

Divine Life Sivananda

This instructive book carries in itself a life-transforming value. None who reads it, with the needed interest and attention, will ever feel inclined to remain unchanged in personal nature and untransformed in conduct and character. A good deal of careful judgment and confidence would assist us in asserting that no one who reads this work, will fail to resist the readiness to make of his own will a Power that alters and exalts his own life and destiny. The work is fraught with implicit guidance for turning our personalities into forces of compelling influence and charm, and for rendering our lives into so many grand stories of the epic unfoldment of the Divine Truth we enshrine, the Divine Light we bear, and the Divine perfection we hold in our inner being.

The Science of Pranayama

Sri Swami Sivananda commemoration volume of the fifteenth All-India Divine Life Conference, Patna ; 15th to 18th Decembere, 1962

Swami Sivananda and the Divine Life Society

The Divine Life

Practice of Karma Yoga

Hinduism Clarified and Simplified is the best book on Hinduism written so far; and most exclusive and exhaustive one. Almost everything worth mentioning has been included in it. Sanatana Dharma, the Eternal Religion, is now called Hinduism. According to Manusmriti, it is Manava Dharma: Human

Religion, the Religion for all human beings. Hinduism as the Manava Dharma wishes all to be happy and healthy: sarve bhawantu sukhinah. Hinduism as Eternal Religion asks all to grow from inside and absorb cosmic energy; to know the self and the Creator Brahman; and to get united to that Absolute God through pure deeds, moral acts, penance and meditation for moksha (Salvation). Read, think, and follow the dictates of sublime and divine visionary rishis for knowledge, control, balance, hope and faith; for complete living through dharma, artha, kama and moksha; for health, happiness, peace, pleasure, prosperity, revelation and enlightenment; and freedom from the endless cycle of birth, death and rebirth.

Advice to Women

Bliss is Within

Through shrewd marketing and publicity, Hindu spiritual leaders can play powerful roles in contemporary India as businessmen and government officials. Focusing on the organizations and activities of Hindu ascetics and gurus, Lise McKean explores the complex

interrelations among religion, the political economy of India, and global capitalism. In this close look at the business of religion, McKean traces the ideological and organizational antecedents to the Hindu nationalist movement. The Indian state's increasing patronage of Hindu institutions makes competition for its support greater than ever. Using materials from guru's publications, the press, and extensive field research, McKean examines how participation by upper-caste ruling class groups in the Divine Life Society and other Hindu organizations further legitimates their own authority. With a remarkable selection of photographs and advertisements showing icons of spirituality used to sell commodities from textiles to cement to comic books, McKean illustrates the pervasive presence of Hindu imagery in India's burgeoning market economy. She shows how gurus popularize Hindu nationalism through imagery such as the goddess, Mother India, and her martyred sons and daughters.

This book contains many discourses by the author, renamed Navajata by the Mother, on the sadhana of Sri Aurobindo's Integral Yoga: how can we make our life more perfect; what is the highest an individual can do; how can the whole world be happy, how can yoga be practised at each moment of one's life; can destiny be changed, can death be conquered - how can one attain a divine life in a divine body.
