

Disney Whos Who An A To Z Of Disney Characters

Discover the art of Pixar’s favorite characters through this miniature collection of sketches, paintings, film stills, and more.

Walt Disney always loved to entertain people. Often it got him into trouble. Once he painted pictures with tar on the side of his family’s white house. His family was poor, and the happiest time of his childhood was spent living on a farm in Missouri. His affection for small-town life is reflected in Disneyland Main Streets around the world. With black-and-white illustrations throughout, this biography reveals the man behind the magic. This book is not authorized, licensed or endorsed by the Walt Disney Company or any affiliate.

Blast into outer space with Buzz Lightyear, take a road trip with Lightning McQueen, and just keep swimming with Nemo and Dory. Enter the magical world of Pixar and learn all about your favourite characters - playful toys, brave bugs, big red pandas, sea monsters, and so much more! ©Disney/Pixar 2022

One Day at Disney is an ambitious and bold global event that will showcase unique stories capturing a typical day of magic makers around the world. The project will feature authentic, unplanned moments and cast members that bring just as much joy and “magic” to our guests as our content and experiences do.

Part of Insight’s ongoing series of miniature storybooks for kids, this tiny book is a unique collector’s item that Disney fans will treasure for years to come.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question the role of Disney films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection. This number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts are discussed according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the ugly of Disney forward.

The ideal gift for Disney fans and animation and movie buffs, The Disney Book also includes 3 original movie frames from Disney Pixar’s Brave. Copyright © 2015 Disney.

In November of 1965, after numerous months of speculation surrounding a mystery industry that had been purchasing large amounts of land in central Florida, Walt Disney finally put an end to the rumors. He announced to the public his grandiose plans for the thousands of acres he had secretly purchased. For the eighteen months prior to the announcement, Walt entrusted a small group of men to covertly make these purchases. Next, they were tasked with drafting a legislative act to submit to the state of Florida that would allow Disney to wield nearly absolute legal control over the property under a quasi-government municipality. Staying true to its storytelling roots, Disney wove a tale of mystery centered around a high-ranking CIA operative, who was rumored to have been, just a few short years before, the paymaster behind the Bay of Pigs Invasion in Cuba. This savvy and well-connected CIA agent became the de facto leader for the group of Disney executives and attorneys who orchestrated and executed a nearly perfect plan to keep Disney’s identity a secret from the public by utilizing aliases, shell corporations, and meandering travel itineraries, all in an effort to protect the company’s identity during the land acquisition process. As told through the personal notes and files from the key figures involved in the project, Buying Disney’s World details the story of how Walt Disney World came to be, like you’ve never heard before. From conception to construction and everything in between—including how a parcel of land within Disney’s Fort Wilderness Resort was acquired during a high-stakes poker game—explore how the company most famous for creating Mickey Mouse acquired central Florida’s swamps, orange groves, and cow pastures to build a Disney fiefdom and a Magic Kingdom.

Disney’s Villains meet Gotham in this gritty fairy tale-inspired crime series. Mary Elizabeth Hart is a high school senior by day, but by night she’s an intern at the Monarch City police department. She watches with envy from behind a desk as detectives come and go, trying to contain the city’s growing crime rate. For years, tension has simmered between the city’s wealthy elite, and their plans to gentrify the decaying neighborhood called the Scar - once upon a time the epicenter of all things magic. When the daughter of one of the city’s most powerful businessmen goes missing, Mary Elizabeth is thrilled when the Chief actually puts her on the case. But what begins as one missing person’s report soon multiplies, leading her down the rabbit hole of a city in turmoil. There she finds a girl with horns, a boyfriend with secrets, and what seems to be a sea monster lurking in a poison lake. As the mystery circles closer to home, Mary finds herself caught in the fight between those who once had magic, and those who will do anything to bring it back. This dark and edgy YA series explores the reimagined origins of Maleficent, Ursula, Captain Hook, and other infamous Disney Villains like you’ve never seen before.

What do you get when you combine a dog from the wrong side of the tracks with the pampered pooch? Disney’s Lady and the Tramp is truly one of the most beloved animated films of all time! Pinocchio, the Tale of a Puppet

Frozen (Disney Frozen)

Disney Pixar Character Encyclopedia Updated and Expanded

Tangled

With more than 500 characters, from Ariel to Elsa and Peter Pan to Woody, this is the perfect guidebook to all things Disney!

Brer Rabbit. Uncle Remus. Song of the South. Racist? Disney thinks so. And that’s why it has forbidden the theatrical re-release of its classic film Song of the South since 1986. But is the film racist? Are its themes, its characters, even its music so abominable that Disney has done us a favor by burying the movie in its infamous Vault, where the Company claims it will remain for all time? Disney historian Jim Korkis does not think so. In his newest book, Who’s Afraid of the Song of the South?, Korkis examines the film from concept to controversy, and reveals the politics that nearly scuttled the project. Through interviews with many of the artists and animators who created Song of the South, and through his own extensive research, Korkis delivers both the definitive behind-the-scenes history of the film and a balanced analysis of its cultural impact. What else would Disney prefer you did not know? Plenty. Korkis also pulls back the curtain on such dubious chapters in Disney history as: Disney’s cinematic attack on venereal disease Ward Kimball’s obsession with UFOs Tim Burton’s depressed stint at the Disney Studios Walt Disney’s nightmares about his stomping an owl to death Wally Wood’s Disneyland Memorial Orgy poster J. Edgar Hoover’s hefty FBI file on Walt Disney Little Black Sunflower’s animated extinction Plus 10 more forbidden tales that Disney wishes would go away. Whether you’re a film buff, an armchair academic, or a Disney fan eager to peek behind Disney’s magical (and tightly controlled) curtain, you’ll discover lots you never knew about Disney. With a foreword by Disney Legend Floyd Norman, Who’s Afraid of the Song of the South? is both authoritative and entertaining. Jim Korkis is the best-selling author of Vault of Walt, and has been researching and writing about Disney for over three decades. The Disney Company itself uses his expertise for special projects. Korkis resides in Orlando, Florida.

Dont miss out on this revised and updated guide to favourite Disney and Pixar characters! Each page features fun facts, tricky trivia and cool quotes about Disney heroes and villains, from Aladdin to Zazu. Just turn the pages to get the inside scoop, and be a Disney expert in no time!

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.
