In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

*Island of Red Mangroves* is the follow-up to Sarah Lark's tumultuous novel, "Island of a Thousand Springs," set in Jamaica, 1732. -- Jamaica, 1753: Deirdre, daughter of Englishwoman, Nora Fortnam and slave Akwasi, lives a sheltered life on her family's plantation. Her stepfather, Doug, has welcomed her into his life as his own. Despite Deirdre's scandalous origin, the men of the island flock to the young beauty, but she shows no interest. That is, until she is charmed by young doctor Victor Dufresne, who asks for her hand in marriage. -- After their lavish wedding ceremony, Victor and Deirdre embark to Saint-Domingue on the island of Hispaniola, where Deirdre can live without the burden of her mixed background. But what happens there changes everything ... -- Best-selling international author Sarah Lark delivers a gripping historical account of the social upheaval of the time set against the romantic Caribbean. For fans of Kathleen Grissom, *THE KITCHEN HOUSE*, Alex Haley, *ROOTS: THE SAGA OF AN AMERICAN FAMILY*, and Sue Monk Kidd, *THE INVENTION OF WINGS*.

From the Booker Prize winning author of *Amsterdam*, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, *An Atonement* is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

*Island of a Thousand Springs*
