"Join Mark Drolsbaugh in his fascinating journey from hearing toddler...to hard of hearing child...to deaf adolescent... and ultimately, to culturally deaf adult. The struggle to find one's place in the deaf community is challenging, as Mark finds, yet there is one interesting twist: both his parents are also deaf. Even though the deaf community has always been there for him, right under his nose, Drolsbaugh takes the unbeaten path and goes on a zany, lifelong search... to become Deaf Again."--

Designed for use outside the classroom to reinforce and expand vocabulary, grammar and language functions taught in the classroom.

"A deeply moving, often humorous, and beautiful account of what it means to be the hearing child of profoundly deaf parents . . . I have rarely read anything on the subject more powerful or poignant than this extraordinary personal account by Lou Ann Walker." — Oliver Sacks From the time she was a toddler, Lou Ann Walker acted as the ears and voice for her parents, who had lost their hearing at a young age. As soon as she was old enough to speak, her childhood ended, and she immediately assumed the responsibility of interpreter—translating doctors' appointments and managing her parents' business transactions. Their family life was warm and loving, but outside the home, they faced a world that misunderstood and often rejected them. In this deeply moving memoir, Walker offers us a glimpse of a different world, bringing with it a broader reflection on how parents grow alongside their children and how children learn to navigate the world through the eyes of their parents.

The University of Florida, the state's oldest and largest university, is recognized today as one of the country's most academically diverse public institutions. Though able to trace its history to 1853, the school did not begin its popular football program until the first few years of the 20th century. The program has had its share of scandals and embarrassments over time, but it has also produced two Heisman Trophy winners, a national champion, numerous players drafted into the professional ranks, and a visibility that consistently ranks the team in the top five in the country. Now attracting 85,000 fans to each of its home games, the Gators' football program has become a vital part of the University of Florida. When the team won the national championship in 1996, no one could have predicted such success just 90 years earlier. Fortunately, that fascinating journey through the last century has been captured in great photographs that include formal portraits of teams; action shots on the field; views of "The Swamp"; and snapshots of fans from every decade. These images tell the story of the birth and growth of a football team, a team that has brought enjoyment to millions and national recognition to the University of Florida.

Portrays the extraordinary teachers, students, and administrators of the Lexington School for the Deaf, who belong to a unique culture and who struggle to make communication possible and accessible. Reprint.

Conversational Sign Language II

Basic ASL for everyday conversation.

A wealth of entries representing the signs of American Sign Language, with illustrations, descriptions, cross-references and bibliography. "The most complete dictionary of sign language ever published." -- National Association of the Deaf

Grasp the rich culture and language of the Deaf community To see people use American Sign Language (ASL) to share ideas is remarkable and fascinating to watch. Now, you have a chance to enter the wonderful world of sign language. American Sign Language For Dummies offers you an easy-to-access introduction so you can get your hands wet with ASL, whether you're new to the language or looking for a great refresher. Used predominantly in the United States, ASL provides the Deaf community with the ability to acquire and develop language and communication skills by utilizing facial expressions and body movements to convey and process linguistic information. With American Sign Language For Dummies, the complex visual-spatial and linguistic principles that form the basis for ASL are broken down, making this a great resource for friends, colleagues, students, education personnel, and parents of Deaf children. Grasp the various ways ASL is communicated Get up to speed on the latest technological advancements assisting the Deaf Understand how cultural background and regionalism can affect communication Practice signing with videos online If you want to get acquainted with Deaf culture and understand what it's like to be part of a special community with a unique shared and celebrated history and language, American Sign Language For Dummies gets you up to speed on ASL fast.

The focus of ASL to English: Say it Like They Mean It, is not about how we, the interpreters, think the English interpretation should be presented, but rather, how would an English speaking consumer with no understanding of Deaf Culture best understand the voiced message. The task of producing an appropriate interpretation from ASL to English is often noted as being the more difficult of the two interpreting tasks. With only two years in most interpreter education programs, students may not have a full comprehension of what is expected in ASL to English interpretation. This book looks at difficulties and issues that can arise as interpreters work between ASL and English, with exercises at the end of every chapter. ASL to English Interpretation: Say It Like They Mean It will not only give students currently studying interpreting an opportunity to learn how to interpret from ASL to English, but will also give students the opportunity to discuss and work on the task of the English interpretation with their teacher and fellow students. This book is identical to ISBN 0-916883-38-8, it is just perfect-bound instead of spiral-bound, which required a new ISBN.

Student workbook

The American Sign Language Handshape Dictionary

This introductory workbook and DVDs supplement and reinforce classroom instruction in ASL. Features cultural sections and profiles of famous Deaf people. Accompanying DVDs include over seven hours of ASL video clips.

Divided into 16 instructional units, ASL at Work is designed to enable students to develop the skills and knowledge needed to communicate effectively with their Deaf co-workers, students, and clients in work and social settings. Each instructional unit includes a Student Text and a Student DVD. The Student Text has a Unit Overview with learning outcomes, a listing of vocabulary, full grammatical and language, culture and community explanations and a practice and review section with accompanying DVD which provides students with

of the classroom practice to develop expressive and receptive skills. The Student Text is beautifully illustrated throughout with clearly drawn sign grammatical and vocabulary illustrations. Each unit on the ASL at Work: Student DVD provides Expressive Dialogue, Comprehension Dialogues and Narratives and demonstration of Expressive Practice Prompts to give students practice outside of the classroom with both receptive and expressive skills. CJ Jones, Deanna Bray, Rosa Lee and other well known Deaf talent provide a variety of ASL models for students on the DVD. From the first lesson, ASL is "at work" for both the teacher who is teaching American Sign Language and the students who are learning ASL. - Publisher

Illustrated by Venantius J Pinto. This beautiful children's book is based on real events that took place in Northern India in the 1970s when women, part of the Chipko Andolan (Hug the Tree Movement), faced down developers who had come to clear forests. Illustrated throughout in full colour. Ages 4-10 years. 'More books of this calibre might help save the planet' - Smithsonian Magazine 'An exemplary first picture book for both author and illustrator, this collaboration will appeal to a wide audience.' - School Library Journal

Created by an unparalleled board of experts led by renowned ASL linguist and poet Clayton Valli, The Gallaudet Dictionary of American Sign Language contains over 3,000 illustrations. Each sign illustration, including depictions of fingerspelling and

appropriate, incorporates a complete list of English synonyms. A full, alphabetized English index enables users to cross-reference words and signs throughout the entire volume. The comprehensive introduction lays the groundwork for learning ASL by

explaining in plain language the workings of ASL syntax and structure. It also offers examples of idioms and describes the antecedents of ASL, its place in the Deaf community, and its meaning in Deaf culture. This extraordinary reference also includes a

special section on ASL classifiers and their use. Readers will find complete descriptions of the various classifiers and examples of how to use these integral facets of ASL. The Gallaudet Dictionary of American Sign Language is an outstanding resource for all instructors, students, and users of ASL. \*Please note that this paperback edition does not include the DVD found in the hardcover edition.

*This treasury of quotes from deaf women about life, love, and overcoming multifaceted challenges provides a resource for those seeking inspiration and understanding. Compiled from contributions from women of all walks of life—young and old, single and married, straight and lesbian, soccer moms and single mothers, women of color—this collection recognizes the gender-specific barriers that women confront daily and offers gender-specific strengths for overcoming them. Also a beginning point of unity for deaf women everywhere, these bits of wisdom address the need to pull together, share the vision and resources needed for empowerment, embrace diversity, and contribute to life each day in small ways.*

*Offering a variety of innovative teaching tools, INTRODUCTION TO LEARNING AND BEHAVIOR, 5th Edition provides a clear introduction to the principles of learning and behavior. Designed to strike a balance between basic principles and their practical application, it provides an engaging outline of the behavioral approach to psychology and its relevance for understanding and improving the world we live in. This edition includes a new emphasis on behavior self-management -- including an appendix on tactics of behavior self-management as well as Study Tip boxes advising students on a range of study behavior issues, from how to best read a textbook to the use of stimulus control procedures to increase concentration and reduce procrastination. Instructors who include self-management projects as a course assignment may particularly appreciate this material. As with past editions, numerous opportunities for review and self-testing help students maximize their understanding and retention. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.*

*From the New York Times bestselling coauthors of Under Fire--the riveting story of the kidnapping and murder of CIA Station Chief William Buckley. After a deadly terrorist bombing at the American embassy in Lebanon in 1983, only one man inside the CIA possessed the courage and skills to rebuild the networks destroyed in the blast: William Buckley. But the new Beirut station chief quickly became the target of a young terrorist named Imad Mughniyeh. Beirut Rules is the pulse-by-pulse account of Buckley's abduction, torture, and murder at the hands of Hezbollah terrorists. Drawing on never-before-seen government documents as well as interviews with Buckley's co-workers, friends and family, Burton and Katz reveal how the relentless search for Buckley in the wake of his kidnapping ignited a war against terror that continues to shape the Middle East to this day.*

*Reinforces and expands on vocabulary, grammar and language functions taught in the classroom.*

Presented in textbook form, the book contains 22 lessons, each one providing illustrations and two to four basis explanations of the language structures to be learned.

Some of greatest untold stories from Michigan ' s football program are shared in this book based on intimate interviews with former players and coaches. Due to his long history covering Michigan football, author Steve Kornacki was given open-door access to Lloyd Carr, Bo Schembelcher, and Gary Moeller, all of whom provided hours of their time sharing their personal accounts and of occurrences during their coaching tenures; the stuff that legends are made of. Stories include being in the Michigan locker room after Bo Schembelcher ' s last game in the Big House and hearing his rousing speech leading the team in " The Victors " as they punctuated each verse by thrusting red roses toward the ceiling. Coach Carr tells about riding in a limousine through New York on the eve of the Heisman Trophy presentation with Desmond Howard en route to a meeting at NBC Studios with Tom Brokaw and a night in the green room at Late Night with David Letterman. A more heartfelt yarn is the " American Dream " tale of quarterback Elvis Grbac ' s Croatian family and the story of center Steve Everitt ' s family surviving Hurricane Andrew in a bathtub with the family dog and his 1990 Gator Bowl MVP trophy. Go Blue! reaches back to those special places in time in the program ' s history in addition to sharing heartwarming anecdotes. This collection is something no Michigan football fan will want to be without.

This video along with the text teaches basic sign language in an uncomplicated format.

Barron ' s American Sign Language is a brand-new title on ASL that can be used in the classroom, as a supplemental text to high school and college courses, or for anyone who wants to learn proper ASL. The only book with comprehensive instruction and online graded video practice quizzes, plus a comprehensive final video exam. Content includes topics on the Deaf culture and community, ASL Grammar, fingerspelling, combining signs to construct detailed sentences, Everyday ASL, and much more. More than 1,000 illustrations of signs with instructions on movement--step-by-step with dialogue, tip boxes, and practice exercises and quizzes throughout to reinforce retention and to track your progress.
