MacGregor, a midwife accused of being a witch, is the first female chronicle of "The Burning Times." Imprisoned in a frigid, rat-infested tolbooth in Kilmarnock, Scotland, Elspeth MacGregor confesses a story untold in the annals of time: the true story of midwives, healers, herbalists and common women who practiced the "old religion," revered the earth, and exulted in their sexuality. So formidable were these women, so threatening to the patriarchal society surrounding them, that they were terrorized by a ruling class hell-bent on eradicating them. Diary of a Witch unravels the knot of time and transplants

the reader to the squalor and beauty of Elizabethan London. Elspeth's narrative weaves in and out of her childhood, her marriage at fifteen to a player in Shakespeare's company, her unbounded love for her daughter, and the torture and humiliation of her witch trial. In the graveyard of her filthy cell, a breathless hope sings through Elspeth's words--will she escape her fate?

Tackling the same twisted subject as Stacy Schiff's much-lauded book *The Witches: Salem, 1692*, this Sibert Honor book for young readers features unique scratchboard illustrations, chilling primary source material,

and powerful narrative to tell the true tale. In the little colonial town of Salem Village, Massachusetts, two girls began to twitch, mumble, and contort their bodies into strange shapes. The doctor tried every remedy, but nothing cured the young Puritans. He grimly announced the dire diagnosis: the girls were bewitched! And then the accusations began. The riveting, true story of the victims, accused witches, crooked officials, and mass hysteria that turned a mysterious illness affecting two children into a witch hunt that took over a dozen people's lives and ruined hundreds more unfolds in chilling, novelistic

her parents back together.

What she does NOT expect is that an emotional outburst will spark a latent magical ability in her. Or that the magic will be strong enough to attract the attention of witches. Or that before she can say #BlackGirlMagic, she'll be shipped off on a scholarship to a fancy finishing school for talented young ladies. Les Belles Demoiselles is a literal charm school. Here, generations of young ladies from old-money witch families have learned to harness their magic, and alumnae grow to become some of the most powerful women across industries, including

politicians, philanthropists, CEOs, entrepreneurs—and yes, even social media influencers. Needless to say, admission to the school is highly coveted, very exclusive . . . and Hasani sticks out like a weed in a rose bouquet. While the other girls have always known they were destined to be witches, Hasani is a Wildseed—a stray witch from a family of non-witches, with no background knowledge, no way to control her magic, and a lot to catch up on. "Wildseed" may be an insult that the other girls throw at her, but Wildseeds are more powerful than they

and the power of healing when village life is ruptured by national conflict.

Does your heart feel the pull of nature or do you hear the whispers of the ancestors on the breeze? Do you bask in the power of the sun and the moon, welcome the cycles of the seasons and yearn for a deep connection with the earth? Witches have been around since the beginning of time, harnessing magick and connecting with higher powers. They were Wise Ones of the village using their knowledge of nature to heal the sick and restore balance to the world around them.

with Rufus the cat, a ready-made pet. But when Jenny visits the house, she 's scared out of her wits. Giant snakes, elephants, and all kinds of terrifying creatures lurk around every corner. With a little help from Rufus, Jenny discovers who 's behind these spooky happenings. It 's the ghost of Miss Nagle 's grandmother, the once-famous witch of Willowby Lane. The ghost witch loves to scare people, and she thinks Jenny and her friends will be perfect targets. Jenny decides to meet the ghost witch face-to-face in this scary, yet delightful short-chapter book.

The author traces her unusual ancestry and describes her early life, witchcraft apprenticeship and psychic

The basis for the hit Lifetime TV series, *Witches of East End*! Freya Beauchamp is trapped in 1692, in Salem of all places, with no recollection of her past. A powerful enemy spell has sent her spiraling away so that she is separated by centuries from her mother, Joanna, and sister, Ingrid. This is not good news for a twenty-first-century witch. Not to mention the immediate threat she faces from the wealthy and influential Putnam family. When little Annie Putnam is one of the first to make accusations of witchcraft, her landowner father jumps at the opportunity to consolidate his power and expand his holdings in Puritan Salem Town. If Freya is caught using magic, she will be forced to relive the witch trials, and this time, her immortality will be in question.

Meanwhile, twenty-first-century North Hampton has its own snares. Joanna and Norm consult the Oracle for advice, and Freddie and his pixie allies search for a missing totem that could reopen the passages of time and help bring his sister home. When Ingrid bumps into an old flame, she finds that her new love for Detective Matt Noble is in doubt. Moving between past and present, with dizzying plot twists and page-turning suspense, *Winds of Salem* is sure to bewitch fans old and new.
