**This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.**

**Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.**

**"Nutrition for Intuition shows the connection between what we eat and our spiritual abilities. Previous books have spoken about how to become psychic, and how to trust your intuition, through meditation, prayer, and so on. And, of course, these methods are extremely effective. However, this book is different because it recognizes that meditation alone may not change your intuition if you continue to ingest unhealthy, low-vibration foods. Nutrition for Intuition speaks about how to enhance your natural gifts by combining good dietary practices with energizing spiritual techniques. This book also covers the pineal gland and its connection to clairvoyance, as well as the energetic properties of nutritional supplements like zinc and magnesium. Readers will learn exactly what to eat and drink to increase their intuition, and what to avoid in their diets."--**

**Do you crave chocolate, bread, cheese, fries, or other foods? If so, there's a reason why, as Doreen Virtue's breakthrough book explains. Each food craving actually corresponds to a specific underlying emotion; so once you understand the meaning behind your particular craving and apply the information and affirmations within these pages, you'll be able to heal your cycle of emotional overeating. In addition, you'll read scientific studies about the mood- and energy-altering properties of each food, which will help you see how your appetite perfectly mirrors your emotions. This comprehensive and empowering guide will also show you how to give "food readings" to yourself and others, allowing you to accurately interpret the meaning behind many cravings. Constant Craving is a one-of-a-kind book that will give you the emotional, physical, and spiritual tools you need to make friends with food . . . and your appetite!**

*DIVMedieval manuscript of ceremonial magic. Basic document in Aleister Crowley, Golden Dawn groups. /div*

*They have... books with these terrible, awe-inspiring Names... they know that the use of these mysterious Names, without due and careful preparation, brings with it calamity and premature death. -from the introduction How much ancient wisdom was lost in the medieval years! here laments Moses Gaster, one of the most prominent Jewish theologians and folklorists of the late 19th century. In 1896, he translated a fragmentary relic of Gnostic literature, a manuscript concerned with the many secret names of God believed by Kabbalists to wield enormous magical power, but in the discussion that here precedes the translation, Gaster acknowledges that this document only hints at the texts that may be lost forever. It remains a tantalizing peek into archaic occult mysteries. Jewish scholar MOSES GASTER (1856-1939) was born in Romania but emigrated to England, where he lectured at Oxford University. His wrote numerous books of theology, folklore, history, and literature, including History of Rumanian Popular Literature (1883) and five-volume Sephardic prayer book (1901-6).*

*For thousands of years the great spiritual adepts from all corners of the globe have guarded the secret teachings enclosed in this book. Now, we are able to receive these teachings so that we too may be able to cultivate the high spiritual levels that have been lost for ages. The Divine Science is the systematic and exact process of the discovery of the mystical capabilities of the human soul. In all ancient religions and cultures the wise men and women used sacred words, the intonations of mantras, and the use of the magical art of Theurgy (mysticism or white magic). This book is filled with direct instruction and practices that anyone can use in order to discover the depth of authentic mysticism.*

*• Details how sacred sites resonate at the same frequencies as both the Earth and the alpha waves of the human brain • Shows how human writing in its original hieroglyphic form was a direct response to the divine sound patterns of sacred sites • Explains how ancient hero myths from around the world relate to divine acoustic science and formed the source of religion The Earth resonates at an extremely low frequency. Known as "the Schumann Resonance," this natural rhythm of the Earth precisely corresponds with the human brain's alpha wave frequencies--the frequency at which we enter into*

*and come out of sleep as well as the frequency of deep meditation, inspiration, and problem solving. Sound experiments reveal that sacred sites and structures like stupas, pyramids, and cathedrals also resonate at these special frequencies when activated by chanting and singing. Did our ancestors build their sacred sites according to the rhythms of the Earth? Exploring the acoustic connections between the Earth, the human brain, and sacred spaces, David Elkington shows how humanity maintained a direct line of communication with Mother Earth and the Divine through the construction of sacred sites, such as Stonehenge, Newgrange, Machu Picchu, Chartres Cathedral, and the pyramids of both Egypt and Mexico. He reveals how human writing in its original hieroglyphic form was a direct response to the divine sound patterns of sacred sites, showing how, for example, recognizable hieroglyphs appear in sand patterns when the sacred frequencies of the Great Pyramid are activated. Looking at ancient hero legends--those about the bringers of important knowledge or language--Elkington explains how these myths form the source of ancient religion and have a unique mythological resonance, as do the sites associated with them. The author then reveals how religion, including Christianity, is an ancient language of acoustic science given expression by the world's sacred sites and shows that power places played a profound role in the development of human civilization.*

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

As you read this fascinating book, you'll find that you can heal yourself and others; rapidly manifest your heart's desires; and commune with angels, goddesses, fairies, and ascended masters! In this true spiritual adventure story and reference book, Doreen writes about the enlightened beings who can unlock the magical gifts within you. In Part I, you'll travel with Doreen through a Sedona sweat lodge, the Polynesian island of Moorea, a goddess temple at the Isle of Avalon, and other exotic locations. You'll read the powerful messages she received from Mother Mary while visiting Lourdes, and you'll peek over Doreen's shoulder as she gives psychic readings and receives information about Lemuria, merpeople, and the new Rainbow Children. Part II alphabetically lists and describes the attributes of goddesses and angels in an easy-to-use guide that will help you awaken your innate spiritual abilities.

This is the extended and annotated edition including \* an extensive annotation of almost 10.000 words about the oracles in religion \* an interactive table-of-contents \* perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world. And within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. The Kybalion: A Study of the Hermetic Philosophy of Ancient Egypt and Greece is a book originally published in 1908 by New Thought author William Walker Atkinson under the pseudonym "Three Initiates". This book is not exactly The Kybalion itself, it is more of a critical interpretation by Atkinson on hermetic philosophy. As such, it should be read with this in mind that it is an authoritative hermetic text, but one only dedicated to Hermes Trismegistus. The Kybalion presents seven universal principles it proposes to be the Seven Hermetic Principles: Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. These principles are essentially explications of cycles, and before these principles is the notion of the principle of the cause of All (philosophical mentalism). This idea of mentalism is inspired by what is written about the Mind in The Hermetica. Coinciding with Spiritualism, New Thought, and Theosophy, the book became very popular in New Age movements, particularly with its notion of spiritual and mental alchemy. The Kybalion is a text which must be read with this in mind, while it is an interpretation of hermetic philosophy, it is in part still a relic of its time. Its influence cannot be understated, and the need to read it critically cannot be overstated.

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, *Angel Medicine* is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading *Angel Medicine*.

The Kybalion is divided into mentalism, correspondence, vibration, polarity, rhythm, gender, and cause and affect. Based upon ancient Hermeticism, the philosophies became founding pillars within the New Thought movement of the early 1910s.

A Study of The Hermetic Philosophy of Ancient Egypt and Greece

The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

Caroline Myss, author of the New York Times bestsellers *Anatomy of the Spirit* and *Why People Don't Heal and How They Can*, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, *Sacred Contracts* is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don't understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, *Sacred Contracts* is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.

The Magus, or Celestial Intelligencer; being a Complete System of Occult Philosophy is a handbook of the occult and ceremonial magic compiled by Francis Barrett and published in 1801. This book facilitated the modern revival of magic by making information from otherwise rare books readily available. It may have influenced novelist Edward Bulwer-Lytton and occultist Eliphas Levi. More controversially, it has been identified as an influence on Joseph Smith, Jr., founder of the Latter Day Saint movement, in Reed C. Durham, Jr.'s speech "Is There No Help for the Widow's Son?" Kabbalistic initiatory teachings for becoming a vessel for illumination, prophecy, and peace by creating an inner dwelling place for God's divine presence • Reveals practices for self mastery and revelation based on the holy design of the first Hebrew Sanctuary, the lives of the Hebrew Prophets, and the Tree of Life • Shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul Many synagogues and churches, including the First and Second Temples of the Hebrews, follow an archetypal design first used in the Ohel Moed, or Tent of Meeting, and its sacred Tabernacle, which housed the Ark of the Covenant and the Ten Commandments. Drawing from a wealth of sources including the Hebrew Bible, the oral Mishnaic tradition of Judaism, and 16th-century Judaic texts, Zohara Hieronimus explains how, like the Ohel Moed, we are designed to receive and reflect the divine qualities of the Creator. Exploring the kabbalistic initiatory teachings within the Chassidic tradition of Judaism and the lives and writings of the Hebrew prophets, she reveals how our physical and spiritual worlds are not

separate but interdependent, one affecting the other, often in unexpected and sometimes miraculous ways. Examining the ten-part system of Kabbalah's Tree of Life as reflected in the holy design of the Hebrews' first Sanctuary, Hieronimus shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul. Starting from Malchut (Kingdom) at the bottom of the Tree of Life and ascending to Keter (Crown) at the top, the author discusses related biblical and scholarly texts and traditional Hebrew practices and teachings that can lead to spiritual enlightenment, illumination, and peace, allowing each of us to become a sanctuary for God's presence through self-refinement, ritual devotion, and prayer, as practiced since biblical times.
