**Misunderstood looks behind the eyeliner to reveal the true story of one of the most notorious rock icons of the 21st century. Follow the reckless wild child turned devoted father as he replaces drug binges and erotic exploits with Buddhist meditation and kids' birthday parties. He's battled bipolar disorder, clinical depression, drug and alcohol addiction, loneliness and self-loathing to sell over ten million albums worldwide with the rock group Placebo. Combining punk rock anthems with designer dresses, the singer set out to prove he's far more than 'just another nancy boy.' He describes his music as both 'a transvestite on crystal meth' and 'cocktail hour at the mental hospital' - it's going to be a bumpy ride. Alongside quotes from the singer himself are exclusive interviews featuring Brian in the words of those who knew him best. Described as everything from a fallen angel to a brutal rock-star thug, this book looks beyond the well-worn 'drug crazed sex-dwarf' connotations to discover just why Brian Molko is so misunderstood.**

**A photo-packed memoir by the Ramones guitarist and "true iconoclast" (Publishers Weekly). Raised in Queens, New York, Johnny Ramone founded one of the most influential rock bands of all time, but he never strayed from his blue-collar roots and attitude. He**

Through it all, Johnny kept the band focused and moving forward, ultimately securing their place in music history by inventing punk rock. The Ramones were inducted into the Rock and Roll Hall of Fame in 2002—and two years later, Johnny died of cancer, having outlived two other founding members. Revealing, inspiring, and told on his own terms, this memoir also features Johnny's assessment of the Ramones' albums; a number of eccentric Top Ten lists; rare historical artifacts; and scores of personal and professional photos, many of which have never before been published. -- All-new, expanded version of the classic book that set the tone for the contemporary worship movement

-- The signature book from worship pioneer Jack Hayford, founding pastor of one of the best-known churches in America, The Church On The Way -- Integrity Music will be co-promoting this product along with their music CD of the same title from Jack Hayford. The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Because, as pastor Jack Hayford clearly shows us, God graces His people with worship as a gift, not a demand. Worship liberates all of God's people to discover genuine wholeness, but only as they recognize and acknowledge the holiness of God. Hayford examines the lives of more than a dozen biblical figures to illuminate the fulfilling effects of worship -- including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives -- and everything He calls us to do. And this same grace overflows in a special and unique way on all of us who humbly and wholeheartedly worship God.

Paul Baloche - God of Wonders

The authorized biography of Robert Pollard, indie rock icon and founder of the music group Guided By Voices Robert Pollard has been a staple of the indie rock scene since the early '80s, along with his band Guided By Voices. Pollard was a longtime grade school teacher who toiled endlessly on his music, finding success only after adopting a do-it-yourself approach, relying on lo-fi home recordings for much of his and his band's career. A prolific artist, Pollard continues to churn out album after album, much to the acclaim of critics and his obsessive and devoted fans. But his story has never been faithfully told in its entirety. Until now. Author Matthew Cutter is a longtime friend of Pollard and, with Pollard's blessing, he's set out to tell the whole, true story of Guided By Voices. Closer You Are is the first book to take an in-depth look at the man behind it all, with interviews conducted by the author with Pollard's friends, family, and bandmates, along with unfettered access to Pollard himself and his extensive archives. Robert Pollard has had an amazing and seemingly endless career in rock music, but he's also established himself as a consummate artist who works on his own terms. Now fans can at long last learn the full story behind one of America's greatest living songwriters.

It starts as a story ripped from the headlines of the war-torn Middle East. An extremist faction of Islam bombs a church during a service. The one door in the back isn't big enough for five hundred people trying to escape. Some are killed. But after the chaos and fire and smoke, one young woman comes back to life. In this thrilling true tale, death does not have the final word. From the first time Samaa heard the Lord Jesus calling her out of Islam into faith in Him, till she met Him face to face in heaven, her life is marked by God's supernatural love and power. Full of hope and encouragement, and overflowing with Jesus' love, her riveting account reveals the power of God to break through any circumstance--and is a moving reminder that, in a place beyond what we can imagine, we have a Savior waiting to welcome us face to face.
