

## ***Destination Moon The Adventures Of Tintin***

There's a very fine line between blushing bride and mascara-streaked sobbing mess. #beenthere Lilly Swanson has been planning her perfect life since she was twelve years old: Meet Mr. Right, have the big white wedding, buy a house in the burbs, and raise 2.5 picture-perfect kids. However, when her fiancé bails, leaving Lilly alone at the altar to face five hundred gossipy guests, her dream turns into a nightmare. But then Lilly makes an impulsive decision---she ditches the dress, grabs her passport, and heads off to Thailand to spend her honeymoon alone. Or so she thinks . . . Because Lilly quickly learns that everything in Thailand is very hot: the weather, the merchandise, and especially Damien---the sexy, spontaneous man she meets before her feet even hit the sand. Now with no plan, and nothing holding her back, Lilly lets Damien lead her on a wild, unpredictable ride to the world's most exclusive party, Burning Moon. But after a week of letting go, indulging her every impulse and desire, Lilly must go back to the girl she used to be. Or can Damien convince her that their party doesn't have to end? "Top Pick! Almost a Bride put a smile on my face more than once. The dialogue was witty, the words were well-written and the heroine was one-of-a-kind." ---Harlequin Junkie

**"Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review**

*Snowy has sniffed out another mystery, but also discovers a taste for Scottish whisky After a terrifying chase through the skies, Tintin sets out to investigate the infamous Black Island. But can Tintin and Snowy escape the terrible 'beast'?*

*The Apollo space program was the largest technological undertaking of all time, and led to the greatest adventure of the 20th century. Born of the cold war, it was moved forward by the passion of 100,000 workers and \$20 billion over ten years. Over that time, 12 courageous individuals stepped out onto the lunar surface and thus changed the history of humankind, changing us into a space-faring civilization. And then, it was gone. Three years, 9 missions, six men on the surface of the moon. They explored, they experimented, and they came home. Here in one volume are the transcribed voices of the participants, with expert commentary and retrospective reminiscences, explained and put into context. From the triumphs of Neil Armstrong to Buzz Aldrin, to the near disaster of Apollo 13 ("Houston, we've got a problem"), it's all here -- the science, the adventure, the glory, the letdown. One of the great stories of humankind's reaching for the stars.*

*In the post-Civil War South, a young African American girl is determined to prove that she can go to school just like her older brothers.*
