Gandhi, a CEO? Absolutely—and an incomparable example for our uncertain times, when we need leaders we can trust and admire. Not only was he a moral and intensely spiritual man, but also a supremely practical manager and a powerful agent for change, able to nurture the rebirth of an entire nation. Alan Axelrod looks at this much-studied figure in a way nobody has before, employing his fluid, engaging, and conversational style to bring each lesson to life through quotes and vivid examples from Gandhi's life. New paperback.

Star Wars : the Original Trilogy

A brand new collection of twelve action-packed retellings that span the entire Star Wars saga-including two tales from Star Wars: The Last Jedi! These exciting stories can each be read in just five minutes-perfect for galactic adventures at lightspeed!

A cheery account of a chubby law graduate, as he waddles through life and law text books, in his rather futile attempts at wooing his pretty Gujarati classmate. Ankur Palekar, a third year law student believes his life is quite sorted out, except that he does not want to become a lawyer, has a family history of lunacy and has actually fallen in love. Vyas, Ankur's room mate and best friend, has no such problems – only a girl friend who emerges from a grave yard of all places and who insists on visiting him in his boy's hostel. A Malayali friend, whose car never starts and vocal chords never stop, a college festival being organized without the college and an arranged marriage which is more deranged than arranged are some of the other highlights. Funny, pacey, yet it has it's moments, "When a Lawyer falls in love..." Is the kind of book, that will make you laugh and cry, both for the same reasons!

A long time ago in a galaxy far, far away... An Empire grows stronger. A rebellion is threatened. A young apprentice learns from a wise master. An identity is revealed. The journey takes a dark turn.

No movie tie-in beats Ice Age for playground "cool"—and this fun-filled activity book will provide hours and hours of enjoyment for young fans. It's absolutely packed with stickers, stencils, pullout craft paper, games, puzzles, doodling, coloring, and more. Kids will have a blast drawing Manny, creating a lovable Scrat mask, or steering the herd safely through an icy maze. Stills and character art from the blockbuster Ice Age films illustrate all the activities.

The next in Alan Axelrod's engaging and popular CEO series spotlight's a perfect subject: Napoleon, the brilliant military strategist who also laid the administrative and judicial foundations for much of Western Europe. Axelrod looks at this much-studied figure in a new way, exploring six areas that constitute the core of what made Napoleon a great leader: Audacity, Vision, Empathy, Strategy, Logistics, and Tactics. Within these areas Axelrod formulates approximately 60 lessons framed in military analogies, valuable for anyone who aspires to leadership, whether in the boardroom or the Oval Office.

The Story Reader Me Reader and Disney Classics 8-Book Library is a new electronic reading system from the makers of Story Reader 2.0. The New York Times Best Seller Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Yoda to a hungry wampa. Many a fortnight have passed since the destruction of the Death Star. Young Luke Skywalker and his friends have taken refuge on the ice planet of Hoth, where the evil Darth Vader has hatched a cold-blooded plan to capture them. Only with the help of a little green Jedi Master—and a swaggering rascal named Lando Calrissian—can our heroes escape the Empire's wrath. And only then will Lord Vader learn how sharper than a tauntaun's tooth it is to have a Jedi child. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy.What light through Yoda's window breaks? Methinks you'll find out in the pages of The Empire Striketh Back!

***Mood mapping simply involves plotting how you feel against your energy levels, to determine your current mood. Dr Liz Miller then gives you the tools you need to lift your low mood, so improving your mental health and wellbeing. Dr Miller developed this technique as a result of her own diagnosis of bipolar disorder (manic depression), and of overcoming it, leading her to seek ways to improve the mental health of others. This innovative book illustrates:
* The Five Keys to Moods: learn to identify the physical or emotional factors that affect your moods
* The Miller Mood Map: learn to visually map your mood to increase self-awareness
* Practical ways to implement change to alleviate low mood
Mood mapping is an essential life skill; by giving an innovative perspective to your life, it enables you to be happier, calmer and to bring positivity to your own life and to those around you.

Telling the story of the nineties through the TV that we watched and the people who made it, this is a kiss under the mistletoe with the shows the defined a nation and a fumble with the things that fell through the cracks. From "Bullseye" to B*Witched, Ben Baker takes a nostalgic potter through the past whilst documenting its impact on the present. Its an era where we said "Eh-oh" to the Teletubbies and goodbye to the Trotters, Noel Edmonds was everywhere and people nervously waited out the Millennium and the end of times it would inevitably bring. A time where mobile phones, the internet and DVD were becoming an affordable reality yet co-existed in a world where Bamboozle on Teletext, the Funfax and VHS cassette labels marked in red ink "MUM'S TAPE - SOLDIER SOLDIER - DO NOT TOUCH" were still a regular sight in many homes. Programmes featured include "Bruce Forsyth's Generation Game", "Bernard and the Genie", "Des O' Connor Tonight", "Stella Street", "The Wrong Trousers", "Teletubbies", "Newman and Baddiel Christmas in Pieces", "The Ghosts of Oxford Street", "Maid Marian and Her Merry Men", "TFI Friday", "Men Behaving Badly", "Auntie's Bloomers", "Z Point 4 Children", "Stars in Their Eyes", "Light Lunch", "Walker, Texas Ranger", "Dinnerladies", "Beavis and Butt-Head", "Father Ted", "Gladiators", "The Tony Ferrino Phenomenon", "The Flint Street Nativity" and "The Wizard Of Oz...On Ice". No really. Plus star names including Take That, Madonna, Harry Hill, Quentin Crisp, Lemmy Henry, Mrs Merton, Willie Carson, Adam and Joe, Johnny Vegas, Rory Bremner, Edd The Duck, Mr Blobby, Lulu, Buffy the Vampire Slayer and the Spice Girls. It was the nineties and it feels like it happened only two minutes ago and simultaneously in another lifetime.
