But for ten people all is not as it seems with secrets and hidden agendas, lies and tensions that quickly turn into a nightmare. Can all the incidents be accidental or are they deliberate? In the midst of gorgeous St. Bart's, a few days before Christmas, a Senator's daughter is found stabbed and strangled on the beach—the day after her engagement party. While the rich and famous are pouring in to celebrate the holidays, the local police are desperate to keep it quiet and not cause an uproar. But the Senator's family wants justice for their daughter, and they hire Cindy and Mattheus to solve the crime. As Cindy and Mattheus investigate, they meet the elite crowd surrounding the Senator's family, an exclusive world of unimaginable wealth, of luxurious parties on yachts and private villas. They learn of all the people who may have wanted the young woman dead, all the jealousies and rivalries, the secret ex-es and affairs. They meet her devastated fiancé, her twin sister and her distraught Mom—all intent on the killer's being found. They meet the corrupt police force, who wants them stopped, and a rich Russian mogul who controls half the island—and has his own agenda to bring down the senator. As they delve deeper, they learn the many secrets of this exclusive family and the young woman, and discover that all was not as perfect as it appeared to be. As they get close to the answers, Cindy faces personal danger, while at the same time her relationship with Mattheus grows deeper—and faces a crisis of its own. And as the two of them are about to leave the island, a sudden twist in events changes everything. Ultimately, they come to learn that on the pristine, perfect St. Bart's, everything is not always as it seems to be. **DEATH BY DESIRE** is both a stand-alone novel and Book #4 in the Caribbean Murder series, following **DEATH BY HONEYMOON** (Book #1), **DEATH BY DIVORCE** (Book #2) and **DEATH BY MARRIAGE** (Book #3).

Washington D.C. is buzzing with activity when the King and Queen of England visit for a weekend. To add to the confusion created by their arrival, an assistant closely connected with the First Lady turns up strangled in a White House linen closet. Horrified, Eleanor is hot on the trail of a killer. Elliott Roosevelt is the son of Franklin and Eleanor. Martin's Press.

So the doctor is known for his hot temper! That doesn't mean someone wants him dead, does it? Gary Turner can be a bit scattered when he isn't focused on his cardiology practice. The doctor is persistent, however, and begged his best friend Gordy Baxter to open a bed and breakfast as a side venture to their medical careers.

After trying to convince Gary that it was a bad idea, Gordy reluctantly agreed. Before they opened the doors to their latest venture, the two best friends decided to take a well deserved cruise. Gary pestered the head of the cruise line for three days to let him test his 'interesting' pancake flavors on fellow cruisers. His persistence paid off, as it usually did, and he was unofficially named the breakfast sous chef. The week-long cruise is fun, but breakfast isn't the only thing on Gary's mind. It seems that a murderer has joined them on their seafaring vacation. It's no secret that Gary has a hot temper, but does someone want him dead? When more than one body is found, Gary fears he could be next and he's ready to jump ship and swim back to shore.

A unique study providing evidence that murder is predictable and the exceptionally high murder rate in the United States is reduceable. Part I examines 50 case histories and an analysis of 912 homicides from an original study made in Erie County (Buffalo), New York. Part II discusses multicide, serial killers, and mass murderers. Part III covers assassinations and executions and a final part presents conclusions.

London's back alleys, however, are filled with broken soldiers and still enshadowed by the lingering horrors of the Great War. Only a few years removed from the trenches of Flanders himself, Lieutenant Eric Peterkin has just been granted membership in the most prestigious soldiers-only club in London: The Britannia. But when a gentleman's wager ends with a member stabbed to death, the victim's last words echo in the Lieutenant's head: that he would "soon right a great wrong from the past." Eric is certain that one of his fellow members is the murderer: but who? Captain Mortimer Wolfe, the soldier's soldier thrice escaped from German custody? Second Lieutenant Oliver Saxon, the brilliant codebreaker? Or Captain Edward Aldershott, the steely club president whose Savile Row suits hide a frightening collision of mustard gas scars? Eric's investigation will draw him far from the marbled halls of the Britannia, to the shadowy remains of a dilapidated war hospital and the heroin dens of Limehouse. And as the facade of gentlemenhood cracks, Eric faces a Matryoshka doll of murder, vice, and secrets pointing not only to the officers of his own club but the very investigator assigned by Scotland Yard.

The Republic of Ireland came into being in 1921, at the end of a bloody insurrection against the British. However, the treaty left the northern six counties under British sovereignty. Since that time, the Protestant majority has dominated the poorer Catholic populace with support from the British Army. In 1972, British troops fired on demonstrators, launching more than twenty-five years of sectarian violence and terror from both sides. Mason Devereux, an American freelance photojournalist, is drawn into doing a project on the violence while visiting Northern Ireland. Devereux makes contact with the Irish Republican Army. The I.R.A. is interested in publicity showing Protestant paramilitaries' violence against Catholics. A deal is struck and Devereux is given access to extraordinary photo opportunities. Devereux accepts the I.R.A.'s assistance, but finds his own way to get incriminating photographs of the I.R.A.'s own violence. On the verge of a negotiated end of the violence with the British government, a renegade faction of the Irish Republican Army, lead by seventies legendary gunman Michael Flynn, derails that movement toward peace. Flynn and Devereux cross paths in a sequence of violent events that continues the tragedy of Northern Ireland's Troubles.

The tragedy and injustice of an unsolved murder tends to have a profound effect on true crime enthusiasts. As a keen true crime follower, I can't learn about an unsolved murder and not try to figure out who did it and why. From suspicious deaths to unsolved massacres, the Mysterious Murders anthology covers crimes that provokes the inner detective in all of us. The cases in this book have gone years, often decades, without a shred of justice for the victims. Stories such as 'The Boy in the Box' and the case of the teen girl bludgeoned to death by an unknown assailant will leave you perplexed as to who committed these crimes, and how they got away with it. Some cases expose the depravity of human nature,

such as The Keddie Cabin murders, where a family was brutally slain as they slept. Then there are fascinating, stranger than fiction cases, like the tale of Teresita Basa, whose story reads like a movie script. I've researched many cold cases over the years, and from one keen true crime reader to another, I've included ones I feel don't get as much attention or coverage (like The Zodiac Killer or Jack the Ripper, for example). While some of these cases did hit headlines at the time they happened, it's frustrating to find lack of clues ended up in lack of interest over time. True crime is never the lightest of reads, but the cases in these book are made all the more heavy due to the victims never being granted justice, nor their families closure. It's frightening to think that when a crime goes unpunished, it will likely be repeated, a notion that makes the crimes in this anthology all the more chilling.

Spokane's dark and fascinating history is loaded with shocking murders, bootlegging mischief and devastating dramas. The beautiful city by the Spokane River was once considered a millionaire's paradise as well as a hobo's playground, but danger lurked beneath the surface. The Black Hand Gang, police hot on its trail, stalked the streets looking for local mobster Frank Bruno. A cannibal sought fresh victims, and a teenage boy picked up an axe for nefarious purposes. McNeil State Penitentiary housed notorious characters Charles Manson and the Birdman of Alcatraz, while Herbert Niccolls Jr., locked up at twelve years old, made history as the youngest inmate at Walla Walla Penitentiary. One surprise deserves another. "Think you'll need any help, Sergeant?" Lieutenant Wynn asked Matt Rudd. "I don't think so, sir," Rudd said. "Kuzniki is a dangerous, but he doesn't know I'm here." "O.K.," Wynn said. "I'm going to lunch." With his back to the door, Rudd hadn't seen Kuzniki enter the hotel lobby. As he turned around, Kuzniki's hand darted to a shoulder holster and he swept out a .38 automatic. Rudd froze in position, then slowly raised his hands. "You must be slowing down, Matt," Kuzniki said. "First time I've been able to take you." "It'll be the last, too," Rudd said angrily. "That's right, Matt—I'll see to that."
