**Identifying the enemy is the key to casting him out! John Eckhardt has created the ultimate deliverance thesaurus to help believers know the specific names and attributes of demons so they can become more successful in casting them out. We fear the unknown, but there is power in identification. The demons unmasked in this thesaurus are well aware that they are subject to the name of Jesus, the name above every name! By identifying demons, the believer strips them of their power and exhibits Christ's authority over every demon. Don't run from the devil; begin casting out the enemy and stand victorious with Jesus Christ!**

*Dear reader, are you still there? take a second, now. breathe // with me. In one of the most anticipated debut collections of recent years, Maneo Mohale reckons boldly with the experience of – and the reconstruction of a life after – a sexual assault. We also live in a world of rigid gender roles and gender violence, where women, gender non-conforming and trans people are victims of violence, and have their gender expressions, freedoms, and desires policed. There’s pressure from both Muslims and non-Muslims to fit into severe stereotypes of Muslim identity and the ways in which it is acceptable to be Muslim. The BreakBeat Poets Vol. 3: Halal If You Hear Me is a celebration of intersectional identity that dispels the notion that there is one correct way to be a Muslim, particularly for women, gender non-conforming, and trans people.
