

Dinosaur Time I Can Read Level 1

Lets Make a Deal! Mike and his little brother, Andy, are headed for the Dinosaur Card Trading Fair. They're ready to wheel and deal. It's, 4 Stegosaurus for 1 Triceratops, and 2 Triceratops for 1 Allosaurus. But can they get what they really want: the tremendous, gigantic, ferocious, Tyrannosaurus rex? The math concept of equivalency -- understanding when values are equal -- is introduced in this fast-paced story as two brothers try to beat the clock and make the ultimate trade.

With a lively rhyming text and vibrant paper collage illustrations, author-artist Bob Barner shakes the dust off the dinosaur bones found in museums and reminds us that they once belonged to living, breathing creatures. Filled with fun dinosaur facts (a T. Rex skull can weigh up to 750 pounds!) and an informational "Dinometer," Dinosaur Bones is sure to make young dinosaur enthusiasts roar with delight.

Nothing Fits a Dinosaur is a Theodor Seuss Geisel Honor Book! From award-winning author and illustrator Jonathan Fenske comes a funny, rhyming Level 1 Ready-to-Read that will have everyone asking the question: so what does fit a dinosaur? It's time to get ready for bed, but this silly dinosaur can't find anything that fits! Find out what happens in this laugh-out-loud Level 1 Ready-to-Read.

Presents, in question-and-answer format, information and trivia about dinosaurs, including which dinosaurs were the deadliest, how well dinosaurs could swim, and if they can be brought back to life.

Buddy and Pals

Danny's going to camp—and he's taking the dinosaur! First introduced in 1958 with Danny and the Dinosaur and the recent stars of Happy Birthday, Danny and the Dinosaur, this popular pair is together again in an adventure sure to please beginning readers and happy campers alike. Children's Choices for 1997 (IRA/CBC)

How do you find a missing dinosaur who's large and green and likes to roar? When a little boy's dinosaur decides to play hide-and-seek, he is surprisingly difficult to track down. Veteran illustrator Joe Mathieu's dinomite illustrations and Jon Surgal's saur-ing verse will have kids roaring with laughter as they romp through this funny rhyming Beginner Book. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

"A dinosaur would help with chores, and pull me through the snow. He would help me see things way up high, as well as things down low." Read along and discover all the fun things you could do with a pet dinosaur with this fun Early Reader that uses repetitive text and bright illustrations! This Level 1 Early Reader uses an average of 2- 4 words per page, pictures that suggest meaning, and fun rhymes. "If I Had A Dinosaur" will help children achieve reading success in and outside of the classroom while laying the foundation for a lifetime of reading enjoyment! Titles in the Early Reader Series include: Tails!, Hats! Hats! Hats!, Counting Bears, If I Had A Dinosaur, Who's In My Tub? New Shoes, Salt and Pepper, and Wiggly Tooth.

I Am A Dinosaur is the perfect book for kids ages 3-7 who are fascinated with dinosaurs. Young children will learn current scientific thought about dinosaurs while also gaining a better understanding of how these prehistoric giants fit into Earth Science. Colorful full-page pictures of favorite dinosaurs like Ankylosaurus, Triceratops, Tyrannosaurus rex and many, many more will captivate toddlers. A sizing key will help children understand how big each dinosaur stands next to an average person, along with a simple pronunciation guide for each of the dinosaurs' names, created for grade levels preschool through first grade. Even the biggest of dinosaurs was once a baby. I Am A Dinosaur tells the story of the different stages of life that many dinosaur species lived, giving children an understanding of how these prehistoric creatures evolved and have taken their place in the animal kingdom. Dinosaurs walked the Earth millions of years ago and scientists are still uncovering their fossils today. Let's meet a few!

A fun introduction to prehistoric creatures that are not dinosaurs, and why! Everyone knows what a dinosaur is, right? Well, maybe not. Dinosaurs are actually just one type of extinct animal from prehistoric times. So, what sets them apart? Here, readers are introduced to ten prehistoric animals. Each one looks like a dinosaur. But it's missing at least one key characteristic of all true dinosaurs. Animal by animal, each of those characteristics is added to a growing list, until, by the end of the book, readers know just what makes a dinosaur a dinosaur! A dinosaur by any other name is . . . not a dinosaur, of course!

Welcome to the Wonderful World of Dinosaurs! To all parents, grandparents, and adults looking for a great gift for a child, this book is both entertaining and educational. Kids of all ages and adults will enjoy this book. In this fun-filled, fact-filled, and exciting encyclopedia of dinosaurs, you both will discover fun facts about dinosaurs (famous and not so famous) of the Late Cretaceous Period Find out where the dinosaurs lived, what they ate, when they lived, what size they were, how to pronounce their names, and much more. The at-a-glance dinosaur facts make it easy to find out about your favorite dinosaurs. This book is organized with the reader and child in mind and includes beautiful images.
