

Destiny Step Into Your Purpose

Tap into your God-given intuition and start achieving ultimate success with this inspiring #1 New York Times bestseller from Bishop T.D. Jakes. If you have ever felt misaligned, this book is for you. If you have lost the rhythm, the passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary, from the methodical mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the "something more" that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key!!--EndFragment--

With fascinating stories and inspiring Scripture, Unstoppable takes us on Caine's journey from feelings of inadequacy to trust in God's provision to joy in seeing victory over suffering. Her remarkable story inspires us to embrace the power of being on God's team--whether we are fighting human trafficking, leading a church, or starting a movement for good in our own community. Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

Relational Intelligence is your action plan for getting smart about who you surround yourself with. Using Jesus's relational framework for choosing the twelve disciples, this book gives you the tools you need to define, discern, align, assess, and activate your relationships to unlock your greatest potential. Years of ministry leadership experience have taught Dr. Dharius Daniels that there's no such thing as a casual relationship. All of our relationships either push us forward into our God-given purposes or hold us back from who we're meant to be. If you're serious about taking your life to the next level, you should be serious about taking your relationships to the next level, too. Scripture gives us a blueprint for the way relationships should be managed, and this blueprint helps us construct and grow relationships that are fruitful. It tells us that our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. Relational Intelligence reminds us that with our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Daniels shows us that relationships were part of God's design, and when we understand and apply what God has to say about them, we can finally learn to: Reflect on the people that God has placed in our lives Avoid unnecessary relational turmoil Be intentional in each of our relationships Accomplish our God-given purpose When your purpose is on the line, the cost of relational unintelligence is too great to pay. Join Daniels as you uncover the secret to gaining the relational intelligence you need to build the purposeful life that you want.

Did you know YOU have God-given gifts? That you've been designed for fellowship with--and service to--the King of Kings?! Yet perhaps you find yourself bewildered whenever you hear teachings on the "Gifts of the Spirit"? Do you sometimes feel as if those supernatural talents were given to everyone you know, while you, yourself, struggle to identify with any of them? Do you wonder if your work in the Lord's service would be more efficient if you identified with a gift? What God installed in YOU for such a time as this? If so, you're not alone. Joe Ardis Horn was, like many, confused about his role in the Body of Christ for most of his life. From his youngest years, religious people outside his family exposed him to mystifying (and completely false) theologies and church practices, while simultaneously expecting him to live up to an ever-changing list of behavioral standards that differed from one church

leader to another. His understanding of--and relationship with--the Lord was born from these perplexing years, and ruthless bullying in school exacerbated his search to find his place in the Kingdom of God. The perpetual hard knocks left him drifting like a leaf in life's windstorm: destination unknown. Yet from the ashes of this turmoil arose the unexpected heroes, the champions, the few people whose seemingly minuscule investments into Joe's life revealed the rock-solid Kingdom call upon him from birth...as well as a sudden, intense, God-given message for every Christ-follower: The Holy-Spirit-given gifts you seek might not be what you think they are. The book you now hold in your hands reveals how to pinpoint and connect to what God gifted you to be in His service. In *Everyday Champions*, you will: - Learn how God designed you to be an Everyday Champion - Recognize how to identify and unleash your supernatural, God-given gifts - Discover the most overlooked spiritual gifts in the Bible - Ascertain what the true meaning of faithful ministry is - Journey with Joe as he walks you step by step through his experiences in both the authentic and superficial religious institutions - Meet real-life heroes whose small investments in Joe's life brought clarity and purpose - Learn what Paul meant when he wrote about the Uncomely Parts of the body of Christ!

The Science of Getting Rich

With *Let It Go* Bishop Jakes shows us how we can lead an emotionally vital and spiritually healthy life by learning how to forgive and be forgiven. 'Our inability to forgive past offenses robs us of joy, peace, and purpose, poisoning our souls with lethal toxins that drain every area of our life. Just as seemingly harmless, carefree moments spent basking in sunshine can lead to the development of a malignant melanoma, the grudges we harbour can metastasize into a cancer on our souls, eating away at our strength, happiness, and productivity. "If we want to experience a life filled with peace, productivity, and power, then we must practice the art of forgiveness. In order to practice forgiveness, we must learn new styles of conflict resolution and new forms of anger management. Aware of God's amazing grace, we can now ask him to forgive us as we forgive those who trespass against us. We can love others out of an awareness of how we ourselves have been forgiven by God and loved unconditionally as his child.' Creatively Supernatural! Offering a launching pad for you to burst into the realm of creative expression—that fun, fantasy world where the Creator is waiting to welcome you. There is a connection between creativity, your identity, the Church, and the world—and it is an important connection.

Creativity is tied to all believers' identity, all who are made in the image of the Creator, all who are born to create! Overflowing with many thrilling, modern-day testimonies, *Born to Create* emphasizes the magnitude of both craft—practice and excellence—as well as anointing. Many who have been freed to embrace their creative ideas and passions, whether in the art fields, business, or education, share their amazing stories with you. Their freedom allowed them to powerfully release healing, the prophetic, and the knowledge of God's love into the marketplace. Live creatively, friends. If someone falls into sin, forgivingly restore him, saving your critical comments for yourself. You might be needing forgiveness before the day's out. Stoop down and reach out to those who are oppressed. Share their burdens, and so complete Christ's law... (Galatians 6:1 *The Message*). You will learn how the supernatural can be activated through what you create, and you will explore hindrances from understanding your creative destiny—your true identity.

How often have you cried out for God, Why? Why dont people understand me? Why do I struggle? Why

do I have problems? The answer: Because you are anointed! Best-selling author T.D. Jakes writes, I used to have the wrong notion that when you are really anointed, you no longer have problems or rough times. But you show me anybody who's really Holy Ghost, knee-jerking, tongue-talking, casting-out-demons, laying-hands-on-the-sick, miracle-working, world-changing, mind-transforming, mind-boggling, head-straightening anointed, and I'll show you somebody who cried in the middle of the night and suffered all night long, wondering where is God. But, my friend, I have to confess that through it all I have learned to trust in Jesus. Through it all, I've learned to trust in God.

Pastor and cofounder of the Bethel School of Ministry Kris Vallotton walks Christians through the profound process of discovering their true identity and experiencing the wonder of their kingdom purposes. Christians are often told that they were born with a purpose that reaches beyond their human strivings, but most are not sure how to break past the daily struggles holding them back, much less how to fully step into their callings. As a pastor and the cofounder of the Bethel School of Ministry, Kris Vallotton has been teaching Christians all over the world how to walk in wholeness and purpose for more than seventeen years. In *Destined to Win*, he passes on the lessons that will help readers discover who they really are, overcome destructive behaviors, and become equipped for their kingdom purposes. Confronting the challenges that limit Christians—such as living shackled by past pain, fear, and unforgiveness—Vallotton offers practical solutions to the often-complex problems that undermine their destinies and derail their purposes. With personal stories and biblical teaching, *Destined to Win* combines practical wisdom and profound revelation to unlock the latent potential present in each person.
