Minecraft Tales Book 2

The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

can relate to. Gerald Creeper Jr. is a self-proclaimed pacifist (which, by the way, has nothing to do with a pacifier), but he finds himself in the war zone when he starts his first year at Mob Middle School. At his new school, every monster in the Overworld is jockeying for power, and the skeletons seem to have it out for him. Armed with a 30-day plan (he can thank his mom's self-help obsession for that), Gerald makes it his mission to use his brains—instead of his blasts—to survive the school year. It all starts with: Day 1: Come up with a nickname. (Gerald is not gonna cut it.) Day 2: Keep a low profile. (Not easy when your new best friend is a super bouncy slime!) Day 3: Avoid being target practice for skeletons, and somehow get in with super-popular Eddy Enderman. (Easier said than done.) The first book in this laugh-out-loud funny, heavily illustrated, diary format series for Minecrafters follows the most misunderstood hostile mob in the Overworld. It's not easy being green . . . or explosive! A great book combo with 10 different Minecraft stories! Story 1: Marcus grows up on a farm, with pigs, horses, and chickens. He works at a construction company, but the appearance of certain animals makes him question his background. Is Marcus really

His older sisters and mother always protected him. He gets teased by other kittens, and he especially a wimp when it comes to water. He hates it! He won't go near it... until a certain event in the harbor village changes his life forever and turns him into a true hero. Story 4: The Minecraft Herobrine is a mysterious figure showing up in the game, spooking people out, planting trees randomly and building pyramids in inconsistent locations. Discover through this book what the Herobrine has to say about his reasons for doing so and find out more about this mysterious being in the Minecraft world. He loves puzzles, he hates the fact that his brother died, and he is a genius beyond any reasoning. Story 5: These Minecraft ninjas are on a mission. They detest the inequality in the Minerslands and decide to do something about it. Providing for the poor and stealing from the rich is their purpose, but they are yet

They have stalked the horizons of our culture, wreaked havoc on moribund concepts of dead and not dead, threatened our sense of identity, and endangered our personal safety. Now zombies have emerged from the lurking shadows of societys fringes to wander the sacred halls of the academy, feasting on tender minds and hurling rot across our intellectual landscape. It is time to unite in common cause, to shore up defenses, firm up critical and analytical resources, and fortify crumbling lines of inquiry. school. It was a weird and crazy day. And he didn't even get excused from sixth grade! Now he's being hunted down by the werewolf that bit him. Should Tom join a wolf pack? On the one hand, he could give up school and homework forever. (He really doesn't want to do his history report.) On the other hand, he'd miss his band, his friends, and Annie, his maybe-possibly-someday girlfriend. He might even miss his big sister, Emma. Then the vampire that bit him returns with a warning: the werewolf is dangerous. Perhaps Tom should stick with sixth grade--even if it's mostly talent show disappointments, detention, and chicken-turkey-salami-roast beef sandwiches. The proliferation of zombie-related fiction, film, games, events, and other media in the last decade would seem to indicate that zombies are "the new vampires" in popular culture. The editors and contributors of *Encyclopedia of the Zombie: The Walking Dead in Popular Culture and Myth* took on the prodigious task of covering all aspects of the phenomenon, from the less-known historical and cultural origins of the zombie myth to the significant works of film and literature as well as

video games in the modern day that feature the insatiable, relentless zombie character. The encyclopedia examines a wide range of significant topics pertaining to zombies, such as zombies in the pulp magazines; the creation of the figure of the züvembie to subvert decades of censorship by the Comics Code of Authority; Humans vs. Zombies, a popular zombie-themed game played on college campuses across the country; and annual Halloween zombie walks. Organized alphabetically to facilitate use of the encyclopedia as a research tool, it also includes entries on important scholarly works in the expanding field of zombie studies. • Provides comprehensive coverage of topics about or relating to zombies in film, literature, folklore, and popular culture • Features work from contributors who are dedicated scholars, authors, or fans in the zombie genre of work • Supplies dates with all names and works to give readers a sense of the historical context and evolution of zombie lore • Includes concept entries—for example, comedy, free will, and weapons—that place works in a logical, thematic context

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred.
