Kaching! Kaching! Kaching! What vehicle makes a sound like that? Young children will enjoy matching vehicle sounds to the photos in this unique book.

In this compelling book by Jesse Duplantis, you'll learn how to recognize the deceiving nature of Satan and be free of a hellish life without God and without His power working in your life. Don't be blindsided by deception. Learn how to recognize Satan's lies and choose God's path for your life.

Do What You AreDiscover the Perfect Career for You Through the Secrets of Personality Type.Little, Brown

A 25th anniversary edition of the number one, multi-million copy international bestseller that taught us how emotional intelligence is more important than IQ - 'a revolutionary, paradigm-shattering idea' (Harvard Business Review) Featuring a new introduction from the author Does IQ define our destiny? In his groundbreaking bestseller, Daniel Goleman argues that our view of human intelligence is far too narrow. It is not our IQ, but our emotional intelligence that plays a major role in thought, decision-making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social deftness: all are qualities that mark people who excel, whose relationships flourish, who can navigate difficult conversations, who become stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us.

Presents the research findings of the co-founders of The Highlands Program - a national (United States) performance improvement training company. Uses these findings to infer methods that can be used to, firstly, identify and articulate one's natural talents and, secondly, incorporate these talents more effectively into the career planning process.

For anyone tired of chasing ever-elusive desires, of doing more only to find that more needs doing, and of making more money only to need more money, best-selling author Chin-Ning Chu shows you that life was meant to be easy, if you know the secrets. From the best-selling author of The Working Woman's Art of War, comes an important and timely book about the side of success that most don't know about [e power of selective yielding, of surrendering to a successful destiny, and of getting what you want by not wanting it too much. Using Carl Jung's famous parable of the rainmaker as a framework, Chin-Ning Chu explains universal truths about the nature of effort, success, willpower, detachment, "creating luck," and more. Illustrating the four "secrets of the rainmaker" with rich anecdotes from history, personal experience, and popular culture, Ching-Ning explains how to create success by attaining inner harmony, how to partner effort with ease, how to make peace with time, and how to stop reacting and start restfully controlling the events of your life.

Fifteen-year-old Ari Mendoza is an angry loner with a brother in prison, but when he meets Dante and they become friends, Ari starts to ask questions about himself, his parents and his family that he has never asked before.

God, do you hear me? If we're honest, that's a sentiment we've all shared. Prayer can be challenging and confusing. Often we feel abandoned, betrayed, and anxious. We don't know what to pray for, we don't know the words to say, and sometimes it just feels like there's no one on the other side. Through the pages of this book, pastor and author David Platt shows us how to learn and live the prayer that God always answers. This prayer is commonly called the Lord's Prayer (Matt 6:9-13). The Lord's Prayer is the firm foundation God uses to build our lives on the Rock. It will help you break through to a completely new and refreshing prayer life. Along this journey, you'll learn several things about prayer: Prayer is the door we enter to discover God's heart of unending grace. Prayer is the home we have always wanted, where we can crawl into our Father's lap and find our purpose. Prayer is not about getting God to give us stuff. It is about becoming who we were made to be: a reflection of Jesus in the world.

The Secret

Are you tired of asking "What should I do with my life?" Are you sick of your job? Don't worry, I know how you feel! I used to start every working week saying "I hate my job" and spend every Friday night drinking too much to drown my misery. I was a cubicle worker in large corporates, going to pointless meetings, writing endless documents no one would read, testing computer systems that would soon be obsolete. Every day, my soul and my creativity died a little. Maybe you feel the same? Well, life is too short to just exist on the edge of breakdown, and there is a better way of living. You need to discover what you love to do and then make that your job, your life's work. This book will take you through understanding the way you feel now as well as how to improve your current situation immediately so you can create enough space to work on breaking out and doing what you truly love. It also contains the career change process I used to go from management consultant to full-time author-entrepreneur. It's time to change your career and your life.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

There's a big race on Sunday-- but can a little crocodile triumph? Find out in this Level B story, simple enough for young readers to read on their own. The crocodile is hopeful, but when a bigger, mean crocodile tells him there's no chance, he starts to wonder if he's good enough. But with a little motivation from his friend, and a lot of practice and hard work, he's ready to prove himself when the big race comes around! Using simple text and lots of sight words, Caldecott Honor-winning illustrator Betsy Lewin has created a story about determination-- and the importance of support from your friends! The easy-to-read story is accompanied by energetic ink and watercolor illustrations, adding interest and detail to the narrative, showcasing the little crocodile's practice and the shared joy of his triumph. The award-winning I Like to Read® series focuses on guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create original, high quality illustrations that support comprehension of simple text and are fun for kids to read with parents, teachers, or on their own! Level B readers feature short sentences with high-frequency words, for kindergarten readers who've mastered Level A and are ready to build more fluency. The illustrations provide clues to word meanings. When you've mastered these simple stories, move on to level C! A Bank Street Best Children's Book of the Year

Find Your Thing

Finding it, refining it, loving it, and actually getting out there and doing it Don't waste your life not doing something you aren't brilliant at, not setting the world on fire with your ideas, your thinking, your inventions, your words — it doesn't matter how you do your Thing, what matters is that you DO IT! And how about turning that Thing into your business too? Lucy Whittington is on a mission — she wants everyone in the world to do what they're brilliant at and not just what they're 'good' at. Having done what she was 'good' at for a long time (marketing), and getting overqualified with an MBA, Lucy realized that her 'Thing' was finding other people's Thing and helping them turn it into a great business that they love. In this book, Lucy uses her proven five-step process to help even more people find what they are brilliant at. Find out what you should be doing and how to make a living from it Take advantage of Lucy's expertise and follow her five-step process for success Be inspired and gain real practical advice Receive guidance on taking your new business to the next level by creating your "Star Plan" Become famous for what you do Imagine being so gifted that the work you are paid to do comes as naturally as breathing, and is so enjoyable that you would do it for free. It can happen. You're gifted at something, and that something is marketable. You can put yourself on the path to your ideal life, but first you have to Find Your Thing.

Discover how windmills work and how they can be used to create electricity without causing pollution.

This is a perfect book for new college graduates or anyone sick and tired of languishing in a dead-end job or relationship - yet reluctant to make drastic life changes due to uncertainty about what would actually inspire them. Barbara helps peel away the layers to reveal hopes and aspirations and overcome the barriers to success and happiness. Whether you're looking to make improvements in your job or personal life, Sher will teach you how to determine what your goals are and how to successfully reach them.

Examines the importance of air to all living things and provides ways to protect this valuable resource.

Marriage is great, but it 's not forever. It 's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: " How do I have a healthy marriage? " Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of Eternity will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. Crafted by childhood experts, The Highlights Book of Things to Do is the essential book of pure creativity and inspiration, filled with over 500 screen-free things to do with kids. From future chefs and scientists to budding humanitarians, children ages 7 and up will be inspired to explore, invent, create and do great things! This highly visual,

hands-on activity book will banish boredom, foster imagination and unlock new interests. Your child can try engaging outdoor ideas like starting a bucket garden; tasty projects like making rock candy; science activities like building a water microscope; and so much more. Organized by interest and covering all aspects of childhood, chapters include: Things to Build, Things to Do in the Kitchen, Things to Do with Color and more. The final chapter, Do Great Things, encourages kids to become caring individuals, confident problem-solvers, and thoughtful people who can change the world. With sturdy hardcover binding and a ribbon bookmark, this 372-page deluxe activity book is a perfect gift for kids 7+.

The Highlights Book of Things to Do is the winner of the 2020 National Parenting Seal of Approval, National Parenting Product Award (NAPPA), Mom's Choice Award, Gold, and was named one of Bank Street College of Education, Best Children's Books of the Year. Highly successful people think differently. They own certain habits and rituals that set them apart from others. Successful business entrepreneur, sought-after motivational speaker, and author Scott Schwefel now shares these secrets in Discover Yourself, a personal guidebook for success. Schwefel's eight-step program is designed to help prepare your mind daily to achieve well-defined goals. It also includes simple, yet thought-provoking exercises interspersed throughout to help you develop skills needed to focus on those goals. The compact read is a perfect fit for today's fast-paced, busy world. The author observed the principles for Discover Yourself while creating, building, and eventually selling several companies, earning millions in the market place. After interviewing over five hundred men and women for various positions, the characteristics of those prepared for success stood in stark contrast to those who had no clear direction in life. Schwefel is now devoted to training and inspiring others to embark on their own journey toward self-discovery in all areas of life. Do you want to live a consistent, purpose-driven life? Want help to create and then execute a plan of action to reach attainable goals? Then...

Lifekeys Discovering...

In today's challenging job-market, as recent grads face a shifting economic landscape and seek work that pays and inspires, as workers are laid off mid-career, and as people search for an inspiring work-life change, the time-tested advice of What Color Is Your Parachute? is needed more than ever. This new edition has been fully revised for 2021 by Vanderbilt University Career Center Director Katharine Brooks, EdD, with modern advice on the job hunt strategies that are working today, such as building an online resume, making the most of social media tools, and acing Skype interviews. Building on the wisdom of original author Richard N. Bolles, this edition updates the famed Flower Exercise (which walks job seekers through the seven ways of thinking about themselves) and demystifies the entire job-search process, from writing resumes to interviewing and networking. With the unique and authoritative guidance of What Color Is Your Parachute?, job-hunters and career changers will have all the tools they need to discover--and land--their dream job.

Want to know how bones, fingernails, and hair form and grow throughout our lives? Fun illustrations and entertaining text help give kids a clear understanding of how our bodies grow and change throughout our lives.

Discover the secrets to a fearless, meaningful life, found in the wisdom of Jewish scripture. Today, more than ever, we act out of fear. We fear change, rejection, failure, and suffering. But what if we could find a way to live that challenges conventional Western psychology and looks to the future instead of picking over the past? What if we could replace our fear with purpose, and discover our potential for growth instead of focusing on our limits? What Would You Do If You Weren't Afraid? draws on a wide range of chassidus (Jewish principles) to offer a new philosophy for life. With its uplifting belief that you already have all the ingredients within and around you to lead a joyous life, this ebook will help you to reconnect with your courage and move forward freely, without fear.

An interactive companion to the world's most popular job-search book, updated for 2021, that helps you translate your personal interests into marketable job skills. This fill-in workbook for the career classic What Color Is Your Parachute? is a helpful tool for recent grads, workers laid off mid-career, and anyone searching for an inspiring work-life change. Featuring • New information that addresses the job-market in the pandemic era • The Flower Exercise that gets everything about your skills and preferences in one place • The Party Exercise to help you discover who you work best with • The Transferable Skills Grid that helps you discover your most valuable skills and more of Richard N. Bolles's helpful charts and activities, this workbook allows job-hunters to roll up their sleeves and discover how their unique interests, passions, and dreams will give them, once completed, a picture of their dream job.
