

Dk Eyewitness Books Money

From the internal combustion engine to the microchip, the modern world has been shaped by advances in technology. This fact-filled book shows why such inventions came about, and how they work.

Germany promises an array of famous sights and hidden gems. Whether you want to visit Bavaria's captivating castles, walk the medieval streets of Rothenburg ob der Tauber or enjoy sublime classical music in concert, your DK Eyewitness travel guide makes sure you experience all that Germany has to offer. Boasting some of Europe's finest lakes and no fewer than 16 national parks, this country is a haven for outdoor enthusiasts. But Germany is also synonymous with art and culture, which can be experienced at its world-class galleries and museums. Our regularly updated guide brings Germany to life, transporting you there like no other travel guide does with expert-led insights and advice, detailed information on all the must-see sights, inspiring photography, and our trademark illustrations. You'll discover: - our pick of Germany's must-sees, top experiences, and hidden gems - the best spots to eat, drink, shop and stay - detailed maps and walks which make navigating the country easy - easy-to-follow itineraries - expert advice: get ready, get around and stay safe - color-coded chapters to every part of Germany, from Berlin to Munich, Saxony to Hesse Want the best of Germany in your pocket? Try our top 10 guides to Berlin and Munich.

Discover the fascinating world of inventions and technology. From the first tools to the latest gadgets, Pocket Genius: Inventions showcases key inventors and inventions that changed the world from air, space, water, and land transportation to everyday objects in the home, medical tools and aids, plus telescopes, roller coasters, satellites, and robots, and a look at future technologies. Redesigned in paperback, DK's best-selling Pocket Genius series is now available in an engaging compact and economical format that is ideal for both browsing and quick reference for use in school and at home. Catalog entries packed with facts provide at-a-glance information, while locator icons offer immediately recognizable references to aid navigation and understanding, and fact files round off the book with fun facts such as record breakers and timelines. Each pocket-size encyclopedia is filled with facts on subjects ranging from animals to history, cars to dogs, and Earth to space and combines a child-friendly layout with engaging photography and bite-size chunks of text that will encourage and inform even the most reluctant readers.

Become an eyewitness to the history of cash and coin and get an up-close look at currency with DK Eyewitness Books: Money. From the earliest forms of money to the intricate banking systems we have today, currency has been around for millennia, whether made from stones and shells to the coins and paper we see today. This guide details various types of currency from both the past and present, from the sea salt money of Ethiopia to the modern Euro. Discover where the term piggy bank came from, why Ancient Greeks put coins in the mouths of dead people, and how coins and banknotes are made today. Available for the first time in paperback and full of stunning, real-life photography of rare coins and unique currency, DK Eyewitness Books: Money is an exciting look at the diverse world of money. Each revised Eyewitness book retains the stunning artwork and photography from the groundbreaking original series, but the text has been reduced and reworked to speak more clearly to younger readers. Still on every colorful page: vibrant annotated photographs and the integrated text-and-pictures approach that makes Eyewitness a perennial favorite of parents, teachers, and school-age kids. Awards: 8-time National Council for the Social Studies Award Winner 4-time Society for School Librarians International Social Studies Trade Book Award Winner 2-time Oppenheim Toy Portfolio Gold Book Award Winner A Parents' Choice Award Winner

The Facts Visually Explained

With striking images, models, and illustrations, this visually-led reference e-guide offers a unique view of catastrophic weather conditions. See inside the eye of a cyclone, witness hailstones the size of tennis balls, and learn how a gentle mountain stream can become a raging surge within a few minutes. From full-page color photographs to helpful diagrams, from polar regions to the tropics, Eyewitness Hurricane & Tornado shows the disastrous effects of nature's most extreme weather events. Discover a bridge that collapsed due to severe gusts of wind, and learn about a tree species in southwest Africa that can survive several years of drought. Along the way you'll uncover historical items that reveal how ancient civilizations predicted the weather as well as the weather-forecasting techniques that have developed over the centuries and the ways in which human activity can cause weather patterns to change. Each revised Eyewitness book retains the stunning artwork and photography from the groundbreaking original series, but the text has been reduced and reworked to speak more clearly to younger readers. The vibrant annotated photographs and the integrated text-and-pictures approach make Eyewitness a perennial favorite of parents, teachers, and school-age kids.

Text and photographs trace the evolution of the written word, how the alphabet grew out of pictures, the development of papermaking, bookbinding, children's books, and more.

Experience centuries-old traditions and Japanese cuisine alongside modern architecture and technology! Japan exudes culture, natural wonders and history. In this Asian country, the modern lies next to the ancient. From tranquil zen gardens and peaceful pagodas to neon-lit cities and robot restaurants, Japan is a top destination for first-time and returning visitors. Take the new lightweight travel guide wherever you go on your journey through Japan. Inside the pages of Eyewitness Japan, you'll find: - A pick of Japan's must-sees, top experiences and hidden gems. - The best spots to eat, drink, shop and stay. - Detailed maps and walks make navigating the country easy. - Expert advice and easy-to-follow itineraries. - Color-coded chapters to every part of Japan, from Tokyo to Kyoto City, Hokkaido to Okinawa. Visit famous cities like Tokyo, see the cherry blossoms in Kyoto or shop until you drop in futuristic Shibuya. If history is what you're after, take a trip to Hiroshima and Nagasaki, or visit Nakanoshima Museum of Art. If you're keen on the countryside, jump a shinkansen and speed your way to bubbling hot springs, explore Japanese beaches or gasp at the majesty of Mount Fuji. And if that wasn't enough to entice you to visit, there's the food - perfect noodles, delicate sushi and warming hotpots. The updated guide brings Japan to life, transporting you there like no other travel guide does. It's packed with expert-led insights, trusted travel advice, detailed breakdowns of all the must-see sights, photographs on practically every page and our hand-drawn illustrations that place you inside the country's iconic buildings and neighborhoods. Discover more amazing holiday destinations DK Eyewitness is the most up-to-date travel guide series following the COVID-19 outbreak. Each guide includes expert-led insights into the world's most famous countries and cities, things to do and places to stay. Other books in the series include Eyewitness Tokyo and Eyewitness Croatia.

How Kids Can Earn It, Save It, Spend It, and Dream Big, with Danny Dollar, the King of Cha-Ching

All About Money

Big Questions About Finance

DK Eyewitness Books: Science

A treasure trove of advice from financial expert and TV presenter, Alvin Hall, All About Money answers the tough questions kids have about money. Money might make the world go around, but only if you know how to use it, and who better to teach your child all about finance than TV presenter and financial expert Alvin Hall. They'll enter the world of business and economics, learning about how money works, from its history to how it grows. Your child will understand the money in their pocket, the cost of living and much more with All About Money. An indispensable investment to get your child to understand money and finances - read it together and watch their money grow.

DK Eyewitness Books: MoneyKids Play

Saving money for something? Then this is the book for you! Danny Dollar, the "King of Cha-Ching," will teach you to make money, save money, and spend money wisely—and to dream big! Maybe you get an allowance (clean the bathroom anyone?) or have been gifted money (birthday present?) but did you know that you can actually start a business and make your own money? Even as a kid! It's called being an entrepreneur. Danny shares tips for starting your own business, like how to write a business plan and raise start-up money (the money you need to get your business going). Plus, you'll learn how to open a bank account, create a budget, invest, and donate money. Danny will even introduce you to real life kids who are making their own money—and lots of it. Free yourself from having to ask your parents for money, and start making your own today!

Budding scientists, get ready for a time travelling trip like no other.

With clarity and humor, Martin Jenkins and Satoshi Kitamura take readers on a fascinating tour of the history of money. What can take the form of a stone with a hole in the middle, a string of shells, a piece of paper, or a plastic card? The answer is money, of course. But when did we start using it? And why? What does money have to do with writing? And how do taxes and interest work? From the Stone Age to modern banking, this lighthearted and engaging account traces the history of the stuff that makes the world go round.

Highlighting the evolutionary history of man's best friend, from their domestication, anatomy, and behavior, for both domestic and wild breeds including wolves, jackals, and foxes, this title explains why dogs and wolves hunt in packs, how dogs "talk" with ears and tails, and how dogs were specially taught to help humans. Full color.
