

Doctor Who The Story Of Martha

The story of a country doctor.

Drawing on unseen and iconic material from the BBC archive and private collectors, The Vault is an unforgettable journey through 50 years of Doctor Who, via carefully selected photographs, props, costumes designs, production memos, letters, scripts and more. This is the full and official story of Doctor Who, from the first pre-production memos in 1963 to the most recent props created for the 2013 series, including interviews with key contributors and scores of prop photos, design sketches and behind the scenes stills from every decade of the show’s production. Taking you year by year through the world’s longest running science fiction series, Marcus Hearn explores the show’s groundbreaking innovations as well as its impact on popular culture through books and comics, magazines and toys, merchandise and ephemera. The Vault is a collector(ie)nt’s dream and the ultimate celebration of Doctor Who.

Embark on a strange and enchanting adventure with old foes and monsters in this glorious crossover of Doctor Who and The Wonderful Wizard of Oz. When a sudden tornado engulfs the TARDIS, the Thirteenth Doctor and her fan find themselves transported to the magical land of Oz. With a damaged TARDIS and an unexpected stowaway from the 1930s, their only hope of getting home is to follow the yellow brick road. But when an army of scarecrows ambushes them, they quickly realise that everything is not as it should be, and they’re thrown into a fight for survival against a mysterious enemy. As each of her companions becomes a shadow of their former selves, only the Doctor is left standing. Desperate to save her friends, she must embark on a perilous journey to seek help from the mysterious Wizard of Oz - and stop whatever forces are at work before she and her friends are trapped in the fictional world forever.

A beautifully illustrated collection of new Doctor Who stories, each featuring one of the twelve Doctors on a festive adventure in theTARDIS. Written by six authors and with a full-page colour illustration for each story, these tales are full of magic, mystery, wonder, excitement - and everything else that fans love about Doctor Who Christmas special.

Doctor Who: Twelve Doctors of Christmas

The Doctor

"As a girl coming of age during the Civil Rights Movement, Patricia Bath made it her mission to become a doctor. When obstacles like racism, poverty, and sexism threatened this goal, she persevered--brightening the world with a game-changing treatment for blindness!"--Amazon.com.

No one loves and understands animals like the eccentric nineteenth-century physician Dr. Dolittle-who masters animal language with the help of Polynesia the parrot. After his human patients desert him, the kind-hearted doctor finds his calling in practicing animal medicine, and his fame spreads far and wide. When a terrible epidemic breaks out among monkeys in Africa, Dr. Dolittle sets out to save them, accompanied by some of his favorite pets. Thus begins the amusing, whimsical adventures of Dr. Dolittle and the animal kingdom.

Join the Doctor and her smallest companion on a madcap adventure through time and space! The beloved sci-fi TV series is now a charming picture book, perfect for Doctor Who fans of all ages. Unable to make friends at her new school, Lizzie packs a bag and runs away. After accidentally stowing away in the TARDIS, she meets the Doctor, a mysterious woman who claims to be a time-traveling space alien. When the TARDIS malfunctions, Lizzie and the Doctor are sent catapulting through time and space, visiting the pyramids, the dinosaurs, an alien planet, and more. Along the way, Lizzie learns that making new friends isn ’t so hard after all. . . but will she ever be able to get back home? Featuring Jodie Whittaker ’ s Thirteenth Doctor and an adorable new alien species, this sweet storybook is a must-have for Whovians everywhere, young and old alike.

Darkness Never Prevails. While staying home was a vital safety measure in 2020, the freedom of the TARDIS remained a dream that drew many - allowing them to roam the cosmos in search of distraction, reassurance and adventure. Now some of the finest TV Doctor Who writers come together with gifted illustrators in this very special short story collection in support of BBC Children in Need. Current and former showrunners - Chris Chibnall Russell T Davies and Steven Moffat - present exciting adventures for the Doctor conceived in confinement, alongside brand new fiction from Neil Gaiman, Mark Gatiss and Vinay Patel. Also featuring work from Chris Riddell, Joy Wilkinson, Paul Cornell, Sonia Leong, Sophie Cowdrey, Mike Collins and many more, Adventures in Lockdown is a book for any Doctor Who fan in your life, stories that will send your heart spinning wildly through time and space...£2.25 from every copy sold in the UK of Doctor Who: Adventures in Lockdown will benefit Children in Need (registered charity number 802052 in England & Wales and SC039557 in Scotland)

The Target Book

The Doctor with an Eye for Eyes

The Story of a Doctor’s Telephone—Told by His Wife

"The Daleks" first appeared on British television in 1963, catapulting the offbeat new series Doctor Who to international fame. Here is a complete story of the Daleks with an episode guide, history, never-before-published story, and trivia. Illustrated.

A new version of this much-loved anthology, with a brand-new story featuring the brand-new Thirteenth Doctor from literary sensation Naomi Alderman! Twelve wonderful tales of adventure, science, magic, monsters and time travel - featuring all twelve Doctors - are waiting for you in this very special Doctor Who book. And now they're joined by a very exciting, and very exclusive, new tale - written by Naomi Alderman, author of The Power - that will star the Thirteenth Doctor, as she battles to save the universe with her three close and trusted friends. Other authors featured are: Eoin Colfer, Michael Scott, Marcus Sedgwick, Philip Reeve, Patrick Ness, Richelle Mead, Malorie Blackman, Alex Scarrow, Charlie Higson, Derek Landy, Neil Gaiman, and Holly Black.

"When Doctor Who began airing on the BBC in 1963, British audiences were introduced to the rogue Time Lord from the planet Gallifrey. Now, viewers from all over the world are glued to their screens for the mysterious Doctor's intergalactic adventures. But how did this time traveler become such a beloved character? This book provides readers with the inside scoop on the Doctor's unique time machine, loyal companions, and diabolical foes!"-

Gaithers poems, a selection from the author's autobiography, and a dozen stories about doctors, patients, errors in judgement, and breakthroughs

Doctor Who

Doctor Who: A Brief History of Time Lords

THE book the Time Lords (including the Doctor) read when studying at the Academy, the full-color in-world history that pieces together the true story of Gallifrey from the many and contradictory accounts that survived the Last Great Time War. Doctor Who: A Brief History of Time Lords tells the story of all of this ancient, legendary civilization, of notable historical figures, of Gallifrey itself, of the Time War and much more. The planet Gallifrey, The Shining World of the Seven Systems. Opens to be found in the constellation of Kasterborous. Birthplace of one of the oldest civilizations in the universe: The Time Lords. From their technologies and strategies to the renegades like the Master and the Doctor himself, this is the definitive guide to the oldest and most powerful civilization in the universe. They invented black holes, transmits, stellar manipulators, and they atrophied. A bunch of elderly academics in funny hats, the Time Lords watched the whole history of creation. This was the civilization that inflicted some of its most renowned and deadly renegades and criminals on the universe: the Master, the Rani, the Monk, the War Chief, yet it was also the benevolent power that rid the cosmos of the Great Vampires, the Racnoss and the Fendahl. Featuring full-color, never-before-seen illustrations and a beautiful interior design, this is a highly collectible in-world companion no Whovian can be without.

Hit by a car while bicycling Osborn, an internist at a Detroit hospital, suffered injuries. Recounts the struggles and frustrations of a gradually learning strategies to compensate for the lack of certain brain functions. An exceptionally well-written and engaging account. PW review.

Learn the art of making a memorable monster, discover how the show's secrets are kept, and see a full episode by episode guide, including deleted scenes and hidden gems you might have missed. Find out who legendary Time Lord the Corsair really was, and voyage with the Pirate crew of the good shipFancybefore they heard the Siren's song; discover the full story of the fight for Ganger rights and learn about the further adventures of Madame Vastra. The Brilliant Book of Doctor Who 2012- no TARDIS traveller should be without !!

Old legends and new worlds collide in this magnificent Doctor Who crossover with King Arthur and His Knights of the Round Table. While investigating a strange energy in Carbury, the Tenth Doctor and Donna Noble are pulled into a different dimension, smashing a giant hole into another world in the process. As the magic of the hidden dimension slowly seeps out, the Doctor and Donna find themselves in Camelot, where a young squire, Arthur, comes to their aid, and when the Doctor is mistaken for Merlin, they are swept up in the glamorous and daring legends of the Knights of the Round Table. But something far more menacing has been awakened. Caught in an ancient battle for power, Donna and the Doctor are sucked into a dangerous game. As each move is made and time spins faster, the Doctor must find a way to seal the rift before an unimaginable power is unleashed and the universe is laid to waste.

Outside In 2

Eleven Doctors, eleven months, eleven stories: a year-long celebration of Doctor Who! The most exciting names in children’s fiction each create their own unique adventure about the time-travelling Time Lord. Thousands of years ago, Time Lords built a Prison for the Kin. They made it utterly impregnable and unreachabe. As King of the Time Lords existed, the Kin would be trapped forever and the universe would be safe. They had planned for everything . . . everything, that is, other than the Time War and the fall of Gallifrey. Now the Kin are free again and there’s only one Time Lord left in the universe who can stop them! Author Neil Gaiman puts his own unique spin on the Doctor’s amazing adventures through time and space in the eleventh and final story in the bestselling 50th anniversary series!

Premiering the day after the JFK assassination, Doctor Who humbly launched one of the entertainment world’s first super-brands. We begin with a look at TV programming of the day and the original pitch documents before delving into the Daleks, which almost didn’t make the cut but inspired many monsters to follow. After three years, First Doctor William Hartnell left, prompting the BBC to recast their hit rather than end it, giving us the first “regeneration” and making TV history. We follow the succession of Doctors—including Third Doctor Jon Pertwee, exiled to Earth and targeted by the Master—and see how the program reflected the feminism of the 1970s while gaining mainstream popularity with Fourth Doctor Tom Baker. . . until declining support from the BBC eventually led to cancellation. Fan outcry saved the series only for it to suffer a repeat cancellation. Yet many continued to enjoy the Whoniverse in syndication, novels, audio dramas, and Doctor Who Magazine. Paul McGann impressed many as the Eighth Doctor in a 1996 TV movie, but it failed to reignite the series. A new age dawned in 2005 with Ninth Doctor Christopher Eccleston and a serious special effects budget before Tenth Doctor David Tennant helped rocket the series to international popularity and a new era of spinoffs. With Eleventh Doctor Matt Smith, the show became a bona fide success here in America. Following the program’s fiftieth anniversary, Whovians will meet the Twelfth Doctor, ushering in yet another era for the unstoppable Time Lord. Featuring discussions of concepts and characters, with insights from producers, writers, and actors from across the years, here is a rich, behind-the-camera investigation into the dazzling multiverse of Doctor Who.

What Is the Story of Doctor Who?Penguin Workshop

A new spine-chilling collection of twelve short illustrated adventures packed with terrifying Doctor Who monsters and villains, just in time for Halloween 2017! Each short story will feature a frightening nemesis for the Doctor to outwit, and each will star one incarnation of the Doctor with additional appearances from favourite friends and companions such as Sarah Jane, Jo and Ace.

The winter festival is approaching for the hardy colony of Morpans, but no one is in the mood to celebrate. They’re trying to build a new life on a cold new world, but each year gets harder and harder. It’s almost as if some dark force is working against them. Then three mysterious travelers arrive out of the midwinter night, one of them claiming to be a doctor. Are they bringing the gift of salvation or doom?

And what else might be lurking out there, about to wake up? An adventure featuring the Eleventh Doctor as played by Matt Smith and his companions Amy and Rory

The Doctor Who Stories

COVID19: WHAT HAPPENED INSIDE THE HOSPITALS It was a war that was fought inside the hospitals and not on land, sea or air and this was not visible to the common man. While the whole world suffered from COVID19, China was able to restrict it to just one city and was back to normal. How was China able to control it easily, while it brought the world economy to its knees? The patients struggled to breathe and stay alive, the nurses struggled to keep the patients alive. How long could one go without water? The doctors would die out of thirst. His strength finally ebbed and he rushed out of the ICU to get some water. He had to drink water or he would die right now. He had not known this kind of desperation. . Wang put her on ventilator. She opened her eyes for the last time and looked at Wang. Her face broke into a smile. Then she died. It was the end of a long and lovely career. Patients who had been infected and were unable to meet their families, began to request the doctors to record their last videos, where they spoke about their pain and sorrow. Even the skilled doctors who had seen numerous deaths, found it hard to deal with the emotional turmoil that the videos had on them. For the moment, Dr. Rahul felt like peeling off his suit. His whole body was on fire. He could not think of anything but a nice long sip of cold water. They would have to wait for six hours. Medical college had not trained Rahul to work like this. None of them had been trained to work like this. “She is no more,” said the nurse. They looked at each other for a long time...each lost in their own thought. For the first time they had lost one of their own. “We don’t have space to keep the dead bodies,” said Samantha in a low voice.

From the unique mind of Douglas Adams, legendary author of The Hitchhiker’s Guide to the Galaxy, comes Shada, a story scripted for the television series Doctor Who but never produced—and now transformed into an original novel. A little knowledge is a dangerous thing. Imagine how dangerous a LOT of knowledge is... The Doctor’s old friend and fellow Time Lord, Professor Chronotis, has retired to Cambridge University, where among the other doddering old professors nobody will notice if he lives for centuries. He took with him a few little souvenirs—harmless things really. But among them, carelessly, he took The Worshipful and Ancient Law of Gallifrey. Even more carelessly, he has loaned this immensely powerful book to clueless graduate student Chris Parsons, who intends to use it to impress girls. The Worshipful and Ancient Law is among the most dangerous artifacts in the universe: it cannot be allowed to fall into the wrong hands. The hands of the sinister Skagra are unquestionably the worstest ones possible. Skagra is a sadist and an egomaniac bent on universal domination. Having misguessed the state of fashion on Earth, he also wears terrible platform shoes. He is on his way to Cambridge. He wants the book. And he wants the Doctor...

This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. John Dolittle, MD, is a respected physician and quiet bachelor living with his spinster sister in the small English village of Puddleby-on-the-Marsh. His love of animals grows over the years and his household is in their own thought. For the first time they had lost one of their own. “We don’t have space to keep the dead bodies,” said Samantha in a low voice. From the unique mind of Douglas Adams, legendary author of The Hitchhiker’s Guide to the Galaxy, comes Shada, a story scripted for the television series Doctor Who but never produced—and now transformed into an original novel. Doctor Who the Story Of

Doctor Who: Adventures in Lockdown

In this first book in the series, Doctor Dolittle discovers that he can talk to the animals–Jip the dog, Dag Dab the duck, Polynesia the parrot.

For a year, while the Master ruled over Earth, Martha Jones travelled the world telling people stories about the Doctor. She told people of how the Doctor has saved them before, and how he will save them again. This is that story. It tells of Martha’s travels from her arrival on Earth as the Toctafane attacked and decimated the population through to her return to Britain to face the Master. It tells how she spread the word and told people about the Doctor. The story of how she survived that terrible year. But it’s more than that. This is also a collection of the stories she tells - the stories of adventures she had with the Doctor that we haven’t heard about before. The stories that inspired and saved the world... Featuring the Tenth Doctor and Martha as played by David Tennant and Freema Agyeman in the hit Doctor Who series from BBC Television.

A new edition of the popular and acclaimed guide to the Doctor Who Target paperback range of novelisations. With an additional Appendix covering audio releases and the recent BBC reprints of the books. From 1973 until 1994, the Target Doctor Who paperbacks were a mainstay of the publishing world. From humble beginnings, they grew into a list running to 156 individual titles and selling over 13 million copies world-wide. This is the story of Target Books. Noted researcher and historian David J Howe chronicles the origins of the imprint, speaking to all the major players in its development, from editors to art directors, managing directors to artists and authors, and charts the books’ critical reception as well as the fortunes and failings of the many publishing houses involved in their production. Profusely illustrated with all the covers, plus rare and unseen sketches and unused concepts and ideas, The Target Book is the definitive guide to a range of books which shaped the reading habits of a generation.

When Mollie stepped off the train in Salt Lake City, Utah, in 1890, she knew she had to start a new life. She’d left her husband and his medical practice behind in Iowa, and with only a few hundred dollars in her pocket and a great deal of pride, she set out to find a new position as a physician. She was offered a job as a doctor to the miners in Bannack, Montana, and thus began her epic adventures as a pioneer doctor, a suffragette, and a crusader for public health reform in the Rocky Mountain West. Pioneer Doctor: The Story of a Woman’s Work is the true story of Dr. Mary (Mollie) Babcock Atwater, a medicine woman who found freedom and opportunity in the wide-open spaces of America’s frontier west. This remarkable tale has been creatively retold here by her granddaughter, award-winning author Mari Grana. Blending information from historical records as well as interviews with family and friends, the author has reconstructed Mollie’s steps into a dramatic narrative that brings to life the doctor’s struggles, her accomplishments, and the times in which she lived. Beautifully written and thoroughly researched, this is not just the biography of a fascinating woman. It is also the story of an era when daring women ventured forth and changed history for the rest of us.
