LEGO Disney Princess My Enchanted Sticker Book

*Prince Liam. Prince Frederic. Prince Duncan. Prince Gustav. You've never heard of them, have you? These are the princes who saved Sleeping Beauty, Cinderella, Snow White, and Rapunzel, respectively, and yet, thanks to those lousy bards who wrote the tales, you likely know them only as Prince Charming. But all of this is about to change. Rejected by their princesses and cast out of their castles, the princes stumble upon an evil plot that could endanger each of their kingdoms. Now it's up to them to triumph over their various shortcomings, take on trolls, bandits, dragons, witches, and other assorted terrors, and become the heroes no one ever thought they could be. Christopher Healy's Hero's Guide to Saving Your Kingdom is a completely original take on the world of fairy tales, the truth about what happens after "happily ever after." It's a must-have for middle grade readers who enjoy their fantasy adventures mixed with the humor of the Diary of a Wimpy Kid books. Witty black-and-white drawings by Todd Harris add to the fun.*

*Margaretha has always been a romantic, and hopes her newest suitor, Lord Claybrook, is destined to be her one true love. But then an injured man is brought to Hagenheim Castle, claiming to be an English lord who was attacked by Claybrook and left for dead. And only Margaretha—one of the few who speaks his language—understands the wild story. Margaretha finds herself unable to pass Colin's message along to her father, the duke, and convinces herself "Lord Colin" is just an addled stranger. Then Colin retrieves an heirloom she lost in a well, and asks her to spy on Claybrook as repayment. Margaretha knows she could never be a spy—not only is she unable to keep anything secret, she's sure Colin is completely wrong about her potential betrothed. Though when Margaretha overhears Claybrook one day, she discovers her romantic notions may have been clouding her judgment about not only Colin but Claybrook as well. It is up to her to save her father and Hagenheim itself from Claybrook's wicked plot.*

*Smart, bookish Belle, a captive in the Beast's castle, has become accustomed to her new home and has befriended its inhabitants. When she comes upon Nevermore, an enchanted book unlike anything else she has seen in the castle, Belle finds herself pulled into its pages and transported to a world of glamour and intrigue. The adventures Belle has always imagined, the dreams she was forced to give up when she became a prisoner, seem within reach again. The charming and mysterious characters Belle meets within the pages of Nevermore offer her glamorous conversation, a life of dazzling Parisian luxury, and even a reunion she never thought possible. Here Belle can have everything she ever wished for. But what about her friends in the Beast's castle? Can Belle trust her new companions inside the pages of Nevermore? Is*

*Nevermore's world even real? Belle must uncover the truth about the book, before she loses herself in it forever.*

Get ready for adventure! Disney's beloved Princesses are back again in this huge, hilarious collection of the Disney Princess comic series from Joe Books. Featuring laugh-out-loud stories from the worlds of Ariel, Belle, Cinderella, Tiana, Pocahontas, Rapunzel, and others, this charming collection will make all of your dreams come true. What would happen if Tiana judged a chili cook-off? Or if Merida took up babysitting? How would Aurora spend a snow day? Jam-packed with wonderful Disney charm and laughter, these enchanting comics are a perfect read for all ages. This volume collects Disney Princess issues #1–14, with beautiful illustrations by Amy Mebberson, Dylan Bonner, Brianna Garcia, and Mitch Leeuwe.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Bored with traditional palace life, Princess Cimorene travels to the Mountains of Morning where she is befriended by a group of powerful dragons and joins in their struggle to protect their kingdom from being taken over by disreputable wizards.

What Your Birthday Character Says about You

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything to be a boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Antonio knows what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the harrowing adventures faced by Pinocchio. It includes 40 illustrations.

Disney Princess: Learn to Draw Favorite Princesses

Pinocchio, the Tale of a Puppet

**With more than 500 characters, from Ariel to Elsa and Peter Pan to Woody, this is the perfect guidebook to all things Disney!**

**Magical tales about princesses from different Walt Disney movies.**

**From Ariel to Zazu, this jacketed hardcover guide features fun facts, tricky trivia, and cool quotes about over 150 Disney heroes (and villains!). Readers will also learn about the stars of the latest Disney and Disney\*Pixar films, like Frozen II, Moana, Onward, and more! Plus there are sections on each page for character autographs and the book jacket reverses to reveal a poster!**

**With Disney Princess: Learn to Draw Favorite Princesses, artists-in-training embark on a thrilling artistic adventure with the Disney princesses! This 128-page book includes drawing projects for all 12 Disney princesses and their friends. Disney Princess celebrates the most magical adventures, each woven around a relatable, empowered heroine who inspires kids (and adults!) to realize their full potential. And you can realize your full artistic potential with Disney Princess: Learn to Draw Favorite Princesses, where you journey to a magic kingdom under the sea to draw the little mermaid Ariel, to an enchanted castle where all the objects come alive to draw Belle, and to China during the Han Dynasty to draw the brave warrior Mulan. This edition also includes the newest princess, Moana! After an introduction to art tools and materials, a series of drawing exercises invites you to warm up and learn a few basic drawing techniques. Then the real fun begins! Find drawing projects for all the Disney princesses: Snow White, Cinderella, Aurora, Ariel, Belle, Jasmine, Pocahontas, Mulan, Tiana, Rapunzel, Merida, and Moana. You can also draw their faithful friends, including Cinderella's mouse companions Jaq and Gus, Jasmine's tiger Rajah, Mulan's guardian spirit Mushu, and more. The easy-to-follow instructions in this book guide you through the drawing process; each step builds upon the last until the character is complete! You just need to grab a pencil, a piece of paper, and your copy of Disney Princess: Learn to Draw Favorite Princesses, and flip to the character you want to draw. Draw the basic shapes shown in step one, and move on to step two, step three, and keep going! The new lines in each step are shown in blue, so you know exactly what to draw. After adding all the details in each step, darken the lines you want to keep and erase the rest. Finally, add color to your Disney princess drawing with felt-tip markers, colored pencils, watercolors, or acrylic paints. Plus, learn some fun facts about the Disney princesses as you learn to draw them. For example, did you know that Aurora from Sleeping Beauty is drawn one thick eyelash? Or that Rapunzel's chameleon friend Pascal has three toes on each foot? Brief character descriptions and art instruction from professional Disney animators round out this exciting artistic adventure. So grab your drawing pencils and go on an artistic journey with the Disney princesses!**
