

Divorceless Relationships

Author Marques Lewis delivers uplifting messages into "Never Settle...Never Again." A relationship book for women to know their worth and stop settling for less. "Never Settle...Never Again" relationship book will bring powerful discussions and different point of views between you and your girlfriends.

In this groundbreaking book, Michele Weiner-Davis gives straightforward, effective advice on preventing divorce and how couples can stay together instead of coming apart. Using case histories to illustrate her marriage-enriching, divorce-preventing techniques, which can be used even if only one partner participates, Weiner-Davis shows readers: * How to leave the past behind and set attainable goals * Strategies for identifying problem-solving behavior that works—and how to make changes last * "Uncommon-sense" methods for breaking unproductive patterns Inspirational and accessible, *Divorce Busting* shows readers in plain language that working it out is better than getting out.

This book provides "a refreshing and new perspective on these children who are so different from their peers. Co-authored by three practitioners who have had remarkable success working with them, this book is filled with practical tools, stories, observations, and life changing questions that can be used by anyone who has one of these kids in their life and who is looking for something different. These children are magical and you are sure to fall in love with many of them. " --Publisher.

What if you lived in a world where everybody was kind to each other? What if you were the one who could assist in creating that? What if you had a relationship that was loving, caring, and receiving--and not unaware, not hating, and not judging? Gary Douglas is on a mission to end the perpetual conflict between men and women. *Salon des Femmes* is based on a series of teleclasses Douglas held with a group of women. They discussed men, sex,

Read Free Divorceless Relationships

relationships, men's and women's roles, and creating amazing, harmonious relationships. It blends the ground-breaking Access Consciousness® tools and processes, insightful revelations and heart-warming inspiration. Says Douglas: "My desire is to give women in the world a greater sense of peace with others and peace with self and the place where they wouldn't feel like they have to fight for everything they are getting." Douglas encourages women to become "pragmatists of femininity," applying their feminine power to create what they want. A "pragmatic relationship" is where partners strive to make things work for everyone involved, he says. "Happily ever after doesn't occur unless you are willing to become pragmatic about your choices." "Salon des Femmes is a profound book. If it's read with care, it will change women's lives in really big ways."

EASTER MORNING, 2014 His worldly possessions in a handful of trash bags, his divorce less than a day old, Chuck Crumpton arrived alone to his empty new apartment and wondered, How did I get here? Wasn't I walking the perfect path in building my career, my home, my family? Where do I go from here? Chuck's path was never a straight line. Raised picking tobacco on a family farm in North Carolina, Chuck's journey would take him from a young adulthood struggling to reconcile his faith with a fundamentalist Christian community, to a successful, all-consuming career,

Read Free Divorceless Relationships

culminating in founding and becoming CEO of a multi-million-dollar healthcare consulting firm. As Chuck walked out of that lonely apartment to rebuild his life, he vowed to heal from his failures, learn from his imperfections, and devote his time to the little things that matter most. In *The Jagged Journey*, Chuck chronicles his life's responsibilities and relationships, gains and losses, adversity and growth. He finds a path forward in understanding, thankfulness, healing, transparency, and vulnerability. Through Chuck's tears of joy and pain, we can learn more about our own path. Because his story offers hope. Though our journey may be jagged, it doesn't always end on a sharp curve. Sometimes the sharpest curves reveal the most profound new beginnings.

The Manual You Should Have Been Given When You Were Born is not like any other body book you've ever read. It's about functioning with your body from the perspective of beingness. It explores how you, as an infinite being, can experience greatness with your body. "What if your body were an ongoing source of joy?" This book may go against everything you've ever thought, everything you've been taught and everything you've read; and everything you have brought that everyone else believes. It doesn't claim to give you all the answers. Instead it will encourage you to ask the questions that will allow you to enjoy the body you currently have and to

create your body so that you can truly enjoy it. Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding—hers—and shares anecdotes and advice from dozens of other nontraditional couples. She also includes a chapter on budget weddings in today's weak economy, along with sidebars, tips, tricks, and planner encouragement to help you figure out your special day. What results is a combination of hilarious wedding stories and tons of helpful how-tos—a perfect mash-up of memoir and handbook. At once practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process—from unique ideas on how to announce their engagement all the way to answering the question, “So, how’s married life?” *Offbeat Bride* is the ultimate guide to the alternative wedding of your dreams, and with *Offbeat Bride*, she brings you a book that serves both as an encouragement and celebration of aisles less traveled.

How To Become Money Workbook

Can a man be honorable, kind, and caring as well as potent?

For over a decade, Dr. Dain Heer, internationally renowned author, speaker, and co-creator of Access Consciousness, has been providing resources to deal with these issues. Now, in this uniquely conversational and interactive work, he empowers men (and women who want to understand what the men in their lives may be facing) to answer the questions at the heart of this challenge. First and foremost, says Dr. Heer, "being a true gentleman is about being the greatest you can be as a man-whatever that looks like for you," and his book is full of tools and strategies to help you get there. With his trademark honesty, playful curiosity, and humor, he offers compelling insights and powerful, transformative questions that will help you open up to new possibilities. You'll explore how you may be cutting off parts of yourself to fit into the boxes of others' expectations--and an effective tool to let go of toxic beliefs, clearing the way for new, authentic experiences in your life. You'll discover the myths and ingrained patterns that can ruin your chances for a fulfilling relationship and how to build nurturing connections with both the men and women in your life (as well as with the man in the mirror). And

Read Free Divorceless Relationships

finally, you'll learn keys for honoring others without losing yourself and for inspiring the next generation with the three gifts a gentleman can give to the children in his life. Today gender relations are at a crossroads. While there are many valuable conversations supporting women through this journey, our culture is also facing a masculinity crisis as we redefine views about manhood and what it means to be a gentleman.

In *The Gentlemen's Club*, Gary Douglas, the founder of Access Consciousness(R), and a diverse group of men talk candidly about women, relationships, sex, sexual energy, masturbation, and being a man in this reality. Their wide-ranging conversations are in turn, funny, moving, outrageous, raunchy, and profound. Douglas offers ground-breaking Access Consciousness tools and processes, insightful revelations, and incredible information about how to talk to a woman, how to stimulate her body, how to create orgasms by expansion rather than contraction, and how to create sex and relationship from an awareness of what is rather than a fixed point of view about what they are supposed to be. Speaking of relationships, he says, "Sometimes people say to me, 'You don't like relationships.' No. It's that I don't like bad relationships. I see no reason for there to ever be a bad relationship. If you have a relationship, it should be something that adds to your life and makes it greater and better and more fun. If a relationship doesn't do that, why be in one?" Douglas also talks about trusting yourself as a man, creating a sense of partnership with other men, and discovering what it is that would make you thrilled with your life. Praise from Gentlemen's Club Participant: "I'm so grateful for *The Gentlemen's Club*. For the first time in my life, I'm happy

about being a man and being in a man's body." Praise from Gentlemen's Club Participant's wife: "Thank you so much for doing these classes. I've got back the man that I fell in love with."

This Handbook presents up-to-date scholarship on the causes and predictors, processes, and consequences of divorce and relationship dissolution. Featuring contributions from multiple disciplines, this Handbook reviews relationship termination, including variations depending on legal status, race/ethnicity, and sexual orientation. The Handbook focuses on the often-neglected processes involved as the relationship unfolds, such as infidelity, hurt, and remarriage. It also covers the legal and policy aspects, the demographics, and the historical aspects of divorce. Intended for researchers, practitioners, counselors, clinicians, and advanced students in psychology, sociology, family studies, communication, and nursing, the book serves as a text in courses on divorce, marriage and the family, and close relationships.

What would it be like to begin enjoying your body no matter what size, shape, age or fitness? Isn't it time to stop the patterns and habits with your body that keep you stuck? Is your body an ease or burden? This is a very different perspective about bodies and your ability to change yours. It might all be easier than you ever knew was possible!

Understanding the Divorce Cycle

Return of the Gentleman

Divorceless Marriage

Renegotiating Family Relationships

Married for Good

Growing up in a divorced family leads to a variety of difficulties for adult offspring in their own partnerships. One of the best known and most powerful is the divorce cycle, the transmission of divorce from one generation to the next. This book examines how the divorce cycle has transformed family life in contemporary America by drawing on two national data sets. Compared to people from intact families, the children of divorce are more likely to marry as teenagers, but less likely to wed overall, more likely to marry people from divorced families, more likely to dissolve second and third marriages, and less likely to marry their live-in partners. Yet some of the adverse consequences of parental divorce have abated even as divorce itself proliferated and became more socially accepted. Taken together, these findings show how parental divorce is a strong force in people's lives and society as a whole.

As many "good" marriages crumble around us, every couple has wondered if they, too, could end up divorced. Is there any way to prevent it? Is there any way to make sure you are married for good? In this book, Paul Stevens lays the foundation for a healthy, growing, permanent relationship.

Are You a Lady or a Woman? The Lady is about a kind, elegant, playful--and very powerful--way of being in the world that extends to all aspects of life, from business, money and parenting to flirtation, seduction and sex. A lady is a source of power that creates possibility. She chooses to be everything

that she is without being defined by what others think she should be. She knows what she desires and how to get it. She leads without controlling--she never has to compete with anyone. This book is about fully receiving and enjoying the beauty, power, fun and excitement of who you are. It describes a way of being that welcomes men and women to be kind, understanding, and knowledgeable about the world and how to navigate it. "A lady is always an inspiration to others, just by knowing who he or she is."

This is a sharp and refreshing departure from conventional books about sex and relationship that are based on psychological theories and principles. "If those really worked," writes Gary Douglas, "wouldn't you have been free, expansive and joyful in your relationship a long time ago?" Funny, frank, and delightfully irreverent, *Sex Is Not a Four Letter Word but Relationship Often Is*, offers readers an entirely fresh view of how to create great intimacy and exceptional sex, and provides answers to questions you may never have thought to ask.

The Handbook of Religion and Health has

Read Free Divorceless Relationships

become the seminal research text on religion, spirituality, and health, outlining a rational argument for the connection between religion and health. The Second Edition completely revises and updates the first edition. Its authors are physicians: a psychiatrist and geriatrician, a primary care physician, and a professor of nursing and specialist in mental health nursing. The Second Edition surveys the historical connections between religion and health and grapples with the distinction between the terms 'religion' and 'spirituality' in research and clinical practice. It reviews research on religion and mental health, as well as extensive research literature on the mind-body relationship, and develops a model to explain how religious involvement may impact physical health through the mind-body mechanisms. It also explores the direct relationships between religion and physical health, covering such topics as immune and endocrine function, heart disease, hypertension and stroke, neurological disorders, cancer, and infectious diseases; and examines the consequences of illness including chronic pain, disability, and quality of life. Finally, the Handbook reviews research methods and addresses applications to clinical practice. Theological perspectives are interwoven throughout the chapters. The Handbook is the most insightful and authoritative resource available to anyone who wants to understand

the relationship between religion and health. What if you don't have to divorce you in order to create an intimate relationship? Most of us spend a lot of time divorcing parts and pieces of ourselves in order to care for someone else. For example, you like to go jogging but instead of jogging, you spend that time with your partner to show him or her that you really care. "I love you so much that I would give up this thing that is valuable to me so I can be with you." This is one of the ways you divorce you to create an intimate relationship. How often does divorcing you really work in the long run? When you give up any part of yourself, you give up what was so attractive about you to that other person in the first place and pretty soon the other person doesn't want to be with you anymore. A divorceless relationship is one where you don't have to divorce any part of you in order to be in a relationship with someone else. It is a place where everyone and everything you are in a relationship with can become greater as a result of the relationship. Divorceless Relationship contains tools, exercises and processes you can use to: Create divorceless relationships Discover what you would like as a relationship Discover what is true for you Use energy to attract the person you're interested in Know when it's time to leave a relationship Renew and recreate your relationship with your partner Bring sex back into your relationship Turn your lover on

When you find yourself in a situation that you don't seem to be able to change, you may be stuck in a distractor implant. A distractor implant is designed to be triggered by the events of your life and to create distractions that keep you from being all that you can truly be and having the life you would truly like to have. They're the reason we believe we have no choice in anything. This book provides information and effective tools that will enable you recognize the distractor implants and become free of them.

Kevin Murphy's searing and devastatingly honest story, *Surviving Cancer after Surviving Cancer*, offers a unique perspective on this all too common phenomenon, when cancer (or any life-threatening illness) erodes the foundation of a once happy, thriving relationship. It offers the hard won wisdom of a husband who stood by his cancer stricken wife as she endured immense physical and emotional suffering, and beat the cancer that threatened her life and their unborn child, only to succumb to a painful divorce less than a decade later. Part memoir, part self-help primer, *Surviving Cancer after Surviving Cancer* is a wakeup call to couples and families whose lives have been decimated by disease. It seeks to bridge the emotional gap that too often isolates citizens of sickness from their spouses, families, and friends.

One of the greatest gifts that animals give to us is the way they receive from us without judgment and without limitation. They give us the opportunity to do the one thing that most of us never get the chance to do, to totally gift everything we have without limitation or consideration. What if your animals are more conscious than you are? When you acknowledge their consciousness, they will start to behave differently with you. They can teach you how to have a more expansive reality and they'll give this to you if you will listen. Animals can help you learn to function with the Earth.

Long recognized as the authoritative guide for clinicians working with divorcing families, this book presents crucial concepts, strategies, and intervention techniques. Robert E. Emery describes how to help parents navigate the emotional and legal hurdles of this painful family transition while protecting their children's well-being. The book is grounded in cutting-edge research on family relationships, parenting, and children's adjustment, including Emery's

groundbreaking longitudinal study of the impact of divorce mediation versus litigation. It provides a detailed treatment manual for mediating custody and other disputes, developing collaborative parenting plans, and fostering positive postdivorce family relationships. New to This Edition
*Reflects the latest psychological research, as well as divorce and custody law. *Chapters on understanding and addressing divorcing partners' anger and grief. *Treatment manual chapters have been extensively revised.
*Incorporates the author's 12-year follow-up study.

Finding fulfillment in both love and work isn't easy--but it's possible. The majority of couples today are dual-career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual-career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In *Couples That Work*, INSEAD professor Jennifer Petriglieri rejects conventional, one-size-fits-all solutions and instead focuses on how dual-career couples can tackle and resolve the challenges they face throughout their lives--together. She identifies three key phases of exploration and personal growth in every couple's work-

Read Free Divorceless Relationships

life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often involves the demands of young children. What do we really want? In the second phase, couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled. Who are we now? With careers winding down and kids grown up, this last phase offers new freedoms--and uncertainties. Based on a five-year research project, the book includes interviews with couples from over thirty countries--from executives to entrepreneurs and from twentysomething newlyweds to dual-career grandparents. Filled with vivid real-life stories, keen insights, and engaging exercises, *Couples That Work* will help couples develop their own unique answers to that most pressing question: How can we successfully combine love and work?

"Some books are deeper and more profound than others. They touch us at a deep soul level. This is one of those books. Consciousness, Gary Douglas to give you greater clarity and ease with money. Simple steps to getting clarity around money and how to start having MORE! What if money was just a vehicle to change the world? What if you were willing to receive unlimited amounts of money?

Will you let me tell you the story of how I changed a life filled with shame, feeling unloved, and hating the sex abilities of my body into a life founded upon a healthy sex life, feeling consistently loved, and experiencing freedom from the porn addiction that hurt me for more than ten years of my adult life? Would you like to feel loved, that your body is something that's okay, that its desires are a natural, healthy and happy part of life, and that you're a good person today who deserves to be loved, and who makes other people around you feel loved? Would you like to learn with me from my experience with porn addiction from 16 years old to 30 years old? Would you like to know what has gave me relief and allowed me to fully experience the love and joy of having healthy sex relationships today? Would you like to hear where I failed and what was difficult for me? Would you like to learn from my experience, today, in going through all the struggles of a porn addiction, all the resulting consequences in being unable to have completely healthy and happy relationships, and feeling like I was an awful, disgusting person inside? Would you like to hear how I made the transformation, with the help of so many others, into feeling like I'm loved, feeling like my body is not wrong for wanting to have sex? I hope sharing my story will be a miracle in your life as all the help others have provided has produced a miracle in my life. I have over two years of freedom from porn addiction and over two years of having the best and healthiest sex that I've ever known in my life. I want that for you, no matter how old you are or no matter what you've been through in life, no matter what you look like or no matter what kind of love in your life you want.

Would you start this with me? Would you take a leap of faith with me and read this book to see what you can learn from it? Thank you so much for getting started, and I'm honored to have the chance to continue this journey of life here today!
Love, Jerry Banfield

As Jake Rayne travels through Idaho in his classic '57 Thunderbird, a devastating accident is the catalyst for a journey he isn't expecting. Alone in the deep forest, with his body battered and broken, Jake calls out for help. And the help he finds changes not only his life but his whole reality. Jake is opened up to awareness' of possibilities. Possibilities that we have always known should be, but have not shown up. Are you willing to have a world where language is not a barrier and people communicate telepathically, where the ability to heal and nurture one another is not limited to the qualified few? What people say... "This novel is so well written that it transported me to "The Place" and made me wish I was one of the characters and wonder how this world could be if that kind of stuff was possible?" --Claudia This book gives a very different perspective on life and the possibilities presented. In a way i have been dreaming of this place, but I had no idea that someone else would have the same vision, so maybe this 'place' actually exists? That would be a dream come true beyond my wildest imagination! A great read that made me desire to read it again and again, and every time I did, there would be more things I would become aware of, that were hiding in the depth of the wonderful language presented in this book." --Suzy

Maureen Cavanagh's gripping memoir *If You Love Me* is the story of a mother who suddenly finds herself on the frontlines of the opioid epidemic as her daughter battles—and ultimately reckons with—substance use disorder. Fast-paced and heartwarming, devastating and redemptive, Maureen's incredible odyssey into the opioid crisis—first as a parent, then

Read Free Divorceless Relationships

as an advocate—is ultimately a deeply moving mother-daughter story. When Maureen and her ex-husband Mike see their daughter Katie’s needle track marks for the first time, it is a complete shock. But, slowly, the drug use explains everything—Katie’s constant exhaustion, erratic moods, and all those spoons that have gone missing from the house. Once Mike and Maureen get Katie into detox, Maureen goes to sleep that night hoping that in 48 hours she’ll have her daughter back. It’s not that simple. Like the millions of parents and relatives all over the country—some of whom she has helped through her nonprofit organization—Maureen learns that recovery is neither straightforward nor brief. She fights to save Katie’s life, breaking down doors on the seedy side of town with Mike, kidnapping Katie outside a convenience store, and battling the taboo around substance use disorder in her picturesque New England town. Maureen is launched into the shadowy world of overcrowded, for-profit rehabilitation centers that often prey on worried parents. As Katie runs away from one program after another, never outrunning her pain, Maureen realizes that even while she becomes an expert on getting countless men and women into detox and treatment centers, she remains powerless to save her own daughter. Maureen’s unforgettable story brings the opioid crisis out of the shadows and into the house next door.

(and often funny) examples from Paris's own divorce experience, this book is a "practical and reassuring guide to parting well." —Gretchen Rubin, author of *The Happiness Project* Engaging and revolutionary, filled with wit, searing honesty, and intimate interviews, *Splitopia* is a call for a saner, more civil kind of divorce. As Paris reveals, divorce has improved dramatically in recent decades due to changes in laws and family structures, advances in psychology and child development, and a new understanding of the importance of the father. Positive psychology expert and author of *Happier*, Tal Ben-Shahar, writes that Paris's "personal insights, stories, and research" create "a smart and interesting guide that can be extremely helpful for those going through divorce." Reading this book can be the difference between an expensive, ugly battle and a decent divorce, between children sucked under by conflict or happy, healthy kids. This is "a compelling case that it's high time for a new definition of Happily Ever After—for everyone" (Brigid Schulte, author of *Overwhelmed: Work, Love, and Play When No One Has the Time*). Provides advice for couples contemplating divorce who still hope to save their marriages, and suggests ways to deal with infidelity, depression, a midlife crisis, sexual problems, and other common issues.

THIS BOOK OFFERS YOU "OUT OF THE BOX" CONCEPTS WITH MONEY Money Isn't The

Problem, You Are is written for people who live in a constant state of difficulty around money, whether it's spending too much, not having enough, or having too much. In Money Isn't The Problem, You Are, Gary Douglas and Dain Heer share processes, tools, and points of view that you can use to change the way money flows into your life. Gary and Dain have worked with lots of people regarding money issues. Through innovative tools, Douglas and Heer have helped those who had \$10 in their pocket and people who had ten million. The interesting thing is they all have the same issue it has nothing to do with money. It has to do with what they are unwilling to receive. What you are unwilling to receive creates the limitation of what you can have. Change THAT and money isn't an issue any more! LEARNING TO RECEIVE IS THE GREATEST THING YOU CAN DO. Money Isn't The Problem, You Are is based on the very popular Access Money Seminar, which has been taught in cities throughout the U.S., Costa Rica, Australia and New Zealand. "It's not about money. It never is. It's about what you're willing to receive. The Universe is endlessly abundant. Learn to make different choices with the empowering tools in this book. You CAN create a different reality." -Gary Douglas, found of Access Consciousness(R)

Dispatches from Today's Good Divorce and How to Part Well

Being You, Changing the World (Hardcover)

What If It Is All about How Much You Are Willing to Receive?

Most people operate from a fixed idea or concept of how things are supposed to be, rather functioning in the moment, where they can change anything as needed to accomplish and create more. This creates a tremendous limitation. We use conceptual constructs to create a purpose and a sense of rightness. Relationship, sex, sexuality, family, and the future are examples of conceptual constructs. Society is a construct. Culture, religion, and reputation are constructs. These things are not actually real; they are conceptual realities that have been dropped into our existence. We buy into them, and then at some point, we give up our awareness in order to buy the rightness of this reality. We accept the notion that being normal, average, and real-just like everybody else-is the best and only way to be. The problem with conceptual constructs is that they put you into conflict with yourself at every turn. This book is about becoming aware of the ideal concepts and constructs that create limitations and barriers to what is possible for you. The constructs have to come off so you can create a world that works for you.

We are accompanied on this planet by the most splendid 'mega-beings'. Some have called them angels, others guardians, and now BEINGS of LIGHT. Most have forgotten them, others totally disbelieve and very few receive. The Beings of Light are here to work with us to

create greatness on earth. To enjoy the greatness of embodiment and flourish with life and nature. Diving into this book will be an energetic experience like no other. Open the book and start RECEIVING.

This is a very different book. It is written for the dreamers of this world-the people who know that something different is possible-but who have never had the tools before., What if I told you that the tools exist? The possibilities you've always dreamed of are possible! This book will provide you with a set of practical and dynamic tools and processes that empowers you to know what is true for you and who you truly BE. What if you, being you, can change everything-your life, relationships, body, money situation. . .and the world?

What if you don't have to divorce you in order to create an intimate relationship? Most of us spend a lot of time divorcing parts and pieces of ourselves in order to care for someone else. For example, you like to go jogging but instead of jogging, you spend that time with your partner to show him or her that you really care. "I love you so much that I would give up this thing that is valuable to me so I can be with you." This is one of the ways you divorce you to create an intimate relationship. How often does divorcing you really work in the long run? When you give up any part of yourself, you give up what was so attractive about you to that other person in the first place and pretty soon the other person doesn't want to be with you anymore. A divorceless relationship is one where you don't have to divorce any part of you in order to be in a relationship with someone else. Warning: you might not like what you hear!

Ladies, the man in your life didn't ask you to come along and change him into what you have decided is the perfect man for you. Brendon Watt Refreshingly honest, the book talks about: - Why there is no perfect relationship - Why you are the valuable product - The keys

to intimacy - Choosing for you - Why gratitude is the key to letting go of judgement Relationship. Are you sure you want one? Is a totally different way of looking at relationships. To me, relationship is about two different people who have chosen to be together for a space to create something that is far greater than each of them could create alone. Simone Milasas If you would like to have a great relationship, whether it is with someone else or with yourself, then this book might just be for you. relationshipareyousureyouwantone.com
