

Down The Rabbit Hole March Month 3

Six years ago a serial killer plagued the city of Clearwater, murdering several people in the most vicious manner. He called himself the Mad March Hare, and he dedicated himself to creating a 'Wonderland' of insanity for the detectives involved. Tracked from the moon Ganymede to the moon Io, the Mad March Hare killed three more people before disappearing all together. Now, six years later, the Mad March Hare resurfaced. Detective Jasper Nightingale is called from his city to the city of Liddell to take care of a mystery he was unable to solve six years ago. Joined by his teammates and the FBI, Detective Jasper Nightingale sets his sights on capturing this crazed serial killer once and for all.

DOWN THE RABBIT HOLE

"My all-time favorite. Astonishing." (Stephen King) Down the Rabbit Hole is the first book in the Echo Falls mystery series by bestselling crime novelist Peter Abrahams. Perfect for middle school readers looking for a good mystery. Welcome to Echo Falls, home of a thousand secrets. In Down the Rabbit Hole, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes. With soccer practice, schoolwork, and the lead role in her town's production of Alice in Wonderland, Ingrid is swamped. But as things in Echo Falls keep getting curiouser and curiouser, Ingrid realizes she must solve the murder on her own—before it's too late. "Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery," said School Library Journal.

Online Library Down The Rabbit Hole March Month 3

"Intriguing twists." Publishers Weekly agreed: "The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again." The next book in this Edgar Award-nominated series is *Behind the Curtain*, followed by *Into the Dark*.

What I've Learned from Falling Down the
Bitcoin Rabbit Hole

Gods Go Begging

Why Existence is

Sharp Objects

A major HBO & Sky Atlantic Limited Series starring Amy Adams, from the director of *BIG LITTLE LIES*, Jean-Marc Vallée

Falling down the Bitcoin rabbit hole is a strange experience. Like many others, I feel like I have learned more in the last couple of years studying Bitcoin than I have during two decades of formal education. The following lessons are a distillation of what I've learned. First published as an article series titled "What I've Learned From Bitcoin," what follows can be seen as a third edition of the original series. Like Bitcoin, these lessons aren't a static thing. I plan to work on them periodically, releasing updated versions and additional material in the future. Bitcoin is an inexhaustible teacher, which is why I do not claim that these lessons are all-encompassing or complete. They are a reflection of my personal journey down the rabbit hole. There are many more lessons to be learned, and every person will learn something different from entering the world of Bitcoin. I hope that you will find these lessons useful and that the

Online Library Down The Rabbit Hole March Month 3

process of learning them by reading won't be as arduous and painful as learning them firsthand.

Newbery Honor author Susan Campbell Bartoletti brings the story of a young girl caught up in a web of murder, lies, and the Great Fire of Chicago to bold life. In the spring of 1871, fourteen-year-old Pringle Rose learns that her parents have been killed in a terrible carriage accident. After her uncle Edward and his awful wife, Adeline, move into the Pringle family's home -- making life for her and her younger brother, Gideon, unbearable -- Pringle runs away with Gideon to Chicago, seeking refuge from the tragedy, and hoping to start a new life. She becomes a nanny for the children of a labor activist, and quickly finds herself caught up in a web of intrigue and lies. Then, when a familiar figure from home arrives, Pringle begins to piece together the devastating mystery of what happened to her parents, and realizes just how deadly the truth might be. But soon, one of the greatest disasters this country has ever known -- the Great Fire of Chicago -- flares up, and Pringle is on the run for her life. Winner! 2012 London Book Festival Awards (Runner Up: Science Fiction/Fantasy Division) In the wake of tragedy and loss, Caspian Hythe has returned to his family's ancestral home in England. But home is not as it should be. No longer a place of safety or of peace, home is now a place of horror and fear. For an ancient mystery has re-awakened - bloodthirsty and unimaginable - something is killing in the town of Guildford. And the trail of blood is just the beginning. From the creator of the award-winning SciFi Fantasy novels TAU4 and HAMMERSPACE, comes a new Fantasy and Dark Sorcery series. Now a young man will pit himself against an ageless evil as he travels a deadly path toward the ultimate mystery of all. Love Hate. Life Death. What lies between them is a

RABBITHOLE.

From master anthologist Ellen Datlow comes an all-original of weird tales inspired by the strangeness of Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass and What Alice Found There. Between the hallucinogenic, weird, imaginative wordplay and the brilliant mathematical puzzles and social satire, Alice has been read, enjoyed, and savored by every generation since its publication. Datlow asked eighteen of the most brilliant and acclaimed writers working today to dream up stories inspired by all the strange events and surreal characters found in Wonderland. Featuring stories and poems from Seanan McGuire, Jane Yolen, Catherynne M. Valente, Delia Sherman, Genevieve Valentine, Priya Sharma, Stephen Graham Jones, Richard Bowes, Jeffrey Ford, Angela Slatter, Andy Duncan, C.S.E. Cooney, Matthew Kressel, Kris Dikeman, Jane Yolen, Kaaron Warren, Ysbeau Wilce, and Katherine Vaz.

Fans of Ellery Adams and Heather Blake will be charmed by Esme Addison's new Enchanted Bay mystery series. Aleksandra Daniels hasn't set foot in the quiet seaside town of Bellamy Bay, North Carolina in over twenty years. Ever since her mother's tragic death, her father has mysteriously forbidden her from visiting her aunt and cousins. But on a whim, Alex accepts an invitation to visit her estranged relatives and to help them in their family business: an herbal apothecary known for its remarkably potent teas, salves, and folk remedies. Bellamy Bay doesn't look like trouble, but this is a town that harbors dark secrets. Alex discovers that her own family is at the center of salacious town gossip, and that they are rumored to be magical healers descended from mermaids. She brushes this off as nonsense until a local is poisoned and her aunt Lidia is arrested for the crime. Alex is certain Lidia is being framed, and she resolves to find out why. Alex's investigation unearths stories that some have gone to desperate lengths to conceal: forbidden affairs, family rivalries, and the

Online Library Down The Rabbit Hole March Month 3

truth about Alex's own ancestry. And when the case turns deadly, Alex learns that not only are these secrets worth hiding, but they may even be worth killing for.

It should come as no surprise that following the Clinton-era crime bills and the massive increase in prison construction throughout the nation over the past twenty years that, overall, crime would be down. But this has come with exorbitant costs, both in terms of dollars and human lives. The United States has an unprecedented two million offenders behind bars at an annual cost of \$70 billion. And this has paradoxically led to a widespread case of buyer's remorse. Seeing such a mass incarceration as unsustainable, a growing number of people in recent years have been calling for criminal justice reform. Consequently, lawmakers have not only begun to enact schemes designed to reduce prison sentenced for many off those currently incarcerated, there had been a more liberal use of paroles as well. The question of how well the prison experience has worked to correct offenders is therefore

Online Library Down The Rabbit Hole March Month 3

perhaps more important now than ever. Are we as a society to watch the correction's pendulum swing back, only to witness a precipitous rise in crime once again? Historically, incarceration has had an extremely poor record of reforming criminals. The sad fact is that reoffending is a likelier outcome following a prison sentence than is rehabilitation. And although the reasons for this are complex, much of the problem certainly lies with the correction's culture itself.

Deconstructing that culture, *Down The Rabbit Hole* offers a unique perspective on why corrections more often than not fails to achieve its stated goals.

Kate, born to abusive, drug addicted parents, identifies an inner God voice when she is very young. This voice, and the support of her grandmother, helps her overcome her circumstances instead of falling victim to them. However, as she grows up she finds that the apple doesn't fall too far from the tree, and she discovers that she is an addict herself. Deciding not to go down the path her parents went, she rises above her circumstances again and chooses the

Online Library Down The Rabbit Hole March Month 3

path of recovery. Now 8 years sober she shares how faith helped her continue to take positive action and avoid victimization every step of the way."Impossible to put down. Both drily funny and yet often terrifying, this is a raw, unflinching account of a chaotic and abusive childhood overcome by inner strength and an enduring sense of humor."

Escaping the Rabbit Hole

The Bridal Party
The Diary of Pringle Rose
Alice in Wonderland - Down the Rabbit
Hole

In the previous book in this series, Manfred Kets de Vries observed the experiences of leaders on a rollercoaster ride through their professional and personal lives. Now, he follows them down the rabbit hole into the unknown, where, like Lewis Carroll's Alice, they find a dystopian Wonderland in which everyone seems to have gone mad and life functions according to its own crazy logic, throwing up all kinds of obstacles in the search for truth. Understanding what is happening around us has become more difficult than ever in the Age of Trump. Don't imperatives like "build that wall" sound very much like "Off with his head"? Unfortunately, and unlike Alice, we are not going to wake up from a bad dream and discover that everything is "nothing but a pack of cards". The first part of this book looks at the psychodynamics of leadership in both a business and a political context. The second focuses on the psychopathology of everyday life in organizations and the seemingly endless ways people can make a

Online Library Down The Rabbit Hole March Month 3

mess of things – including mega pay packages, acting out, digital addiction and other dysfunctional behaviour patterns. Each chapter ends with a brief anecdote to illustrate the dilemma it presents. In short, sharp nuggets, Kets de Vries helps make sense of how the madness of the present has affected leadership in organizations and the workplace.

The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef's #1 girlfriend and star of *The Girls Next Door*. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her *Girls Next Door* co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on *Dancing with the Stars*. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve.

"A brief and majestic debut." —Matías Néspolo, *El Mundo Tochtli* lives in a palace. He loves hats, samurai, guillotines, and dictionaries, and what he wants more than anything right now is a new pet for his private zoo: a pygmy hippopotamus from Liberia. But Tochtli is a child whose father is a drug baron on the verge of taking over a

Online Library Down The Rabbit Hole March Month 3

powerful cartel, and Tochtli is growing up in a luxury hideout that he shares with hit men, prostitutes, dealers, servants, and the odd corrupt politician or two. Long-listed for The Guardian First Book Award, *Down the Rabbit Hole*, a masterful and darkly comic first novel, is the chronicle of a delirious journey to grant a child's wish. "Luminous... a beautiful book." – Carolyn See For Vietnam veteran Jesse Pasadoble, now a defense attorney living in San Francisco, the battle still rages: in his memories, in the gang wars erupting on Potrero Hill, and in the recent slaying of two women: one black, one Vietnamese. While seeking justice for the young man accused of this brutal double murder, Jesse must walk with the ghosts of men who died on another hill... men who were his comrades and friends in a war that crossed racial divides. *Gods Go Begging* is a new classic of Latino literature, a literary detective novel that moves seamlessly between the jungles of Vietnam and the streets of modern day San Francisco. Described as "John Steinbeck crossed with Gabriel García Márquez", Véa weaves a powerful and cathartic story of war and peace, guilt and innocence, suffering and love - and of one man's climb toward salvation.

Beneath the Veil

Alice in Wonderland

How to Debunk Conspiracy Theories Using Facts, Logic, and Respect

The Bluegrass Files

Conspiracy Theories and the People Who Believe Them
Murder/mystery set in Lexington, KY.

Young PI, Sonia Vitale, joins forces with ex-Marine, ex-NCIS PI, Brad Dunham, to investigate a suspicious suicide and break up a drug ring.

"With candor leavened by compassion, West explains why people get sucked

Online Library Down The Rabbit Hole March Month 3

into conspiracy theories . . . and yes, even how to help people see the light.”

—Amanda Marcotte, author of *Troll Nation* Here is a conclusive, well-researched, practical reference on why people fall down the conspiracy theory rabbit hole and how you can help them escape (or avoid falling in yourself). Sharing the knowledge and experience he's accumulated debunking false conspiracy theories, Mick West offers a practical guide to helping friends and loved ones recognize these theories for what they really are. Whether it's that the Earth is flat or actors faked the Sandy Hook massacre, many people passionately believe conspiracy theories that are in fact falsehoods, mistakes, and in some cases, outright lies. They consume countless books and videos, spend hours in like-minded online communities, try to convert those around them, and even, on occasion, alienate their own friends and family. Why is this, and how can you help people, especially those closest to you, break free from the downward spiral of conspiracy thinking? West, founder of the Metabunk forum,

Online Library Down The Rabbit Hole March Month 3

sets forth a practical guide to helping friends and loved ones recognize these theories for what they really are. Perhaps counter-intuitively, the most successful approaches to helping individuals escape a rabbit hole aren't comprised of simply explaining why they are wrong; rather, West's tried-and-tested approach emphasizes clear communication based on mutual respect, honesty, openness, and patience. He also includes real-life case studies of individuals who, with help, were able to break free from conspiracism. "Read this book, which belongs in every newsroom and congressional office."

—Michael Shermer, publisher of Sceptic magazine and New York Times–bestselling author of *The Believing Brain*

What does the blockchain mean to you? I keep hearing about it in the media - but don't know what it is! I have read some things about it - but just don't get it. Isn't it just a bandwagon that the financial media is over-hyping? Isn't it just about drugs and hitmen? Block-what? Whatever your thoughts, the blockchain is gaining significant traction, with global media outlets

Online Library Down The Rabbit Hole March Month 3

increasing their almost insatiable coverage of the technology. So, why should you care? On December 2, 2015, the Goldman Sachs research team released their Emerging Theme Report. It simply said: "...the Blockchain, can change ... well everything." Now that's a big claim... but when this claim is added to : - Wangxiang Labs out of China announcing a \$30bn blockchain-based investment fund for Smart Cities in September 2016. - IBM announcing in the same month their plans to spend \$200m for the combination of Blockchain, Internet Of Things and Artificial Intelligence or - The Venture Capitalist community investing \$1.3bn so far in the blockchain-related space Perhaps something big is going on.... Is it that: - You can send cleared funds internationally in 20 seconds, rather than 3 days? - You can remove the need for trusted third-parties - bankers, lawyers, accountants, auditors? - 20% of the world's population can finally secure an identity that will help remove human trafficking, even child prostitution. The blockchain is powerful, very

Online Library Down The Rabbit Hole March Month 3

powerful but is not a technology that can easily be described in a few words – and that is its problem. Business people like you find it confusing, geeky, and hard to get to grips with. Down The Rabbit Hole gives you a practical, easy-to-read, hands-on guide to the technology, its power, and how you can capitalise on that power. Whether you want to: - Make your organisation more innovative and effective - Make yourself more valuable in your marketplace - Develop new products or - Become the new Mark Zuckerberg Down The Rabbit Hole will have something for you, fast-tracking you to be at the leading edge of 21st-century business thinking. The genie is squeezing itself out of the bottle, one-way ticket in hand – and ready for you to command. However, be warned once you discover the power of the blockchain hidden deep beneath the surface, your eyes will open to green fields crammed full of explosive opportunities. How you use them is limited only by your imagination. So why not get the book today – and take the first steps towards a discovering your new world.

Rabbit Hole

Down the Rabbit Hole: How the Culture of Corrections Encourages Crime

A Thriller

Perfect for fans of Ruth Ware's *In a Dark, Dark Wood*

Although limericks are thought of as frivolous nonsense, and are primarily written to elicit smiles or perhaps even laughter, many of them express irony and satire and try to make a point. Régis Auffray's third book of limericks contains

Online Library Down The Rabbit Hole March Month 3

over 1,000 funny, quirky, and perhaps intriguing, poems of that particular genre, most of which are based on true experiences and real people. Thus, readers may identify with the "silly" verses that make up this delightful book.

THIS STUNNING NEW VERSION OF A CLASSIC
IS THE BEST WAY TO ENTER WONDERLAND . . .

WITHOUT ACTUALLY FALLING DOWN THE
RABBIT HOLE. Alice in Wonderland is one of the most wondrous, truly original stories ever written—filled with magical and marvelous happenings. On its 150th anniversary in 2015, Lewis Carroll's tale of a world gone topsy-turvy gets a unique picture-book retelling of the beginning of Alice's journey, with elegantly simplified text that keeps all of the astonishing adventures and wide-eyed amazement of the original. What a wonderful Introduction for young children to many of the classic Carroll characters - Alice and The White Rabbit, the Blue Caterpillar, Bill the Lizard and more. Many of the most famous phrases are here— like "Curiouser and curiouser" and "Oh dear, oh dear, I shall be too late" to prepare youngsters for the time they're ready to read the whole book in its original form. Award-winning, bestselling artist Eric Puybaret creates an enchanting and magical Wonderland that looks like no other interpretation. Every spread in this magnificently

Online Library Down The Rabbit Hole March Month 3

produced volume is rich in charm, gloriously colorful, yet fresh and modern. From the extraordinary White Rabbit in his brilliantly red suit to the timelessly graceful young heroine, this is the Alice today's young children can relate to. It's the perfect, glorious introduction to a classic, a taste of what magic awaits them in the future.

Warning: This book includes strong language, violent scenes, references to cannibalism and sexual situations. It is intended for mature audiences only. Claire Foley has attracted the attention of some very dangerous people. They want her to do something, and they're willing to pay good money. But, these people aren't asking -- they're insisting. Now, Claire finds herself in a bizarre, unpredictable setting, surrounded by threatening men with uncertain goals and terrifying desires. Faced with shocking revelations and a deepening mystery, she must find a way to escape the inescapable, before they force her to do the unimaginable. "Thrilling, suspenseful and unforgettable ... a spellbinding journey."-- Ronald J. Bushwell, HBC Literary Review "An immersive, very well-written roller-coaster ride with surprises around every corner."-- Sarah McDaniels, The Candid Book Review "Tense, fascinating and beautifully written ... a classic thriller that will leave readers

Curious Adventures and Cautionary Tales of a
Former Playboy Bunny

From the author of the No.1 bestseller
and international phenomenon GONE GIRL.

Now a major HBO/SKY ATLANTIC TV series
starring Amy Adams, with the director
of BIG LITTLE LIES, Jean-Marc Vallee.

When two girls are abducted and killed
in Missouri, journalist Camille Preaker
is sent back to her home town to report
on the crimes. Long-haunted by a

childhood tragedy and estranged from
her mother for years, Camille suddenly
finds herself installed once again in

her family's mansion, reacquainting
herself with her distant mother and the
half-sister she barely knows - a

precocious 13-year-old who holds a
disquieting grip on the town. As
Camille works to uncover the truth

Online Library Down The Rabbit Hole March Month 3

about these violent crimes, she finds herself identifying with the young victims - a bit too strongly. Clues keep leading to dead ends, forcing Camille to unravel the psychological puzzle of her own past to get at the story. Dogged by her own demons, Camille will have to confront what happened to her years before if she wants to survive this homecoming. Sometimes friendship can be murder... It's the weekend of Clarisse's bridal party, a trip the girls have all been looking forward to. Then, on the day of their flight, Tamsyn, the maid of honour, suddenly backs out. Upset and confused, they try to make the most of the stunning, isolated seaside house they find themselves in. But, there is a surprise in store - Tamsyn has organised a murder mystery, a sinister game in which they must discover a killer in their midst. As tensions quickly boil over, it becomes clear to them all that there are some secrets that won't stay buried... WINNER OF THE DEVIANT MINDS CRIME THRILLER PRIZE 2018 READERS LOVE THE BRIDAL PARTY! reading at its best" Karen, Netgalley

"A chilling, sinister, intense
thriller" Nicki, Netgalley

Conspiracy theories are inevitable in complex human societies. And while they have always been with us, their ubiquity in our political discourse is nearly unprecedented. Their salience has increased for a variety of reasons including the increasing access to information among ordinary people, a pervasive sense of powerlessness among those same people, and a widespread distrust of elites. Working in combination, these factors and many other factors are now propelling conspiracy theories into our public sphere on a vast scale. In recent years, scholars have begun to study this genuinely important phenomenon in a concerted way. In *Conspiracy Theories and the People Who Believe Them*, Joseph E. Uscinski has gathered forty top researchers on the topic to provide both the foundational tools and the evidence to better understand conspiracy theories in the United States and around the world. Each chapter is informed by three core

Online Library Down The Rabbit Hole March Month 3

questions: Why do so many people believe in conspiracy theories? What are the effects of such theories when they take hold in the public? What can or should be done about the phenomenon? Combining systematic analysis and cutting-edge empirical research, this volume will help us better understand an extremely important, yet relatively neglected, phenomenon.

From the multi-million-copy bestselling author of *Wicked* comes a magical new twist on Lewis Carroll's beloved classic, *Alice's Adventures in Wonderland*. When Alice toppled down the rabbit-hole 150 years ago, she found a Wonderland as rife with inconsistent rules and abrasive egos as the world she left behind. But what of that world? How did 1860s Oxford react to Alice's disappearance? In *After Alice*, Gregory Maguire turns his dazzling imagination to the question of underworlds, undergrounds, underpinnings—and understandings old and new, offering an inventive spin on Carroll's enduring tale. Ada, a friend of Alice's mentioned briefly in *Alice's Adventures in Wonderland*, is off to

Online Library Down The Rabbit Hole March Month 3

visit her friend, but arrives a moment too late—and tumbles down the rabbit-hole herself. Ada brings to Wonderland her own imperfect apprehension of cause and effect as she embarks on an odyssey to find Alice and see her safely home from this surreal world below the world. If Eurydice can ever be returned to the arms of Orpheus, or Lazarus can be raised from the tomb, perhaps Alice can be returned to life. Either way, everything that happens next is "After Alice."

Jumping Down The Rabbit Hole Of Existence

My Year Down the Rabbit Hole: National Parks on the Air

NEW YORK TIMES BESTSELLER • “There’s such warmth to

Online Library Down The Rabbit Hole March Month 3

Dumas' writing that it invites the reader to pull up a seat at her table and smile right along with her at the quirks of her family and Iranians and Americans in general."—Booklist In the New York Times bestselling memoir *Funny in Farsi*, Firoozeh Dumas recounted her adventures growing up Iranian American in Southern California. Now she again mines her rich Persian heritage in *Laughing Without an Accent*, sharing stories both tender and humorous on being a citizen of the world, on her well-meaning family, and on amusing cultural conundrums, all told with insights into the universality of the human condition. (Hint: It may have to do with brushing and flossing daily.) With dry wit and a bold spirit, Dumas puts her own unique mark on the themes of family, community, and tradition. She braves the uncommon palate of her French-born husband and learns the nuances of having her book translated for Persian audiences (the censors edit out all references to ham). And along the way, she reconciles her beloved Iranian customs with her Western ideals. Explaining crossover cultural food fare, Dumas says, "The weirdest American culinary marriage is yams with melted marshmallows. I don't know who thought of this Thanksgiving tradition, but I'm guessing a hyperactive, toothless three-year-old." On Iranian wedding anniversaries: "It just initially seemed odd to celebrate the day that 'our families decided we should marry even though I had never met you, and frankly, it's not working out so well.'" On trying to fit in with her American peers: "At the time, my father drove a Buick LeSabre, a fancy French word meaning 'OPEC thanks you.'" Dumas also documents her first year as a new mother, the familial chaos that ensues after she removes the television set from the house, the experience of taking fifty-one family members on a birthday cruise to Alaska, and a road trip to Iowa with an American once held hostage in Iran. Droll, moving, and relevant, *Laughing Without an Accent* shows

Online Library Down The Rabbit Hole March Month 3

how our differences can unite us—and provides indelible proof that Firoozeh Dumas is a humorist of the highest order. Praise for *Laughing Without an Accent* “Dumas is one of those rare people: a naturally gifted storyteller.”—Alexander McCall Smith “*Laughing Without an Accent* is written . . . as if Dumas were sharing a cup of coffee with her reader as she relates her comic tales. . . . Firoozeh Dumas exudes undeniable charm [as she] reveals a zeal for culture—both new and old—and the enduring bonds of a family filled with outsize personalities.”—San Francisco Chronicle “[Dumas is] like a blend of Anne Lamott and Erma Bombeck.”—Bust “Humorous without being sentimental, [Dumas] speaks to the American experience.”—The Plain Dealer

“Much like Donna Tartt’s *The Secret History*, M. L. Rio’s sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments.” —Cynthia D’Aprix Sweeney, New York Times bestselling author of *The Nest* “Nerdily (and winningly) in love with Shakespeare...Readable, smart.” —New York Times Book Review

On the day *Oliver Marks* is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students’ world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were*

Villains was named one of Bustle's Best Thriller Novels of the Year, and Mystery Scene says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

I know the answer to the world's deepest secret . . .
Graham, a functioning alcoholic and Harvard medical student and the protagonist of *Into the Rabbit Hole*, stumbles across a puzzling communication from his deceased Navy Seal brother. Graham must work to unravel a litany of secrets sobering in their implications not only for himself, but for the past twelve-thousand years of human history and the secrets of the universe. Had he not, in his hungover state, opened the email, Graham could have continued on his predetermined successful, if dysfunctional, path and never embarked on the paradigm-shifting journey that so loosens his grasp on reality and obliterates not only what he chooses to believe but what he trusts as fact. With the help of his long-term girlfriend, his quirky Mensan best friend, his wild and athletic best girlfriend since childhood and his friend from Undergrad at Georgetown who followed him to Harvard for Grad school, he sets out to decode this complex cryptogram, which he soon discovers is charged with the potential to unhinge the very control that certain government officials are intent, at all costs, on maintaining. Micah T Dank takes the reader on an electrifying hunt for what is real and what is possible, encountering along the way politics, conspiracies, fringe medicine, history, and language, and what it means to survive—thrive, even—when you have the weight of the world on your shoulders. *Beneath the Veil* is the first book in a 6 books series *Into the Rabbit Hole*, that proves that love and humor may not be the answer, but that without these variables there is no worthy solution to any challenging problem or improbable situation. The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her

journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating it's social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. *The Vegas Diaries* is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly

finally gains the courage to confront her past-and in the process finds the life and love she deserves.

The Girl in the Rabbit Hole

A Spell for Trouble

Bulletin of the New Hampshire Public Libraries

A Journey Through End Stage Dementia

Laughing Without an Accent

It is 1871 in Scranton, Pennsylvania, and fourteen-year-old Pringle Rose, still grieving from the death of her parents, takes her brother Gideon, who has Down syndrome, escapes from her uncle and aunt, taking a train to Chicago--but disaster seems to follow her there.

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Jumping Down the Rabbit Hole of Existence explains how survival intelligence shapes and determines our beliefs, worldview, and perceptions. Making this the perfect book for those seeking a deeper understanding of why existence is the way it is.

A top neurologist explains the difficulty of diagnosing brain diseases through such cases as a college quarterback who keeps calling the same play and a salesman who continuously drives around a traffic circle.
