alkalization. Olien demonstrates in great detail how to maintain these processes, thereby allowing our bodies to do the rest. He tells us how we can maintain healthy weight, prevent even the most serious of diseases, and feel great. He explains that all of this is possible without any of the restrictive or gimmicky diet plans that never work in the long term. Olien has traveled the world, exploring the health properties of foods that have sustained indigenous cultures for centuries. Putting his research into practice, he has created a unique and proven formula for maximizing our bodies' potential. He also includes a "How-to-eat" user's guide with a shopping list, advice on "what to throw away," a guide to creating a healthy, balanced diet plan, and advice on how to use supplements effectively. Written in Olien's engaging conversational style, Superlife is a one-of-a-kind comprehensive look at dieting and nutrition, a timeless and essential guide to maintaining the human body and maximizing its potential.

Michael Symon religiously posted "Symon Dinners" on Instagram every day to help his fans keep pantry-inspired meals fun and varied. The response was so great and his followership so engaged that creating a cookbook of simple weekday breakfasts, lunches, and dinners became a priority for him. In *Fix It with Food: Every Meal Easy*, Michael combines simple dishes for busy weekdays and meals that address autoimmune triggers for a collection of 120+ health-supportive recipes. The chapters are divided by what trigger you're avoiding, including No Meat, No Dairy, and No Flour. If you're not sure what your food triggers are, the ten-day reset will help you figure out which foods to avoid. After the reset, Michael offers guidance about how to reintegrate foods into your routine. Through fan feedback, Michael discovered that most people using his first book didn't need four servings—most wanted just enough for two meals, so in *Every Meal Easy*, all of the main recipes yield two meals or enough for one meal plus leftovers. And since sometimes you have a crowd to cook for, Michael offers helpful information regarding how to double recipes when needed. Readers will also find a list of his favorite 30 anti-inflammatory friendly ingredients to keep in stock all the time and a master ingredient substitution list, so if you don't have kale or black beans on hand, you can swap in whatever you have in your fridge or pantry. With Michael's encouraging voice and

*culinary adventures, travels, and experimentation to create a diverse collection of more than 650 vegetarian recipes featuring dishes from five continents. Madhur Jaffrey's World Vegetarian exemplifies Madhur's unsurpassed ability to create simple, flavorful homecooking that is well within the reach of every cook. Extensive sections on beans, vegetables, grains, and dairy explore the myriad ways these staples are enjoyed worldwide. Madhur balances appealing, uncomplicated dishes such as sumptuous omelets and rich polentas with less familiar ingredients such as green mangoes, pigeon peas, and spelt. She demystifies the latter with clear-cut explanations so that incorporating new combinations and interesting flavors into everyday cooking becomes second nature. She also offers substantial sections on soups, salads, and drinks, as well as sauces and other flavorings, to help round out a meatless meal and add exciting new flavors to even the most easily prepared dishes. Each section opens with a detailed introduction, where Madhur describes methods for preparation and storage, as well as different cooking techniques and their cultural origins. And a complete glossary of ingredients and techniques clarifies some of the little-known elements of the world's cuisines so that even the uninitiated can bring the flavors of Asia, the Middle East, the Caribbean, and more to their tables. From the founder of the wildly popular food blog "Deliciously Ella," 120 plant-based, dairy-free, and gluten-free recipes with gorgeous, full-color photographs that capture the amazing things we can do with natural ingredients. In 2011, nineteen-year-old Ella Woodward was diagnosed with a rare illness that left her bed-ridden, in chronic pain, and plagued by heart palpitations and headaches. When conventional medicine failed her, Ella decided to change her diet. She gave up meat, gluten, dairy, sugar, and anything processed--and the effects were immediate: her symptoms disappeared, her energy returned, and she was able to go off all her medication. A self-confessed sweet tooth, Ella taught herself how to make delicious, plant-based meals that delight the palette and improve overall well-being. "Deliciously Ella "is an essential, how-to guide to clean, plant-based eating, taking you through the best ingredients and methods for preparing easy, exciting meals. This is not a diet--it's about creating a new mindset that embraces fantastic food. From sweet potato brownies to silky chocolate mousse and roasted

Pollan—brother of Lori, Dana, and Tracy Pollan, and son of Corky—started a national conversation about how to eat for optimal health. Over a decade later, the idea of eating mostly plants has become ubiquitous. But what does choosing "mostly plants" look like in real life? For the Pollans, it means eating more of the things that nourish us, and less of the things that don't. It means cutting down on the amount of animal protein we consume, rather than eliminating it completely, and focusing on vegetables as the building blocks of our meals. This approach to eating—also known as a flexitarian lifestyle—allows for flavor and pleasure as well as nutrition and sustainability. In *Mostly Plants*, readers will find inventive and unexpected ways to focus on cooking with vegetables—dishes such as Ratatouille Gratin with Chicken or Vegetarian Sausage; Crispy Kale and Potato Hash with Fried Eggs; Linguine with Spinach and Golden Garlic Breadcrumbs; and Roasted Tomato Soup with Gruyere Chickpea "Croutons". Like any family, the Pollans each have different needs and priorities: two are vegetarian; several are cooking for a crowd every night. In *Mostly Plants*, readers will find recipes that satisfy all of these dietary needs, and can also be
