Paying tribute to Ansel Adams and the California Sierra Nevada wilderness area named in his honor, an esteemed National Geographic photographer captures the fragile beauty of the High Sierras through the modern lens of digital photography.

A provocative assessment of movie posters from India spans the complete history of Hindi movies and offers insight into Bollywood's considerable and growing contributions in both film and poster art. Original.

Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of milk and honey and the debut audio recording of home body. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

Anyone with an understanding of art in general and a knowledge, however slight, of Indian things, will, on being shown a work of Indian sculpture, unfailingly label it Indian. Differences in age and origin, however clearly marked to the discerning eye, when pointed out to the outsider, will be apprehended only with more or less difficulty. There is something so strong, and at the same time unique, in any Indian work of art that its 'Indianness' is felt first of all, and what it is, is seen only on second thought. How this Indianness is expressed in terms of the relationship between line, surface, volume and other elements of visualisation is dealt with in this book. There are permanent qualities throughout the fabric of Indian sculpture which are discussed in detail. These essential qualities, all interrelated and inseparable, contain within their compass the life of Indian plastic art. The book surveys the structure of Indian sculpture in its relevant aspects. The underlying and essential qualities are viewed in their permanency throughout the special conditions that the single monuments imply. Their outward connections, geographical and chronological, are seen to resolve themselves into ethical problems and those of the artistic process itself. While stylistic investigations are the basis of this book, Indian sculpture is dealt with as conditioned by the Indian craftsman. His consciousness makes him known to himself as a part of nature and his work in the form of this 'naturalism'. Its degree and aspects vary according to the levels of his consciousness.

Chetan Bhagaot is author of one blockbuster book, "One Indian Girl." The New York times did not call him anything yet, USA detains him in airport every time he visits USA, Bhagaot got fired from an "Investment Bank" and trying to make a living out of writing books, Chetan Bhagaot is currently double timing his two Half Girlfriends Panusha and Ranusha. Please buy his book to support him maintaining his two half girlfriends. Here is one paragraph excerpt from the book "One Indian Girl." Sonja is a divorced and attractive Indian girl. She is working as a software engineer in an investment bank, USA. She has money (\$\$\$\$), she can afford sex outside marriage. She also has opinion on everything. She is dating various marriage prospects, will she get her dream guy?

As beautifully illustrated as it is touching, this second book from Matthew Johnstone, author of I Had a Black Dog, is written for those who care for those suffering from depression - friends, family members, colleagues, and even therapists. Using wonderful illustrations and the image of Churchill's infamous 'black dog', Matthew and his wife Ainsley offer a moving, inspirational and often humorous portrait of life with depression - not only for those suffering from it themselves, but for those close to them. Living with a Black Dog speaks directly to the carer and offers practical and sometimes tongue-in-cheek tips on helping the depression sufferer, such as 'Socks have little do with mental health. If people could just "snap out of it" they would.' and 'Encourage any form of regular exercise. Fitness robs the Dog of its power'. Based on their own experiences, Matthew and his wife Ainsley treat the subject of depression sympathetically, hopefully and, most importantly, humorously.

The Book 'Fearless Governance' by Dr Kiran Bedi, former Lt Governor of Puducherry and IPS (retd) is a revelation of stark realities of governance. This book is based on the ground realities of nearly five years of service of Dr. Bedi as Lt. Governor of Puducherry and her vast experience of 40 years in the Indian Police Service. The author demonstrates the right practises of responsible governance. She brought about team spirit, collaboration, financial prudence, effective policing, bonding in services and decision making through fearless leadership. 'Fearless Governance' is a book to read, see, hear and feel for good governance and leadership. It is illustrated with photographs, graphics and short videos that are accessible through QR Code.

"Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family, who were Kashmiri Pandits: the Hindu minority within a Muslim-majority Kashmir that was by 1990 becoming increasingly agitated with the cries of 'Azaadi' [freedom] from India. The heartbreaking story of Kashmir has so far been told mainly through the prism of the brutality of the Indian security forces, the pro-independence demands of Muslim separatists or India and Pakistan's rivalry. But there is another part of the story that has remained unrecorded and buried. Our Moon Has Blood Clots is the untold chapter in the story of Kashmir, in which hundreds of thousands of Kashmiri Pandits were tortured, killed and forced to leave their homes by Islamist militants, and to spend the rest of their lives in exile in their own country. Rahul Pandita has written a deeply personal, powerful and unforgettable story of history, home and loss."--Page 4 of cover.

The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or "something practical," embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this "incredibly joyful and insightful" (Kiefer Sutherland) memoir. You Can't Be Serious is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn's idiosyncratic life. It's about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie Van Wilder...or getting a phone call from Air Force One as Kal flew with the country's first Black president. "By turns hilarious, poignant, and inspiring" (David Axelrod, New York Times bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, You Can't Be Serious shows that everyone can have more than one life story. The book "is insightful, funny, and instructive for anyone who's ever grappled with how they fit into the American dream" (Ronan Farrow, New York Times bestselling author), and demonstrates that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it's also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let's be honest, that's the kind of stuff you really want to hear about.

The idea of The Fingerprint Sourcebook originated during a meeting in April 2002. Individuals representing the fingerprint, academic, and scientific communities met in Chicago, Illinois, for a day and a half to discuss the state of fingerprint identification with a view toward the challenges raised by Daubert issues. The meeting was a joint project between the International Association for Identification (IAI) and West Virginia University (WVU). One recommendation that came out of that meeting was a suggestion to create a sourcebook for friction ridge examiners, that is, a single source of researched information regarding the subject. This sourcebook would provide educational, training, and research information for the international scientific community.

Within the continuum of reproductive health care, antenatal care provides a platform for important health-care functions, including health promotion, screening and diagnosis, and disease prevention. It has been established that, by implementing timely and appropriate evidence-based practices, antenatal care can save lives. Endorsed by the United Nations Secretary-General, this is a comprehensive WHO guideline on routine antenatal care for pregnant women and adolescent girls. It aims to complement existing WHO guidelines on the management of specific pregnancy-related complications. The guidance captures the complex nature of the antenatal care issues surrounding healthcare practices and delivery,

and prioritizes person-centered health and well-being --- not only the prevention of death and morbidity --- in accordance with a human rights-based approach.

The Ansel Adams Wilderness

A Novel

Everything Is Figureoutable

Liam James, boy next door and total douchebag, is my brother's best friend. I can't stand him. Well, that's not strictly true, at night I see a side of him that no one else does. Every night Liam becomes my safe haven, my protector, the one to chase the demons of my abusive childhood away and hold all the broken pieces of me together. He's cocky, he's arrogant, and he's also some sort of playboy in training. With his 'hit it and quit it' mentality, he's the last person you'd want to fall in love with. I only wish someone had told my heart that... The international bestselling novel, and finalist of the Goodreads choice awards YA fiction 2012.

Perfect funny or gag gift for the tired woman in your life. Book features: Gratitude journal pages with prompts including: asshole of the day, I am proud I didn't, I'm lucky to have and more! This journal is designed as a funny gift to help an overstressed friend find a way to laugh at the crazy and hectic days of motherhood, work and life in general. 152 pages. 6" x 9" soft cover.

Counter Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia.-from publisher description at <http://catdir.loc.gov/catdir/description/cam022/2001043609.html>.

From GPO Bookstore's Website: Authors with diverse backgrounds in science, history, anthropology, and more, consider culture in the context of the cosmos. How does our knowledge of cosmic evolution affect terrestrial culture? Conversely, how does our knowledge of cultural evolution affect our thinking about possible cultures in the cosmos? Are life, mind, and culture of fundamental significance to the grand story of the cosmos that has generated its own self-understanding through science, rational reasoning, and mathematics? Book includes bibliographical references and an index.

Chikungunya and Zika Viruses: Global Emerging Health Threats is the go-to resource for both historical and current information on this important virus that is rapidly increasing its global range. Epidemics since 2005 have spread from Africa and Asia, and through Europe, and an ongoing epidemic has caused nearly two million cases in the Americas. It causes severe crippling arthritis, with symptoms lasting for months or years. As no vaccine or treatment is available, there is international interest in the virus, thus funding opportunities for research have dramatically increased. This book presents our understanding of the virus, bringing comprehensive knowledge in a single source. Provides a comprehensive collection of the state-of-the-art on CHIKV biology in a go-to reference book Edited by leaders in the field who provide a single, up-to-date source of information Gives a better understanding of the transmission and spread of chikungunya virus, a clear, coherent description of the outcomes of infection (both acute and chronic), and its biology and risk factors Pulls relevant background information to justify projects of many professionals developing vaccines and mosquito vector control approaches

This is a great eBook. This is the Summarized Version of the Original Book. We had added almost 48000 words in our long summary and about 7400 words in our short summary of the book. the brief description is written as follows: -Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became "one of the most pirated books in English language" soon after it was published in 1883 by Richard Burton. This first European edition by Burton does not faithfully reflect much in the Kamasutra because he revised the collaborative translation by Bhagavanlal Indrajit and Shivaram Parashuram Bhide with Forster Arbuthnot to suit 19th-century Victorian tastes. Vatsyayana Mallanaga is its widely accepted author because his name is embedded in the colophon verse, but little is known about him. Vatsyayana states that he wrote the text after much meditation. In the preface, Vatsyayana

acknowledges that he is distilling many ancient texts, but these have not survived. He cites the work of others he calls "teachers" and "scholars", and the longer texts by Auddalaki, Babhravya, Dattaka, Suvarnanabha, Ghotakamukha, Gonardiya, Gonikaputra, Charayana, and Kuchumara. Vatsyayana's Kamasutra is mentioned and some verses quoted in the Brihatsamhita of Varahamihira, as well as the poems of Kalidasa. This suggests he lived before the 5th-century CE. Human relationships, sex and emotional fulfillment are a significant part of the post-Vedic Sanskrit literature such as the major Hindu epics: the Mahabharata and the Ramayana. The ancient Indian view has been, states Johann Meyer, that love and sex are a delightful necessity. Though she is reserved and selective, "a woman stands in very great need of surata (amorous or sexual pleasure)", and "the woman has a far stronger erotic disposition, her delight in the sexual act is greater than a man's"

From the New York Times bestselling author of How to Be a Bawse comes an "insightful and charmingly funny" (Rupi Kaur) primer on learning to come home to your truest and happiest self. "I love Lilly's honest and helpful advice about achieving happiness."—Mindy Kaling, #1 New York Times bestselling author of Why Not Me? "It's time to flip right side up. It's time for this book title to make sense. It's time to be a triangle." Everyone—even world-famous actress, author, and creator Lilly Singh—knows that sometimes life just sucks. In this book, Singh provides a safe space where readers can learn how to create a sense of peace within themselves. Without sugarcoating what it's like to face adversity—including acknowledging her own intensely personal struggles with identity, success, and self-doubt—Singh teaches readers to "unsubscribe" from cookie-cutter ideals. With her signature blend of vulnerability, insight, and humor, Singh instructs readers to "be a triangle," creating a solid foundation for your life, one that can be built upon, but never fundamentally changed or destroyed. As she puts it, we must always find a way to come home to ourselves: "we must create a place, a system of beliefs, a simple set of priorities to come back to should life lead us astray, which it definitely will." Like a wise, empathetic friend who always keeps you honest, Singh pushes you to adjust your mindset and change your internal dialogue. The result is a deeply humane, entertaining, and uplifting guide to befriending yourself and becoming a true "miracle for the world."

Let that sh*t go! We know there are days we all need to rant, kick a wall, and move on. This journal is the perfect way to express your feelings and move onto to happier days. A beloved adventure classic, The Swiss Family Robinson is a tale of courage in the face of the unknown that has endured the test of time. Trapped on a remote island after a storm leaves them shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this Diversion Classics edition is ideal for use in book groups and classrooms. For more classic titles like this, visit www.diversionbooks.com/ebooks/diversion-classics

Since its inception, TIME magazine has been synonymous not just with outstanding journalism, but also with outstanding photography. Now, to mark the 175th anniversary of photography and the birth of photojournalism, the Editors of TIME magazine are publishing this companion book to the groundbreaking digital celebration of photography that TIME.com will be mounting online, displaying the most influential photographs of all time. While they may not be the most famous or well-known photographs, each one is unique for the way in which it changed, influenced, or commemorated a particular world event. From the first sports photograph to ever win the Pulitzer Prize - that of Babe Ruth at Yankee Stadium to the photograph of Student Neda Agha-Soltan's death during Iran's 2009 election protests, each of the photographs in 100 Photographs: The Most Influential Images of All Time is significant in how it forever changed how we live, learn, communicate, and in many cases, view the world.

Mary Ellen Mark first published her portrait of the prostitutes on Bombay's Falkland Road in 1981. This new edition includes previously unpublished photographs along with a new afterword by Mark. In 1978, Mary Ellen Mark convinced Geo magazine to send her on assignment to Falkland Road. During her three-month stay, she was able to earn the trust and acceptance of its people: prostitutes, madams, children, and customers. For this expanded edition the Marianne Boesky Gallery and the Yancey Richardson Gallery, both in New York City, will mount an exhibition of Cibachrome prints. A special edition of dye-transfer prints will be exhibited at the Fahey/Klein Gallery in Los Angeles.

Originally published in French as "La Philosophie, une Ecole de la Liberte. Enseignement de la philosophie et apprentissage du

philosopher : Etat des lieux et regards pour l'avenir." - This study is dedicated to all those who engaged themselves, with vigour and conviction, in the defence of the teaching of philosophy a fertile guarantor of liberty and autonomy. This publication is also dedicated to the young spirits of today, bound to become the active citizens of tomorrow.

The Most Influential Images of All Time

A #1 New York Times Bestseller "This book will change lives." --Elizabeth Gilbert, author of Eat, Pray, Love Now in paperback with a new prologue, the indispensable handbook for becoming the creative force of your own life by the host of the award-winning MarieTV and The Marie Forleo Podcast. While most self-help books offer quick fixes, Everything is Figureoutable will retrain your brain to think more creatively and positively in the face of setbacks. In the words of Cheryl Strayed, it's "a must-read for anyone who wants to face their fears, fulfill their dreams, and find a better way forward." If you're having trouble solving a problem or reaching a dream, the problem isn't you. It's that you haven't yet installed the one belief that changes everything. Marie's mom once told her, "Nothing in life is that complicated. You can do whatever you set your mind to if you roll up your sleeves. Everything is figureoutable." Whether you want to leave a dead end job, break an addiction, learn to dance, heal a relationship, or grow a business, Everything is Figureoutable will show you how. In this revised and updated edition, you'll learn:

- The habit that makes it 42% more likely you'll achieve your goals.
- How to overcome a lack of time and money.
- How to deal with criticism and imposter syndrome. It's more than just a fun phrase to say. It's a philosophy of relentless optimism. A mindset. A mantra. A conviction. Most important, it's about to make you unstoppable.

The true story of a Yemeni child bride describes her forced marriage to an abusive husband three times her age, her pursuit of the marriage's dissolution, and the cultural factors that place girls at risk in Yemeni society.

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION

A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post - Esquire - Glamour - CBC - NPR - Marie Claire - Real Simple - Good Housekeeping - Parade - Shelf Awareness - BookRiot - E! News - Mental Floss - Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." --Reese

Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

This is the English translation of one of India's most famous books. It contains the dialogues of the Bengali saint Ramakrishna written in almost stenographic accuracy. This edition is different translation of the Swami Nikhilananda "Gospel of Sri Ramakrishna" which was published in the forties and showed the restraint of that era.

You Can't Be Serious

Examines Indian sculptures in color photographs and detailed explanations.

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

A concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Stalin, Mao, Hitler, Mussolini, and other dictators routinely doctored photographs so that the images aligned with their messages. They erased people who were there, added people who were not, and manipulated backgrounds. They knew if they changed the visual record, they could change history. Once, altering images required hours in the darkroom; today, it can be done with a keyboard and mouse. Because photographs are so easily faked, fake photos are everywhere—supermarket tabloids, fashion magazines, political ads, and social media. How can we tell if an image is real or false? In this volume in the MIT Press Essential Knowledge series, Hany Farid offers a concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Farid, an expert in photo forensics, has spent two decades developing techniques for authenticating digital images. These techniques model the entire image-creation process in order to find the digital disruption introduced by manipulation of the image. Each section of the book describes a different technique for analyzing an image, beginning with those requiring minimal technical expertise and advancing to those at intermediate and higher levels. There are techniques for, among other things, reverse image searches, metadata analysis, finding image imperfections introduced by JPEG compression, image cloning, tracing pixel patterns, and detecting images that are computer generated. In each section, Farid describes the techniques, explains when they should be applied, and offers examples of image analysis.
