"Hall What are you doing? Don will have your hide for this!" she gasped. She kept her voice light and playful, not wishing to offend him. Hal was an old friend of her husband's and up to now he had always been the perfect gentleman with her. Tonight he had just a bit too much to drink. She could smell it on him as he breathed over her shoulder. "You're so sexy, little Jenny!" he growled into her ear. "I've been hot for you ever since Don introduced us! Whaddya say? You and me, huh? Whaddya say?" He was stroking her belly with one hand, clapping his highball glass with the other. His hips were pushing his groin up and down in the groove of her ass. "Hall Don and your wife are right in the next room! What are you thinking of?" She kept her hands in the water and tried to ignore the bulk of his hard-on as he dry-humped her. She couldn't help it. He had her pinned to the sink... Jenny groaned deeply. What was he trying to do to her? He had to talk dirty to her as well! It was one thing that never failed to turn her on. Don never talked dirty. She was his wife, he said, and he didn't want to use dirty words with her. But she loved it! It thrilled her to hear them. She couldn't help it! When Hal, best friend of Jenny's husband starts to take lewd liberties with her at the kitchen sink, she is bemused to feel how much she wants it. Her husband always treated love-making as just that, making love. But Hal was direct, and dirty, and Jenny she loved every minute of it. Wasting no time at all, at their next group camping trip Hal excusing himself from a canoe ride with his friend Don in order to ride his wife roughly and carnally more than a few times, and Jenny loses herself in the kind of lustful abandon she has never once experienced before. But how far will their extra-marital affair go, what depths of depravity will it sink to? From horny ruttings at stolen moments, to lesbian and gay swinging sessions in-between, performing in front of adult photographers, to MMF no-holes barred play, our young and experienced wife will let her husband's friend mold her into the lascivious nymph she always wanted to be. Will her husband ever suspect and what manner of naughtiness will the whole circle get up to when he does? Graphically detailed and leaving little to the imagination, Desperately Dirty Wife is the debauched tale of a wanton woman in very willing training.

NATIONAL INDIE EXCELLENCE AWARDS WINNER – TRUE CRIME Now that articles, podcasts, newsmagazines, and miniseries have had their sensationalistic say, Debra Newell, the one woman who truly knows what it was like to survive ‘Dirty John’ Meehan shares the full story—the reality—with the world for the first time. Debra Newell is nothing if not a survivor. By the time she met John Michael Meehan online, she lived through a near-fatal childhood illness, an attempted rape in her 20s, the traumatic death of her sister at the hands of her brother-in-law, four failed marriages, and a litany of dating disasters. But despite those tragedies, she seemed to have it all: adoring children, a successful business, a fabulous penthouse apartment. But there was something missing: the blinding, all-consuming love she first read about to occupy her time in her childhood sickbed. And she thought she found it with John Meehan. More than a tabloid-ready true-crime expose, Debra’s story is one of trauma, denial, and deception. But it is also a relatable, inspirational, and hopeful story of forgiveness and, most of all, love. The lengths to which a woman will go to find—and keep—love: the boundaries children and parents cross to protect and save the people they love: the love one must find for oneself and the ways the illusion of love can be used to manipulate and hurt. Told in Debra’s words with the help of New York Times bestselling author M. William Phelps, this book is filled with exclusive stories about Debra and her family, previously unpublished photos, and the

'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and inefable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Investigates how musicals, war films, sex comedies, and Westerns dealt with contentious issues during a time of change in Hollywood. The era known as the Hollywood Renaissance is celebrated as a time when revolutionary movies broke all the rules of the previous "classical" era as part of the ferment of the late 1960s and early 1970s. Yet many films during this era did not overtly smash the system but provided more traditional entertainment, based on popular genres, for a wider audience than the youth culture who flocked to more transgressive fare. Ken Windrum focuses on four genres of traditionalist movies—big-budget musicals, war spectacles, "naughty" sex comedies, and Westerns. From El Dorado to Lost Horizons shows how even seemingly innocuous, family-oriented films still participated in the progressive aspects of the time while also holding a conservative point of view. Windrum analyzes representations of issues including gender roles, marriage, sexuality, civil rights, and Cold War foreign policy, revealing how these films dealt with changing times and redefined the status quo positions and new attitudes. He also examines how the movies continued or deviated from classical principles of structure and style. Windrum provides a counter-history of the Hollywood Renaissance by focusing on a group of important films that have nevertheless been neglected in scholarly accounts. Ken Windrum is Assistant Professor of Cinema at Los Angeles Pierce College.

"Lights, Camera, Soundtrack surveys over 50 years of rock 'n' roll movies, musicals and performance films. It identifies the top guns involved in each film, provides a storyline, rates the film and reviews its soundtrack." "From pop and rock musicals, like the classic Elvis Presley vehicle Jailhouse Rock and the recent Tenacious D showpiece The Pick of Destiny, to performance films like Woodstock and Pigeat, and the bootlicking films of the Blaxploitation genre, all manner of rock and popular music films are here." "It also includes the films whose soundtracks made a massive impact on their success, such as Trainspotting, Reservoir Dogs, and The Crow." "And a section is dedicated to the rock and pop luminaries who have written film scores, such as Peter Gabriel, Nick Cave, and Ry Cooder."--BOOK JACKET.

Mike Royko: The Chicago Tribune Collection 1984–1997 is an expansive new volume of the longtime Chicago news legend's work. Encompassing thousands of his columns, all of which originally appeared in the Chicago Tribune, this is the first collection of Royko work to solely cover his time at the Tribune. Covering politics, culture, sports, and more, Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man. Organized chronologically, these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small-minded in our society. From cagey political points to hysterical take-downs of "meatball" sports fans, Royko's writing was beloved and anticipated anxiously by his fans. In plain language, he "tells it like it is" on subjects relevant to modern society. In addition to his columns, the book features Royko's obituary and articles written about him after his death, telling the tale of his life and success. This ultimate collection is a must-read for Royko fans, longtime Chicago Tribune readers, and Chicagoans who love the city's rich history of dedicated and insightful journalism.
