A vivid journey back to the time of Krishna, his holy city, and the Mahabharata War • Recounts ecstatic celebrations, Krishna ' s love for his wives and sons, and events surrounding the Mahabharata War • Offers potent spiritual lessons from Krishna ' s teachings and stresses Krishna ' s ability to contain all opposites and stand above duality • Provides a historical timeline and real dates for the Mahabharata War and the sinking of Krishna ' s city beneath the sea Located on the west coast of India in the state of Gujarat, the city of Dwaraka is considered one of the seven holy cities of India. Archaeological discoveries of ruins and artifacts off the city ' s coast have now conclusively proven what many have long believed: Modern Dwaraka is built on the same

site as the famed city of the same name from the Puranas and the Mahabharata, the “ Golden City ” of Lord Krishna. Transporting us back five thousand years to the time of Krishnavatara, the age in which Krishna lived, Vanamali leads us on a journey alongside Lord Krishna as he reigns over the ancient port city of Dwaraka and helps the Pandavas through the Mahabharata War. Recounting ecstatic celebrations, Krishna ’ s love for his wives and sons, and events surrounding the epic war, the author stresses Krishna ’ s ability to contain all opposites and stand above duality like a lotus leaf floating on a running stream. Offering potent spiritual lessons throughout her story, she shows how the truly spiritual individual is able to unreservedly accept all dimensions of life and rise above all dualities of existence, war and peace, love and hate, sex and abstinence, action and meditation. She also provides a historical timeline for the Mahabharata War and the sinking of Krishna ’ s city beneath the sea--3126 BCE and 3090 BCE, respectively--and shows how the Mahabharata War occurred under circumstances quite similar to those of the present day, both politically and astrologically. Through her vivid tale and her personal connection with Krishna across many lifetimes, Vanamali shows how the magic and mystery of Krishna ’ s ancient holy city live on through his spiritual teachings.

Krishna Deities and Their Miracles include traditional pastimes that have been

recorded from years ago, as well as those that are more recent. Wisdom is an essential but often forgotten virtue that has suffered from centuries of misunderstanding and been largely abandoned in contemporary society. ----- *This is a book by a common person for the common population in pursuit of eternal joy and liberation. The content of this book is primarily derived from the timeless wisdom contained in the 'Bhagavad Gita' . I am an independent author, not affiliated with any religious or political organization. I have focused only on extracting the actionable items or 'commandments' from this scripture. I have not made any attempts to re-interpret or provide my own version of the meaning of the verses contained in this scripture. Many great scholars like Swami Ranganathananda, Bhakti Vedanta Swami Prabhupada, Swami Vivekananda, Bal Gangadhar Tilak, Swami Sankaracharya, Georg Feuerstein etc. have all provided excellent interpretations. These are the works that I have drawn inspiration from. How do seemingly "normal" or "ordinary" citizens suddenly find themselves*

committed to a group whose leader promotes criminal activities and isolation from families and friends? What should you do if a loved one becomes indoctrinated by a potentially dangerous cult? By providing specific accounts of dangerous cults and their destructive acts, Snow illustrates how seemingly innocent groups can turn pernicious when under the sway of a charismatic leader with an agenda, or when members take things too far. He offers advice on how to identify cults, how to protect yourself and your family, and what to do if a loved one is ensnared by such a group.

The 5,000 years old ancient wisdom of Bhagavad Gita comprising of 700 verses

was given by God-incarnate Sri Krishna many centuries before the emergence of Christianity, Islam, Buddhism, Sikhism, Judaism and other religions. Gita explains the characteristics of body and soul, Moksha, Nirvana, Self-realization and Karma. Everything said in Bhagavad Gita is of universal nature and applies to all human beings, irrespective of ones caste, religion, age, gender or beliefs. Great spiritual texts like Bhagavad Gita and Upanishads do not belong to one particular culture only; but they belong to the whole world. Every human being has this fundamental question, as to why I am here on this earth? What is the purpose of my life? Is my destiny inextricably linked with the will of God? An in depth study of Gita verses provides the answers to these questions. Dr. Arogyaswami Paulraj, Professor Emeritus, Stanford University, United States wrote, This book is a commendable work of illuminating the universal values of Bhagavad Gita with illustrations of interesting spiritual stories. An absorbing book and a great read, RS Vasan, Director Chennai Centre for Asia Studies wrote in a review, Ajay Gupta has brought out the profound and eternal teaching of Bhagavad Gita as a thoroughly enjoyable book. A must read book of surpassing excellence for both young and old.

Have you ever done non-dual inquiry and said to yourself, "I understand it intellectually, but I don't feel it. It's not my experience!" If so, The Direct Path,

inspired by Sri Atmananda (Krishna Menon), could be for you. This book is the “missing manual” to the Direct Path. For the first time in print, Direct-Path inquiry is presented from beginning to end and beyond, in a user-friendly way. The core of the book is a set of forty experiments designed to help dissolve the most common non-dual sticking points, from simple to subtle. The experiments cover the world, the body, the mind, abstract objects, and witnessing awareness. You are taken step-by-step from the simple perception of a physical object all the way to the collapse of the witness into pure consciousness. Your takeaway is that there’s no experiential doubt that you and all things are awareness, openness, and love. Also included are three tables of contents, illustrations, an index, a section on teaching, and the notion of a “post-nondual realization.” This book can be utilized on its own or as a companion volume to the author’s Standing as Awareness.

What is Spirituality?

Madras or Chennai has a long association with the Ramakrishna Movement from its inception. It was the people of Madras who first recognized the genius of Swami Vivekananda. Apart from Swamiji, the Holy Mother, Swami Brahmananda, Swami Ramakrishnananda and eight other direct disciples of Sri Ramakrishna too visited Madras on different occasions. The first monastery of the Ramakrishna Math in South India was started in Madras by Swami Ramakrishnananda. In the pages of this book the reader will find narrated these associations of the Great Ones with Madras.

This book shows how Hinduism, Indian culture and present-day India may appear to an outsider. It also shows Indian diaspora in different countries. A young boy from another country attempts to learn about India and finds many contradictions. He gets frustrated when he visits India and is determined to change it.

In his dancing position, Shiva is known as Nataraja, the King of dancers, and is one of the most beautiful forms of Lord Shiva. The upper right hand of Shiva, as Nataraja, holds the damaru drum. It shows nothing, but it represents universal development. Meanwhile, the lower right-hand holds a flame of destruction. There are many stories about Shiva's appearance. There is a third eye between Lord Shiva's eyebrows on his forehead as an example. It represents wisdom or inner vision. The other two eyes

represent love and justice. Shiva views everything with the proportions of love, justice, and inner knowledge; thus, he is neither too harsh nor lenient. Shiva's three eyes also symbolize the sun, moon, and fire, how the universe is illuminated. Shiva's wife, Parvati, covered Shiva's eyes with her hands one day, and the entire world was enveloped in darkness. That is how Shiva got his third eye. Shiva ordered the third eye to manifest, producing light, heat, and fire.

This book shows the common teachings of Jesus Christ and Lord Krishna. When we look at Hinduism and Christianity we find totally different ideologies with different doctrines and different gods. But when I studied Bible, I found striking similarities between the teachings of Jesus Christ and Hinduism. In this book I have tried to show those similarities by putting the teachings of Jesus and Krishna together. It is not my intention to show Jesus as a Hindu Guru, I don't know if He had visited India or not. I have just tried to show that the Consciousness of humanity is same everywhere and prophets of different time and place have expressed the same reality about it. - Saurabh

Spiritual Wisdom

Amazing Soulful Adventures of a Young Man to Find the Most Confidential Secrets of Human Life.

This book's aim is to impart the ultimate purpose of human existence, and that goal is called self-realization. "... it is to restore our lost connection with our divine friend, who is, and has always been, situated within the core of our hearts. The conscious effort of reviving one's relationship with the Lord's localized feature is also known as the dovetailing process". The author, Mike Duncan, seeks to imbue to his readers a taste of the stunning truth about God; a taste, said to be so sweet, that it is sure to motivate the sincere truth seeking soul to investigate the eternal transcendental science by which one can come to know everything about Him. The author concludes that this science of self-realization, established personally by God, is the eternally approved method of approaching Him. It is the only means by which one can rise above the illusory bodily conception of life, to the spiritual platform, the platform of reality on which everything is known. In the present degraded age of Kali, the age of quarrel, there is a special potency which is available to persons who accept the descending spiritual authority. His Divine Grace, Srila Prabhupada is the latest descendant from the spiritual world who is authorized by the Lord to present Him to the inhabitants of this mortal world. His Grace is instructing as follows: "One who is ignorant of the scientific knowledge of the soul does not look inside the body to find happiness in the soul. The living being, covered by

the material body, does not see the happiness within himself, but runs after happiness in the material world. When one understands his real identity as spiritual being, he can understand the supreme spiritual being, Krishna, and the real happiness exchanged between Krishna and one's self" (SB, 7-13-29).

In this remarkable book, Master Djwhal Khul lays out the dimensions of the mind in a coherent presentation unlike any other available today. In collaboration with Kathlyn Kingdon, Master Djwhal Khul reveals that the keys to happiness lie within each of us, buried beneath our conditioning and false beliefs, which we mistake for reality. Using this masterful guide, you will discover the importance of dissolving limiting emotional patterns and cutting through the web of illusion, which has held you prisoner in a cage of repeating patterns. We cannot be happy without satisfying our fundamental desire to love. Discover all the intricacies of spiritual love, bhakti, in this devotional classic. This is a summary study of Bhakti-rasamrita-sindhu, the Vaishnava classic written by Rupa Goswami that analyzes

the various stages of bhakti (devotion) as a methodical practice resulting in love of God. Rupa Goswami uses a metaphor comparing an ocean (sindhu) to a devotional relationship with God. The title of the book conveys that loving relationships are enjoyable like sweet nectar and deep like an ocean. However, devotion is truly only meant for the supreme beloved, Krishna. Srila Prabhupada has written this summary study to show the essential understanding of the practices and ideals of Krishna consciousness, and to introduce the Western world to the beauty of devotional concepts. The spiritually thirsty can develop their relationship with Krishna by drinking from the unlimited reservoir of The Nectar of Devotion. Drink deeply.

I have come to understand, that even though one may be born into a Krishna Consciousness family or home, or even if a person has realized the Absolute Truth at death, Lord Krishna, reveals his potency into your soul and you need not a life time but a moment of deep surrender in devotion , and that is when Lord Krishna , is ready to walk with you in Bhakti Yoga. Lord Krishna says “ a devotee is a person who always thinks of me. ”

The ethnic mosaic of North-East India offers a fascinating area of academic discourse which needs to be examined for a clear understanding of the elements of separatism or integration which necessarily carry socio-political ramifications. It attempts to assess the contours of ethno-cultural plurality in the social dynamics of the region as well as about its history, geography, economic and concurrent political scenario fogging with insurgency and terrorism. To be more precise, it deals with the land, the people, history, economy, cultural heritage, ethnical composition, with a socio-political relevance of each state of the North-East India. The present book should be of interest to students, scholars, journalists and policy makers interested in the study of ethnic conflicts, politics, insurgency and identity politics. It should be an indispensable reference tool for students of Political Science, Sociology, History and Anthropology.

Holy Mother Swamiji and Direct Disciples at Madras

The Bhagavad Gita is an ancient Sanskrit scripture with universal appeal that has been read for centuries, but its full meaning is little understood by Western culture. Even those with an encyclopedic knowledge of the Bible find it difficult to apply the Gita's practical lessons to daily living. Vijay Kumar Saxena unveils the mysteries of the text, including what it says about human nature and the "supreme secret" behind everything animate and inanimate in the universe. Learn what the Gita says about questions such as: Why do negative emotions often dominate our nature? Why do we behave as we behave? How can we convert our existential living into living with substance, meaning, and purpose? What is the universal truth of all religions? The author also explores whether there is a way to live life as naturally as a boat floats on a calm sea--cruising ahead and enjoying time with friends--with ample time to be who we want to be. Discover the powerful truths hidden in an ancient, sacred text and appreciate what it means to be human when you Feel the Bhagavad Gita.

Will help you break through the superficial generalities to plumb the depths of religious differences and embrace the commonalities. The problem of radical doubt has threatened the commitment to ultimate truth in many cultures and periods. In Reality, Religion, and Passion, Jessica Frazier compares two thinkers who sought to restore philosophy's passion for truth in cultures threatened by the dispassion of radical doubt. In these complementary but divergent philosophies from Europe and India, each grounded in a transcendental metaphysics that sees consciousness as the basis of reality, two different ethics of vitality and passion take shape. Frazier shows how Heidegger's heir, Hans-Georg Gadamer, uses metaphysical insights borrowed from Plato, Aristotle, Hegel, and Heidegger as the ground for an ethics of 'play' which casts a uniquely positive light on the finitude and flux of the postmodern world-view. Complementing this continental European position, the work of Rupa Gosvami, a poet-theologian of early modern India develops a similar analysis of phenomenal reality into a philosophy not of play, but of passion. From Gadamer's philosophers and poets, to Gosvami's amorous goddess Radha, both visions see salvation in a renewed passion for truth. This journey toward a viable philosophy of life touches on a range of debates in Western philosophy and Indian religion, including the nature of philosophical and religious truths, the perceived goals of philosophy, the history of emotion in reason and religion, and the development of

phenomenological accounts of subjectivity. It establishes a model for comparative philosophical methodology, and aims to contribute to a multicultural history of religious and philosophical reasoning. Above all, this book addresses Badiou's challenge to rediscover 'the passion of the real' and Heidegger's injunction to all thinkers to 'seek the word that is able to call one to faith.'

“Aptavani 2” is the second in a series of spiritual books titled “Aptavani”. In this series, Gnani Purush (embodiment of Self knowledge) Dada Bhagwan addresses age-old unanswered questions of spiritual seekers. Dadashri offers in-depth answers to questions such as: “What is religion?”, “What are the benefits of the different types of religion?”, “How do I understand spirituality vs. religion?”, “What is spirituality?”, “What are the different types of yoga, and how are they relevant to spirituality and practice?”, “How can I experience a spiritual awakening, and attain spiritual enlightenment?”, “How can I lead a spiritual

life?” Dadashri also provides spiritual clarification on the topics of: “What is the meaning of ignorance?”, “Who am I?”, “How can I experience my own pure Soul?”, and “What is moksha, or liberation?” Ultimately, Dadashri describes that knowledge of Self is the primary goal of all seeking, and the beginning of true spirituality. Having attained Self knowledge, spiritual development begins, after which one may attain ultimate liberation, or moksha.

This book is a compilation of various accounts of the stay of Sri Sarada Devi, and Swamis Vivekananda, Brahmananda, Shivananda, Ramakrishnananda, Abhedananda, Vijnanananda, Subodhananda, Niranjanananda, Turiyananda, Trigunatitananda, and Premananda in the city of Madras (now called Chennai). Meticulously referenced, this book contains many valuable photographs and interesting less known facts—like Swami Subodhananda learning Tamil. A tribute to the spirit of Chennai in spearheading the cause of the Ramakrishna movement, it could well be a prized possession of all the admirers of the movement and the city.
