*Pascagoula, Mississippi, return home one midnight in a thunderstorm from the Memphis funeral of their older son to a house and a life literally falling apart--daughter Joanie is in an insane asylum and their younger son Charlie is upstairs having sex with his pregnant, holy-roller girlfriend as the McCorkles enter. Cornelius, who has political ambitions and a litany of health problems, is trying to find a large amount of moonshine money his gentle wife Bella has hidden somewhere in their collapsing house, but his noisy efforts are disrupted by a stream of remarkable characters, both living and dead. While Williams often used drama to convey hope and desperation in human hearts, it was through this dark,*

*A Production Thesis in Acting*

The plays of Tennessee Williams are some of the greatest triumphs of the American theatre. If Williams is not the most important American playwright, he is surely one of two or three of the most celebrated, rivaled only by Eugene O'Neill and Arthur Miller. But in a career that spanned almost five decades, he also produced two collections of poetry, two novels, four collections of stories, and scores of essays. This reference book offers a thorough review of the vast body of research on his works, along with a history of performance. The volume contains chapters devoted to

particular works or clusters of works, and each is written by an expert contributor. Each chapter includes a discussion of the biographical context of the work or group of works; a survey of the bibliographic history; a summary of major critical approaches, which looks at themes, characters, symbols, and plots; a consideration of the major critical problems posed by the work; a review of chief productions and film and television versions; a concluding overview; and a bibliography of secondary sources.

greatest playwright of the twentieth century, to its adaptation as an Oscar-winning movie directed by the legendary filmmaker John Huston. Sharing the spotlight in this riveting saga are two international megastars whose love affair dominated news coverage for much of that millennium: Richard Burton and Elizabeth Taylor, together with the highly combustible superstar Ava Gardner, and a third equally impressive star, Deborah Kerr, who lived side-by-side for three months in the Mexican jungle during the

film's production. Everyone involved hoped they would benefit from the movie's success. But what was the personal and professional cost to each of them? Through extensive archival research and firsthand interviews, which uncover many previously unknown facts, Howard Johns brings to life the people and events surrounding *The Night of the Iguana* and its transformative effect on Puerto Vallarta - once a small fishing village, now an international tourist destination. It was there, in the isolated jungles of Mismaloya, that the
