Zelenka is an outcast. Tormented by the harsh rules and punishments of Eldon, she will soon be imprisoned in the horrifying government factories. Only through them can she triumph in her two dreams: freedom, and survival.

Some fairy tales start after midnight. The crown prince and I have nothing in common. He's a rugged, battle-hardened soldier who spent four years in the Royal Guard, an elite military unit. I met the King and Queen for the first time wearing leggings and a sweatshirt. He's the serious, quiet, straight-laced heir to the throne, and I accidentally got drunk at a formal dinner. But there's the way he looks at me, eyes blazing with hunger. Like he knows every dirty thought I've had about him - and he likes them. There's the way my pulse skyrockets every time his hand brushes mine. I'm the ambassador's daughter. I know better than to mess around with a foreign head of state. But I don't know how long I can resist. Not all princes are charming. I spent years in the Royal Guard, our most elite military unit, fighting like hell so I could rule one day - not so I could give my father an heir with some well-bred rich girl. I have a f*cking country to run. My love life can take a back seat. It's not like I've ever met a girl I had to have. Until her. The ambassador's daughter. She's so... American. Lowborn, brash, wildly unsuitable... and gorgeous. I'm disciplined, tough as hell, and I don't f*ck around. But I can't stop thinking about the way she laughs, about how she might taste. My father's threatening to strip me of my title if I touch her, but she makes me want to break every one of my own rules. F*ck titles. F*ck rules. F*ck my father's threats. I want her. I need her. She's mine.

Unfortunately, these aren't simply innocent states of emotion-they can insidiously develop into chronic depression and psychosomatic illnesses, and lead to destructive behaviors. But here's the good news: While stress is depleting and debilitating, it can be defeated and driven from your life. In LIVE THE LET-GO LIFE, Joseph Prince shows you how to beat stress and anxieties that come with the everyday demands and pressures of modern living. Discover how you were not designed by God to live under stress, but called to live the life of rest. You will learn how to let go of stress and see His grace flow unabated in the worry-free areas of your life.

For fans of Children of Blood and Bone and Six of Crows comes the thrilling conclusion to the Blood Heir trilogy. A princess with a dark secret must ally with a con man to liberate her empire from a reign of terror in this epic fantasy retelling of the Anastasia story. The Red Tigress, Anastacya Mikhailov, has lost the gift she, has lost the gift she was only beginning to realize defined her. Stolen from her during the battle in Bregon, her blood Affinity rests with Sorsha Farrald, a dangerous Affinite who is on the run, headed straight to Cyrilina and to Ana's aunt...the Empress Morganya. Thought she is weakened, Ana's course remains true--yet her return to her homeland reveals a Cyrilina on the brink of collapse. Morganya's tyrannical rule has transformed into a sinister quest for unquestioned authority, and she has set her sights far beyond Cyrilina. Morganya seeks a legendary ancient power, rumored to have once belonged to the Deities themselves. If she can locate it, she can rule the world. What's more, Ana's allies, the insurgent Affinite rebels known as the Redcloaks, no longer support her. For their allegiance is with the people--and there can be no equality with a monarchy. Ana faces enemies at every turn, and every day without her Affinity brings her closer to death. Yet she is determined to liberate her people and vanquish the legacy of her own imperial bloodline--the inequality sewn into the fabric of her land. Her only hope lies in the navy she recruited in Bregon, the courage of her band of friends, and the cunning crime-lord-turned-captain she's fallen for. If Ana loses this fight, it will be her last. And Morganya's reign of darkness will consume the world.

Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, They Speak with Other Tongues. The book was an immediate success as thousands were touched by the power of this spiritual gift. The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.

GRACE REVOLUTION is about living above defeat and experiencing lasting breakthroughs in every area of life. Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

In his only work of political satire, The Short Reign of Pippin IV, John Steinbeck turns the French Revolution upside down as amateur astronomer Pippin Héristal is drafted to rule the unruly French. Steinbeck creates around the infamous Pippin the most hilarious royal court ever: Pippin's wife, Queen Marie, who "might have taken her place at the bar of a very good restaurant"; his uncle, a man of dubious virtue; his glamour-struck daughter and her beau, the son of the so-called "egg king" of Petaluma, California; and a motley crew of courtiers and politicians, guards and gardeners. What the Holy Ones Want You to Know About the Next Move

Living and Loving from a Place of Rest

Destined to Reign Anniversary Edition

All of the gifts of the Holy Spirit are available continuously, effortlessly, and naturally to every Christian. First Corinthians 12:7–11 reveals the nine-fold manifestation—wisdom, knowledge, faith, healing, miraculous powers, prophecy, distinguishing between spirits, speaking in tongues, and interpretation of tongues—but the Holy Spirit has much more that He wants to share with all Christians and He is ready to fill them to overflowing. Most people believe they can only have one or two of the gifts mentioned in Paul's letter, yet the Bible clearly shows that believers can receive all of them. In fact, the apostle himself probably evidenced all nine gifts. However, these are only examples of the way the Spirit of God may reveal Himself to His people. They are not the only ways He will do so. In *Overflow of the Spirit: How to Release His Gifts in Every Area of Your Life*, Dr. Mark Virkler and co-author Charity Virkler Kayembe, his daughter, endeavor to teach you how to connect with the Holy Spirit moment by moment and intentionally draw upon His supernatural abilities. You will learn how to tune to the indwelling Holy Spirit and release Him into every situation of your life. Rather than life being you in action, it will be the Holy Spirit in action through you. Blessings will overtake you as you live and walk by the Spirit. The overflow of the Spirit opens the door to an entire lifestyle of intimacy with God that, once mastered, releases the heavens and God's provisions for your life. The authors' clear, lineal, biblical teaching is interspersed with real-life stories that clearly illustrate each point. Application exercises at the end of each chapter help to guide you into putting the lessons into action.

It's Time for a Revolution In the Garden, woman was taken out of man to stand by his side and co-reign with him. But Satan's schemes have robbed women of their rightful identity, disempowering and defacing them. The world aches for God's original partnership to be brought into balance once more--and it can be. Join Kris Vallotton for an extraordinary journey of eye-opening insight, including • God's true plan and purpose for women • Jesus' radical teachings and care for women • men's important role in restoring women • the true meaning of difficult Bible passages about women • examples of women in leadership as God intended God fashioned women to reign alongside men. Jesus set women free to be beautiful and powerful. It's time for us, as daughters and sons of the King, to rule together in glory again. Will you join the revolution? "We have failed to realize that Jesus founded the women's liberation movement more than two thousand years ago. Isn't it high time His Church led the revolution?"--Kris Vallotton "Off the charts. Worthy to be read and studied by all. You won't be able to put it down."--Patricia King, founder, XP Ministries "Read, weigh and embrace the spirit, truth and heartbeat of this book. This biblical approach rightly addresses unright arguments of strained interpretations. Such balance and beauty make sense and offer wisdom. I say, 'Amen!'"--Pastor Jack Hayford, chancellor, The King's University, Dallas/Los Angeles "This profound work is a must-read for men and women alike; it has the potential to instill courage in the hearts of men and give women permission to dream again."--Bill Johnson, senior leader, Bethel Church, Redding, California; author, *The Essential Guide to Healing and When Heaven Invades Earth* "Finally, a biblical perspective that encourages women to remain themselves and still take their God-given places of leadership."--Stacey Campbell, author, *Praying the Bible*; co-founding pastor, New Life Church, Kelowna, British Columbia "This compelling work will elevate your awareness, challenge some presuppositions and invite you to grow in the grace of the Lord Jesus."--Dr. Mark J. Chironna, Church On The Living Edge, Mark Chironna Ministries, Orlando, Florida "This must-read will empower you to regain your identity that Satan stole and live the life God created you to live."--Cynthia Brazelton, pastor, Victory Christian Ministries International "I deeply enjoyed diving into the Bible with Kris as my guide to find out what God really says about men and women. It has enhanced my understanding of who I am as a woman and inspires me to instill that in the young women around me. This book is about truth and therefore would be great written by anyone. However, I realized that the fact that it was written by a man, and it is a man calling me into my divine design, brought a deeper level of healing than I'd anticipated and sent me on a journey digging deeper into God's heart. I recommend it for all!" --Revival Magazine "Fashioned to Reign considers the everlasting deception Christians face regarding women's role and purpose: a deception fostered by evil and which is not of God's plan. The disempowerment of women was the devil's idea - and God's true plan for women is very different. Woman was, in fact, designed to stand by man's side and reign with him, not under him - and Fashioned to Reign covers God's ultimate intention for women. Packed with scripture and information throughout, Fashioned to Reign is a powerful analysis perfect for any Christian collection." --Midwest Book Review Discover the secret of reigning over every adversity, lack and destructive habit that is limiting you from experiencing the success, wholeness and victory that you were destined to enjoy. Find out how it is not about what you have to do, but what has already been done. It is not about what you must accomplish, but what has already been accomplished for you. It is not about using your will power to effect change, but His power changing you. Start reigning over sickness, financial lack, broken relationships and destructive habits today!

A Finalist for the 2018 Los Angeles Times Book Prize in History Four centuries ago, a Muslim woman ruled an empire. When it came to hunting, she was a master shot. As a dress designer, few could compare. An ingenious architect, she innovated the use of marble in her parents' mausoleum on the banks of the Yamuna River that inspired her stepson's Taj Mahal. And she was both celebrated and reviled for her political acumen and diplomatic skill, which rivaled those of her female counterparts in Europe and beyond. In 1611, thirty-four-year-old Nur Jahan, daughter of a Persian noble and widow of a subversive official, became the twentieth and most cherished wife of the Emperor Jahangir. While other wives were secluded behind walls, Nur ruled the vast Mughal Empire alongside her husband, and governed in his stead as his health failed and his attentions wandered from matters of state. An astute politician and devoted partner, Nur led troops into battle to free Jahangir when he was imprisoned by one of his own officers. She signed and issued imperial orders, and coins of the realm bore her name. Acclaimed historian Ruby Lal uncovers the rich life and world of Nur Jahan, rescuing this dazzling figure from patriarchal and Orientalist clichés of romance and intrigue, and giving new insight into the lives of women and girls in the Mughal Empire, even where scholars claim there are no sources. Nur's confident assertion of authority and talent is revelatory. In Empress, she finally receives her due in a deeply researched and evocative biography that awakens us to a fascinating history.
