Clarion Review: \*\*\*\*The analytical psychology of Carl Gustav Jung, the ideas of Erich Neumann and modern developmental psychology offer excellent guidelines in the search for the significance of children's drawings. Children actually live in the mythological period of our ancestors.

## Online Library Draw Me A Star Picture Puffin

Just as our ancestors' growing process of awareness was reflected in mythological stories, rituals, fairy tales and primitive art, a child's process of awareness is reflected in his or her drawings. There are similarities between the products from various periods of art history

## Online Library Draw Me A Star Picture Puffin

and the drawings that children make at various ages. In 'Draw me a Picture' children's drawings ranging from their very first scribbles to drawings by adolescents are described and analyzed. And, when doing so, the author repeatedly makes links to the world of children's games. She also
