

Do You Talk Funny 7 Comedy Habits To Become A Better And Funnier Public Speaker

Funny. Sexy. Cross Dressing.Not your mother's Regency Romance.After the death of her miserly cousin Antony North, Millicent Boarder is determined her family should never be poor or vulnerable again.To protect them she conceals her cousin's death and assumes his identity. Now she must face the Ton and the world as Mr. North and accept the price she must pay for her family's safety -- she will never be loved.Which means now is the perfect time for her to rescue a duke ... up to his neck in a mud puddle! Bertie Byrd Fortney never thought she'd be spending her wedding night in a maternity ward. But her best friend went into labor right in the middle of the conga line at Bertie and Arch's wedding reception, and it wasn't until her friend's son made his entrance into the world that Bertie, her husband, and her stepdaughter could leave on their motor home honeymoon. The trip's trials, however, leave Bertie wondering if a honeymoon is some kind of test a woman must pass before becoming a wife. To add to her tribulations, Bertie returns to Bertie's Garage and Towing to find Linc, her tow truck driver, is being threatened by the Redneck Mafia. The mob boss has told Linc to return to Atlanta to marry his daughter, or he will move him there himself, one body part at a time. And then Bertie is taken hostage by a man who has taught his goats to bark and his twins to talk. A mistake on both counts, in Bertie's not-so-humble opinion. Finally, a bizarre accident involving an elderly drunken citizen Linc mistakes as a hit man, a golf cart, a trip to the hospital, and a positive pregnancy test has tongues wagging in Sweet Meadow, Georgia. Did Bertie really get knocked up on a golf cart by her tow truck driver? Will Bertie be able to douse the rumors? Will she be able to save her faithful employee from the mob? More importantly, will she pass the wife test?

Ride the hilarious roller coaster with Glen Stanford as he follows Steve Scott's plan in "How to Write a Nonfiction e-Book in 21 Days " Not one to let the writing process cramp his style, this ukulele-playing bluegrass-singing YouTube sensation (32 views and counting) juggles his new-found fame with astonishing persistence to produce not one, but two works of genius. This is the true story. The (secret) recipe for success: Writer's buzz - 1oz Sleepless nights - 2oz Tenacity (and beer) - 7 (units left deliberately vague) Irreverence and political incorrectness - to taste Espresso - administered intravenously - 55 gal Pizza (1/2 pepperoni, 1/2 mushroom) - 37 slices Humility - a whole bunch Blend and enjoy.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

OFF THE GRID WITHOUT A PADDLE is the true story of two greenhorns, escapees from the gritty City Of Los Angeles, who buy a home off the grid in a tropical mountain rainforest in rural Hawaii, with fantasies of utopia and dreams of self-sufficiency, but no real idea of what they're getting into. In their first year in an unfamiliar new world, the high-tech, low-tech, no-tech learning curve is steep and hilarious: exasperating, exhilarating . . . exciting! Whether or not you share the dream of moving off the grid, you'll get a laugh out of their unexpected adventures.

Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

Do You Talk Funny? 7 Comedy Habits To Become a Better (and Funnier) Public Speaker BenBella Books, Inc.

Part road-trip comedy and part social science experiment, a scientist and a journalist "shed fascinating light on what makes us laugh and why" (New York Post). Two guys. Nineteen experiments. Five continents. 91,000 miles. The Humor Code follows the madcap adventures and oddball experiments of Professor Peter McGraw and writer Joel Warner as they discover the secret behind what makes things funny. In their search, they interview countless comics, from Doug Stanhope to Louis CK and travel across the globe from Norway to New York, from Palestine to the Amazon. It's an epic quest, both brainy and harebrained, that culminates at the world's largest comedy festival where the pair put their hard-earned knowledge to the test. For the first time, they have established a comprehensive theory that answers the question "what makes things funny?" Based on original research from the Humor Research Lab (HuRL) at the University of Colorado, Boulder, and the pair's experiences across the globe, The Humor Code explains the secret behind winning the New Yorker cartoon caption contest, why some dead baby jokes are funnier than others, and whether laughter really is the best medicine. Hilarious, surprising, and sometimes even touching, The Humor Code "lays out a convincing theory about how humor works, and why it's an essential survival mechanism" (Mother Jones).

"Speak so your audience will listen is for anyone who has to deliver a message, tell a story or speak to another human being. Reading this book could change the way you speak to everyone in both your business and your personal life."--Author.

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.
