"Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hadestown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as "The best new musical of the season," by The Wall Street Journal, and "Sumptuous. Gorgeous. As good as it gets," by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to Hadestown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

Caroline doesn't remember her crime. One moment, she's a Lady of the Demon Court. The next, she's sent to Earth as punishment. Her task? Keep the humans from learning about magic at all costs. Even if it means doing the one thing she's worst at - dealing with other people. Detective Mina Sharma is determined to prove herself. Her new promotion is the one thing going right in her life as a newly-divorced single mother, and she's not going to let anything stop her from solving her first case. Not even the aloof and enigmatic blonde with crimson eyes telling her to drop it if she values her life. Especially not when this Caroline is just as much of a puzzle to solve as the case itself. And Mina has always loved puzzles. You'll love this F/F urban fantasy series because the fast-paced writing will keep you hooked until the end. Get it now!

In Michelle Gagnon's debut YA thriller, Don't Turn Around, computer hacker Noa Torson is as smart, tough, and complex as The Girl with the Dragon Tattoo's Lisbeth Salander. The first in a trilogy, Don't Turn Around's intricate plot and heart-pounding action will leave readers desperate for book two. Sixteen-year-old Noa has been a victim of the system ever since her parents died. Now living off the grid and trusting no one, she uses her hacking skills to stay anonymous and alone. But when she wakes up on a table in a warehouse with an IV in her arm and no memory of how she got there, Noa starts to wish she had someone on her side. Enter Peter Gregory. A rich kid and the leader of a hacker alliance, Peter needs people with Noa's talents on his team. Especially after a shady corporation threatens his life in no uncertain terms. But what Noa and Peter don't realize is that Noa holds the key to a terrible secret, and there are those who'd stop at nothing to silence her for good.

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. Persephone's Awakening: The Rich One (Book #1)

Lessons from a Myth

"Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal

world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden" --

Nanotechnology has become extremely intelligent and powerfully out of control with the existence of self-thinking humanoids. Scarlet is in position to change the course of evil due to a secret he was injected with as a baby. He enlist a small group of young people to help him. Their adventure is breathtaking and exciting the closer they get to their goal.

Theron – Dark haired, duty bound and deceptively deadly. He's the leader of the Eternal Guardians, an elite group of warriors that defend the mortal realm. From the moment he walked into the club, Casey knew this guy was different. Men like that just didn't exist in real life—silky shoulder-length hair, chest impossibly broad, and a predatory manner that just screamed dark and dangerous. He was looking for something. Her. She was the one. She had the mark. Casey had to die so his kind could live, and it was Theron's duty to bring her in. But even the leader of the Guardians wasn't strong enough to resist the pull in her fathomless eyes, to tear himself away from the heat of her body. As war with the immortal realm nears, someone will have to make the ultimate sacrifice. *** All books in the Eternal Guardians series can be read in order or as stand-alones: MARKED - Book 1 ENTWINED - Book 2 TEMPTED - Book 3 ENRAPPED - Book 4 ENSLAVED - Book 5 BOUND - Book 6 TWISTED - Book 7 RAVAGED - Novella, Book 7.5 AWAKENED - Book 8 UNCHAINED - Novella, Book 8.25 HUNTED - Novella, Book 8.5 ENSNARED - Novella, Book 8.75 and coming soon... All myths skew the truth... From the age of five, Hades was imprisoned and tortured at the hands of his father, the Titan King. Every night he'd dream of freedom and the chance to seek his revenge. When Zeus saved him and their four siblings and declared war on the Titans, Hades thought his father's days were numbered. Ten years later, Hades fears Cronus won't face the consequences for his vile nature. The gods are struggling to maintain their early momentum. Lately, they lose more battles than they win. Morale is low, and many of their allies have abandoned them for the opposite side. The Fates propose a way for the gods to topple the Titans once and for all, and though apprehensive, Hades embraces the opportunity. His rash decision takes him to the Underworld to join forces with Kore, the Daemon Queen. Kore despises Cronus as much as the gods. She wants nothing more than to watch him suffer, and for the gods to reign in a new era. For ten years, she's offered her assistance, and each time she's been turned away. Finally, Zeus pushes Kore too far, and she vows to leave the gods to their inevitable demise. Her conviction doesn't last long when Hades appears, begging for her help. Against her Council's wishes and her own good sense, Kore agrees to lead Hades through her home, Tartarus, to search for the Hecatoncheires—the gods' only hope to destroy Cronus. Their journey pushes them to their limits, in both body and mind. Along the way, their hearts get tangled in the mix; a more dangerous dilemma than defeating the Titans. For if they survive, to remain together, they may have to battle both the Underworld and Upperworld.

The Lyrics of HADESTOWN

And you think beauty pageants are scary? Persephone Alcmedi has been persuaded to compete for the position of High Priestess of the Cleveland, Ohio, coven -- now that the former priestess, Vivian Diamond, has strangely gone missing. Unfortunately, there are a few small problems with the idea. Not only does Seph know rather more about Vivian's disappearance than the other witches realize, but the epic struggle she's just survived has left her with some highly unusual powers -- ones that could be dangerous to reveal. Despite her reluctance, she agrees to participate, if only to prevent snooty Hunter Hopewell, an obnoxious but talented witch, from ending up in the winner's circle. Can Seph hide her secrets -- including her connection to the master vampire-wizard Menessos -- from the terrifyingly wise judges? Plus, there's her rock 'n' roll werewolf boyfriend, Johnny, and some angry fairies to deal with.... Once the competition begins, a finalist turns up dead. It looks as if one of the contestants is willing to do anything -- including murder -- to win. Suddenly Seph has even more on her plate than she thought: from solving a murder to working out what her new powers really are...and exactly why they're creating so much havoc in her love life.

The gods of Olympus have been at war with their wives for centuries. Zeus, famously unable to control his divine desires was deserving of his punishment - to touch a mortal lover was to bring instant death. But out of every curse is born a prophecy, and so the immortal gods must discover a divine spark: a mortal with divine ancestry who could bear the brunt of the goddesses' curse and survive. To foil Hera's curse, the mighty gods of Olympus must set aside their wild ways and devote themselves to the search for love, the key to their eternity, and usher in an age of New

Olympians. But their journey will not be an easy one, and the quest to break Hera's curse could tear Olympus apart. Be Warned! *He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. *A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.* Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...*

Working on a Song

Hugo award-nominated author Stina Leicht has created a take on space opera for fans of *The Mandalorian* and *Cowboy Bebop* in this high-stakes adventure. *Persephone Station*, a seemingly backwater planet that has largely been ignored by the United Republic of Worlds becomes the focus for the Serrao-Orlov Corporation as the planet has a few secrets the corporation tenaciously wants to exploit. Rosie—owner of Monk's Bar, in the corporate town of West Brynner, caters to wannabe criminals and rich Earther tourists, of a sort, at the front bar. However, exactly two types of people drank at Monk's back bar: members of a rather exclusive criminal class and those who sought to employ them. Angel—ex-marine and head of a semi-organized band of beneficent criminals, wayward assassins, and washed up mercenaries with a penchant for doing the honorable thing is asked to perform a job for Rosie. What this job reveals will effect *Persephone* and put Angel and her squad up against an army. Despite the odds, they are rearing for a fight with the Serrao-Orlov Corporation. For Angel, she knows that once honor is lost, there is no regaining it. That doesn't mean she can't damned well try.

In this pulse-pounding final installment of the *Don't Turn Around* trilogy, which Kirkus Reviews called "The Girl with the Dragon Tattoo for teens, a surefire hit," Noa and Peter race across the country in their search to destroy Project *Persephone* before time runs out. Noa Torson is out of options. On the run with the three remaining teens of *Persephone's* Army, she is up against immeasurable odds. The group is outnumbered, outsmarted, and outrun. But they are not giving up. When Noa and Peter realize they can't run anymore, and that Noa's health is quickly failing, they know they must go back to where this began. But when they come face-to-face with the man who started it all, the question becomes, can they win? This riveting final book truly ratchets up the action as Noa and Peter confront the evil that has chased them and won't let them go.

A collection of short plays based on Greek myths, intended for grades 4-8.

Embark upon a powerful journey with *Persephone, Queen of the Underworld and Goddess of Spring*, as she helps you to discover your personal power and take control of your life.

'There is something for everyone in this book, which will be of interest to long-standing devotees of *Persephone* as well as those feeling newly-called to work with this powerful Goddess who helps us to walk a path of empowerment.' Dive into the thrilling THE GODDESS TEST series with these three irresistible novels by Aimée Carter. THE GODDESS TEST It's always been just Kate and her mom—and her mother is dying. With her mother's dying wish to move back to her childhood home, Kate is stricken with fear to start at a new school with no friends, no other family and the worry that her mother won't live past the fall. Then she meets Henry. Dark. Tortured. And mesmerizing. He claims to be Hades, god of the Underworld—and if she accepts his bargain, he'll keep her mother alive while Kate tries to pass seven tests. After seeing him a girl back from the dead, saving her mother seems crazily possible. If she succeeds, she'll become Henry's future bride, and a goddess. GODDESS INTERRUPTED Even as Queen of the Underworld, Kate is as isolated as ever. Despite her growing love for Henry, ruler of the Underworld, he's becoming ever more distant and secretive. Then, in the midst of Kate's coronation, Henry is abducted by the only being powerful enough to kill him. As the other gods prepare for a war that could end them all, it is up to Kate to save Henry from the depths of Tartarus. But in order to navigate the endless caverns of the Underworld, Kate must enlist the help of the one person who is the greatest threat to her future. THE GODDESS INHERITANCE During nine months of captivity, Kate Winters has survived a jealous goddess, a vengeful Titan and a pregnancy she never asked for. Now the Queen of the Gods wants her unborn child, and Kate can't stop her—until Cronus offers a deal. In exchange for her loyalty and devotion, the King of the Titans will spare humanity and let Kate keep her child. But if Kate agrees, he'll destroy Henry, her mother and the rest of council. And if she refuses, Cronus will tear the world apart until every last god and mortal is dead. Titles originally published in 2011, 2012, and 2013. Meet Mal: Unemployed. Antisocial. A god's living weapon. The old gods are fighting for control of the modern world. But to keep their wars secret from the mortals, they need the Marked: humans ripped from their ordinary lives, gifted with divine power, and trained to work from the shadows to ensure their gods' victory... by any means necessary. Join reluctant assassin Mal Keyne on her first four adventures as she protects New York City from Hades's rivals, struggles to reclaim her lost humanity, and rushes in where angels fear to tread. Death Trace: It's been ten years since Mal died. Five years since the god Hades dragged her from the underworld and forged her, through blood

and pain, into his living weapon. And in five minutes, the only other agent of Hades she trusts will die... **Memory Game: With Hades's temple in ruins, Mal has a new mission—keep humanity from discovering the truth behind the attack. And Mnemosyne, goddess of memory, is happy to help. All she wants in return is one human dead... a human who happens to have the power to level entire buildings with a thought. Ghost Town: A single moment of weakness stopped Mal from closing an underworld gate. Now the city is paying the price. Two spirits are haunting the streets of Manhattan, and one of them has a body count. Night Terrors: When a plague of waking nightmares sweeps through New York, Mal's race to save Hades's last scrap of territory will turn her against her oldest friends, unearth a secret the gods themselves have kept buried for thousands of years, and test the limits of an alliance she thought was unshakable.**

It's not easy being perfect . . . But Aphrodite is determined to prove that she's more than just a pretty face. So when she's asked to investigate strange events occurring on cruise ships, she's all over it. Little does she guess just how much this mission is going to cost her . . . The problem--demigods are mysteriously disappearing. Prepared to investigate, Aphrodite manages to charm herself into the best room on the ship. Unfortunately, the room is already taken. It belongs to the one demigod immune to her charm: Adonis. Aphrodite doesn't know what to make of Adonis. He obviously disapproves of her . . . yet he saved her life. And he's hot! Then again, Aphrodite is still reeling from a disastrous--yet incredible--fling with Ares. Gods, these men are going to be the death of her. But then Aphrodite realizes that Adonis could be the next target, and her investigation becomes personal. Only the more she uncovers, the clearer it gets that she's in over her head. Confronted with a strange and powerful new opponent, Aphrodite realizes she might not be as immortal as she thought. And Adonis may not be the one who needs saving . . . Everyone knows that love is blind, but even Riona Dade knows it's supposed to be with a mortal. That's true even if you are a witch with the ability to magically slay the scum of Hell. Plus, when you find out your ex-boyfriend was a demon, you should probably take your lesson about falling for the wrong guy. Probably. It's a great theory, anyway. Marc Angeletti, a piece of forbidden fruit with onyx eyes and a razor wit, can start packing his luggage for damnation now. Riona is... wow, but love isn't really an option for a man who's dedicated himself to the church. Too bad nobody told his body that. The more he and the witch battle the forces of darkness side by side, the harder it becomes to resist the pull he feels. The only solution is to be a sarcastic ass, and hope she doesn't call him on it. Or worse, hope she doesn't have a thing for sarcastic asses. When Lucifer himself takes a personal interest in wooing the witch, the stakes aren't the only thing raising. As long as Riona and Marc can keep things professional and north of the sheets, no problem. Too bad both of their compasses are broken where bedrooms are concerned.

New Olympians: Books 1-6 ~ The Complete Series

Twelve Zodiac Assassins. Forged in the Darkness of the InBetween, Ruled by the Shadow Side of their Stars, The Only Hope for the Light of Humanity. The InBetween, a subterranean haven created by the goddess Hecate for persecuted paranormals and ruled by twelve formerly-human princes, has been hidden for centuries, their numbers growing, and their hatred for humans festering. So when paranormal children are stolen, and the evidence implicates humans, the paranormals are called to rise out of the darkness and into the light to get retribution. Imprisoned, with the demon soul attached to his own soul close

to taking permanent possession, Zodiac Assassin Lyon jumps at the chance to earn his freedom by retrieving three women from the human world. But when the other Zodiacs try to steal his prize, Lyon must secure the women and run. When foundling Persephone Payne is attacked by one man then rescued by Lyon, the monster plaguing her nightmares, she is thrust into a supernatural world beyond imagining and forced to rely on Lyon to protect her and her sisters by choice, not by blood. But, can she safeguard her heart from him? After Persephone's fate is finally revealed, Lyon must choose between the reclamation of his soul or saving her and the love he doesn't believe he deserves.

The classical Greek myth of Demeter and her daughter Persephone as told in Homer's Hymn to Demeter has been used most often to explain the cycle of the seasons. However, a closer examination will reveal insights on living and dying, loss and reconciliation, and suffering and healing. This work demonstrates the continued importance and relevance of the myth of Demeter and Persephone to today's society. The first three chapters provide a summary of the Homeric story and examine the myth from the perspectives of the mother and daughter. The following chapters discuss the symbolism of critical objects, the role of female mentoring, the role of Hades and the meaning of the underworld, the subject of rape, and the masculinist perspective presented by Zeus and Helios, and derive lessons useful for healing and knowledge. The Hymn to Demeter as translated by Helene Foley is included as an appendix in order to provide a basis for the discussion in the text. Notes and a bibliography also follow the text.

The Daughters of Zeus, Book One "Persephone is a fun, imaginative, smart retelling of my favorite myth, fusing modern culture with a rich world of magic." Amazon Top Reviewer, Molly Ringle, Author of Persephone's Orchard. One day Persephone is an ordinary high school junior working at her mom's flower shop in Athens, Georgia. The next she's fighting off Boreas, the brutal god of Winter, and learning that she's a bonafide goddess--a rare daughter of the now-dead Zeus. Her goddess mom whisks her off to the Underworld to hide until Spring. There she finds herself under the protection of handsome Hades, the god of the dead, and she's automatically married to him. It's the only way he can keep her safe. Older, wiser, and far more powerful than she, Hades isn't interested in becoming her lover, at least not anytime soon. But every time he rescues her from another of Boreas' schemes, they fall in love a little more. Will Hades ever admit his feelings for her? Can she escape the grasp of the god of Winter's minions? The Underworld is a very nice place, but is it worth giving up her life in the realm of the living? Her goddess powers are developing some serious, kick-butt potential. She's going to fight back. "I enjoyed Hades and Persephone's sweet romantic relationship. Persephone has her flaws, but she is likable and learns along the way. The author's writing is descriptive and entertaining. I am looking forward to the next book." Rebecca Foote @ Paranormal Muse "Everyone needs to check this book out, I can't rave enough about it, Bevis is definitely a new talent to keep an eye out for. I give this 5/5." Sarah Brown @ Head Stuck in a Book "I found this book to be a fun and fast-paced adventure through Greek mythology with a modern twist." Stephanie Ward @ A Dream Within a Dream "From the first paragraph, I was enthralled with this story. I read it all in one sitting and enjoyed every minute of it. What a great spin on a Greek myth! Move over Rick Riordan!" Amazon Top Reviewer, Rita Webb, Author of Daughter of the Goddess "This story will completely suck you in . . . Don't Let Go

Book 1 Persephone Trilogy

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into

his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

A *PATTERN OF VIOLENT SUICIDES ACROSS THE GLOBE* shakes the scientific community. Can the deaths be connected to a secretive biotechnology company dedicated to solving the problem of global warming? In pursuit of answers, XUSA biochemist and bereaved widower Dr. Marcus Black learns a beautiful, vicious killer will eliminate any man, woman, or child to hide the truth, including the only living person who can help, a convicted murderer with a shocking connection to his late wife. Rushing to help prevent a genocidal catastrophe unfolding in the Australian Outback, Marcus discovers a horrifying revelation about his wife, his friends, and himself. In one final twist, the fate of the elusive killer is sealed, but will Marcus and his XUSA colleagues be in time to save humanity itself?

Caroline doesn't remember her crime. One moment, she's a Lady of the Demon Court. The next, she's sent to Earth as punishment. Her task? Keep the humans from learning about magic at all costs. Even if it means doing the one thing she's worst at – dealing with other people. Detective Mina Sharma is determined to prove herself. Her new promotion is the one thing going right in her life as a newly-divorced single mother, and she's not going to let anything stop her from solving her first case. Not even the aloof and enigmatic blonde with crimson eyes telling her to drop it if she values her life. Especially not when this Caroline is just as much of a puzzle to solve as the case itself. And Mina has always loved puzzles. You'll love this F/F urban fantasy series because the fast-paced writing will keep you hooked until the end. Get it now!

The gods are free to do whatever they want. Inevitably, they do. Collects *THE WICKED + THE DIVINE* #23–28, including the critically lauded *KEVIN WADA* magazine issue.

Get to know Persephone, the Queen of the Underworld, in this twenty-sixth Goddess Girls adventure!

This follow-up to the critically acclaimed *Don't Turn Around*—which Kirkus Reviews called "The Girl with the Dragon Tattoo for teens, a surefire hit"—raises the stakes to their absolute limit and will leave readers begging for the exciting conclusion. Having outsmarted the sinister Project Persephone, Noa and her friend Zeke are on the run again, moving across the country, protecting runaways before they become test subjects for the Project's horrific experiments. Noa knows all too well what that feels like: Whatever was done to her has left her exhausted and scared. Back in Boston, Peter anxiously follows Noa's movements from his computer. But he's desperate to do more, especially when he learns what the Project has done to his ex-girlfriend, Amanda. Then, in an explosive confrontation, Noa and her team are trapped in the one place they thought was safe. It will take everything Noa and Peter have to bring down the Project. And with no one to trust and enemies hiding at every turn, they may be the only people alive who can.

"Scarlett St. Clair's sexy and addictive Hades X Persephone series continues. Persephone's relationship with Hades is now in the public eye, but a horrible tragedy leaves her more confused than ever about her future as Hades's queen"--
