The twentieth anniversary edition of The Spiral Dance celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.

From a co-founder of Pixar Animation Studios—the Academy Award-winning studio behind Coco, Inside Out, and Toy Story—comes an incisive book about creativity in business and leadership for readers of Daniel Pink, Tom Peters, and Chip and Dan Heath. NEW YORK TIMES BESTSELLER | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Huffington Post •

Financial Times • Success • Inc. • Library Journal
Creativity, Inc. is a manual for anyone who strives for originality and the first-ever, all-access trip into the nerve center of Pixar Animation—into the meetings, postmortems, and “Braintrust” sessions where some of the most successful films in history are made. It is, at heart, a book about creativity—but it is also, as Pixar co-founder and president Ed Catmull writes, “an expression of the ideas that I believe make the best in us possible.” For nearly twenty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story trilogy, Monsters, Inc., Finding Nemo, The Incredibles, Up, WALL-E, and Inside Out, which have gone on to set box-office records and garner thirty Academy Awards. The joyousness of the storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object

lesson in what creativity really is. Here, in this book, Catmull reveals the ideals and techniques that have made Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student at the University of Utah, where many computer science pioneers got their start, and then forged a partnership with George Lucas that led, indirectly, to his co-founding Pixar in 1986. Nine years later, *Toy Story* was released, changing animation forever. The essential ingredient in that movie's success—and in the thirteen movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on leadership and management philosophies that protect the creative process and defy convention, such as:

- Give a good idea to a mediocre team, and they will screw it up. But give a mediocre idea to a great team, and they will either fix it or come up with something better.
- If you don't strive to uncover what is unseen and understand its nature, you will be ill prepared to lead.
- It's not the manager's job to prevent risks. It's the manager's job to make it safe for others to take them.
- The cost of preventing errors is often far greater than the cost of fixing them.
- A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody.

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (*New York Times*). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, *Twilight* captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion,

Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Donald J. Trump is an icon: the very definition of the American success story. The star of The Apprentice and developer of some of the planet's most prestigious real estate, he's been on the bottom and risen to become one of the world's wealthiest men. Bill Zanker started The Learning Annex with \$5,000 of his own money. After meeting Donald Trump, Zanker learned to Think BIG himself and grew The Learning Annex from a \$5 million a year company into one that's generating over \$100 million a year in sales—and still growing. For the first time ever, you too can learn Trump's secrets to thinking BIG and kicking ass! Learn: Momentum: the Big Mo. How to get it and how to get it back. Revenge: how and when to get it (and why it's so sweet). "I love you, now sign this!" Why contracts in business and personal life are so important. Real-life stories from people who've applied the think BIG formula in their own lives.

The Element

The groundbreaking international bestseller that will help you fulfil your true potential. The Element is the point at which natural talent meets personal passion. In this hugely influential book, world-renowned creativity expert Ken Robinson considers the child bored in class, the disillusioned employee and those of us who feel frustrated but can't quite explain why - and shows how we all need to reach our Element. Through the stories of people like Vidal Sassoon, Arianna Huffington and Matt Groening, who have recognized their unique talents and made a successful living doing what they love, Robinson explains how every one of us can find ourselves in our Element, and achieve everything we're capable of. With a wry sense of humour, Ken Robinson shows the urgent need to enhance creativity and innovation by thinking differently about ourselves. Above all, he inspires us to reconnect with our true self - it could just change everything. 'The Element offers life-altering insights about the discovery of your true best self' Stephen R. Covey, author of The 7 Habits of Highly Effective People 'A book that lightens and lifts the minds and hearts of all who read it' Susan Jeffers, author of Feel the Fear and Do It Anyway

From the bestselling author of The Monk Who Sold His Ferrari A chance encounter following a near-death experience sends Jack Valentine on a paradigm-shifting quest to understand the true meaning of life and find his most authentic self Jack Valentine seemed to have it all. He made good money as

an ad man and looked good doing it. He had a hot apartment, cool friends, even a slick car—at least until the hectic Monday morning a truck smashed into it, sending the critically injured Jack to the hospital. Everything happens for a reason, though, and Jack's reason reveals itself in the silver-haired cancer patient who becomes his roommate one evening. The elderly man, Cal, shares his life story—one not dissimilar to Jack's—of material wealth masking a gaping hole within. Cal ultimately found salvation through philosophy (“the love of wisdom”), and now offers to help Jack by prepping the younger man for the Final Questions we all must face: Have I lived wisely? Have I loved well? Have I served greatly? Presenting Jack with three plane tickets, each accompanied by a map marked with a red X, Cal sends Jack to meet with three great teachers, each of whom will help Jack answer one of the Final Questions—just as they once helped Cal. First, in Rome, Jack will meet “the Saint.” Then a haunted beach in Hawaii introduces him to “the Surfer.” And finally the grandeur of New York City sets the stage for his last encounter: with “the CEO.” Along the way, Jack will learn to do his interior work, discover that our negative traits offer gateways to higher versions of ourselves, and understand that figuring things out in your head can distract you from the powerful whispers of your heart. Join Jack on his journey and step into the you that you were always meant to be.

Book one of the New York Times-bestselling All Souls trilogy—“a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight” (People). Look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.

Gnosis means knowledge. But we are not referring to just any knowledge. Gnosis is knowledge which produces a great transformation in those who receive it. Knowledge capable of nothing less than waking up man and helping him to escape from the prison in which he finds himself. That is why Gnosis has been so persecuted throughout the course of history, because it is knowledge considered dangerous for the religious and political authorities who govern mankind from the shadows. Every time this religion, absolutely different from the rest, appears before man, the other religions unite to try to destroy or hide it again. Primordial Gnosis is the original Gnosis, true Gnosis, eternal Gnosis, Gnostic knowledge in its pure form. Due to multiple persecutions, Primordial Gnosis has been fragmented, distorted and hidden.

The Lost Hero

Creativity, Inc.

Snow Crash

Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the

two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. "Over a quarter million copies in print!"

A science-minded adventurer gets mixed up in the mysteries of a fantasy world in this charming new adventure from an award-winning creative team. Boone Dias is an interdimensional explorer, a scientist from Earth who has stumbled into great responsibility. He's got an explanation for everything, so of course the Ether's magical residents turn to him to solve their toughest crimes. But maybe keeping the Real and the Abstract separate is too big a job for just one man. From New York Times bestselling author Matt Kindt: an inter-dimensional, genre-bending, sci-fi, fantasy, horror, mystery adventure! From New York Times bestselling author Matt Kindt (MIND MGMT, PastAways, Superspy, Dept. H) Stunning artwork from David Rubín brings a magical world to life. Collects Issues #1-5 of Matt Kindt and David Rubín's Ether

#1 NEW YORK TIMES BESTSELLER • Before Doctor Sleep, there was The Shining, a classic of modern American horror from the undisputed master, Stephen King. Jack Torrance's new job at the Overlook Hotel is the perfect chance for a fresh start. As the off-season caretaker at the atmospheric old hotel, he'll have plenty of time to spend reconnecting with his family and working on his writing. But as the harsh winter weather sets in, the idyllic location feels ever more remote . . . and more sinister. And the only one to notice the strange and terrible forces gathering around the Overlook is Danny Torrance, a uniquely gifted five-year-old.

Born to Run

The Son of Neptune

The Sky Is Everywhere

I'll Give You the Sun

God Has a Wonderful Plan for Your Life

For thirty years, Peter Singer's Practical Ethics has been the classic introduction to applied ethics. For this third edition, the author has revised and updated all the chapters and added a new chapter addressing climate change, one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion, the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Jandy Nelson's beloved, critically adored debut is now an Apple TV+ and A24 original film starring Jason Segel, Cherry Jones, Grace Kaufman, and Jacques Colimon. "Both a profound meditation on loss and grieving and an exhilarating and very sexy romance." —NPR *Adrift after her sister Bailey's sudden death, Lennie finds herself torn between quiet, seductive Toby—Bailey's boyfriend who shares Lennie's grief—and Joe, the new boy in town who bursts with life and musical*

genius. Each offers Lennie something she desperately needs. One boy helps her remember. The other lets her forget. And she knows if the two of them collide, her whole world will explode. As much a laugh-out-loud celebration of love as a nuanced and poignant portrait of loss, Lennie's struggle to sort her own melody out of the noise around her makes for an always honest, often uproarious, and absolutely unforgettable read.

"Highly entertaining." –Adam Gopnik, The New Yorker "Funny, curious, erudite, and full of useful details about ancient techniques of training memory." –The Boston Globe The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An instant bestseller that is poised to become a classic, *Moonwalking with Einstein* recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top "mental athletes." He draws on cutting-edge research, a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of our memories.

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal

and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

The “brilliantly realized” (The New York Times Book Review) modern classic that coined the term “metaverse”—one of Time’s 100 best English-language novels and “a foundational text of the cyberpunk movement” (Wired) In reality, Hiro Protagonist delivers pizza for Uncle Enzo’s CosoNostra Pizza Inc., but in the Metaverse he’s a warrior prince. Plunging headlong into the enigma of a new computer virus that’s striking down hackers everywhere, he races along the neon-lit streets on a search-and-destroy mission for the shadowy virtual villain threatening to bring about infocalypse. Snow Crash is a mind-altering romp through a future America so bizarre, so outrageous . . . you’ll recognize it immediately.

A New York Times bestseller • One of Time Magazine’s 100 Best YA Books of All Time • Winner of the Michael L. Printz Award • A Stonewall Honor Book The radiant, award-winning story of first love, family, loss, and betrayal for fans of John Green, Becky Albertalli, and Adam Silvera "Dazzling."—The New York Times Book Review "A blazing prismatic explosion of color."—Entertainment Weekly "Powerful and well-crafted . . . Stunning." —Time Magazine “We were all heading for each other on a collision course, no matter what. Maybe some people are just meant to be in the same story.” At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red-red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah’s to tell; the later years are Jude’s. But they each have only half the story, and if they can only find their way back to one another, they’ll have a chance to remake their world. From the acclaimed author of The Sky Is

Everywhere, this exhilarating novel will leave you breathless and teary and laughing—often all at once.

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!" —Jonathan Maberry, New York Times bestselling author of *Marvel Universe vs The Avengers* and *Patient Zero* One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Purpose Driven Church

The Myth of the Modern Message

Frost & Sullivan's 2014 Growth, Innovation, and Leadership Book of the Year

"EXPONENTIAL ORGANIZATIONS should be required reading for anyone interested in the ways exponential technologies are reinventing best practices in business." —Ray

Kurzweil, Director of Engineering at Google In business, performance is key. In

performance, how you organize can be the key to growth. In the past five years, the business

world has seen the birth of a new breed of company—the Exponential Organization—that has revolutionized how a company can accelerate its growth by using technology. An ExO can eliminate the incremental, linear way traditional companies get bigger, leveraging assets like community, big data, algorithms, and new technology into achieving performance benchmarks ten times better than its peers. Three luminaries of the business world—Salim Ismail, Yuri van Geest, and Mike Malone—have researched this phenomenon and documented ten characteristics of Exponential Organizations. Here, in EXPONENTIAL ORGANIZATIONS, they walk the reader through how any company, from a startup to a multi-national, can become an ExO, streamline its performance, and grow to the next level. "EXPONENTIAL ORGANIZATIONS is the most pivotal book in its class. Salim examines the future of organizations and offers readers his insights on the concept of Exponential Organizations, because he himself embodies the strategy, structure, culture, processes, and systems of this new breed of company." —John Hagel, The Center for the Edge Chosen by Benjamin Netanyahu, Prime Minister of Israel, to be one of Bloomberg's Best Books of 2015 The tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.

"Fitness, money, and wisdom--here are the tools. Over the last two years ... Tim Ferriss has collected the routines and tools of world-class performers around the globe. Now, the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as Tools of Titans"--Page 4 of cover.

Tired of playing small with your life? Feel like you were meant to be so much more? Ready to become spectacularly successful, breathtakingly effective and wildly fulfilled as you work and live at a level called extraordinary? Passionate, inspiring, provocative and full of big ideas that will get you to your ideal life faster than you've ever imagined, The Greatness Guide and The Greatness Guide, Book 2 are those rare books that truly have the power to release your potential and awaken your best self. The Greatness Guide, Book 2 offers more of Robin's inspiring anecdotes, tips and big ideas. Discover ideas to generate wealth and energy, tool kits for practical work-life balance, time-management techniques that really work, practical strategies to turn setbacks into opportunities and so much more. The Greatness Guide, Book 2 will uplift, energize and move you to action. Robin Sharma is known around the world as the man behind The Monk Who Sold His Ferrari phenomenon, the #1 bestselling series of inspirational books spun around the modern fable of a jet-setting lawyer who gives it all up to search for his best life. Leaders, top entrepreneurs and renowned organizations in over 40 countries have turned to Robin for his deeply insightful yet exquisitely practical advice on getting to greatness. Both The Greatness Guide and The Greatness Guide, Book 2 offer an insider's look at the tools, tactics and techniques that have transformed so many of Robin's clients.

Living better together, the African way

New York Times bestselling author Javier Sierra offers up a heartpounding short story that occurs in the hours leading up to midnight of 12/21/12—when the Mayan calendar predicts the world will come to an end. The Mayan sacred astronomers believed that every 5,126 years the world experienced a rebirth. According to their calculations, on midnight of December 21, 2012 the world would come to an end and the Fifth World would begin. Only four people in the world knew of the approaching apocalypse and in the hours leading up to the aforementioned time, three are found dead. The only one left, Tess Mitchell, must race against the clock to escape the same fate.

A largely autobiographical account of the author's life as one who fell in love first with physics and then with teaching physics to students.

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

101 More Insights to Get You to World Class

Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

'This book will open your eyes, mind and heart to a way of being in the world that will make our world a better and more caring one.' ARCHBISHOP DESMOND TUTU, author of The Book of Joy Ubuntu is an ancient Southern African philosophy about how to live life well, together. It is a belief in a universal human bond, which says: I am only because you are. It means that if you can see everyone as fully human, connected to you by their humanity, you will never be able to treat others as disposable or without worth. By embracing the philosophy of ubuntu it's possible to overcome division and be stronger together in a world where the wise build bridges and the foolish build walls. These 14 beautifully illustrated lessons from the Rainbow Nation are an essential toolkit to helping us all to live better, together. In stories, practical lessons and applications that recognise

our common humanity, our connectedness and interdependence, Everyday Ubuntu helps us to make sense of the world and our place in it. Exploring ideas of kindness and forgiveness, tolerance and the power of listening, this definitive guide offers practical tips on how we can all benefit from embracing others and living a more fulfilling life as part of the large family to which we all belong. _____ What readers are saying about

Everyday Ubuntu: *** 'A concept we should all live by.' ***** 'Lots of little gems to help with everyday life.' ***** 'Must read... Very inspiring and thought-provoking.'**

The instant number one bestseller FROM #1 INTERNATIONAL BESTSELLING AUTHOR SYLVIA DAY The final chapter in the global blockbuster Crossfire quintet Gideon Cross. Falling in love with him was the easiest thing I've ever done. It happened instantly. Completely. Irrevocably. Marrying him was a dream come true. Staying married to him is the fight of my life. Love transforms. Ours is both a refuge from the storm and the most violent of tempests. Two damaged souls entwined as one. We have bared our deepest, ugliest secrets to one another. Gideon is the mirror that reflects all my flaws ... and all the beauty I couldn't see. He has given me everything. Now, I must prove I can be the rock, the shelter for him that he is for me. Together, we could stand against those who work so viciously to come between us. But our greatest battle may lie within the very vows that give us strength. Committing to love was only the beginning. Fighting for it will either set us free ... or break us apart. Heartbreakingly and seductively poignant, One with You is the breathlessly awaited finale to the Crossfire saga, the searing love story that has captivated millions of readers worldwide.

This introduction to mindfulness meditation for children and their parents includes practices that can help children calm down, become more focused, fall asleep more easily, alleviate worry, manage anger, and generally become more patient and aware.

NATIONAL BESTSELLER • The astonishing and hugely entertaining story that

completely changed the way we run. An epic adventure that began with one simple question: Why does my foot hurt? "Equal parts quest, physiology treatise, and running history.... The climactic race reads like a sprint.... It simply makes you want to run." —Outside Magazine Isolated by Mexico's deadly Copper Canyons, the blissful Tarahumara Indians have honed the ability to run hundreds of miles without rest or injury. In a riveting narrative, award-winning journalist and often-injured runner Christopher McDougall sets out to discover their secrets. In the process, he takes his readers from science labs at Harvard to the sun-baked valleys and freezing peaks across North America, where ever-growing numbers of ultra-runners are pushing their bodies to the limit, and, finally, to a climactic race in the Copper Canyons that pits America's best ultra-runners against the tribe. McDougall's incredible story will not only engage your mind but inspire your body when you realize that you, indeed all of us, were born to run. Look for *Born to Run 2*, coming in December!

Discover your ability to be brave in times of adversity with *Courage: The Joy of Living Dangerously*—from one of the greatest spiritual teachers of the twentieth century. Courage is not the absence of fear, says Osho. It is, rather, the total presence of fear, with the courage to face it. This book provides a bird's-eye view of the whole terrain—where fears originate, how to understand them, and how to call on your inner strength to confront them. In the process, Osho proposes that whenever we are faced with uncertainty and change in our lives, it is actually a cause for celebration. Instead of trying to hang on to the familiar and the known, we can learn to enjoy these situations as opportunities for adventure and for deepening our understanding of ourselves and the world around us. Having courage is more than just heroic acts in exceptional circumstances. It's a necessity to lead authentic and fulfilling lives on a day-to-day basis. This is the courage to change when change is needed, the courage to stand up for our own truth, even against the opinions of others, and the courage to embrace the unknown in spite of our fears—in our relationships, in our careers, or in the ongoing journey of understanding who we are and why we are here. *Courage* also features meditation techniques specifically designed by Osho to help people cope with their fears. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.
