Steve Osborne has seen a thing or two in his twenty years in the New York Police Department (NYPD) -- some harmless things, some definitely not. In "Stakeout," Steve and his partner mistake a Manhattan dentist for an armed robbery suspect and reduce the man down to a puddle of snot and tears when questioning him. In "Mug Shot," the mother of a suspected criminal makes a strange request and provides a sobering reminder of the humanity at stake in his profession. And in "Home," the image of his family provides the adrenaline he needs to fight for his life when assaulted by two armed and violent crackheads. From his days as a rookie cop to the time spent patrolling in the Anti-Crime Unit -- and his visceral, harrowing recollections of working during 9/11 -- Steve Osborne's stories capture both the absurdity of police work and the bravery of those who do it. His stories will speak to those nostalgic for the New York City of the 1980s and '90s, a bygone era of when the city was a crazier, more dangerous (and possibly more interesting) place.

THE INSTANT NATIONAL BESTSELLER No Ordinary Dog is the powerful true story of a SEAL Team Operator and military dog handler, and the dog that saved his life. Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011 and name was made public: Cairo, a Belgian Malinois and military working dog. This is Cairo's story, and that of his handler, Will Chesney, a SEAL Team Operator whose life would be irrevocably tied to Cairo's. Starting in 2008, when Will was introduced to Cairo, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond transcended their service. Then, in 2011, the call came: Pick up your dog and get back to Virginia. After weeks of training for a secret mission. It soon became clear that this was no ordinary operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the death of Osama bin Laden. Cairo settled into a role as a reliable "spare dog." Will went back to his job as a DEVGRU operator, until a grenade blast in 2013 left him with a brain injury and PTSD. Unable to participate in further missions, he suffered from crippling migraines, depression. Modern medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more—and then up to Will to be there when Cairo needed him the most.

What happens when you swap 'I do' for pastures new? When twenty-three-year-old shepherdess Emma Gray breaks off her engagement, the chance to take over an isolated Northumberland farm seems just the fresh start she needs. But with plenty of scope for contemplation, a night out with an eligible bachelor soon seems more remote than the farm itself. And once you add fugitive sheep and freak blizzards into the mix, Emma's dreams of a happy future at Fallowlees Farm come to an end. Over the next few nights of lambing, the highs and lows of the local sheepdog trials and the day-to-day chores of maintaining a large, ramshackle farm, Emma's collies are her most loyal companions. With Bill, Fly, Roy and Alfie by her side, she'll never really be alone. Fallowlees - the triumphs, the disasters, the heartbreak and the glimmer of romance on the horizon - is an inspiration for anyone who has ever dreamt of changing their life and starting all over again.
