Two thousand years ago, someone stole the king's treasure from Daegan's father. An unexpected enemy uses this hoard to set Daegan on a path to his ultimate demise by dangling the one bait everyone knows the dragon king can't ignore—protecting one of his

own. While racing to help a friend, Evalle lands in a trap where she's given the unimaginable choice to either destroy her dragon king or condemn everyone she loves to die. Even her Skinwalker mate, Storm, has no way to track her this time. Friendships and allies are tested as Atlanta erupts with preternatural exposure. Who will join Storm and Daegan to go where even a dragon has no chance of survival? With the enemy willing to gamble everything to take down Daegan, Evalle accepts her destiny, but on her terms. She never wants anyone to see what she's become, especially Storm. Destiny is not a choice, but a summons. The hourglass favors no one. "When it comes to urban fantasy, Dianna Love is the master."
