What You Will Receive: * A beautifully designed and printed glossy protective soft cover * 100 Sheets / 200 Printed Pages * Draw & Print Primary Journal * Uses: Journal - Diary - Storytelling * Book measures 7.44 x 9.69

Excerpt from Diary of Anna Green Winslow: A Boston School Girl of 1771 In the year 1770, a bright little girl ten years of age, Anna Green Winslow, was sent from her far away home in Nova Scotia to Boston, the birthplace of her parents, to be "finished" at Boston schools by Boston teachers. She wrote, with evident eagerness and loving care, for the edification of her parents and her own practice in penmanship, this interesting and quaint diary, which forms a most sprightly record, not only of the life of a young girl at that time, but of the prim and narrow round of daily occurrences in provincial Boston. It thus assumes a positive value as an historical picture of the domestic life of that day; a value of which the little girl who wrote it, or her kinsfolk who affectionately preserved it to our own day, never could have dreamed. To many New England families it is specially interesting as a complete rendering, a perfect presentment, of the childish life of their great grandmothers, her companions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections

successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

This book has been considered important throughout the human history, and so that this work is never forgotten Alpha Editions has made efforts in its preservation by republishing this book in a modern format for the present and future generations. This whole book has been re-formatted, re-typed and re-designed. These books are not made of scanned copies of their original work, and hence the text is clear and readable. First published serially in the Yiddish daily newspaper di Varhayt in 1916-18, *Diary of a Lonely Girl, or The Battle against Free Love* is a novel of intimate feelings and scandalous behaviors, shot through with a dark humor. From the perch of a diarist writing in first person about her own love life, Miriam Karpilove's novel offers a snarky, melodramatic criticism of radical leftist immigrant youth culture in early twentieth-century New York City. Squeezed between men who use their freethinking ideals to pressure her to be sexually available and nosy landladies who require her to maintain her respectability, the narrator expresses frustration at her vulnerable circumstances with wry irreverence. The novel boldly explores issues of consent, body autonomy, women's empowerment and disempowerment around sexuality, courtship, and politics. Karpilove immigrated to the United States from a small town near Minsk in 1905 and went on to become one of the most prolific and widely published women writers of prose in Yiddish. Kirzane's skillful translation gives English readers long-overdue access to Karpilove's original and provocative voice.

A Boston School Girl of 1771 - Primary Source Edition

Blank Lined Notebook To Write In Daily For Girls

The Prank List

Kitty Bennet's Diary

Eighth grade never smelled so bad Rachel can't believe she has to give up her Saturdays to scrubbing other people's toilets. So. Gross. But she kinda, sorta stole \$287.22 from her college fund that she's got to pay back ASAP or her mom will ground her for life.

Which is even worse than working for her mother's new cleaning business. Maybe. After all, becoming a maid is definitely not going to help her already loserish reputation. But Rachel picks up more than smelly socks on the job. As maid to some of the most popular kids in school, Rachel suddenly has all the dirt on the 8th grade in-crowd. Her formerly boring diary is now filled with juicy secrets. And when her crush offers to pay her to spy on his girlfriend, Rachel has to decide if she's willing to get her hands dirty...

"Holy fried onion rings! Fun from beginning to end." —Wendy Mass, New York Times bestselling author of 11 Birthdays and The Candymakers

Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

-

Mealworms are small creatures that live in dark secret places. Jeremy is a bit like that when he leaves his home in rural Nova Scotia and moves to Toronto with his mother. Lots of things keep him from enjoying his new life, but the worst is his science partner, Aaron, who is more annoying than sand in a bathing suit. Jeremy is also burdened by the secret he carries about the motorcycle accident that injured him and killed his father. Although Jeremy is haunted by his past, he starts to feel at home in Toronto when he realizes he has some skills he can share with his classmates. And when his mealworm project yields some surprising results, Jeremy is finally able to talk about his part in the fatal accident.

Foundling Witch

Diary of Anna Green Winslow A Boston School Girl of 1771

A Boston School Girl of 1771 (Classic Reprint)

Diary of a Lonely Girl, or The Battle against Free Love

The Dirt Diary

Anna Green Winslow (29 November 1759 - 19 July 1780), a member of the prominent Winslow family of Boston, Massachusetts, United States, was a girl who wrote a series of letters to her mother between 1771 and 1773 that portray the daily life of the gentry in Boston at the first stirrings of the American Revolution. She made copies of the letters into an eight-by-six-and-a-half-inch

book in order to improve her penmanship, making the accounts a sort of diary as well. This diary, edited by 19th-century American historian and author Alice Morse Earle, was published in 1894 under the title *Diary of Anna Green Winslow, A Boston School Girl of 1771*, and has never gone out of print. The diary provides a rare window into the life of an affluent teenage girl in colonial Boston. While making some changes for contemporary readers, Earle kept the original fanciful spelling and capitalization. Anna's diary hints at the effect Revolutionary fever had on families who split on the question of how the British Crown treated its 13 American colonies. Earle, who specialized in books on Colonial New England, added enough footnotes to nearly double the published book's length. In the footnotes, Earle made explicit how the American Revolution divided the extended Winslow family and clarified two oblique references to the Boston Massacre. Anna's father was a confirmed Loyalist, but it seems that Anna may have been more like her distant cousin, Patriot Dr. Issac Winslow (whom she visited for eight days, along with his father, Major-General John Winslow at their home in Marshfield, Massachusetts in the spring of 1773), for she refers to herself as "a daughter of liberty" and enthusiastically embraces making homespun in order to eschew imported British goods

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. *Tales from the Secret Annex* is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. *Anne Frank's Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

For Anna, life has never been normal. She was raised by her uncle in the wilds of Siberia, educated at an orphanage in Geneva, and recently discovered her own supernatural powers: Anna is a witch. A letter arrives from her uncle Misha, saying that her father is alive and in danger; Anna is the only one who can help. The young witch leaves for her Siberian homeland, where she finds dangers beyond anything she could have imagined. Anna discovers that her father has been captured by none other than Anna's grandmother -- a fearsome witch known as Baba Yaga. She will

need to confront her grandmother with her own courage and wisdom. How far will Anna go to save the one she loves? How much is she willing to lose? Based on an exciting Russian fairytale, this second Diary of Anna Sophia is a fun read for middle grade children, and those young at heart! Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

'An absolute must read. I devoured this book in its entirety... I am almost speechless... a box of Kleenex is mandatory... absolutely loved this book, historical fiction at its best!... Definitely worth ten stars.' Page Turners, ????? 1945, England
Brave and determined Nancy Jones is fighting for her country as a gunner girl. Each night she scans the skies for enemy planes, feeling both exhilarated and terrified by the responsibility on her young shoulders. And one dark night she's forced to make a decision that puts her in extreme danger... When VE Day finally comes, Nancy allows herself to be swept up in a whirlwind romance with handsome Joe. They move to an idyllic countryside cottage with roses around the front door. Nancy hopes she can escape her past. But when the terrible truth about the worst night of her life threatens to resurface, will she be able to save the secret shatter Nancy's marriage? 2019, England: Devastated by the sudden loss of her husband, Lorna Haynes es

the beautiful but crumbling Gamekeeper's Cottage. When she enters, it's like going back in time. A soldier's uniform still hangs on the back of the door and the flowery wallpaper is intact. At the back of the room, Lorna discovers a red, leather-bound diary in a hidden compartment of a desk drawer. As Lorna battles with heartache, she takes comfort in reading ink-stained words. Turning the pages of the old book, she learns of the incredible bravery of the woman who lived in this house decades before her. And discovers a shocking wartime secret that will change the course of her own life... Far from a simple story, *The Secret Diary* is a masterpiece of historical fiction. *Nightingale*, *The Alice Network*, and *Lilac Girls* will love this unforgettable, poignant tale of love, loss and courage during the darkest days of war. Readers love *The Secret Diary*: 'Whoa! Don't take those tissues away, I'm not quite cried out just yet! Happy tears, sad tears, who knows where one ends and the other begins!... Beautiful, heart-breaking, heart-warming, uplifting and inspirational.' Fiction Books, ????? 'I literally could not put this book down! From the very beginning I found myself pulled into the storyline... I couldn't put this book down and I finished it in two sittings.' Goodreads reviewer, 'Pulled me in from the beginning, and it kept me wanting to keep reading... I loved both of the timelines... a wild heart-warming story of friendship and moving on.' Goodreads reviewer, ????? 'Excellent... fascinating to see the lives of so many brave women... The character cast is excellent, pacing is perfect, and I just loved how it all rolled out... I highly recommend this historical fiction. 5/5 stars.' @rachel.fox.14224, ????? 'Beautifully written story set between World War Two and present day... intense and heartbreaking... Once you start this book you just can't put it down!' Goodreads reviewer, 'I read this fast as I could not put it down... twists to keep me guessing, I am definitely going to be looking for more from this author, highly recommended.' Fiction Vixen, ?????

What if the only person who could stop you, was you? Anna's adventure picks up right where it left off, and the stakes have never been greater. Although free, Anna's father barely clings to life without his heart, and Anna is determined to save him. Based on her deceased mother's clues, Anna discovers that her father's heart lies somewhere in Canada and she heads to North America. As she navigates the treacherous climate of the frozen tundra, Anna encounters more magical beings than ever before. Lauraleigh accompanies Anna in her quest to find her father's heart, and together they are aided by a new ally who turns out to be more than they bargained for. Through it all, Anna worries her magic won't be strong enough to accomplish her mission. Will Anna find her father's heart in time? Can she control the darkness that grows inside of her? Find out in the thrilling third installment of *Diary of Anna the Girl Witch* series!

Anna Cabot Lowell Quincy (1812-1899), the youngest daughter of Josiah Quincy-one-time U.S. Congressman, former Mayor of Boston, and President of Harvard University-was a discerning twenty-one-year-old woman of privilege when she kept a diary during the spring and summer of 1833. Although Anna was respectful in polite company regarding her limited status in a male-dominated society, her journal entries of the Quincy family's social activities reveal an unexpectedly trenchant and amused view of the affectation in the Harvard community as well as in upper class life in Boston. Quincy's lively, lighthearted, and satirical accounts of Harvard University soirees and Boston cotillions portray a world where rites of courtship predominate, appearances are both significant and deceiving, and callow young men vie for an eligible woman's attention. Evoking the style of her admired Jane Austen, Anna re-creates a comfortable life-akin to *Pride and Prejudice*-spent walking, drawing, reading, writing letters, attending the theatre, and entertaining visitors. She describes receiving Harvard students and faculty at biweekly socials, dancing at formal balls, visits from "Cambridge Worthies" and dignitaries such as Supreme Court Justice Joseph Story, naturalist John J. Audubon, and President Andrew Jackson, and seeing the acclaimed British actress Fanny Kemble in *Much Ado About Nothing*. Above all, Anna's diary presents a young woman keenly aware of her early nineteenth-century milieu and her own place in society. She ponders her role in a prominent family clearly governed, professionally and economically, by men. She recounts dutifully receiving gentlemen callers in the gracious manner expected of young ladies, yet dismisses the "ridiculous and the unmeaning behavior of the young men" who end up

Read PDF Diary Of Anna The Girl Witch Foundling Witch

as targets for her pen rather than potential suitors. While dramatizing her own position, Anna inexorably mocks society's pretensions, superficiality, and emphasis on appearance.

THE DEFINITIVE EDITION □ Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Uses essays, letters, diary entries, instructional materials, school newspapers and assignments, poetry, and short stories to present a historical reconstruction of girls' literacy in the United States.

A hilarious, high-stakes adventure involving crooked casino boats, floating fish, toxic beaches, and one kid determined to get justice. This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! You know it's going to be a rough summer when you

spend Father's Day visiting your dad in the local lockup. Noah's dad is sure that the owner of the Coral Queen casino boat is flushing raw sewage into the harbor—which has made taking a dip at the local beach like swimming in a toilet. He can't prove it though, and so he decides that sinking the boat will make an effective statement. Right. The boat is pumped out and back in business within days and Noah's dad is stuck in the clink. Now Noah is determined to succeed where his dad failed. He will prove that the Coral Queen is dumping illegally . . . somehow. His allies may not add up to much—his sister Abbey, an unreformed childhood biter; Lice Peeking, a greedy sot with poor hygiene; Shelly, a bartender and a woman scorned; and a mysterious pirate—but Noah's got a plan to flush this crook out into the open. A plan that should sink the crooked little casino, once and for all.

A New York Times bestseller A USA Today bestseller The long-hidden diary of a young Polish woman's life during the Holocaust, translated for the first time into English Renia Spiegel was born in 1924 to an upper-middle class Jewish family living in southeastern Poland, near what was at that time the border with Romania. At the start of 1939 Renia began a diary. "I just want a friend. I want somebody to talk to about my everyday worries and joys. Somebody who would feel what I feel, who would believe me, who would never reveal my secrets. A human being can never be such a friend and that's why I have decided to look for a confidant in the form of a diary." And so begins an extraordinary document of an

adolescent girl's hopes and dreams. By the fall of 1939, Renia and her younger sister Elizabeth (née Ariana) were staying with their grandparents in Przemysl, a city in the south, just as the German and Soviet armies invaded Poland. Cut off from their mother, who was in Warsaw, Renia and her family were plunged into war. Like Anne Frank, Renia's diary became a record of her daily life as the Nazis spread throughout Europe. Renia writes of her mundane school life, her daily drama with best friends, falling in love with her boyfriend Zygmund, as well as the agony of missing her mother, separated by bombs and invading armies. Renia had aspirations to be a writer, and the diary is filled with her poignant and thoughtful poetry. When she was forced into the city's ghetto with the other Jews, Zygmund is able to smuggle her out to hide with his parents, taking Renia out of the ghetto, but not, ultimately to safety. The diary ends in July 1942, completed by Zygmund, after Renia is murdered by the Gestapo. Renia's Diary has been translated from the original Polish, and includes a preface, afterword, and notes by her surviving sister, Elizabeth Bellak. An extraordinary historical document, Renia Spiegel survives through the beauty of her words and the efforts of those who loved her and preserved her legacy.

A story of hope and second chances in Regency London... Kitty Bennet is finished with love and romance. She lost her one-time fiance in the Battle of Waterloo, and in the battle's aftermath saw more ugliness and suffering than she could bear. Staying with her Aunt and Uncle Gardiner in London for the winter, Kitty throws her energies into finding a husband for her hopelessly bookish sister Mary, and discovering whatever mysterious trouble is worrying her sister Jane. But then she meets Mr. Lancelot Dalton, a handsome clergyman with a shadowed past—and discovers that though she may be finished with love, love may not be at all finished with her. Kitty Bennet's Diary is Volume 3 of the Pride and Prejudice Chronicles. It can be read alone, but refers to events from Volumes 1 and 2. Kitty Bennet's Diary is appropriate for all ages. The Pride and Prejudice Chronicles: Georgiana Darcy's Diary Pemberley to Waterloo Kitty Bennet's Diary

What happens when you discover you're a witch, only to find out it might destroy your soul? Anna Sophia doesn't know much about herself. Not what happened to her parents. Not why she was found living with wild bears in Siberia, and certainly not why an eccentric, rich couple in Switzerland is trying so hard to adopt her. She has always known she was different. She didn't know just how different until her 13th birthday, when she discovered her supernatural powers, both delightful and a little frightening. She also learned that these powers make a dark cloud grow inside her soul, bit by tiny bit. And now she's in danger. Her friends, too. It's so tempting to use her magic to save them all, but would she sacrifice her soul for that? She just doesn't know. Anna Sophia can ignite things. She can fly in a bucket and stop time. And she has some serious choices to make. - - -Endorsement by Amazon readers:-- "This is how a book for kids should be ... exciting, interesting, warm and thoughtful."-- "What fun! The characters are well-developed, and the plot is fast paced."-- "I honestly loved it, and would very much recommend it."- - -Genre: Middle Grade Fantasy Adventure.
