

## Dragons Of Winter Night Chronicles Volume Two Dragonance Chronicles Book 2

Primed for a battle between good and evil, Raistlin, the corrupt mage, returns to the Dragonance series, along with a new generation of characters, the inheritors of the fabled Heroes of the Lance. Reissue.

A mysterious force holds Krynn in thrall. A young woman, protected by her regiment of dark-armored knights, calls upon the might of an unknown god to bring victory to her army as it sweeps across the land. The souls of the dead rob the living of their magic. A dragon overlord threatens the very land the elves hold most dear. Amidst the chaos, a band of brave and selfless heroes struggles against an immortal power that appears to thwart them at every turn. The encroaching darkness threatens to engulf all hope, all faith, all light. The War of Souls rages on. The New York Times bestselling hardcover now in paperback. This latest title from Dragonance cocreators Margaret Weis and Tracy Hickman is the sequel to the New York Times bestselling Dragons of a Fallen Sun. This paperback version contains a preview chapter from the upcoming conclusion to the trilogy, Dragons of a Vanished Moon.

On steamy Prynn, never-ending sunlight and plentiful rain have created a jungle so vast that humans and elves dwell high in the trees and only dwarves live anywhere near the ground. From the treetops the aristocratic elves sell weapons to the other races, whose incessant warfare sends a steady steam of profits and essential resources skyward. Now, generations of dissent and race hatred will not heal -- not even under the threat of annihilation at the hands of legendary Titans. Armed with little more than their wits and prophecy, an elf, a human, and a dwarf must unite to try to save the world from destruction.

***Tanis Half-Elven... Flint Fireforge... Tasslehoff Burfoot... the classic Dragonance characters are back! Picking up where the first book of the classic Dragonance Chronicles left off, this tale follows the Companions of the Lance on their adventures following the rescue of the refugees of Pax Tharkas. Flint and Tanis Half-Elven travel to the dwarven kingdom of Thorbardin, while the rest of the Companions confront challenges of their own.***

***Return to the mystical world of Krynn, where the heroic Companions continue their fantastical adventures—and face their greatest challenge yet With the return of the dragon minions of Takhisis, the Queen of Dragons, the land of Krynn has become more dangerous than ever. But as the nations of Krynn prepare to fight for their homes, their lives, and their freedom, longstanding hatreds and prejudices interfere. When fighting breaks out among the races, it seems the battle is lost before it even begins. Meanwhile, the heroic Companions have been torn apart by war. A full season will pass before they meet again—if they meet again. Raistlin has made an ominous prediction, one that implies not all of the Companions will survive the fight. His warning, along with sinister dreams, haunt the friends as they search for the weapons that will stop the Dark Queen in her tracks: the mysterious Dragon Orbs and legendary Dragonance. Another riveting tale in the Dragonance Chronicles, Dragons of Winter Night is an action-packed adventure in which the true value of love and friendship is measured against the backdrop of a catastrophic war between good and evil. Dragons of Winter Night is the second book in the Dragonance Chronicles.***

***Adapt the third volume of the epic trilogy by Margaret Weis and Tracy Hickman. Armed with the legendary Dragonance, the Companions begin the final battle against the evil goddess Takhisis and her legions! But even as hope begins to spring, secrets long dormant threaten to render their sacrifice meaningless! Collects the entire 12-issue series.***

***The Chronicles retold—from evil's point of view. The story starts in Neraka, where Kitiara uth Matar and Emperor Ariakas hatch a plan to retrieve a dragon orb and thereby destroy Salamnia and the Companions in one fell swoop. But the guardian of the dragon orb, Highlord Feal-Thas, disagrees with this plan. Kitiara must go to Ice Wall to force him to accept Ariakas' will, but her journey does not end there. Thrown out of favor, she conceives a daring plan to enlist the aid of the most feared beings on Krynn—Lord Soth and the Dark Queen. Meanwhile, Laurana and the Companions retrieve the dragon orb and take it back to Salamnia—not knowing that they bring their allies' doom with them. The second volume of a new trilogy from celebrated authors Margaret Weis and Tracy Hickman, The Lost Chronicles details the famed War of the Lance from the perspective of the evil that menaces Krynn. The books are written in such a way that they will be marvelous complements to the original Chronicles, while at the same time accessible and exciting to new readers. From the Paperback edition.***

The perfect reality is just a thought away, but it comes at a chilling price. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a spilt of a second and unwanted elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? Netopia follows the heroes of the network in the days before its establishment, through its launch, relationships and love, and the unexpected change it wreaks on the enthusiaistic users who had no idea what awaited them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? Netopia is beyond science fiction: it is a groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans, the novel speaks to the connected and to the disconnected, to the great minds and the Neverminds, Netopia is a gleaming hope and a dark warning. So, where is your mind? Scroll up to grab your copy now.

This endearing tale is a unique work of historical fiction for cat lovers. It follows the life of a Japanese farm boy named Isao, who befriends a remarkable cat. Together, they experience Japan's transformative Meiji period. The journey begins in the peaceful farmlands at the foot of Mount Fuji, and then takes the reader through upheavals of war and cultural revolution. Isao comes to know great adventure, great love and great loss. Like Japan, he is transformed, his life taking a new turn with each of the nine incarnations of his dear companion.

***A Jason Bourne novel from the #1 New York Times bestselling author Facing down mercenaries in Africa, Jason Bourne witnesses the death of an art dealer named Tracy Atherton. Her killing dredges up snatches of Bourne's impaired memory, in particular the murder of a young woman on Bali who entrusted him with a strangely engraved ring-an artifact of such powerful significance that people have killed to obtain it. Now he's determined to find the ring's owner and purpose. But Bourne never knows what terrible acts he'll discover he committed when he digs into the past. The trail will lead him through layers of conspiracy to a vicious Russian mercenary, Leonid Arkadin, who was also a graduate of the Central Intelligence training program Treadstone. A covert course designed to create ruthless assassins for C.I., it was shuttered by Congress for corruption. Yet before it was dismantled, it produced Bourne and Arkadin, giving them equal skills, equal force, and equal cunning. As Bourne's destiny circles closer to Arkadin's, it becomes clear that the eventual collision of these men is not of their own making. Someone else has been watching and manipulating them. Someone who wants to know, Who is the more deadly agent?***

***Between Chronicles and Legends, what made Raistlin aspire to godhood? Raistlin Majere has become a Black Robe wizard and travels to Neraka, the lord city of the Dark Queen, ostensibly to work for her, though in reality he means to further his own quest for power. But Takhisis finds out that the dragon orb has entered her city and sends her draconians to find and destroy the wizard who has it in his possession. Before her agents can strike, though, Raistlin finds out that Takhisis means to take control of all wizardly magic. She has ordered Kitiara to set a trap for the Gods of Magic on the Night of the Eye, when all the high-ranking wizards will be in Neraka to celebrate. As the forces of light, with help from the good dragons, are turning the tide of battle, Raistlin is forced to flee, for his foes are closing in on him. As the Dragon Highlords vie for the Crown of Power in the Temple of the Dark Queen, Raistlin Majere wages his own desperate battle against Takhisis in the dungeons below and meets again the brother he betrayed.
